IN FRAIL HEALTH

San Rafael High Principal Resigns

Resignation of Ralph H. Phelps as principal of San Rafael High School was reluctantly accepted by the board of education last night.

Phelps, who has been principal since 1957, notified the board by letter that his physician had advised him not to accept a position with heavy load of administrative responsibility for the next school year. He has been in frail health since last spring.

RALPH H. PHELPS
Released as principal

He asked that he be given a lesser assignment for the year, and expressed hope the condition would be only temporary. The board concurred in his request.

Whether to fill the position within the district or hire a new principal from outside was to be discussed by board members at an executive session.

Possible candidates include Webster Wilson, principal of Terra Linda High School, and Alfred N. Thomson, assistant principal of San Rafael High.

The board ran into a parents' protest on a proposal by Acting Supt. Raymond J. Simpson and Asst. Supt. Mildred B. Barnard for reassignment of an elementary school principal.

Simpson and Mrs. Barnard had proposed transferring Edwina Codoni from principal of West End and Sun Valley Schools to principal of Short and Gallinas Schools. (Although it was not brought out at the meeting, it was learned that Harold V. Delma, principal last year at Short and E Street Schools, had rejected the Short-Gallinas assignment and was slated to head West End and Sun Valley.)

Presented to the board were three petitions, opposing transfer of Miss Codoni, with signatures gathered by Mrs. Leo Miller, president of the Sun Valley Parents Club, and Mrs. Bryce W. Anderson and Mrs. Frederic C. Owen, president and vice president of the West End Parent-Teacher Assn.

"I have received a number of phone calls on this matter, and I know there are a great many other people who feel the same way these petitioners do," said board member C. Paul Bettini, himself a resident of the West End School area.

Simpson said the transfer had been discussed with Miss Codoni and "at our talk Edwina was still in agreement."

Bettini suggested the appointment be held over until Miss Codoni's return from a trip to Canada. Simpson said she is expected back in a week.

Leo Miller asked that Miss Codoni be given the opportunity to meet with the Sun Valley Parents Club "and make her feel that she is still welcome" before a decision.

Simpson said she should also meet with the board of education. Board member John M. Bagshaw said he felt the petitions obligated the board to discuss the assignment with Miss Codoni before acting. The board, agreeing, set the interview tentatively for its meeting of 5:30 p.m. Aug. 9.

Restricted Use Of Water Due In Novato

Water rationing is in sight for Novato.

Directors of the North Marin Water District ast night set Aug. 15 as the date for consideration of an ordinance aimed at preserving the district's water supply until completion of a new water line.

The proposed rules would restrict lawn watering to hand-held hoses. This might contain restrictions against filling of swimming pools or washing of cars, Jerome Gilbert, district manager, reported.

Also being considered is restricting lawn water to every other day with homes on one side of a street being watered one day; those on the opposite side, the next day.

Unemployment Figure Drops During July

WASHINGTON (AP) — Unemployment dropped seasonally by 440,000 in July but the idle rate edged up a bit to 6.9 per cent of the work force.

Secretary of Labor Arthur J. Goldberg reported that the number of unemployed declined to 5,140,000 in July from 5,580,000 in June. This compared with four million idle in July 1960.

Employment declined by 205,000 to 68,499,000. The changes in employment and unemployment both were about what was seasonally expected.

Goldberg said the figures showed economic recovery has not affected the nation's hard core unemployment problem. He said it remains a continuing cause of concern to the administration.

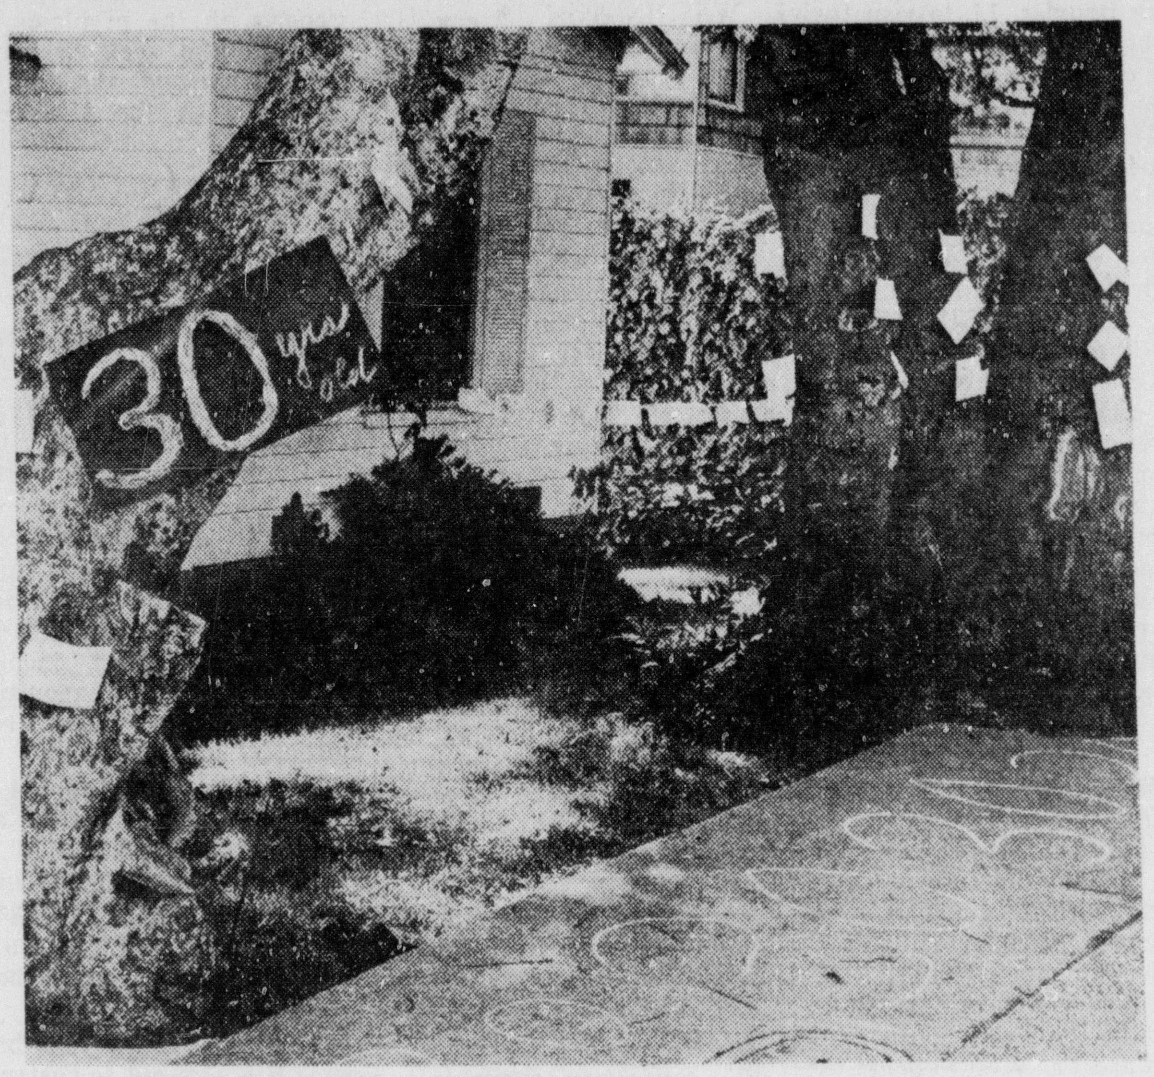
The number of workers idle a half year or longer increased by nearly 100,000 in July to 1,026,000.

The rate of unemployment to the total work force increased from 6.8 per cent in June to 6.9 per cent in July.

S. Viet Nam Orders Troop Mobilization

SAIGON, Viet Name (UPI) — The South Viet Nam government today ordered all men between the ages of 25 and 33 to report for military duty by Aug. 15 to bolster the nation's armed forces against increasing terrorism by Viet Cong Communist guerrillas.

The mobilization order came in the wake of a pre-announced terrorist bombing attack in the heart of Saigon in daylight. A police sergeant and an army enlisted man riding in a busy street were killed by a grenade tossed by a terrorist three days ago.



SHIRLEY SURELY IS THIRTY

MRS SHIRLEY FRANSEN, wife of insurance man Carl Fransen, didn't want anything said about her 30th birthday — she hated so to see the 20s go. Imagine her surprise when she was awakened at 7:30 a.m. today to find her home at 65 Hillview Avenue, San Rafael, plastered with big and little signs announcing "Shirley Is 30," "30 Years Old Today," etc. The signs were the work of her sister, Mrs. Alice Backman; her mother, Mrs. W.P. Buchwald, and her aunt, Mrs. Edna Davis. After her initial astonishment, Mrs. Fransen (left, peeping from door with Mrs. Backman) took the conspicuous announcement of her age as all in the spirit of good, clean fun. (Independent-Journal photos)

Two Women Jailed On Drug Charge

Two East Bay women, stopped this morning for a routine check by San Rafael police, landed in the county jail on charges of possession of drugs, investigation of fictitious checks, and traffic violations.

Found in their automobile were 31 blank checks on the firm of Clement-Jones Co. of San Leandro. On one of the women were found a number of capsules containing drugs.

Sherline Kay Burdette, 21, of Newark, Alameda County, and Harriet Genevive Diaz, 28, of Oakland, were stopped by officers James Carlton and Leo Schwab at 8:30 a.m. today on Miracle Mile.

Mrs. Burdette, also known as Sherline Barnes, Mrs. Gary Goforth and Alice Fowkes, denied knowledge of the checks found in the car, but told police that she and her husband were involved in a ring of check passers that bought stolen checks and identification for passing them. She is out on bail on bad check charges in Sunnyvale.

Mrs. Diaz told police her husband was in jail in Vacaville for bad checks.

Astronauts Undergoing Physical Examinations

SAN ANTONIO, Tex. (AP)—America's seven astronauts began a series of what the federal space agency called routine physicals today at Lackland Air Force Base Hospital.

Their personal flight surgeon, Dr. William O. Douglas of Langley AFB, Va., pronounced them "in excellent condition" at the start of the tests.

ROOM FOR BUSINESS?

Hub Board May Back Down On Sunny Hills

The boundaries for the proposed school site on the Sunny Hills Presbyterian Orphanage property may be changed.

Supt. Stephen Parodi told San Anselmo School District trustees last night he would contact Eugene Crawford, architect hired by the district, in hopes of changing the boundaries "to not include any of the commercially zoned area in the school site."

Parodi read a letter from E. T. Hermann, chairman of the Sunny Hills board, in which Hermann said the two boards could not get together before Friday. The trustees hope to arrange a meeting between their board and the directors of Sunny Hills on either Aug. 28, 29 or 30.

Parodi said the allocation board of the State Finance Department would discuss the Sunny Hills property for a proposed 13.4 acre school site at its meeting Aug. 15 in Los Angeles. He pointed out the allocation board decision will in no way be final.

Doug Maloney, assistant county counsel, present at last night's meeting, informed the board and the property owners affected by the proposed Wade Thomas School expansion, that 30 days of negotiating between the two groups is allowed before condemnation proceedings are filed.

He pointed out the 30 days become effective when the approval of the allocation board of the state department of finance for the school expansion program becomes final.

If the property owners and the trustees cannot reach an agreement within the 30 days, court action can be taken up, he said.

Air Force Alerts 28,000 Reserves

WASHINGTON (AP)—The Air Force has alerted 28,000 men in 71 Air National Guard and Air Reserve units for a possible call to active duty as a part of the defense buildup to meet the Berlin crisis.

The announcement yesterday came after the President signed legislation authorizing him to call to active duty up to 250,000 reservists and extend active duty tours and enlistments by one year.

President Reaffirms Free China Alliance

Stand Still Firm On Red U.N. Bid

WASHINGTON (UPI) — President John F. Kennedy today reaffirmed the U.S. alliance with Nationalist China and American determination to oppose admission of Communist China to the United Nations.

Kennedy's formal assurance was contained in a joint communique he issued with Nationalist Vice President Chen Cheng on Chen's three days of talks here.

The communique offered no clues to what decisions, if any, were reached on tactics the United States and the Republic of China will use in next month's United Nations showdown on Red China's membership bid.

However, officials of both government privately acknowledged failure to agree on the related issue of admission of Communist Outer Mongolia to the world body.

On other international issues, Kennedy and Chen said in the joint communique:

LAOS—"The president stated that while he is hopeful that the Geneva conference on Laos will result in the emergence of a truly neutral and independent Laos, the United States will not approve any arrangement which would result in Communist domination of that country."

BERLIN—They agreed that the Communist pressure at Berlin is part of a worldwide challenge. "They further agreed that Free World interests require the continued presence of Free World forces in West Berlin and the maintenance of the security and the viability of West Berlin."

VIET NAM—"The president stated that the United States is determined that the republic of Viet Nam shall not be lost to the Communists for lack of any support which the United States government can render."

KOREA—"The president and the vice president welcomed the announced policies of the new (South) Korean government to continue its partnership with the Free World, to oppose Communism, and to combat the economic problems that face the Korean people."

The communique called the talks on Chinese representation at the United Nations "candid and comprehensive" and said the entire series of meetings was marked by "a spirit of understanding and mutual interest consonant with the deep and lasting friendship between the two countries."

RED CHINESE GET WORD: 'DESPISE' KENNEDY, U.S.

TOKYO (UPI) — The people of Communist China were instructed today to "despise" the Kennedy administration—but warned also not to underestimate it

In an assessment of the first six months of the president's tenure, appearing in the Peiping People's Daily, the United States was called a "fiendish gambler" that wages all on the last throw —and loses.

The commentary appeared to pursue the Chinese Communist Party line that war against capitalism is inevitable. This conflicted with the "peaceful coexistence" line set down last weekend by the Soviets.

HOME PLANS INSIDE 'PARK' APPROVED

Supervisors Overrule County Planners On Two Drakes Bay Subdivision Units

Marin County supervisors by 3-2 vote yesterday overruled the county planning commission to approve two more Drakes Bay subdivision units.

"The national seashore issue is completely irrelevant," declared developer Benjamin Bonelli. At previous hearings it had been brought out that his property lies outside the 20,000-acre dimension for the seashore favored by the supervisors, though it would be within the 53,000-acres proposed by the National Park Service.

Bonelli said the land was bought two years before a national seashore was suggested. "Inferences that this is all speculation connected with a national park are untrue," he asserted.

During the last nine months, Bonelli said, the developers have spent $250,000 on improvements. But to bring the entry road to county standard would cost a million dollars, he contended. He offered to join in an assessment district, saying the job shouldn't be undertaken solely by his own enterprise.

"I can't see why this was held up when two identical units were approved last year," said Supervisor George Ludy of Inverness. "My only gripe is the 'Drakes Bay' sign on Sir Francis Drake — it's misleading."

"I would love to put 'Estates'

20 Tourists Feared Dead In Bus Crash

LUCERNE, Switzerland (UPI) —A bus carrying a party of American tourists crashed off a scenic road into Lake Lucerne today. The death toll was believed to be about 20.

First reports said the estimated 15 survivors of the approximately 38 persons on the bus spoke English. This led Swiss police to announce that the bus carried a group of vacationing Britons.

However, a check of identities showed later it was an American tourist party.

Witnesses said the bus sank in 200 feet of water.

MERCHANTS MAKE DOLLAR DANCE

Mrs. W. B. Donohoe of 689 Las Colindas Road, Terra Linda, and Hugo the poodle learn that dollars can dance as Jolly Dollar, money-saving symbol of San Rafael Dollar Days, does a jig. Jolly Dollar will make "personal appearances" with top bargains in 75 participating San Rafael stores Friday and Saturday. Stores will remain open until 9 p.m. Friday.

Salinger Plans Meeting With Allied Press Chief

WASHINGTON (UPI)—White House press secretary Pierre Salinger will fly to Paris tomorrow night for a series of meetings with Western press chiefs on information policies concerning the Berlin crisis.

Salinger will accompany Secretary of State Dean Rusk, who will attend a Western foreign ministers conference in Paris. The foreign ministers are meeting to draft diplomatic moves to counter the Soviet threat to West Berlin.

30-DAY FORECAST

The Bay Area should have above-normal temperatures, and below-normal precipitation, according to this weather map, based on data from the U.S. Weather Bureau. The forecast is for the next 30 days.

Kennedy Going All Out For Foreign Aid Bill

WASHINGTON (AP) — President John F. Kennedy is turning over every political rock on Capitol Hill in the most intensive campaign a president ever put on for a foreign aid bill.

Members of the Senate and House accustomed to being lobbied for their support of legislation say they have never seen anything like the energy Kennedy is investing in his drive to get approval of a long-range development loan program.

In groups and singly the President has had members in to make his case in behalf of his 8.8-billion-dollar request for development lending over five years to struggling new nations. Of this, 7.3 billion dollars would come in borrowing from the Treasury without year-to-year congressional approval. The rest would come from repayments of postwar loans.

This adds up to a heap of presidential authority to ask from Congress, always jealous of its control of the purse strings.

The Kennedy campaign has been mapped carefully and pursued vigorously. He got a Citizens Committee for International Development to work drumming up popular support. The AFL-CIO chipped in with a letter-writing campaign.

While Senate and House committees were in the process of considering the administrative bill, the presidential charm was exercised on all of the members, Republicans as well as Democrats, in White House visits.

Secretary of State Dean Rusk and Secretary of the Treasury Douglas Dillon were directed to write all of the senators and representatives urging support for the President's plan.

But from experience in both the House and Senate, Kennedy knows there is no lobbyist like the President himself. So key legislators still are trooping daily to the White House.

France Offers To Share Sahara Wealth With Others

PARIS (UPI) — France today staked the future of the Algerian peace talks on an offer to share the wealth of the Sahara with other nations of North Africa.

Algerian affairs Minister Louise Joxe said this offer was made to the Algerian rebels shortly before the Moslem delegation requested a recess of the four-week-old peace talks at Lugrin, France.

Joxe made the disclosure yesterday in a nationwide radio and television speech answering Monday's declaration by Algerian rebel deputy premier Belkacem Krim that his side "will not neglect any means" to resume the talks.

The French delegation leader confirmed Krim's statement that bargaining thus far has hinged on the issue of the Sahara. Krim has insisted that Algerians regarded the vast region as "four-fifths of our territory."

France maintains that the Sahara is outside the scope of the Lugrin talks which are aimed at ending the seven-year-old Algerian war in Algeria.

WIRE NEWS BRIEFS From Everywhere

Trial Postponed

JERUSALEM, Israel (AP)—The resumption of the Eichmann trial has been postponed from tomorrow until Aug. 8.

A court statement today said one of the three judges is ill.

The proceedings were recessed last week for eight days to enable state Atty. Gen. Gideon Hausner to prepare the prosecution's final summation.

U-2 Plans

NAHA, Okinawa (AP) — The U.S. Air Force announced today it will soon start a series of air sampling flights over international waters in the Western Pacific using two U-2 planes based on Okinawa.

It said U-2s had carried out similar flights from the United States, Argentina and Australia in recent years.

Rail Line Closed

TOKYO (AP)—The Soviet government opened the Trans-Siberian Railroad to foreign tourists this summer for the first time since World War II. Today the Japan Travel Bureau reported the Russians had closed it again without explanation.

Portuguese Killed

LISBON, Portugal (AP) — The Portuguese government says 22 soldiers were killed in action and six were killed accidentally in operations during July against African rebels in northern Angola.

The number of wounded was not given nor was there any estimate of African casualties.

Vote Machines

SACRAMENTO (AP) — The State Commission on Voting Machines has approved a lightweight, electrically operated machine that will cost about $200 less than the model now being used.

The decision, made yesterday, authorizes counties to buy and use the newly approved machines in addition to the mechanically-operated ones now in use.

The lightweight model, would cost about $1,650, compared to prices ranging up to about $1,850 for the others.

Fleet To Leave

SAN FRANCISCO (AP) — The Navy disclosed yesterday that eight ships of the 1st Fleet will depart three West Coast ports Aug. 11 "for extended deployment" in the Western Pacific.

The attack carrier Ranger will sail from Alameda; the heavy cruiser Helena and the guided missile frigate Coontz, from San Diego, and the heavy cruiser Los Angeles and the destroyers Edson Picking, Fechteler and H. J. Thomas, from Long Beach.

After a brief visit in Pearl Harbor the ships will be joined by the carrier Yorktown and eight vessels of Destroyer Divisions 232 and 253. All then will proceed to the Western Pacific.

Strength Report

NEW YORK (AP)—West Germany is prepared to bring its NATO forces up to full combat strength, says Franz Josef Strauss, that nation's defense minister.

Ending a two-week visit to this country, Strauss said before leaving for Germany by air: "The Russians do not want war. The issue is the access to Berlin."

Sisters' Trouble

OAKLAND (AP)—This is the tangled tale of an effort by two sisters, Denise, 15, and Barbara Douglas, 14, to visit their father—who is in Paris—over the objections of their mother, who now is in jail.

The girls were picked up Sunday at the home of their mother, Eileen D. Henderson, at nearby Berkeley, on a court order obtained in behalf of their father, William J. Douglas, Paris osteopath. The couple is divorced.

Yesterday the court ordered the girls placed on a plane for Paris. But their mother informed the court she had mailed their passports to her attorney in Boston. She was jailed for contempt of court.

Now Denise and Barbara are in care of a welfare home, awaiting disposition of the case.

GOP Meetings

WASHINGTON (UPI)—Republican leaders will hold a series of regional conferences this fall to light the fuse for their 1962 political campaign, GOP national chairman William E. Miller announced today.

Miller said meetings will be held in the East, South, Midwest and Far West to begin the GOP campaign to win control of more courthouses, statehouses and the House of Representatives next year.

German Campaign

BERLIN (UPI) — The Communists today opened an angry campaign against the thousands of East Germans who work in West Berlin.

Many of the 53,000 so-called "border crossers" failed to report for work today. Reports reaching here said hundreds of them were pulled off Commuter trains and buses and told they must find jobs in the East.

Placards denouncing them as "traitors" who sold their labor to the "militarists" were posted in their neighborhoods.

Some were evicted from their homes for refusing to give up their Western jobs.

'Space' Shot Off

CAPE CANAVERAL, Fla (AP) —The oft-postponed attempt to orbit a satellite "space platform" has encountered more trouble and probably will not be tried again for two weeks.

Scientists had hoped to launch the Atlas-Agena booster rocket today, the final day of an optimum eight-day period which was determined best for placing the payload, Ranger I, on the desired course.

Auto-Labor Threat

DETROIT (UPI)—General Motors today adopted a wait-and-see attitude to a United Auto Workers threat to file unfair labor practice charges against GM.

Company officials had no comment on the threat made yesterday by UAW vice president Leonard Woodcock.

Woodcock said the union would decide "in a few days" whether to go to the National Labor Relations Board with a complaint against GM.

Russ Document Might Irritate Red Chinese

By JOHN M. HIGHTOWER

WASHINGTON (AP) — The proposed Soviet Communist party program just published in Moscow is seen by authorities here as a possible new source of irritation and dispute between the Soviet Union and Red China.

Authorities who have studied the voluminous document say that its emphasis on a need for avoiding war and for Premier Nikita S. Khrushchev's policy of "peaceful coexistence" is sharply at variance with the more aggressive policy of the Chinese Communists.

20-YEAR GOALS

Furthermore, in the view of Washington authorities, the program sets up 20-year goals for the Soviet Communist system which the Soviets may at least dream of achieving but the Chinese Reds with their more backward and underdeveloped country have no hope of realizing in such a relatively short period.

The statement of Soviet Communist aims and doctrine was published Sunday.

Several conclusions have been reached by experts:

NOTHING NEW

1. There is nothing fundamentally new or startling in the composition which some experts are beginning to refer to as the "Khrushchev doctrine" and others as a "pie-in-the-sky" statement of future hopes.

2. The main thrust of action insofar as foreign affairs are concerned is toward the underdeveloped countries of the world. The program draft makes "fraternal association" with such nations a cornerstone of Soviet foreign policy.

3. The goals which are set up for Communist achievement 20 years from now—including such things are rent-free housing, free education and child care supplied by the state—can only be achieved if there is no great war which diverts resources to military purposes.

NUCLEAR WAR

4. The avoidence of a themonuclear conflict is described in the document as the first necessity of foreign relations.

5. The central policy theme set forth is that of "peaceful coexistence" but this does not mean any lessening of the "ideological struggle."

Waiting At Havana Airport Is Hot, Agonizing, Tearful

(EDITOR'S NOTE — AP news analyst William L. Ryan is just back from a short visit in Cuba and here reports on the problems of Cubans who seek to leave their homeland and find a new life in the United States.)

By WILLIAM L. RYAN
Associated Press News Analyst

"Visit Cuba, land of happy people," says the lettering on cardboard boxes of rum offered for sale to travelers.

You are a traveler, a refugee from your own country, one the United States has promised to absorb.

You have undergone the mental strain of waiting—lines for visas, lines for exit permits, lines for plane tickets, lines for everything — Lines inching ahead through the agonizing labyrinth of Fidel Castro's revolutionary bureaucracy.

The plane is scheduled to leave at 4:30 p.m., but the authorities have told you to be at the airport with all your baggage and documents at 10 a.m.

The terminal is dreadfully hot, crowded with others hoping to be as lucky as you.

You finally check your baggage. It is sent out to customs. There is nothing to do now but wait and wait. It gets hotter in the small waiting room. Once you are there you dare not leave. Prospective fellow passengers are called, and their baggage is being gone over bit by bit. Some things are confiscated. One family loses a pair of men's shoes, another a swimming suit.

A tiny girl loses a slim bracelet she had been wearing.

Children are wailing, irritated by the heat and the long, exhausting vigil. It is 4 p.m. Anxious eyes scan the skies, but the American plane hasn't appeared.

It wouldn't have mattered if it did show up on time. The customs people were a long way from finished. Then there were the interrogations by the G-2, Castro's intelligence people.

One G-2 man makes a cruel joke. He taps two young girls on the shoulders and asks for their papers. They go pale. Then he laughs at his own joke and hands the papers back. But others are taken away. A few will know the bitterness of losing at the last minute.

The plane finally appears. But on and on goes the search of the luggage, one passenger at a time

When will the plane be called? It is now a few minutes before 7 p.m.

The customs and G-2 people finally have finished. The plane is called. Passengers' names are called out for boarding, one at a time, 110 of them.

Finally you hear your name. Hastily you gather in your bit of hand luggage and head for the ramp.

An audible sigh goes up in the plane. The pretty stewardess slams the door. The air vents go on and there is relief from the oppressive heat. But the plane is not moving. It will not be safe for anyone until it is in the air.

Finally, the plane touches down in Miami. You join the others in a spontaneous outburst of applause.

Next to you is a weary looking man, in tears. He releases his grip on the hands of a child and kneels on the concrete, crosses himself, and says a prayer.

And you remember the tears on the faces of those you left behind.

30-DAY FORECAST

The Bay Area should have above-normal temperatures, and below-normal precipitation, according to this weather map, based on data from the U.S. Weather Bureau. The forecast is for the next 30 days.

Kennedy Going All Out For Foreign Aid Bill

WASHINGTON (AP) — President John F. Kennedy is turning over every political rock on Capitol Hill in the most intensive campaign a president ever put on for a foreign aid bill.

Members of the Senate and House accustomed to being lobbied for their support of legislation say they have never seen anything like the energy Kennedy is investing in his drive to get approval of a long-range development loan program.

In groups and singly the President has had members in to make his case in behalf of his 8.8-billion-dollar request for development lending over five years to struggling new nations. Of this, 7.3 billion dollars would come in borrowing from the Treasury without year-to-year congressional approval. The rest would come from repayments of postwar loans.

This adds up to a heap of presidential authority to ask from Congress, always jealous of its control of the purse strings.

The Kennedy campaign has been mapped carefully and pursued vigorously. He got a Citizens Committee for International Development to work drumming up popular support. The AFL-CIO chipped in with a letter-writing campaign.

While Senate and House committees were in the process of considering the administrative bill, the presidential charm was exercised on all of the members, Republicans as well as Democrats, in White House visits.

Secretary of State Dean Rusk and Secretary of the Treasury Douglas Dillon were directed to write all of the senators and representatives urging support for the President's plan.

But from experience in both the House and Senate, Kennedy knows there is no lobbyist like the President himself. So key legislators still are trooping daily to the White House.

France Offers To Share Sahara Wealth With Others

PARIS (UPI) — France today staked the future of the Algerian peace talks on an offer to share the wealth of the Sahara with other nations of North Africa.

Algerian affairs Minister Louise Joxe said this offer was made to the Algerian rebels shortly before the Moslem delegation requested a recess of the four-week-old peace talks at Lugrin, France.

Joxe made the disclosure yesterday in a nationwide radio and television speech answering Monday's declaration by Algerian rebel deputy premier Belkacem Krim that his side "will not neglect any means" to resume the talks.

The French delegation leader confirmed Krim's statement that bargaining thus far has hinged on the issue of the Sahara. Krim has insisted that Algerians regarded the vast region as "four-fifths of our territory."

France maintains that the Sahara is outside the scope of the Lugrin talks which are aimed at ending the seven-year-old Algerian war in Algeria.

DIGGING THE MOON—This drawing shows how a space vehicle might nestle in a tunnel under the moon's surface. Tunnels have been suggested as a practical way to establish a permanent station ,avoiding extreme surface temperature variations. Balloon-type structure in left background represents another possible type base. (AP Wirephoto)

U.S. Looking For Moon Launching Port Site

WASHINGTON (UPI) — The National Space Agency is studying possible locations for a moon port from which to launch the noisy, dangerous giant rockets that will take astronauts on lunar missions.

The U.S. space program calls for sending three men around the moon in mid-1960s and for landing a three-man Apollo spaceship on the moon by 1969.

A spokesman said yesterday the National Aeronautics and Space Administration (NASA) and the Defense Department are considering a great area of the Texas Gulf coast, extending down to Brownsville, and eight or ten other regions in this country and overseas for a moon port.

"No firm decisions have been made," the spokesman said.

NASA is pushing development of Nova, a rocket concept involving a booster first stage generating 12 million pounds of thrust.

Nothing less powerful could launch a 75-ton, three-man spacecraft capable of landing softly on the moon and taking off again for the return to earth.

'Soviets Could Launch Space-To-Earth Rockets'

Combined AP & UPI

SAN FRANCISCO—Clark C. Abt, manager of Raytheon Co.'s missile and space division, told members of the American Astronautical Society yesterday the Soviet Union has the ability to lauch weapons that can be fired from space at earth targets.

Abt said such space-triggered nuclear rockets could become secretly orbiting nuclear stockpiles for an aggressor nation while an arms ban is technically in force on earth.

The society, in its annual western meeting also heard Murray Kornhauser, a General Electric scientist, warn that an exploding meteorite could trigger a nuclear war by acting much like a nuclear explosion.

Kornhauser said that any meteorite weighing 200 pounds or more would appear "strikingly similar" to a missile. He added that about once every seven years a sizable meteorite falls which "could cause dangerous reactions."

He said the similarity between meteors and a missile is brightness. Meteors and missiles are bright, smoky, noisy, have blast waves, and cause seismic waves, fireballs, fall of debris and craters.

Dachshund Wins At Two Shows

Meistersinger L. of Marin, black and tan long-haired dachshund owned by Mrs. Virgilio Cheda of 234 Bayview Street, San Rafael, was a big winner in two dog shows this past weekend.

The dachshund was adjudged the "best of winners" at both the Ventura Kennel Club show and the Santa Barbara Kennel Club show held Saturday and Sunday respectively. The dog was handled by Mrs. Helen Blair of Novato in both shows.

The two wins earned five points apiece for Meistersinger L. of Marin and brought it within 15 points of the title of Champion of Record of the American Kennel Club.

Surprize Foto Candidate #63

© Borden Co.

CLICK! MEET MRS. J. R. HOLPER, 476 Corte Madera Ave., Corte Madera. She reached for a Borden product and was photographed by surprize. She's eligible to become the "Borden Belle!"

Elsie is behind it all! She's searching for the local "Borden Belle." So she has a Surprize Photographer roaming the stores, photographing ladies as they reach for Borden's—*any* Borden product.

Let's say you're reaching for Borden's Cottage Cheese, so slimming yet satisfying. A voice may say: "Madam, you've just been snapped. May we print your picture in the paper?"

It's fun! So reach for Borden's zesty fresh Cottage Cheese, in the new pastel cartons with the salad ideas on top. You may be photographed, may attend Elsie's Daisy Drawing, may receive Elsie and Elmer's famous Camera-Trailer. Reach for Borden's, says Elsie!

Tire treads wear almost twice as rapidly at 70 miles an hour as at 45 m.p.h.

SPACEMAN IN THE MOON

Tentative Plans For U.S. Lunar Stations Mapped Out By Firm

BALTIMORE, Md. (AP) — Tentative operational plans for stationing men on the moon were disclosed today.

The government-backed study mapped some strange methods for sustaining life in a still stranger environment.

"It's going to be a barren, monotonous place," said John De Nike, program manager for the lunar transport study.

The planning project is being carried out by the Martin Co. under contract with the National Aeronautics and Space Administration.

A preliminary report said a decade or more may be needed to establish permanent bases on the moon. It outlined some of the techniques and conditions in prospect for the expedition.

Insulated balloons and caves or tunnels are foreseen as moon shelters, protecting against solar radiation and the extreme temperatures ranging from 250 degrees in daylight to 230 below zero in darkness.

Boring machinery for digging tunnels and other equipment for building bases is expected to be operated by remote control by a crew still within the space ship.

Man himself presumably won't be able to do heavy construction work, since a chance break in his space suit could be fatal. It'll be a pushbutton construction job.

Vehicles for traveling about the moon's surface will have to be of special design, perhaps with wirebrush or rolling-sphere wheels, since rubber tires would deteriorate rapidly.

To make the space ship itself maneuverable, so it can be moved about or its position changed, it will probably be supported on stilts that operate mechanically like walking legs.

Likely landing site is on the relatively flat areas within one of the large moon craters. Provisions must be made, however, for possible scattered boulders, jagged rocks or crevices.

Man will find his apparent strength and stride magnified six times, since gravitation on the moon is only a sixth that of earth. A three-foot earth-bound step will carry him 18 feet.

The moon-expedition studies are making plans for three basic missions in this sequence: A lunar landing and immediate return for three men, a 30-day stay on the moon for three men and a permanent moon base which would accommodate 10 to 12 men.

PLENTY NOW—There's plenty to eat today in West Berlin as indicated by these rows of sausages. During the days of the airlift it was not so, and the Allies had to fly in all supplies. The cost of these meats is about half that of East Berlin. (UPI Telephoto)

AREA OF CRISIS—II

Imagine Washington Split —And Then Look At Berlin

(EDITOR'S NOTE—A wandering line that even splits houses in two is the porous Iron Curtain that separates East from West Berlin. In this second of a series of articles the geography of the situation is explained.)

By CARL HARTMAN

BERLIN (AP)—Try to imagine the city of Washington split in two, with the Capitol in Communist hands and the White House held by the West.

Now try to imagine all the surrounding states east of the Mississippi River also under a Communist satellite government, but with the West still free. Temporary national capital—Columbia, Mo.

If you can get a situation like that clearly in mind, you've come a long way toward understanding what the situation in Berlin looks like on the ground.

Greater Berlin is actually a good deal bigger than Washington — it includes about five times the area and population of the District of Columbia.

The city is split, not by anything so straight as Pennsylvania Avenue, but by a border that meanders some 25 miles through the middle of town, roughly from northwest to southwest. In some places it goes right down the center of once-busy streets. Elsewhere it leaves sidewalks on one side of the line and house doors on the other. There are a few places where it actually splits houses in half.

One of the oddest things about Berlin's little Iron Curtain is that it is so porous. Anyone can go back and forth by foot, car, subway or elevated train. Citizens of West Germany are supposed to get a special pass, but this is quickly given and Communist police rarely ask to see it.

It's a very different story if you try to leave Berlin and visit the surrounding German countryside. For this, special permission is required by the East German Communist authorities, and it is not so easy to get. That Iron Curtain is not so porous.

In a crisis, the Communists might seal off East Berlin from West Berlin, almost as effectively as they have sealed off Berlin from the rest of Germany. It is their legal right to stay in Berlin and have access to it that the Western powers have chosen to defend.

The main fact about the political situation of West Berlin is that it is plumped right down in the middle of Communist-ruled territory. If it were on the border between East and West Germany, the problem would be a lot simpler, but West Germany is 110 miles away. To get there from West Berlin you have to drive a car, take a train or ride a barge which the Communists could halt at any time. Or you have to fly.

In the 16 years since World War II the Communists have done nothing to halt air traffic. During the Berlin blockade of 1948-49 there were 11 months when supplies were airlifted into Berlin because the Communists had blocked all other ways to get in. In all this time the Soviets never withdrew their officers from the Berlin Air Safety Center. The possibility that the last Russians will walk out of this office in the old Allied Control Council building keeps Western statesmen awake nights.

"How did Berlin get into this odd fix?

In 1944, when the allies of World War II were advancing toward Germany's borders, they got together in London and decided how they were going to rule the country when they reached it. They divided Germany into occupation zones.

Berlin was to be in the middle of the Soviet occupation zone. But since the allies were to rule the country jointly they devised a special set up for the capital. Each occupying power got an occupation sector within the city itself, but all were to work together. This scheme broke down in the conflicts among the allies after war ended.

West Germany—the British, French and American occupation zones—became the Federal Republic of Germany with its capital at Bonn, a little university town on the Rhine. Western troups stayed on as allies.

East Germany — the Soviet occupation zone — became the "German Democratic Republic," with its capital in East Berlin. The Soviets also continued to maintain their troops.

The Federal Republic and its allies refused to have anything to do with the Soviet satellite, officially. The rest of the world, except for the Communist bloc, followed suit. Nevertheless, East German Communist officials took over more and more authority. They came to control all land and water routes to West Berlin, so far as German traffic was concerned.

The air lanes were all that remained in allied hands. Only small amounts of Western road and rail traffic, most of its military, continued to be checked through to Berlin by the Russians. Even official American trains were drawn by East German locomotives.

But when an official U.S. car drew up to the Iron Curtain border station at Helmstedt, on its way to Berlin, there was still a Soviet soldier on hand—not an East German—to check its papers. That Soviet soldier symbolized Moscow's acceptance of Western rights in Berlin. When he waved the car on to the highway, he was saying in effect: "Go ahead — Moscow is standing by your right to go to Berlin."

The disappearance of this vestige of four-power rule is threatened by the Soviet promise to sign a peace treaty with its East German satellite before end of 1961. Such a treaty would withdraw the Soviet soldiers at Helmstedt and put an East German in their places, representing a government the United States doesn't recognize.

Would Washington let the driver of the official American car show his papers to the East German? Would the East German shoot if he didn't. Would the American shoot back?

Soviet officers might also be withdrawn from the Air Safety Center. The East Germans already have published a decree calling on all planes entering their territory to report to another center run by themselves. **Would they fire on a Western plane if it refused?**

Woodacre Fair Announces Winners Of Pet Parade

Woodacre Improvement Club today announced winners of the pet parade which featured the 10th annual Woodacre Fair and Playday Sunday.

Children entered pets ranging from monkies to ponies and the whole fair and playday was a success, said John Keilty, parade chairman.

The children and their pets which won awards were:

Largest animal—Kris Keilty, 10, with a pony dressed in a 49er outfit.

Smallest animal — Grace Thoenon, 13, with a money outfitted in a Hawaiian muu-muu.

Funniest pair—Jeff Davis, 7, leading a dog with both dressed in comical miner outfits.

Prettiest — Nancy, 7, and Peggy, 5, Joslin who were dressed as gypsies pulling two Siamese cats in cages.

Most unusual—Robert, 7, and Diane, 5, Yates dressed as Indians with a dog pulling a miniature Indian stretcher.

Most original — Fran, 10, Joan, 9, and Peter, 7, Greenfield with three cages containing two dogs marked lions and a cat marked as a skunk; two of the children, dressed as a horse, were pulling the cages and the other was dressed as a ring-master of a circus.

Former Marinite Gets Army Promotion

Walter I. Grandjean, formerly of San Rafael, has been promoted to lieutenant colonel after 19 years service with the Army.

Now with Headquarters Fourth Army, Fort Sam Houston, San Antonio, Tex., Colonel Grandjean serves as chief of internal review of the finance and accounting section. Colonel Grandjean's mother, **Mrs. Margaret Grandjean, resides at 26 Convent Court, San Rafael.**

U.S. Bond Sales

Marin County sales of U.S. Savings Bonds for June amount- to $121,440, D. C. Davis, county bond sales chairman, reported today. Northern California sales for the month totaled $10,275,887, compared with **$8,800,107 in June of last year, he said.**

Terra Linda Expected To Join In Fire Pact

The Terra Linda Fire Department is expected to request membership in the county-wide mutual and fire fighting agreement.

Terra Linda and the Marinwood departments are the only departments in the county not signed up under the plan which specifically sets forth which department would aid another and which would cover for the aiding department.

Richard Flaherty, Terra Linda fire chief, said today he would request permission, at next Tuesday of the district's board of directors, to join the pact. If approved by directors, the Terra Linda request would come before the directors (fire chiefs) of the Marin County Assn. of Fire Departments on Aug. 25.

In Marinwood, Chief Donald G. Ray said it still had not been decided whether that department would request to join the pact, noting that the department had only one 750 gallon pumper truck. Terra Linda has a 750 gallon pumper and a 200 gallon pumper.

The question of joining the pact came up at a meeting Friday of the directors (chiefs) Marin County Assn. of Fire Departments, following a petition by 15 residents of Terra Linda Valley 4, within the San Rafael city limits, asking that the city enter a mutual fire protection pact with the Terra Linda Fire Department.

Civil Defense Subject For KTIM Panel

Marin County's Civil Defense program will be discussed from 9 to 10 a. m. tomorrow on Radio KTIM's "Marin Sounding Board."

Supervisor chairman William D. Fusselman will lead off the discussion with Sheriff Louis P. Mountanos and Gen. Ewart G. Plank of the State Disaster Office in Sacramento.

Appearing with them will be William R. Crabtree, communications specialist with the State Disaster Office in Walnut Creek, and William F. Dresia, chief of radiological defense in Marin.

Kitty Oppenheimer will be moderator of the program, for which listeners may phone in questions. The program will be rebroadcast at 12:30 p. m. Sunday.

PLUMBER DOUBLES AS ARTIST

Jack Collopy, who has been a plumber all his working life, displays one of his paintings in his Los Angeles shop. People often drop in just for a look at his work—the paintings, not the pipes. Art is strictly a hobby with Collopy. (UPI Telephoto)

Tam High District Sets Starting Date

New students of the Tamalpais Union High School District will start school on Monday, Sept. 5, according to the 1961-62 calendar released yesterday by Supt. Chester G. Carlisle.

Regular classes will start on Sept. 6. Teachers will report back on Aug. 30 for three days of pre-school training.

Brown Decides No Session On Disaster

SACRAMENTO (AP)—Gov. Edmund G. Brown has decided to at least temporarily refuse requests to convene a special session of the legislature on bomb fallout shelters, the state disaster office chief Alan Jones said.

"The governor feels that calling a special session would be unwise," Jonas told newsmen.

"He doesn't want to take any action until the federal government clarifies its programs and spells out how much financing it might make available to states."

Pending congressional action on President John F. Kennedy's call for federal survey and construction of shelters, however, Brown did ask Jonas to head a survey of how many state buildings can be used as shelters in event of nuclear attack.

The committee of representatives from various state departments began its work today on the report which is due Aug. 15.

San Rafael School Budgets Are Approved

The San Rafael Board of Education last night approved budgets for fiscal 1962 which will call for maximum permissible tax rates in both high and elementary school districts.

The high school district budget totals $1,875,140, up $162,139 from last year. It is expected to necessitate a general purpose tax rate of $1.25 per $100 assessed valuation. Last year, bond redemption, retirement funds and community service fund taxes added 26 cents to the total, which would mean a total for next year of $1.51. However, Acting Supt. Raymond J. Simpson said the 19 cents levied last year for bond redemption likely will increase slightly this year because of sale of additional bonds for the Terra Linda High School additions and swimming pool.

The elementary school district budget totals $2,127,845, up $143,911 from last year. This will call for a $1.75 general purpose tax rate. Last year, bond redemption state loan repayment community services tax and retirement taxes added 64 cents which would make the total rate $2.39. Simpson said these apparently will be little changed this year.

Residents of the former San Quentin School District will pay 23 cents less than those in the rest of the elementary school district since they do not assume San Rafael's bonded indebtedness. Simpson reported to the board that when San Rafael absorbed the San Quentin district June 30 the latter had about $5000 on hand above bills payable.

Sausalito's School Budget Is Approved

Trustees of the Sausalito School District last night accepted the published 1961-62 budget of $592,100, a drop of $55,375 from last year's budget of $647,475.

Supt. Marcus F. Davis said the cut is due principally to a drop in enrollment at Marin City because of the redevelopment there.

The district's tax rate is expected to remain the same as last year at $1.75 per $100 assessed valuation for general purpose tax plus an override of 10 cents which is the district's contribution to retirement funds. Sausalito School District has no bonded indebtedness.

The board also discussed proposed recreation facilities at Bayside Park, on grounds of Bayside School, and tentatively set Sept. 14 for a meeting with the city council and recreation commission to discuss the matter further.

Mrs. Shirley Krikorian, second grade teacher at Central School, was granted one year's leave of absence and trustees employed Mrs. Hazel K. Lynch of Belvedere to replace her. Mrs. Lynch formerly taught in Southern California.

The next meeting of the board was set for Sept. 11 in the district offices.

Police Radio Monitoring Trial Aug. 8

An Oakland newsman will go on trial Aug. 8 on charges which could outlaw the use of police radios in reporters' cars and newspaper offices.

Kenneth G. Fuller, 37, former Oakland police officer now with Broadcasters News Service, is charged with violations of the federal communications acts for monitoring police and fire calls and relaying them to broadcasters.

Charges were filed by the U. S. attorney's office in San Francisco following a complaint by an agent of the Federal Bureau of Information.

In his affidavit, the agent, John W. Organ Jr., objected to the fact that the public was informed vio radio on Oct. 18, 1960 of an ambulance on El Camino Real which was transporting a victim to the hospital.

The purpose of the broadcast, according to Fuller's attorney, Robert Bostick of Oakland, was to warn motorists of the presence of the ambulance. "Such warnings of auto accidents, traffic jams and possible obstructions serve a useful purpose and are commended by the National Safety Council," Bostick said.

The prosecution would be the first of its type in the 27 years the law has been in effect," Bostick said.

Hub School District Office Broken Into

Someone broke into the San Anselmo School District office on Sir Francis Drake Boulevard early today.

Supt. Stephen Parodi reported nothing was missing or seemed disturbed, but the lock on the front door was broken and the door open, and a screen over a side door was slashed.

MARIN FIRE CALLS

YESTERDAY:

12:05 p.m., San Rafael—Smoke check at F. W. Woolworth Co., 1009 Fourth Street; smoke possibly caused by burned out florescent light.

2:15 p.m., Marinwood — Fire burned partition between bathrooms at Chevron service station at 100 Marinwood Avenue.

2:17 p.m., San Rafael—Small grass fire at 178 Palm Avenue started by faulty incinerator.

8:14 p.m., Alto—Fire, put out on Alto Overpass, caused $1,500 damage to truck full of furniture; cause believed to be cigarette thrown from passing car.

TODAY:

6:37 a.m., smoke check at 108 Almonte Boulevard.

Alto Bowl Protestors Up In Arms

A protest petition bearing signatures of 550 Alto residents will be presented to Marin County supervisors whenever they hold a rezoning hearing on Marin Capital Co.'s luxury apartment project in Alto Bowl, Mrs. F. J. McClain of 2 Shell Court said today.

Mrs. McClain failed today to get a hearing time set by the supervisors. Chairman William D. Fusselman said the board had not learned whether a night meeting requested yesterday could or should be arranged.

Thirty-five of those opposing the project turned up at the board meeting yesterday, only to be told that developer George Goheen had requested a delay to Aug. 22.

The board offered to make tape recordings of views of any who cared to speak. Only attorney David Ring of Tiburon, acting for property owners' associations in Meadowsweet, Alto and Sutton Manor, made a brief statement.

Ring said all the associations are against the apartment project on a 170-acre site just outside Mill Valley limits but "we won't make any presentations now because we want to hear what he (Goheen) has to say."

"We strongly protest this tactic of the developer in phoning for delay at the last moment," said Ring. He asked why a continuance should thus be granted "at the eleventh hour" and whether a night hearing could not be arranged "because of the great problems of attending."

Fusselman said he didn't know the reason a continuance was asked.

Hub District Approves Budget For School Year

San Anselmo School District trustees last night approved the district's $901,003 budget for the 1961-62 fiscal year. There was no opposition.

The budget will now be submitted to the county superintendent of schools and then to the Board of Supervisors for approval.

Supt. Stephen Parodi said the over-ride tax tacked on to the $1.80 general purpose tax will be "about the same as last year." Last year's over-ride tax amounted to 41 cents per $100 of assessed valuation. The probable $2.21 tax rate would be an increase of 35 cents over that of last year.

School Board Adopts Budget In Fairfax

Fairfax School District trustees last night adopted a budget for the fiscal year of $366,832, an increase of $43,467 over last year.

The increase was accounted for by raises for each of the district's 38 employees, addition of a school bus and increase in capital outlay of over $6,000.

Transportation for about 50 per cent of the district's 840 children will cost $9,833. Last year only $282 was spent on transportation.

Major salary increases went to Supt. Homer L. Sisk who was raised from $11,000 to $11,600; Bruce McDonald, principal at Fairfax Central and Deer Park Schools, from $9,600 to $10,670, and Kenneth Lucas, Manor School principal, from $7,850 to $9,420.

A music teacher was added to the former staff of 26 at an annual salary of $5,000.

Capital outlay items including painting, improvements and addition of an overhead heating system, totaled $7,630. Last year only $1,422 was spent on capital outlay.

Sporting Firm Being Sued In Ski Accident

San Rafael artist and muralist Anne H. Knorr, wife of Don R Knorr, San Francisco architect, yesterday sued San Rafael Sporting Goods for $200,000, charging ski equipment she rented from the store left her totally disabled after an accident.

Mrs. Knorr made the charge in a suit for damages filed in Marin Superior Court by attorney Joseph F. Lewis of Sunnyvale.

The suit asserts she rented the equipment from the store at 1444 Fourth Street March 17 and had an accident with it the next day in Squaw Valley.

She charges improper toe plates were used to connect shoes with skies, so that she could not be released from the skis in event of an accident.

Lewis said Mrs. Knorr suffered at least 60 fractures in both legs.

The Knorrs reside at 6 Wintergreen Terrace, San Rafael.

Bongo Drummer Is Judged Sane By Marin Jury

A jury of 11 women and one man last night agreed with two psychiatrists after two and a half hours deliberation and found Victor A. Gipson, moustached, 27-year-old Tamalpais Valley poet and bongo drummer, was sane when he burned down his house at 363 Pinehill Road.

The jury reached its verdict at 6 p.m. after a one-day sanity hearing. The same jury previously found him guilty of arson last week. He was to appear before Judge Richard M. Sims Jr. in Marin Superior Court this afternoon for sentence.

Defense attorney Carl Shapiro was expected to ask for probation. He said yesterday a probation report is awaited from Alameda County where Gipson was convicted Friday of battery for beating his oldest son, Mark, 4.

The prosecution was handled by Deputy Dist. Atty. Charles L. Convis.

Driver Fined

Charles Arthur Blay, 36, ship's engineer of San Francisco, was fined $184 and put on six months probation by Judge Harold J. Haley in Marin Municipal Court yesterday after he pleaded guilty to driving while drunk Sunday on U.S. 101 two miles north of Novato.

STOCKS TODAY

NEW YORK (UPI)—A nosedive in American Telephone shook the stock market today, turning prices lower in the final hour with high speed tickers running late at the bell.

The Dow-Jones industrial average showed a sizable loss at the finish as key issues including Bethlehem Steel, Du Pont, and Chrysler tumbled well over a point to compound the fracture.

(The following closing prices of representative New York stocks supplied by Irving Lundborg and Co., San Rafael, member N.Y. Stock Exchange.)

DRAKE

Continued from page 1

on it but was advised this would result in a criminal complaint," said Bonelli. He was later told to remove the sign temporarily, pending conference with county counsel.

Thomas Storer of Balboa Avenue, Point Reyes Station, who had spoken in opposition at a previous hearing, appeared again to complain of heavy traffic attributed partly to the sign, which was believed to have caused misapprehension of persons seeking the Drakes Bay county seashore.

Bonelli termed "erroneous" Storer's comment that lots bought for a few hundred dollars were selling at $8,000. Storer said "it's rough being out there, due to weather," whereupon Ludy quipped:

"It's rated the second foggiest and windiest place in the world."

"Please!" said Bonelli.

Ludy moved approval of the two maps "with the same conditions as the first and second maps," the new units totaling 119 acres.

Public Works Director Marvin W. Brigham said "there is no requirement for any kind of road in this area," which led Supervisor William Gnoss to say that the Novato area subdivisions have required roads of county standards.

Gnoss and Walter R. Castro joined in opposition after a second by J. Walter Blair. Chairman William R. Fusselman settled the issue by his "yes."

Chamber Meetings

Board of directors meetings of the Mill Valley Chamber of Commerce have been changed from the first and third Wednesdays of each month to the second and fourth Wednesdays, secretary-manager Granville L. Beedle said today.

On Training Cruise

Taking part in an annual summer training cruise for midshipmen aboard the destroyer USS Decatur operating in the Western Atlantic is Martin Olson, Navy fire control technician seaman apprentice, son of Mr. and Mrs. Roy A. Olson of 1605 Center Road, Novato.

Moving Truck Set Ablaze Near Alto

Fire, believed to have been caused by a thrown cigarette, destroyed $1,500 worth of furniture in a truck en route into Mill Valley last night.

Truck driver Richard Duane of San Francisco, hauling the furniture for his company, Duane Truck Service, said that when he turned off Highway 101 at 8:14 p.m., he saw smoke from his vehicle.

Alto firemen had the fire under control in two minutes, Chief Carl O. Heynen Jr. said, but the blaze held up traffic 10 minutes in the westbound lane of the overpass.

Mrs. Duane said today her husband believes the fire was deliberately set since this is the second fire that has happened to him recently. She said the furniture was being delivered along the line starting in Mill Valley and as far as Sonoma.

In addition to the loss of Chesterfields, beds, chairs and a table, the fire burned the back of the truck cab and broke a window in the truck.

Marin Boy Is Victim Of Typhoid

A trip to Mexico by a member of the victim's family was blamed today for the first case of typhoid fever in Marin County since 1956.

The county health department disclosed that illness of a Mill Valley youth was diagnosed June 26 as typhoid. The victim is now virtually recovered, said Dr. Mary Jo Tonelli, assistant health officer.

Because of the rarity of the disease in California, an investigation was undertaken to learn where the youth could have been exposed. He was found to have traveled nowhere that typhoid is present. But a member of his family had recently returned from a trip to Mexico, where typhoid is common.

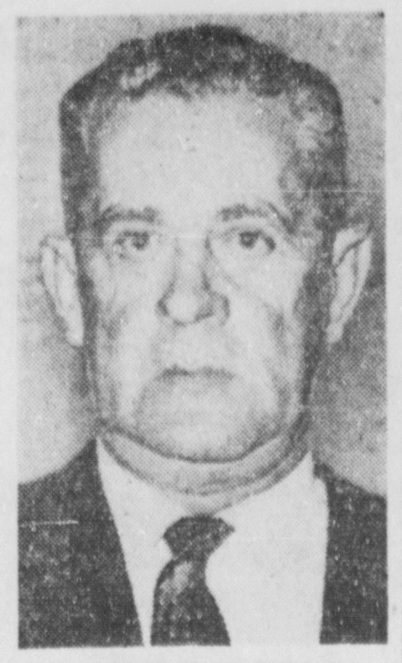
The traveler was protected by vaccination, but apparently carried the germs of typhoid long enough to expose the youth, Dr. Tonelli said.

Hearings Bogged On Equalization

Efforts to speed up decisions on appeals from Marin County assessor's valuations bogged down for nearly an hour and a half this morning in a consultation between the county supervisors, as an equalization board, and county counsel on procedure.

Supervisors Walter R. Castro asked that County Council E. Warren McGuire be called in when Chairman William D. Fusselman sought to cut him off from asking Assessor Bert W. Broemmel about his recommendations. Fusselman had suggested that no queries be put to Broemmel lest answers constitute new testimony.

Fusselman finally suggested that procedure be for each supervisor, in making a statement of findings on appeals from his district, include the position taken by the assessor.



WILLIAM L. ERDMANN
On way to funeral, death

OBITUARIES

Admiral Erdmann Succumbs

Rear Adm. William L. Erdmann (retired), 58, of Kentfield, much-decorated veteran of World War II Navy commands, died on an Eastern Airlines plane at Indianapolis, Ind., last night while en route to the funeral of his uncle.

Erdmann was found dead a few minutes before the plane landed at Weir Cook Municipal Airport in Indianapolis. A stewardess found him slumped in his seat when she checked to see that safety belts had been fastened for the landing. She attempted without success to revive him with mouth-to-mouth resuscitation.

Death was attributed to a heart seizure, United Press International reported from Indianapolis.

His wife, Mrs. Hayden Erdmann, was notified at her home at 13 Arroyo Drive, Kentfield, and flew to Indianapolis last night.

Erdmann, a native of Greenburg, Ind., was commander of all air-sea rescue operations in the Pacific during World War II. He also served in the Atlantic and established a Newfoundland Navy base in 1942. Since the war he had served as assistant chief of staff at North American Treaty Organization headquarters in Naples, as deputy commander of the Western Sea Frontier, chief of staff at Alameda Naval Air Station, and commander of naval forces in Guam and the Marianas. He was decorated nearly three dozen times before he retired in the spring of 1960.

An unhappy conclusion to his illustrious naval career was written in San Francisco Federal Court last November when he was fined $15,000 for smuggling 42 cases of untaxed liquor to the mainland from Guam on the aircraft carrier Bon Homme Richard when he returned to retire after his service there.

MAXWELL BOND

Maxwell W. Bond, 67, of 350 School Road, Novato, died yesterday at his home after a lengthy illness.

Bond retired in 1958 as sales manager of the San Rafael district for the Golden State Co. Ltd. He began work in 1914 as an ice cream salesman for the National Ice Cream Co. and continued after it was absorbed by Golden State.

He was born July 8, 1894 in San Francisco and served as a Coast Guard lieutenant in World War II when he was a port security officer. Bond had resided in Novato for the past 14 years.

He is survived by his wife, Margaret; a daughter, Mrs. Albert Alcorn of Novato, and a son, Maxwell W. Bond Jr., in Guatemala, and three grandchildren.

A High Requiem Mass will be sung at 9 a.m. Saturday at Our Lady of Loretto Church in Novato. Interment will be in Holy Cross Cemetery, Colma. The rosary is to be recited at 8 p.m. Friday.

MARVIN WATSON

Funeral services will be held tomorrow for Marvin A. Watson, Mill Valley real estate broker, who died of lukemia Monday in a San Francisco hospital after a long illness. He was 67.

Watson had been in real estate work in Marin eight years. For the last 18 months he has been in partnership with Jack McCallum of Mill Valley. The firm, Watson-McCallum Inc., has offices at 1040 Highway 101 in Alto and at 99 East Blithedale Avenue in Mill Valley.

Born in Sausalito, Watson was in the export-import business in San Francisco for many years, starting work with John DeMartini. He had his own export-import business in San Francisco. During that time he resided in Oakland.

Coming to Marin from Oakland, he located in San Anselmo and became associated with A. Roumiguiere. Later he worked with Key Marin Realty in San Rafael and five years ago opened his own office in Alto.

Watson had resided for the past four years at 264 Ricardo Road, Mill Valley.

He was a veteran of World Wars I and II and held the rank of lieutenant commander in the Naval Reserve. He was a member of American Legion Post 284, Mill Valley, Mill Valley Lodge 356, Free and Accepted Masons, and of the Marin County Real Estate Board.

He is survived by his wife, Eleanor I. Watson; a daughter, Mrs. Beverly Croke, of Mill Valley, who has been associated with the Watson-McCallum firm since April as a salesperson, and by three grandchildren.

Services will be at 10 a.m. at Russell and Gooch Mortuary in Mill Valley, under auspices of Mill Valley Lodge 356, F. and A. M. Interment will be in Golden Gate National Cemetery, San Bruno.

MARTHA TWIDDY

Mrs. Martha M. Twiddy, a Marin resident since 1956, died yesterday in a local hospital after a two-year illness.

Mrs. Twiddy was a native of England. She came to the United States in 1926 and settled in San Francisco. She had resided at 305 Las Flores, San Rafael.

She is survived by her husband, Noel, who retired from the Judson Pacific-Murphy Corp. in Emeryville some time ago; a daughter, Mrs. John W. Littleton of Marinwood and two grandsons.

Funeral services will be held tomorrow at 2 p.m. at Keaton's Mortuary, San Rafael. Interment will be private.

JAMES JOHNSON

Funeral services for Maj. James O. Johnson, 42, stationed a year ago at Hamilton Air Force Base with the 41st Air Rescue Squadron, will be held tomorrow at 10 a.m. at the Hamilton Air Force Base Chapel.

Maj. Johnson died unexpectedly Saturday at March Air Force Base, Riverside. He had suffered from a heart condition. He left Hamilton Field after a year's stay to join the 303rd Air Rescue Reserve Squadron at March Air Force Base.

He had served with the Flying Tigers in China during World War II and was a veteran of the Korean conflict. He leaves his wife, Elizabeth; a son, Lawrence and a daughter, Jill, of Arlington, Riverside County.

BIRTHS

DOVICHI—A son, to the wife (Barbara McCarthy) of Joseph Dovichi, Daly City, July 28 in Marin General Hospital.

PORTER—A son, to the wife (Judith McMillan) of James Porter, Fairfax, July 28 in Marin General Hospital.

DIVORCE ASKED

WILL — Janet vs. Robert W., cruelty and desertion.

MARRIAGE LICENSES ISSUED

Dwight Thomas Swobe, 18, of Oakland, and Kathleen Ireland, 18, of Oakland.

Abel Gomez Camacho, 23, of 78th A. and E. Squadron, Hamilton Air Force Base, and Diane Dee Bryden, 18, of 4661st Support Squadron, HAFB.

Lorelle Ferestad, 57, Sausalito, and Eleanor Fischer, 47, Ross; license issued in San Francisco.

DEATHS

JOHNSON—In March Air Force Base, Riverside, California, July 29, 1961 Major James O. Johnson, United States Air Force, beloved husband of Elizabeth J. Johnson, loving father of Lawrence and Jill Johnson of Arlington, Calif., loving son of Mr. and Mrs. Orval Sumner of Sedan, Kansas. A native of Kansas. Aged 42 years. A member of Vesper Lodge No. 136 A. F. & A. M., of Sedan, Kansas, and 303rd Air Rescue Reserve Squadron, March Air Force Base.

Friends are invited to attend the funeral Thursday, August 3, 1961 at 10 a.m. at the Hamilton Air Force Base Chapel. Interment San Francisco National Cemetery, Presidio, San Francisco. Friends may call at the Harry M. Williams Mortuary, San Rafael until 9:00 p.m. Wednesday (today) (8/2).

TWIDDY—In San Rafael, Aug. 1, 1961, Martha M. Twiddy, beloved wife of Noel Twiddy, loving mother of Mrs. John W. Littleton, grandmother of Brian and Bruce Littleton; a native of England, age 70.

Friends are invited to attend the funeral Thursday, Aug. 3, 1961 at 2 p.m. at Keaton's, Fifth Avenue and E Street, San Rafael. Interment private. (8/2)

WATSON—In Mill Valley, July 31, 1961, Marvin A., Lt. Cmdr., USNR, beloved husband of Eleanor I. Watson, loving father of Mrs. Beverly Croke, grandfather of Susan, Buzzy and Sandra Croke; a native of Sausalito; aged 67 years; a member of Mill Valley Lodge No. 356, F&AM, Marin County real estate board and American Legion Post No. 284, Mill Valley.

Funeral services Thursday, Aug. 3, at 10 a.m. at the memorial chapels of Russell and Gooch, 270 Miller Avenue, Mill Valley, under the auspices of Mill Valley Lodge No. 356, F&AM. Interment, Golden Gate National Cemetery, San Bruno. (8/2)

SORENSON—In Corte Madera, July 31, 1961, Eva Mae Sorenson, wife of the late Hogan Sorenson, mother of Mrs. Ann E. Matheson of Corte Madera, Mrs. Kay Leber of San Francisco, and John W. Sorenson of Seattle, sister of Robert Owen of Everett, Wash. and Mrs. Lucy Mason of Illinois, grandmother of six grandchildren, great-grandmother of 12 great-grandchildren; a native of Illinois, aged 80 years; a member of the Women's Relief Corps.

Private funeral services will be held Thursday, Aug. 3, 1961, at 11 a.m. at Keaton's Mortuary, San Rafael. Interment Mount Tamalpais Cemetery. (8/1-8/2)

Buses Will Be Rented By Board Of Education

The San Rafael Board of Education decided last night to rent two buses for the 1961-62 school year to transport students from the Hamilton Air Force Base and McNear's Beach areas.

The two additional buses will be necessary, said Acting Supt. Raymond J. Simpson, because of the increase in students entering San Rafael High School from the San Jose School District. He recommended against buying buses in view of the possibility that by another school year, the San Jose district may be unified with the Novato district and send its high school students to Novato.

There is a possibility, said Simpson, that Hamilton Air Force Base may make two more buses available to transport students.

Arrangements can be made with Gillig Brothers of Hayward, however, to rent two buses on a day-to-day basis at $18 a day, and they can be discontinued if Air Force buses become available. The board authorized this procedure, which Simpson said would cost $13,000 per bus if they are used for the full year—including the pay of drivers and cost of fuel, maintenance and insurance, which the school district will bear.

Carl F. Gromme, the school district's architect, reported the arbitration board considering the district's dispute with contractor Max Schenk over the Terra Linda High School swimming pool was to meet today, after which it might be ready to make its recommendation. Eager for action, since the pool was to have opened two months ago, the board instructed Simpson to write the arbitrators asking for a report regardless of whether they reached agreement at today's meeting.

The board voted to instruct County Counsel E. Warren McGuire to prepare the necessary legal papers for annexation of the San Pedro School property to the City of San Rafael, to be presented to the city council.

This resulted from a letter by City Manager Dan E. Andersen calling attention that San Pedro School has only county fire protection, and urging that the elementary school district either contract with the city for fire protection or annex the land to the city. The board preferred the latter course.

Also at last night's San Rafael Board of Education meeting:

1. Simpson informed the board that bids for music and business education equipment have been called for opening Aug. 8.

2. The board concurred with a suggestion by Max Thelen Jr. of 199 Mountain View Avenue that it adopt a statement of educational objectives contained in the report of the Citizen Committee on Education appointed by the 1959 legislature.

3. Simpson reported the adult school program had cost the district $1,798 to operate for the first six months of this year, above the amount received from the state and from student fees.

4. At suggestion of board member Rex Silvernale, it was agreed that conversations be opened with Latipac-Perini Co. regarding a future school site in Marin Bay.

5. Hiring of 11 more teachers was approved. On the list was former Supt. Frank L. Lucas, who resigned the superintendency because or a heart condition, and will teach mathematics at Santa Venetia, at the top of the teacher salary scale. Others are: Mrs. Louise De Rocco, primary grades; Mrs. Joyce McCaffrey, Davidson School; Lew Levinson, drama and English, San Rafael High School; Mrs. Frances Twoomey, primary grades; Flora Mancebo, Spanish and mathematics, Terra Linda High; Mrs. Marie Beltz, primary grades; Jeanette Craig, intermediate grades; Arturo Baca, foreign languages, Terra Linda High; Arthur Kalter, social studies, San Rafael High; Mrs. Barbara Jachens, teacher and half-time girls' vice-principal (a new position) at Davidson School.

6. Resignations of two Terra Linda High teachers were accepted: Nancy Gressinger, who taught mathematics and girls' physical education, and Armando Sanchez, who taught foreign languages.

7. Simpson reported appointment of William Mayer as maintenance mechanic, and Alex Lee as groundsman.

8. Mrs. Lilyan Hall, clerk at MacPhail School, was granted a year's leave because of ill health.

9. James Kenney resigned as part-time custodian at the administration building, and Leslie Bellefeuille resigned as groundsman. Board member C. Paul Bettini said Bellefeuille had indicated his resignation was due at least in part to having to do plumbing and carpentry although hired for groundsman, and suggested more maintenance personnel should be hired. Simpson said there will be three more maintenance men in the district for the new school year.

10. Reports on cafeteria operation showed the San Rafael High cafeteria netted $176 and the Davidson cafeteria $487 during the last school year, but that at Terra Linda High lost $800.

11. Simpson reported award of contracts for Terra Linda High football equipment, totaling $1,404, to Free-Minetti Co., Herb's Sport Shop, Redwood Sport Shop, Stroh and Co. and Taveggia and Brusati.

12. Although no money was budgeted for it, the board agreed to continue participating membership in the Junior Museum of Marin at 10 cents per average daily attendance in the elementary district, which Simpson estimated would cost $332.

13. The board adjourned to Aug. 9 at 5:30 p.m., when its meeting will follow opening of bids on Coleman School faculty toilets. Bids on Laurel Dell Intermediate School additions are to be opened Aug. 15 at 5:15 p.m. The regular board meeting of Aug. 8 was cancelled.

Lagunitas Schools Set Budget Hearing

Lagunitas School District trustees will hold a public hearing on the district's $156,911 budget for the 1961-62 school year tomorrow at 8 p.m. at Lagunitas School.

The trustees will also take up the building program and receive a kindergarten registration report from Supt. Clifford L. Frye.

Street Lights To Be Dimmed For Economy

Downtown San Rafael street lighting will be dimmed during the wee small hours, it was decided last night by economy-minded city councilmen who spent three hours paring the budget.

Public Works Supt. Norris Rawles was instructed by the economists to turn out one-half the street lights after 2:30 a.m. "to see what saving can be effected."

In a seeming burst of civic generosity, however, the councilmen agreed to buy Rawles' department new radio equipment at about $4,500 and a weed sprayer at $1,000.

The weed sprayer, Rawles said, would save over $3,000 in labor costs. The radio equipment was necessary, Rawles told the councilmen, for him to reach his men on a moment's notice in event of emergency.

The council's generosity reached the breaking point when Rawles requested a sixth dump truck for his 17½-man force. "If it is absolutely necessary, you can rent a truck when you need one," he was told.

It was also agreed that public works personnel would be realigned by eliminating two junior engineering aides and promoting the offices to junior civil engineer status. Rawles said junior classifications are no longer mere "stake punchers" but are now running transits and performing more skilled tasks.

The new radio equipment proposed to replace the present five-watt system will cost about $3,700, with approximately $1,000 expected to be spent on maintenance during the first year.

The new system would be powered by a 30-watt transmitter and would insure that all personnel can be reached at all times. The present radios, which cost $250 each, work well at short distances but are useless from as far away as Terra Linda, Rawles said.

"I admit the radios we have now were a bad investment," he said. Councilmen instructed him to see what cash could be salvaged from sale of the old radios and to present estimates on a new system before budget talks are concluded.

Rawles's request for an additional maintenance man was taken under advisement. "Don't forget, we have an additional 15 miles of new streets since last year," Rawles reminded the councilmen.

Although individual salary raises were not scheduled for discussion at this time, Rawles requested the councilmen to up City Engineer Dominic Selmi from $10,200 to $11,400 per year.

The four members of the counsel present became efficiency experts briefly when the matter of a two-man force used for watering potted trees on downtown streets was mentioned.

Mayor John F. McInnis and Councilman David Menary Jr., insisted one man could do the job if a special rig were built on the truck which would enable him to remain in the cab and water at the same time. Councilmen Charles W. Aby and Louis H. Barr proposed the two councilmen take over the watering task for a day and prove their point.

Absent last night was Councilman Fred Jensen. City Manager James R. Garrett acted as stand-in for the ailing Dan E. Andersen.

Councilmen will tackle the proposed $2,519,781 budget again tomorrow at 7:30 p.m. when they look into capital improvement items.

School Curriculum Study Committee Grows To 27

The list of nominees for the San Rafael School Districts' curriculum study committee has grown to 27, Acting Supt. Raymond J. Simpson reported to the board of education last night.

Deadline for nominations is Aug. 8. Board members indicated they expect to appoint the committee at the first board meeting in September. Plans are for a 15-member commitee.

Eleven nominations have been received since the last list was published on July 26.

Six of these were nominated by the San Rafael Teachers Assn. They are: Ewing Bone and Mrs. Adelaide Roberts, San Rafael High School teachers; Eleanora Lafranchi, Coleman School; Clarence Herkner, MacPhail School; Mrs. Claire Brigham, Davidson School, and Mrs. Avis McColm, San Pedro School.

The other new nominees are: Mrs. Burrell Webb, 585 Kernberry Drive (in Dixie Elementary School District but within San Rafael High School District); Mrs. William Campbell, 267 Bret Harte Road; Mrs. Barbara Deutsch, 39 Kinross Drive; Richard Bettini, 242 Locust Avenue, and Mrs. Robert E. Oliver, 56 Circle Road.

No nomination has yet been received of anyone residing in San Jose Elementary School District.

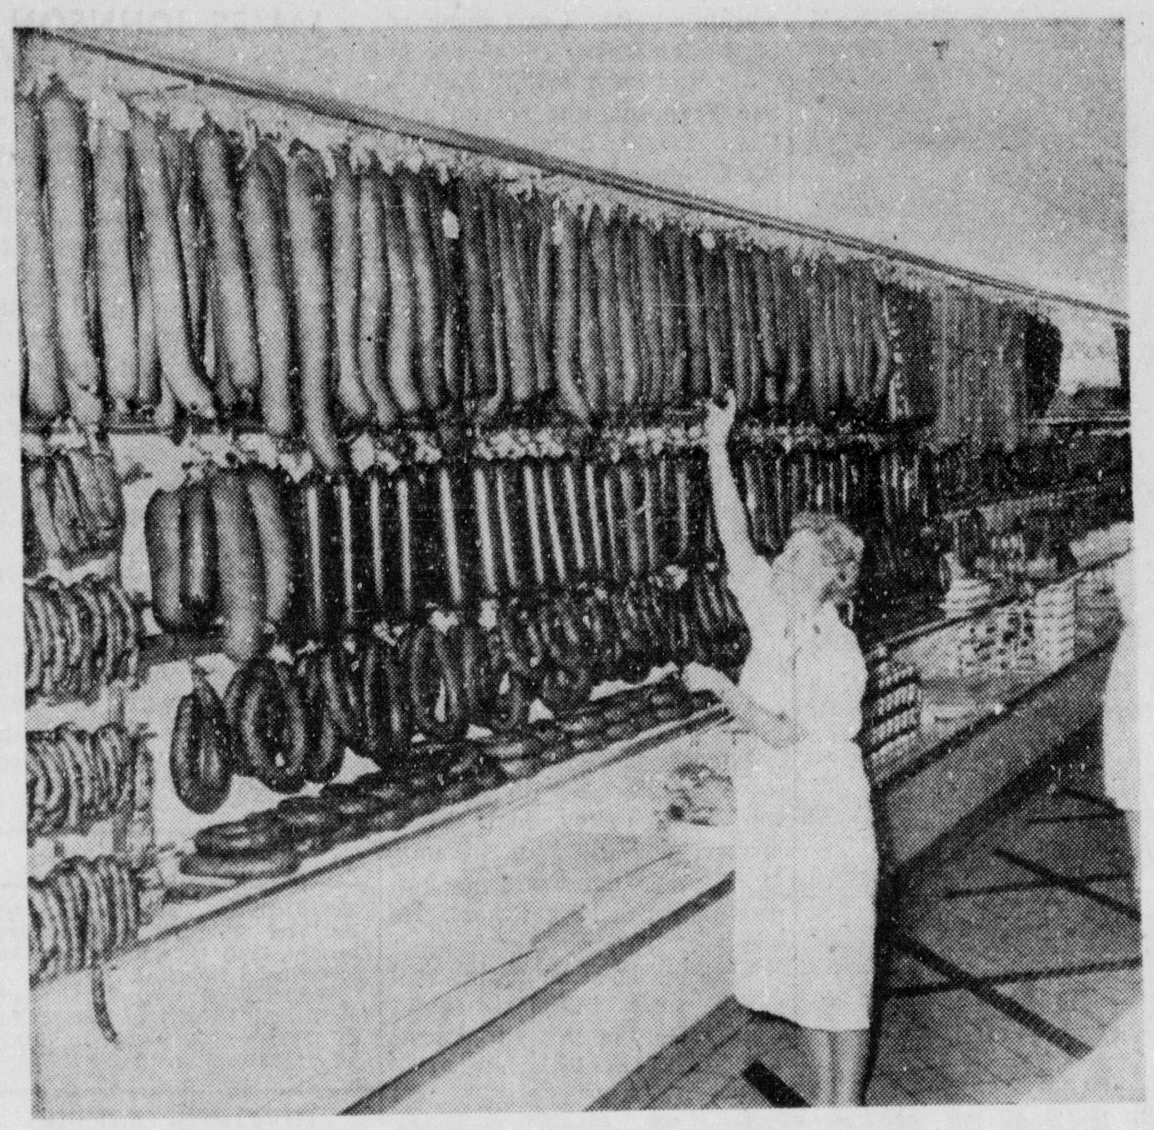
Sheriff Reports On Reserve Plan

Sheriff Louis P. Mountanos' reserve deputy sheriff program has been completed, the sheriff reported Monday to Marin County supervisors.

He said 12 men will give the county a minimum of eight hours of time apiece per month, buying their own uniforms and sidearms.

He asked that the county spend $218.40 for hat pieces and deputy sheriff's badges. The board agreed.

Mountanos said the men are to have firearm training and instruction in law enforcement as background for assignment to the jail and patrol divisions, always working beside a regular deputy.



PLENTY NOW—There's plenty to eat today in West Berlin as indicated by these rows of sausages. During the days of the airlift it was not so, and the Allies had to fly in all supplies. The cost of these meats is about half that of East Berlin. (UPI Telephoto)

AREA OF CRISIS—II

Imagine Washington Split —And Then Look At Berlin

(EDITOR'S NOTE—A wandering line that even splits houses in two is the porous Iron Curtain that separates East from West Berlin. In this second of a series of articles the geography of the situation is explained.)

By CARL HARTMAN

BERLIN (AP)—Try to imagine the city of Washington split in two, with the Capitol in Communist hands and the White House held by the West.

Now try to imagine all the surrounding states east of the Mississippi River also under a Communist satellite government, but with the West still free. Temporary national capital—Columbia, Mo.

If you can get a situation like that clearly in mind, you've come a long way toward understanding what the situation in Berlin looks like on the ground.

Greater Berlin is actually a good deal bigger than Washington — it includes about five times the area and population of the District of Columbia.

The city is split, not by anything so straight as Pennsylvania Avenue, but by a border that meanders some 25 miles through the middle of town, roughly from northwest to southwest. In some places it goes right down the center of once-busy streets. Elsewhere it leaves sidewalks on one side of the line and house doors on the other. There are a few places where it actually splits houses in half.

One of the oddest things about Berlin's little Iron Curtain is that it is so porous. Anyone can go back and forth by foot, car, subway or elevated train. Citizens of West Germany are supposed to get a special pass, but this is quickly given and Communist police rarely ask to see it.

It's a very different story if you try to leave Berlin and visit the surrounding German countryside. For this, special permission is required by the East German Communist authorities, and it is not so easy to get. That Iron Curtain is not so porous.

In a crisis, the Communists might seal off East Berlin from West Berlin, almost as effectively as they have sealed off Berlin from the rest of Germany. It is their legal right to stay in Berlin and have access to it that the Western powers have chosen to defend.

The main fact about the political situation of West Berlin is that it is plumped right down in the middle of Communist-ruled territory. If it were on the border between East and West Germany, the problem would be a lot simpler, but West Germany is 110 miles away. To get there from West Berlin you have to drive a car, take a train or ride a barge which the Communists could halt at any time. Or you have to fly.

In the 16 years since World War II the Communists have done nothing to halt air traffic. During the Berlin blockade of 1948-49 there were 11 months when supplies were airlifted into Berlin because the Communists had blocked all other ways to get in. In all this time the Soviets never withdrew their officers from the Berlin Air Safety Center. The possibility that the last Russians will walk out of this office in the old Allied Control Council building keeps Western statesmen awake nights.

"How did Berlin get into this odd fix?

In 1944, when the allies of World War II were advancing toward Germany's borders, they got together in London and decided how they were going to rule the country when they reached it. They divided Germany into occupation zones.

Berlin was to be in the middle of the Soviet occupation zone. But since the allies were to rule the country jointly they devised a special set up for the capital. Each occupying power got an occupation sector within the city itself, but all were to work together. This scheme broke down in the conflicts among the allies after war ended.

West Germany—the British, French and American occupation zones—became the Federal Republic of Germany with its capital at Bonn, a little university town on the Rhine. Western troups stayed on as allies.

East Germany — the Soviet occupation zone — became the "German Democratic Republic," with its capital in East Berlin. The Soviets also continued to maintain their troops.

The Federal Republic and its allies refused to have anything to do with the Soviet satellite, officially. The rest of the world, except for the Communist bloc, followed suit. Nevertheless, East German Communist officials took over more and more authority. They came to control all land and water routes to West Berlin, so far as German traffic was concerned.

The air lanes were all that remained in allied hands. Only small amounts of Western road and rail traffic, most of its military, continued to be checked through to Berlin by the Russians. Even official American trains were drawn by East German locomotives.

But when an official U.S. car drew up to the Iron Curtain border station at Helmstedt, on its way to Berlin, there was still a Soviet soldier on hand—not an East German—to check its papers. That Soviet soldier symbolized Moscow's acceptance of Western rights in Berlin. When he waved the car on to the highway, he was saying in effect: "Go ahead — Moscow is standing by your right to go to Berlin."

The disappearance of this vestige of four-power rule is threatened by the Soviet promise to sign a peace treaty with its East German satellite before end of 1961. Such a treaty would withdraw the Soviet soldiers at Helmstedt and put an East German in their places, representing a government the United States doesn't recognize.

Would Washington let the driver of the official American car show his papers to the East German? Would the East German shoot if he didn't. Would the American shoot back?

Soviet officers might also be withdrawn from the Air Safety Center. The East Germans already have published a decree calling on all planes entering their territory to report to another center run by themselves. Would they fire on a Western plane if it refused?

Woodacre Fair Announces Winners Of Pet Parade

Woodacre Improvement Club today announced winners of the pet parade which featured the 10th annual Woodacre Fair and Playday Sunday.

Children entered pets ranging from monkies to ponies and the whole fair and playday was a success, said John Keilty, parade chairman.

The children and their pets which won awards were:

Largest animal—Kris Keilty, 10, with a pony dressed in a 49er outfit.

Smallest animal — Grace Thoenon, 13, with a money outfitted in a Hawaiian muu-muu.

Funniest pair—Jeff Davis, 7, leading a dog with both dressed in comical miner outfits.

Prettiest — Nancy, 7, and Peggy, 5, Joslin who were dressed as gypsies pulling two Siamese cats in cages.

Most unusual—Robert, 7, and Diane, 5, Yates dressed as Indians with a dog pulling a miniature Indian stretcher.

Most original — Fran, 10, Joan, 9, and Peter, 7, Greenfield with three cages containing two dogs marked lions and a cat marked as a skunk; two of the children, dressed as a horse, were pulling the cages and the other was dressed as a ring-master of a circus.

Former Marinite Gets Army Promotion

Walter I. Grandjean, formerly of San Rafael, has been promoted to lieutenant colonel after 19 years service with the Army.

Now with Headquarters Fourth Army, Fort Sam Houston, San Antonio, Tex., Colonel Grandjean serves as chief of internal review of the finance and accounting section. Colonel Grandjean's mother, **Mrs. Margaret Grandjean, resides at 26 Convent Court, San Rafael.**

U.S. Bond Sales

Marin County sales of U.S. Savings Bonds for June amount to $121,440, D. C. Davis, county bond sales chairman, reported today. Northern California sales for the month totaled $10,275,887, compared with $8,800,107 in June of last year, he said.

Terra Linda Expected To Join In Fire Pact

The Terra Linda Fire Department is expected to request membership in the county-wide mutual and fire fighting agreement.

Terra Linda and the Marinwood departments are the only departments in the county not signed up under the plan which specifically sets forth which department would aid another and which would cover for the aiding department.

Richard Flaherty, Terra Linda fire chief, said today he would request permission, at next Tuesday of the district's board of directors, to join the pact. If approved by directors, the Terra Linda request would come before the directors (fire chiefs) of the Marin County Assn. of Fire Departments on Aug. 25.

In Marinwood, Chief Donald G. Ray said it still had not been decided whether that department would request to join the pact, noting that the department had only one 750 gallon pumper truck. Terra Linda has a 750 gallon pumper and a 200 gallon pumper.

The question of joining the pact came up at a meeting Friday of the directors (chiefs) Marin County Assn. of Fire Departments, following a petition by 15 residents of Terra Linda Valley 4, within the San Rafael city limits, asking that the city enter a mutual fire protection pact with the Terra Linda Fire Department.

Civil Defense Subject For KTIM Panel

Marin County's Civil Defense program will be discussed from 9 to 10 a. m. tomorrow on Radio KTIM's "Marin Sounding Board."

Supervisor chairman William D. Fusselman will lead off the discussion with Sheriff Louis P. Mountanos and Gen. Ewart G. Plank of the State Disaster Office in Sacramento.

Appearing with them will be William R. Crabtree, communications specialist with the State Disaster Office in Walnut Creek, and William F. Dresia, chief of radiological defense in Marin.

Kitty Oppenheimer will be moderator of the program, for which listeners may phone in questions. The program will be rebroadcast at 12:30 p. m. Sunday.

PLUMBER DOUBLES AS ARTIST

Jack Collopy, who has been a plumber all his working life, displays one of his paintings in his Los Angeles shop. People often drop in just for a look at his work—the paintings, not the pipes. Art is strictly a hobby with Collopy. (UPI Telephoto)

Tam High District Sets Starting Date

New students of the Tamalpais Union High School District will start school on Monday, Sept. 5, according to the 1961-62 calendar released yesterday by Supt. Chester G. Carlisle.

Regular classes will start on Sept. 6. Teachers will report back on Aug. 30 for three days of pre-school training.

Brown Decides No Session On Disaster

SACRAMENTO (AP)—Gov. Edmund G. Brown has decided to at least temporarily refuse requests to convene a special session of the legislature on bomb fallout shelters, the state disaster office chief Alan Jones said.

"The governor feels that calling a special session would be unwise," Jonas told newsmen.

"He doesn't want to take any action until the federal government clarifies its programs and spells out how much financing it might make available to states."

Pending congressional action on President John F. Kennedy's call for federal survey and construction of shelters, however, Brown did ask Jonas to head a survey of how many state buildings can be used as shelters in event of nuclear attack.

The committee of representatives from various state departments began its work today on the report which is due Aug. 15.

NOW DISCOVER NEW WONDER-LIQUID FOR DISHES!

AQUA Clear AQUA Gentle Frolic

TWICE AS INSTANT AS MOST LIQUID DETERGENTS—YET FAR MILDER!

Your first trial tells you—new aqua-clear, aqua-gentle Frolic is like no other dishwashing detergent! So much milder than most detergents—yet twice as instant! Bursts into lively suds that last, do dishes fast—yet with the gentleness you want for your hands and fine fabrics! And today, you can discover the new wonder liquid from White King—new aqua Frolic—free! Take advantage of the Special Discovery Offer, now.

HANDY 2-WAY CAP LET'S YOU SQUIRT OR MEASURE Frolic from the modern plastic bottle

Simply punch out die-cut center of new Frolic cap. This lets you squirt new Frolic for instant, active suds for dishes or fine fabrics.

One good squeeze is sufficient. Or if you prefer, use the cap as measuring device.

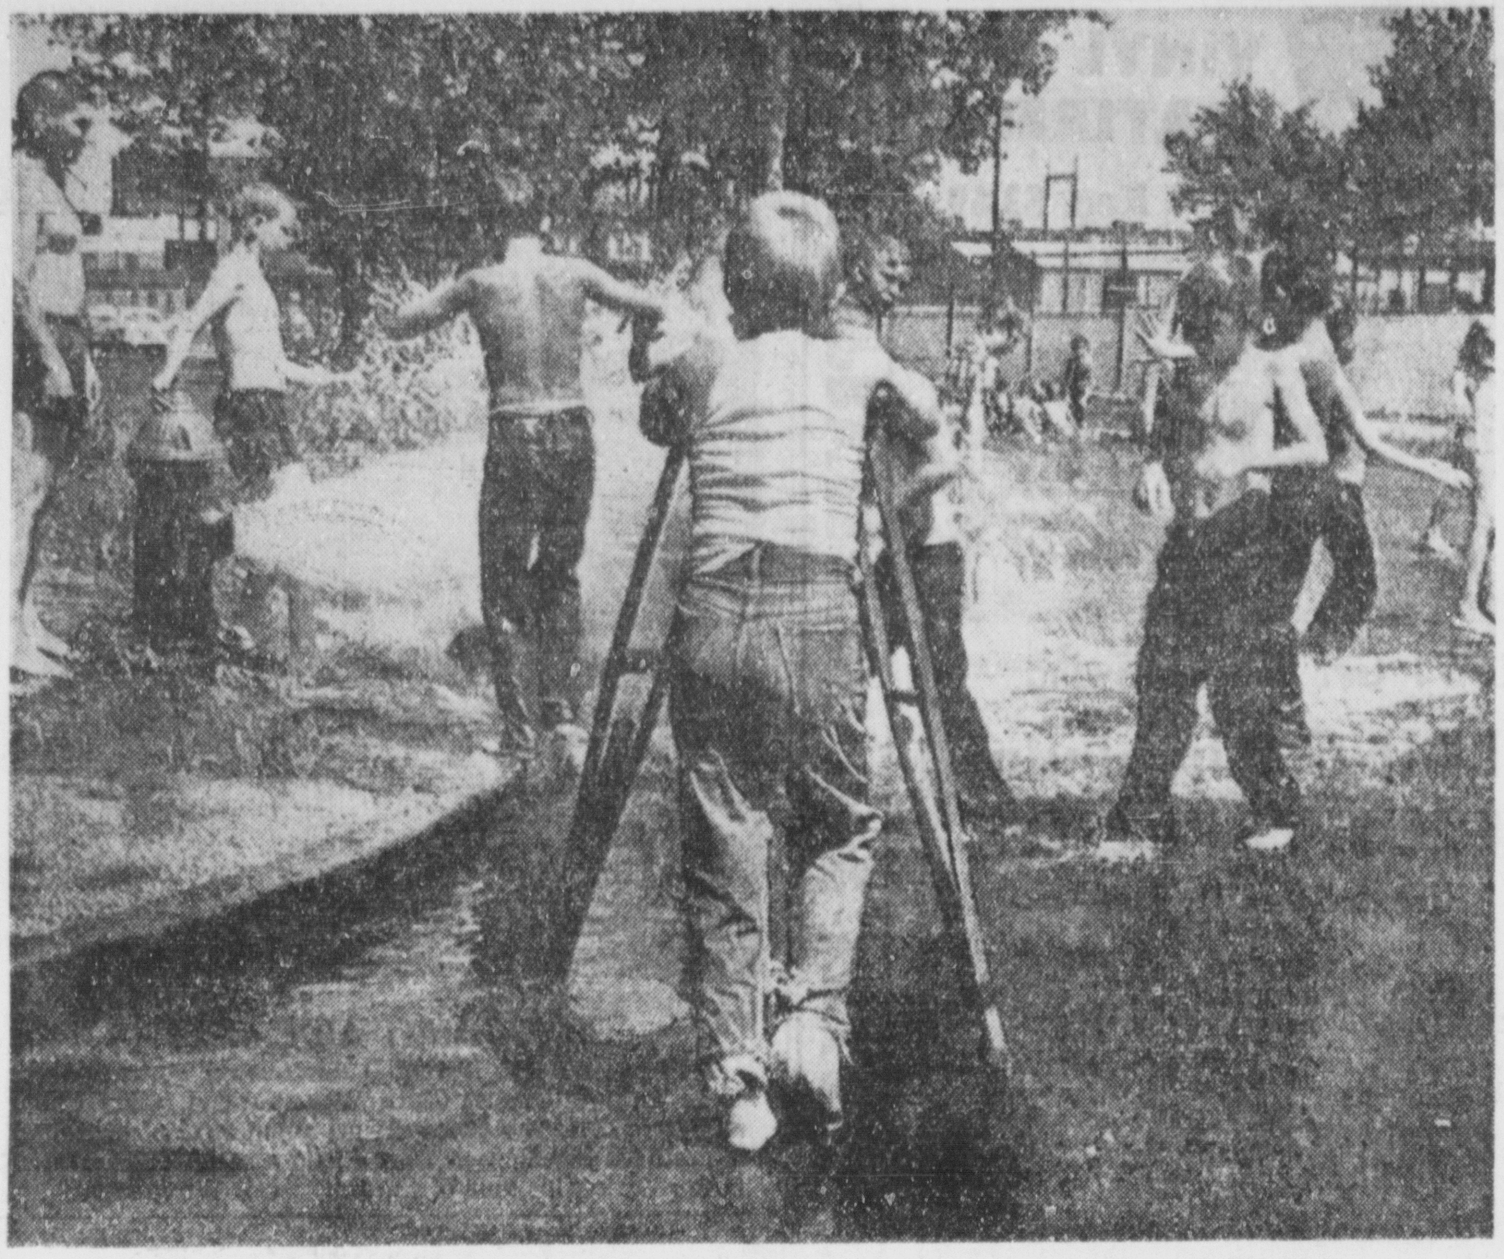
HERE'S ALL YOU DO: Simply buy any size of new Frolic—the 12-oz. for 35¢, 22-oz. for 65¢, or 1-Qt. size for 79¢. Send the label to White King Soap Company, Dept. F, P.O. Box [illegible], Los Angeles 51, Calif. We WILL PAY YOU! We send you the price printed on the label. Offer is limited to 1 refund per family.

OFFER EXPIRES AUGUST 31, 1961

New! AQUA Frolic Liquid Detergent FOR DISHES AND FINE FABRICS ONLY 65¢



WHEN YOU'RE LEFT OUT IN THE FUN . . .

A group of St. Louis youngsters cooled themselves off in 90-plus temperatures yesterday by playing in the spray of a fire hydrant. But poor little 10-year-old John Webb couldn't join in the fun. John broke his leg earlier this summer and mustn't get the cast wet—so he's been confined to the role of on-looker. (AP Wirephoto)

Chinatown Row Leaves Cook Dead

SAN FRANCISCO (AP) — One man was killed and another wounded today during a meeting of Chinatown's Four Families Assn.

Killed in a burst of gunfire that climaxed a violent argument was George Ku Kwan, 56, a cook.

Peter Kwan, grand president of the association, also known as the Lung Kong Tin Yee Group, and president of the powerful Chinatown Six companies Assn., was wounded in the hip. The Chinatown family associations formerly were called tongs.

Police said the wounded man identified the assailant as Lew Fook You, about 60, chairman of the Four Families' building committee. Witnesses said Lew left the meeting hall on the fourth floor of the association building at 924 Grant Avenue after an argument over disposal of some association property and increasing rents on some others.

He returned and began firing without a word.

The gunfire sent 30 members of the family group fleeing from the hall.

Police are seeking Lew, who fled.

Woman, 64, Sent To Morgue Found Alive After All

OAKLAND (AP) — A deputy coroner sent a woman to the city morgue last night, then rushed her to a hospital when he discovered she was breathing.

The woman, Vida Coen, 64, was found on a cot in the basement of her home by her nurse, Winifred Robinson. Mrs. Coen's left wrist was slashed and a razor blade lay nearby.

A policeman found no sign of life and called the coroner.

Mrs. Coen, a diabetic, was taken to the morgue.

She was discovered breathing and was rushed to a hospital, where attendants said her condition was serious.

Judge Dismisses Theft Charge

A charge against Fairfax advertising salesman W. J. Ranney, 27, of theft of $262.95 in company funds was dismissed by Judge Harold J. Haley in Marin Municipal Court last week.

Deputy Dist. Atty. Hadden Roth said the people agreed to dismissal because Ranney made restitution to his former employer, Eric Longmire, of Concord, Ranney had no criminal record, and Longmire did not wish to press the case.

"We still considered it a species of white collar crime—embezzlement," Roth said.

Ranney's attorney, William O. Weissich, said, "It was a civil case and never should have been brought up on the criminal calendar."

Crackdown Asked On Drug Ads For Doctors

WASHINGTON (UPI)—The administration asked Congress today to crack down on misleading drug advertising going to doctors.

Paul Rand Dixon, chairman of the federal trade commission, told the House health and safety subcommittee that legislation was needed to require drug firms to make a "truthful disclosure" of adverse side effects in some prescription medicines.

Dixon said some of the promotion material appearing in Medical Journal advertisements and being sent to doctors through the mail is not giving this information.

He said busy physicians cannot possibly keep up with all the latest scientific literature describing ill effects. Thus, Rand said, it is probable some of them are influenced by only what they read in the advertisements.

"Many of these new drugs have profound biochemical effects on various processes of the human body and possess grave potentialities for harm and perhaps irreparable injury to health and even life itself, if not properly used or administered," Dixon said.

AMA Chief Calls For Look At Foreign Medical Plans

WASHINGTON (UPI) — The American Medical Assn. (AMA) today challenged the House Ways and Means Committee to take an "on-the-spot" look at government-regulated health programs in foreign countries before voting on President John F. Kennedy's medical care plan for the elderly.

The request was voiced by the association's president, Dr. Leonard W. Larson, Bismarck, N. D., in prepared testimony setting forth 91 pages of arguments against adoption of the disputed administration plan.

Larson charged that enactment of Kennedy's program would lower quality of medical care in this country. Once started, he said, it would "expand into a full-fledged system of socialized medicine, eventually covering every citizen of this nation."

The AMA, with help from business groups, is spearheading the fight against Kennedy's plan to provide limited hospitalization and nursing home care for persons 65 or older covered by Social Security. The benefits would be financed by higher social security taxes on workers, emloyers and the self-employed.

Dollar Days Coming To Corte Madera

A special Dollar Days sales event will be offered by the many stores of the Corte Madera Center on Friday and Saturday.

"This event," said Robert Batty, president of the Corte Madera Center Merchants Council, "follows right on the heels of our highly successful Sidewalk Bazaar just two weeks ago. For the convenience of our thousands of customers, stores will be open until 9 p.m., Friday."

Most of the stores in the center will participate in the event.

"The merchants are promising the biggest Dollar Days in Marin County," said Harry Kramar, council vice president.

Leadership Course At College In Fall

The Leadership Training Center of University of California Extension will conduct a discussion group for leaders in voluntary organizations this fall in Kentfield.

Leaders in service clubs, church groups, political and civic organizations and other community organizations will meet for 13 evening programs. Discussion will be based on the new book "Leadership in Voluntary Enterprise," edited by Charles W. Merrifield, professor of social science and head of the division of social and behavioral sciences at Alameda County State College.

Further information and application for enrollment may be obtained from the Leadership Training Center, University Extension, University of California, Berkeley 4.

Portuguese Rip Dahomey Seizure Of Africa Post

LISBON, (UPI) — The Portuguese government today charged Dahomey with "unprovoked aggression" for its seizure yesterday of the Portuguese Enclave of Ajuda.

In a formal protest note the Portuguese foreign ministry charged Dahomey with "an act against a decision of the United Nations" and said it would defend its rights "by all means at its disposal."

Dahomey yesterday seized Enclave, a tiny five-acre area comprising a nearly ruined fort and former slave trading post ruled by Portugal for 280 years.

Today's protest note said "the action of the Dahomey authorities cannot but be considered as a violation of rights accompanied by unprovoked aggression."

School Budget For Novato Gets Approval

A $1,808,909 budget for fiscal 1962 was approved last night by trustees of Novato Unified School District.

Tax rate was estimated at $4.52 per $100 assessed valuation, compared to $4.24 for the last fiscal year. The expected rise comes primarily from a 53 cent state school construction loan repayment rate, up 23 cents, and a rise of from four to eight cents in the tax supporting the mentally retarded school program.

The taxes will support classes for 3,850 students in kindergarten through high school in the unified district, now operating seven schools.

The budget, termed a "tight one" by Supt. W. J. J. Smith, compares to last year's $1,700,719, of which $1,670,425 was spent for the 3,560 students because income was not as high as was estimated.

This year's budget includes $1,660,133 for operating expenses; $148,776, bond redemption, retirement funds, loan repayment and other fixed charges; capital outlay, $4,420 for grounds, $2,015 for building improvements, $16,324 for teaching equipment.

Smith indicated that trustees will consider further pay hikes for the 160 teaching personnel if federal aid programs now under consideration by congress are continued. The proposed additional pay hikes would total about $20,000.

In other business last night, trustees agreed in principle that recreation areas should be near school grounds or associated with them, but took no stand on specific placement.

The next trustee meeting was set for 8 p.m. Aug. 22 at the high school, for discussion of the program, accreditation and scheduling of classes, with the idea of great flexibiliay in length and size of classes.

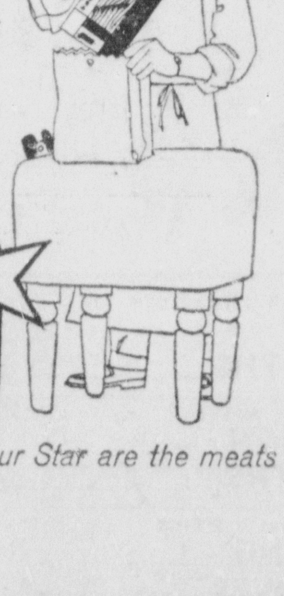
'Open Meeting' Case Dismissed

CARSON CITY (AP)—A criminal complaint charging the governor, attorney general and state controller with violating Nevada's "open meeting law" was dismissed today by Justice of the Peace Pete Supera at the request of Reno Newspapers, Inc., the complaining witness.

Supera granted a defense motion to throw out the misdemeanor complaint over the repeated objections of Dist. Atty. Tom Ross, who said the complaint was in the name of the state of Nevada, not the complaining witness.

Ross, in advance of the scheduled trial, announced that Reno publisher Charles Stout had asked to have the complaint dismissed during a pre-trial conference.

"Our office givorously opposed such a move," he said angrily.



You can serve these hot dogs and know your kids are well fed

There's just as much nourishment in a pound of Armour Star Franks as there is in a pound of steak

Is this possible? Sure. The mighty Armour Star Frankfurter is made of tender, select cuts of fresh beef and pork. And mildly seasoned. Armour Star Franks are all good food—food a body can use. With all the good food nourishment of steak or any other fresh, red meat. Be assured, that meat that tastes this good to children is good for them, too. Aren't you glad you read this?

San Rafael School Budgets Are Approved

The San Rafael Board of Education last night approved budgets for fiscal 1962 which will call for maximum permissible tax rates in both high and elementary school districts.

The high school district budget totals $1,875,140, up $162,139 from last year. It is expected to necessitate a general purpose tax rate of $1.25 per $100 assessed valuation. Last year, bond redemption, retirement funds and community service fund taxes added 26 cents to the total, which would mean a total for next year of $1.51. However, Acting Supt. Raymond J. Simpson said the 19 cents levied last year for bond redemption likely will increase slightly this year because of sale of additional bonds for the Terra Linda High School additions and swimming pool.

The elementary school district budget totals $2,127,845, up $143,911 from last year. This will call for a $1.75 general purpose tax rate. Last year, bond redemption state loan repayment community services tax and retirement taxes added 64 cents which would make the total rate $2.39. Simpson said these apparently will be little changed this year.

Residents of the former San Quentin School District will pay 23 cents less than those in the rest of the elementary school district since they do not assume San Rafael's bonded indebtedness. Simpson reported to the board that when San Rafael absorbed the San Quentin district June 30 the latter had about $5000 on hand above bills payable.

Sausalito's School Budget Is Approved

Trustees of the Sausalito School District last night accepted the published 1961-62 budget of $592,100, a drop of $55,375 from last year's budget of $647,475.

Supt. Marcus F. Davis said the cut is due principally to a drop in enrollment at Marin City because of the redevelopment there.

The district's tax rate is expected to remain the same as last year at $1.75 per $100 assessed valuation for general purpose tax plus an override of 10 cents which is the district's contribution to retirement funds. Sausalito School District has no bonded indebtedness.

The board also discussed proposed recreation facilities at Bayside Park, on grounds of Bayside School, and tentatively set Sept. 14 for a meeting with the city council and recreation commission to discuss the matter further.

Mrs. Shirley Krikorian, second grade teacher at Central School, was granted one year's leave of absence and trustees employed Mrs. Hazel K. Lynch of Belvedere to replace her. Mrs. Lynch formerly taught in Southern California.

The next meeting of the board was set for Sept. 11 in the district offices.

Police Radio Monitoring Trial Aug. 8

An Oakland newsman will go on trial Aug. 8 on charges which could outlaw the use of police radios in reporters' cars and newspaper offices.

Kenneth G. Fuller, 37, former Oakland police officer now with Broadcasters News Service, is charged with violations of the federal communications acts for monitoring police and fire calls and relaying them to broadcasters.

Charges were filed by the U. S. attorney's office in San Francisco following a complaint by an agent of the Federal Bureau of Information.

In his affidavit, the agent, John W. Organ Jr., objected to the fact that the public was informed vio radio on Oct. 18, 1960 of an ambulance on El Camino Real which was transporting a victim to the hospital.

The purpose of the broadcast, according to Fuller's attorney, Robert Bostick of Oakland, was to warn motorists of the presence of the ambulance. "Such warnings of auto accidents, traffic jams and possible obstructions serve a useful purpose and are commended by the National Safety Council," Bostick said.

The prosecution would be the first of its type in the 27 years the law has been in effect," Bostick said.

Hub School District Office Broken Into

Someone broke into the San Anselmo School District office on Sir Francis Drake Boulevard early today.

Supt. Stephen Parodi reported nothing was missing or seemed disturbed, but the lock on the front door was broken and the door open, and a screen over a side door was slashed.

MARIN FIRE CALLS

YESTERDAY:

12:05 p.m., San Rafael—Smoke check at F. W. Woolworth Co., 1009 Fourth Street; smoke possibly caused by burned out florescent light.

2:15 p.m., Marinwood — Fire burned partition between bathrooms at Chevron service station at 100 Marinwood Avenue.

2:17 p.m., San Rafael—Small grass fire at 178 Palm Avenue started by faulty incinerator.

8:14 p.m., Alto—Fire, put out on Alto Overpass, caused $1,500 damage to truck full of furniture; cause believed to be cigarette thrown from passing car.

TODAY:

6:37 a.m., smoke check at 108 Almonte Boulevard.

Alto Bowl Protestors Up In Arms

A protest petition bearing signatures of 550 Alto residents will be presented to Marin County supervisors whenever they hold a rezoning hearing on Marin Capital Co.'s luxury apartment project in Alto Bowl, Mrs. F. J. McClain of 2 Shell Court said today.

Mrs. McClain failed today to get a hearing time set by the supervisors. Chairman William D. Fusselman said the board had not learned whether a night meeting requested yesterday could or should be arranged.

Thirty-five of those opposing the project turned up at the board meeting yesterday, only to be told that developer George Goheen had requested a delay to Aug. 22.

The board offered to make tape recordings of views of any who cared to speak. Only attorney David Ring of Tiburon, acting for property owners' associations in Meadowsweet, Alto and Sutton Manor, made a brief statement.

Ring said all the associations are against the apartment project on a 170-acre site just outside Mill Valley limits but "we won't make any presentations now because we want to hear what he (Goheen) has to say."

"We strongly protest this tactic of the developer in phoning for delay at the last moment," said Ring. He asked why a continuance should thus be granted "at the eleventh hour" and whether a night hearing could not be arranged "because of the great problems of attending."

Fusselman said he didn't know the reason a continuance was asked.

Hub District Approves Budget For School Year

San Anselmo School District trustees last night approved the district's $901,003 budget for the 1961-62 fiscal year. There was no opposition.

The budget will now be submitted to the county superintendent of schools and then to the Board of Supervisors for approval.

Supt. Stephen Parodi said the over-ride tax tacked on to the $1.80 general purpose tax will be "about the same as last year." Last year's over-ride tax amounted to 41 cents per $100 of assessed valuation. The probable $2.21 tax rate would be an increase of 35 cents over that of last year.

School Board Adopts Budget In Fairfax

Fairfax School District trustees last night adopted a budget for the fiscal year of $366,832, an increase of $43,467 over last year.

The increase was accounted for by raises for each of the district's 38 employees, addition of a school bus and increase in capital outlay of over $6,000.

Transportation for about 50 per cent of the district's 840 children will cost $9,833. Last year only $282 was spent on transportation.

Major salary increases went to Supt. Homer L. Sisk who was raised from $11,000 to $11,600; Bruce McDonald, principal at Fairfax Central and Deer Park Schools, from $9,600 to $10,670, and Kenneth Lucas, Manor School principal, from $7,850 to $9,420.

A music teacher was added to the former staff of 26 at an annual salary of $5,000.

Capital outlay items including painting, improvements and addition of an overhead heating system, totaled $7,630. Last year only $1,422 was spent on capital outlay.

Sporting Firm Being Sued In Ski Accident

San Rafael artist and muralist Anne H. Knorr, wife of Don R Knorr, San Francisco architect, yesterday sued San Rafael Sporting Goods for $200,000, charging ski equipment she rented from the store left her totally disabled after an accident.

Mrs. Knorr made the charge in a suit for damages filed in Marin Superior Court by attorney Joseph F. Lewis of Sunnyvale.

The suit asserts she rented the equipment from the store at 1444 Fourth Street March 17 and had an accident with it the next day in Squaw Valley.

She charges improper toe plates were used to connect shoes with skies, so that she could not be released from the skis in event of an accident.

Lewis said Mrs. Knorr suffered at least 60 fractures in both legs.

The Knorrs reside at 6 Wintergreen Terrace, San Rafael.

Bongo Drummer Is Judged Sane By Marin Jury

A jury of 11 women and one man last night agreed with two psychiatrists after two and a half hours deliberation and found Victor A. Gipson, moustached, 27-year-old Tamalpais Valley poet and bongo drummer, was sane when he burned down his house at 363 Pinehill Road.

The jury reached its verdict at 6 p.m. after a one-day sanity hearing. The same jury previously found him guilty of arson last week. He was to appear before Judge Richard M. Sims Jr. in Marin Superior Court this afternoon for sentence.

Defense attorney Carl Shapiro was expected to ask for probation. He said yesterday a probation report is awaited from Alameda County where Gipson was convicted Friday of battery for beating his oldest son, Mark, 4.

The prosecution was handled by Deputy Dist. Atty. Charles L. Convis.

Driver Fined

Charles Arthur Blay, 36, ship's engineer of San Francisco, was fined $184 and put on six months probation by Judge Harold J. Haley in Marin Municipal Court yesterday after he pleaded guilty to driving while drunk Sunday on U.S. 101 two miles north of Novato.

STOCKS TODAY

NEW YORK (UPI)—A nosedive in American Telephone shook the stock market today, turning prices lower in the final hour with high speed tickers running late at the bell.

The Dow-Jones industrial average showed a sizable loss at the finish as key issues including Bethlehem Steel, Du Pont, and Chrysler tumbled well over a point to compound the fracture.

(The following closing prices of representative New York stocks supplied by Irving Lundborg and Co., San Rafael, member N.Y. Stock Exchange.)

DRAKE

Continued from page 1

on it but was advised this would result in a criminal complaint," said Bonelli. He was later told to remove the sign temporarily, pending conference with county counsel.

Thomas Storer of Balboa Avenue, Point Reyes Station, who had spoken in opposition at a previous hearing, appeared again to complain of heavy traffic attributed partly to the sign, which was believed to have caused misapprehension of persons seeking the Drakes Bay county seashore.

Bonelli termed "erroneous" Storer's comment that lots bought for a few hundred dollars were selling at $8,000. Storer said "it's rough being out there, due to weather," whereupon Ludy quipped:

"It's rated the second foggiest and windiest place in the world."

"Please!" said Bonelli.

Ludy moved approval of the two maps "with the same conditions as the first and second maps," the new units totaling 119 acres.

Public Works Director Marvin W. Brigham said "there is no requirement for any kind of road in this area," which led Supervisor William Gnoss to say that the Novato area subdivisions have required roads of county standards.

Gnoss and Walter R. Castro joined in opposition after a second by J. Walter Blair. Chairman William R. Fusselman settled the issue by his "yes."

Chamber Meetings

Board of directors meetings of the Mill Valley Chamber of Commerce have been changed from the first and third Wednesdays of each month to the second and fourth Wednesdays, secretary-manager Granville L. Beedle said today.

On Training Cruise

Taking part in an annual summer training cruise for midshipmen aboard the destroyer USS Decatur operating in the Western Atlantic is Martin Olson, Navy fire control technician seaman apprentice, son of Mr. and Mrs. Roy A. Olson of 1605 Center Road, Novato.

Moving Truck Set Ablaze Near Alto

Fire, believed to have been caused by a thrown cigarette, destroyed $1,500 worth of furniture in a truck en route into Mill Valley last night.

Truck driver Richard Duane of San Francisco, hauling the furniture for his company, Duane Truck Service, said that when he turned off Highway 101 at 8:14 p.m., he saw smoke from his vehicle.

Alto firemen had the fire under control in two minutes, Chief Carl O. Heynen Jr. said, but the blaze held up traffic 10 minutes in the westbound lane of the overpass.

Mrs. Duane said today her husband believes the fire was deliberately set since this is the second fire that has happened to him recently. She said the furniture was being delivered along the line starting in Mill Valley and as far as Sonoma.

In addition to the loss of Chesterfields, beds, chairs and a table, the fire burned the back of the truck cab and broke a window in the truck.

Marin Boy Is Victim Of Typhoid

A trip to Mexico by a member of the victim's family was blamed today for the first case of typhoid fever in Marin County since 1956.

The county health department disclosed that illness of a Mill Valley youth was diagnosed June 26 as typhoid. The victim is now virtually recovered, said Dr. Mary Jo Tonelli, assistant health officer.

Because of the rarity of the disease in California, an investigation was undertaken to learn where the youth could have been exposed. He was found to have traveled nowhere that typhoid is present. But a member of his family had recently returned from a trip to Mexico, where typhoid is common.

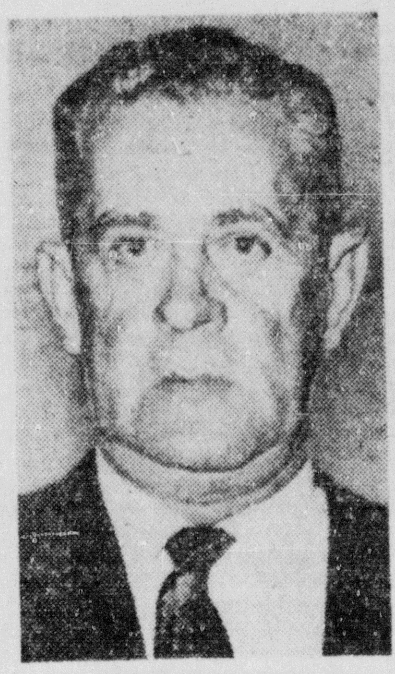
The traveler was protected by vaccination, but apparently carried the germs of typhoid long enough to expose the youth, Dr. Tonelli said.

Hearings Bogged On Equalization

Efforts to speed up decisions on appeals from Marin County assessor's valuations bogged down for nearly an hour and a half this morning in a consultation between the county supervisors, as an equalization board, and county counsel on procedure.

Supervisors Walter R. Castro asked that County Council E. Warren McGuire be called in when Chairman William D. Fusselman sought to cut him off from asking Assessor Bert W. Broemmel about his recommendations. Fusselman had suggested that no queries be put to Broemmel lest answers constitute new testimony.

Fusselman finally suggested that procedure be for each supervisor, in making a statement of findings on appeals from his district, include the position taken by the assessor.



WILLIAM L. ERDMANN
On way to funeral, death

OBITUARIES

Admiral Erdmann Succumbs

Rear Adm. William L. Erdmann (retired), 58, of Kentfield, much-decorated veteran of World War II Navy commands, died on an Eastern Airlines plane at Indianapolis, Ind., last night while en route to the funeral of his uncle.

Erdmann was found dead a few minutes before the plane landed at Weir Cook Municipal Airport in Indianapolis. A stewardess found him slumped in his seat when she checked to see that safety belts had been fastened for the landing. She attempted without success to revive him with mouth-to-mouth resuscitation.

Death was attributed to a heart seizure, United Press International reported from Indianapolis.

His wife, Mrs. Hayden Erdmann, was notified at her home at 13 Arroyo Drive, Kentfield, and flew to Indianapolis last night.

Erdmann, a native of Greenburg, Ind., was commander of all air-sea rescue operations in the Pacific during World War II. He also served in the Atlantic and established a Newfoundland Navy base in 1942. Since the war he had served as assistant chief of staff at North American Treaty Organization headquarters in Naples, as deputy commander of the Western Sea Frontier, chief of staff at Alameda Naval Air Station, and commander of naval forces in Guam and the Marianas. He was decorated nearly three dozen times before he retired in the spring of 1960.

An unhappy conclusion to his illustrious naval career was written in San Francisco Federal Court last November when he was fined $15,000 for smuggling 42 cases of untaxed liquor to the mainland from Guam on the aircraft carrier Bon Homme Richard when he returned to retire after his service there.

MAXWELL BOND

Maxwell W. Bond, 67, of 350 School Road, Novato, died yesterday at his home after a lengthy illness.

Bond retired in 1958 as sales manager of the San Rafael district for the Golden State Co. Ltd. He began work in 1914 as an ice cream salesman for the National Ice Cream Co. and continued after it was absorbed by Golden State.

He was born July 8, 1894 in San Francisco and served as a Coast Guard lieutenant in World War II when he was a port security officer. Bond had resided in Novato for the past 14 years.

He is survived by his wife, Margaret; a daughter, Mrs. Albert Alcorn of Novato, and a son, Maxwell W. Bond Jr., in Guatemala, and three grandchildren.

A High Requiem Mass will be sung at 9 a.m. Saturday at Our Lady of Loretto Church in Novato. Interment will be in Holy Cross Cemetery, Colma. The rosary is to be recited at 8 p.m. Friday.

MARVIN WATSON

Funeral services will be held tomorrow for Marvin A. Watson, Mill Valley real estate broker, who died of lukemia Monday in a San Francisco hospital after a long illness. He was 67.

Watson had been in real estate work in Marin eight years. For the last 18 months he has been in partnership with Jack McCallum of Mill Valley. The firm, Watson-McCallum Inc., has offices at 1040 Highway 101 in Alto and at 99 East Blithedale Avenue in Mill Valley.

Born in Sausalito, Watson was in the export-import business in San Francisco for many years, starting work with John DeMartini. He had his own export-import business in San Francisco. During that time he resided in Oakland.

Coming to Marin from Oakland, he located in San Anselmo and became associated with A. Roumiguiere. Later he worked with Key Marin Realty in San Rafael and five years ago opened his own office in Alto.

Watson had resided for the past four years at 264 Ricardo Road, Mill Valley.

He was a veteran of World Wars I and II and held the rank of lieutenant commander in the Naval Reserve. He was a member of American Legion Post 284, Mill Valley, Mill Valley Lodge 356, Free and Accepted Masons, and of the Marin County Real Estate Board.

He is survived by his wife, Eleanor I. Watson; a daughter, Mrs. Beverly Croke, of Mill Valley, who has been associated with the Watson-McCallum firm since April as a salesperson, and by three grandchildren.

Services will be at 10 a.m. at Russell and Gooch Mortuary in Mill Valley, under auspices of Mill Valley Lodge 356, F. and A. M. Interment will be in Golden Gate National Cemetery, San Bruno.

MARTHA TWIDDY

Mrs. Martha M. Twiddy, a Marin resident since 1956, died yesterday in a local hospital after a two-year illness.

Mrs. Twiddy was a native of England. She came to the United States in 1926 and settled in San Francisco. She had resided at 305 Las Flores, San Rafael.

She is survived by her husband, Noel, who retired from the Judson Pacific-Murphy Corp. in Emeryville some time ago; a daughter, Mrs. John W. Littleton of Marinwood and two grandsons.

Funeral services will be held tomorrow at 2 p.m. at Keaton's Mortuary, San Rafael. Interment will be private.

JAMES JOHNSON

Funeral services for Maj. James O. Johnson, 42, stationed a year ago at Hamilton Air Force Base with the 41st Air Rescue Squadron, will be held tomorrow at 10 a.m. at the Hamilton Air Force Base Chapel.

Maj. Johnson died unexpectedly Saturday at March Air Force Base, Riverside. He had suffered from a heart condition. He left Hamilton Field after a year's stay to join the 303rd Air Rescue Reserve Squadron at March Air Force Base.

He had served with the Flying Tigers in China during World War II and was a veteran of the Korean conflict. He leaves his wife, Elizabeth; a son, Lawrence and a daughter, Jill, of Arlington, Riverside County.

BIRTHS

DOVICHI—A son, to the wife (Barbara McCarthy) of Joseph Dovichi, Daly City, July 28 in Marin General Hospital.

PORTER—A son, to the wife (Judith McMillan) of James Porter, Fairfax, July 28 in Marin General Hospital.

DIVORCE ASKED

WILL — Janet vs. Robert W., cruelty and desertion.

MARRIAGE LICENSES ISSUED

Dwight Thomas Swobe, 18, of Oakland, and Kathleen Ireland, 18, of Oakland.

Abel Gomez Camacho, 23, of 78th A. and E. Squadron, Hamilton Air Force Base, and Diane Dee Bryden, 18, of 4661st Support Squadron, HAFB.

Lorelle Ferestad, 57, Sausalito, and Eleanor Fischer, 47, Ross; license issued in San Francisco.

DEATHS

JOHNSON—In March Air Force Base, Riverside, California, July 29, 1961 Major James O. Johnson, United States Air Force, beloved husband of Elizabeth J. Johnson, loving father of Lawrence and Jill Johnson of Arlington, Calif., loving son of Mr. and Mrs. Orval Sumner of Sedan, Kansas. A native of Kansas. Aged 42 years. A member of Vesper Lodge No. 136 A. F. & A. M., of Sedan, Kansas, and 303rd Air Rescue Reserve Squadron, March Air Force Base.

Friends are invited to attend the funeral Thursday, August 3, 1961 at 10 a.m. at the Hamilton Air Force Base Chapel. Interment San Francisco National Cemetery, Presidio, San Francisco. Friends may call at the Harry M. Williams Mortuary, San Rafael until 9:00 p.m. Wednesday (today) (8/2).

TWIDDY—In San Rafael, Aug. 1, 1961, Martha M. Twiddy, beloved wife of Noel Twiddy, loving mother of Mrs. John W. Littleton, grandmother of Brian and Bruce Littleton; a native of England, age 70.

Friends are invited to attend the funeral Thursday, Aug. 3, 1961 at 2 p.m. at Keaton's, Fifth Avenue and E Street, San Rafael. Interment private. (8/2)

WATSON—In Mill Valley, July 31, 1961, Marvin A., Lt. Cmdr., USNR, beloved husband of Eleanor I. Watson, loving father of Mrs. Beverly Croke, grandfather of Susan, Buzzy and Sandra Croke; a native of Sausalito; aged 67 years; a member of Mill Valley Lodge No. 356, F&AM, Marin County real estate board and American Legion Post No. 284, Mill Valley.

Funeral services Thursday, Aug. 3, at 10 a.m. at the memorial chapels of Russell and Gooch, 270 Miller Avenue, Mill Valley, under the auspices of Mill Valley Lodge No. 356, F&AM. Interment, Golden Gate National Cemetery, San Bruno. (8/2)

SORENSON—In Corte Madera, July 31, 1961, Eva Mae Sorenson, wife of the late Hogan Sorenson, mother of Mrs. Ann E. Matheson of Corte Madera, Mrs. Kay Leber of San Francisco, and John W. Sorenson of Seattle, sister of Robert Owen of Everett, Wash. and Mrs. Lucy Mason of Illinois, grandmother of six grandchildren, great-grandmother of 12 great-grandchildren; a native of Illinois, aged 80 years; a member of the Women's Relief Corps.

Private funeral services will be held Thursday, Aug. 3, 1961, at 11 a.m. at Keaton's Mortuary, San Rafael. Interment Mount Tamalpais Cemetery. (8/1-8/2)

Woodland Avenue Contract Goes To San Rafael Firm

San Rafael city councilmen last night awarded a $124,721 contract to Ghilotti Brothers Inc. of San Rafael for improving 2,500 feet of Woodland Avenue beginning at Irwin Street.

The new figure was reduced from the original bid of $128,830 when the council decided to eliminate sidewalks on the north side of the street.

The city's share of the costs was set at $51,963, including Bret Harte storm drain funds. More than 20 property owners contiguous to the street will pay $30,744 through an assessment district formed under the 1911 bond act. The San Rafael Sanitation District will pay $42,013.

Property owners have 30 days, in which to pay their share in cash to City Treasurer Angelina Soldavini, who was designated by resolution as the collector of assessments. If not paid within 30 days, the assessments will be added to the individual tax rolls and collected over a period of 15 years.

Attorney John H. Holtom, representing the assessment district law firm of Kirkbride, Wilson, Harzfeld and Wallace of San Mateo, prepared and presented the resolutions. Mason Brothers of San Francisco is purchasing the bonds.

Marinite Joins Navy

Sammie Earl Helms, 19, son of Mrs. Beatrice Johnson of 48 Cole Drive, Marin City, has enlisted in the Navy at the Marin County Navy Recruiting Station in San Rafael. He has been sent to the San Diego Naval Training Center for recruit training.

San Rafael Seeks 'Miss Wading Pool'

The San Rafael Recreation Department will make its annual search for "Miss Wading Pool" of 1961 at 1 p.m. next Tuesday, Supervisor Faye Logan said today.

Girls from three to eight years of age will be eligible to take part in the contest to be held at Albert Field. Deadline for entries is 3 p.m. Friday.

The winner will get a loving cup, crown and banner. Nine runners up will get banners.

The word "clove" comes from the French "clou," meaning nail.

Board Has 'Ayes' For Female Beauty (Shop)

Gallant action by the Marin County Board of Supervisors yesterday rescued the almost vanquished cause of female beauty in the San Geronimo Valley.

A 1957 precedent caused unanimous turn-down by the planning commission last week of Mrs. Mary Nell Moulton's application for permission to operate a beauty shop in her home at Sir Francis Drake Boulevard and Arroyo Road, since she is losing her rented shop—only one in the vicinity.

The supervisors didn't even discuss the precedent. They were attentive to the point that 100 valley residents had petitioned in Mrs. Moulton's favor. So with unanimity they voted to overthrow the planner view.

"There'll be nothing visible that is in any way detrimental," said L. A. Moulton, speaking for his wife who had a sore throat.

"Just nice-looking people coming out," suggested Chairman William D. Fusselman.

"Exactly!" agreed Moulton.

The supervisors also:

1. Approved application of the Passionist Fathers to establish a monastery and retreat house on 30 acres along Fawn Drive in Sleepy Hollow.

2. Adopted a new plan for emergency ambulance service throughout Marin County after assurance that it had been worked out on lines satisfactory to the companies concerned.

3. Asked for further facts on contract providing for trial rental of a $90-an-hour Univac electronic computer by the data processing bureau.

4. Granted leave extension with pay to Madelene Lang, intermediate stenographic clerk for the probation office, ill since June and expected not to return till Sept. 18.

Andersen Doing Well

San Rafael City Manager Dan E. Andersen was reported in good condition today at San Rafael General Hospital. It is best he has no visitors, says his physician, Dr. Donald C. Barbour.

Buses Will Be Rented By Board Of Education

The San Rafael Board of Education decided last night to rent two buses for the 1961-62 school year to transport students from the Hamilton Air Force Base and McNear's Beach areas.

The two additional buses will be necessary, said Acting Supt. Raymond J. Simpson, because of the increase in students entering San Rafael High School from the San Jose School District. He recommended against buying buses in view of the possibility that by another school year, the San Jose district may be unified with the Novato district and send its high school students to Novato.

There is a possibility, said Simpson, that Hamilton Air Force Base may make two more buses available to transport students.

Arrangements can be made with Gillig Brothers of Hayward, however, to rent two buses on a day-to-day basis at $18 a day, and they can be discontinued if Air Force buses become available. The board authorized this procedure, which Simpson said would cost $13,000 per bus if they are used for the full year—including the pay of drivers and cost of fuel, maintenance and insurance, which the school district will bear.

Carl F. Gromme, the school district's architect, reported the arbitration board considering the district's dispute with contractor Max Schenk over the Terra Linda High School swimming pool was to meet today, after which it might be ready to make its recommendation. Eager for action, since the pool was to have opened two months ago, the board instructed Simpson to write the arbitrators asking for a report regardless of whether they reached agreement at today's meeting.

The board voted to instruct County Counsel E. Warren McGuire to prepare the necessary legal papers for annexation of the San Pedro School property to the City of San Rafael, to be presented to the city council.

This resulted from a letter by City Manager Dan E. Andersen calling attention that San Pedro School has only county fire protection, and urging that the elementary school district either contract with the city for fire protection or annex the land to the city. The board preferred the latter course.

Also at last night's San Rafael Board of Education meeting:

1. Simpson informed the board that bids for music and business education equipment have been called for opening Aug. 8.

2. The board concurred with a suggestion by Max Thelen Jr. of 199 Mountain View Avenue that it adopt a statement of educational objectives contained in the report of the Citizen Committee on Education appointed by the 1959 legislature.

3. Simpson reported the adult school program had cost the district $1,798 to operate for the first six months of this year, above the amount received from the state and from student fees.

4. At suggestion of board member Rex Silvernale, it was agreed that conversations be opened with Latipac-Perini Co. regarding a future school site in Marin Bay.

5. Hiring of 11 more teachers was approved. On the list was former Supt. Frank L. Lucas, who resigned the superintendency because or a heart condition, and will teach mathematics at Santa Venetia, at the top of the teacher salary scale. Others are: Mrs. Louise De Rocco, primary grades; Mrs. Joyce McCaffrey, Davidson School; Lew Levinson, drama and English, San Rafael High School; Mrs. Frances Twoomey, primary grades; Flora Mancebo, Spanish and mathematics, Terra Linda High; Mrs. Marie Beltz, primary grades; Jeanette Craig, intermediate grades; Arturo Baca, foreign languages, Terra Linda High; Arthur Kalter, social studies, San Rafael High; Mrs. Barbara Jachens, teacher and half-time girls' vice-principal (a new position) at Davidson School.

6. Resignations of two Terra Linda High teachers were accepted: Nancy Gressinger, who taught mathematics and girls' physical education, and Armando Sanchez, who taught foreign languages.

7. Simpson reported appointment of William Mayer as maintenance mechanic, and Alex Lee as groundsman.

8. Mrs. Lilyan Hall, clerk at MacPhail School, was granted a year's leave because of ill health.

9. James Kenney resigned as part-time custodian at the administration building, and Leslie Bellefeuille resigned as groundsman. Board member C. Paul Bettini said Bellefeuille had indicated his resignation was due at least in part to having to do plumbing and carpentry although hired for groundsman, and suggested more maintenance personnel should be hired. Simpson said there will be three more maintenance men in the district for the new school year.

10. Reports on cafeteria operation showed the San Rafael High cafeteria netted $176 and the Davidson cafeteria $487 during the last school year, but that at Terra Linda High lost $800.

11. Simpson reported award of contracts for Terra Linda High football equipment, totaling $1,404, to Free-Minetti Co., Herb's Sport Shop, Redwood Sport Shop, Stroh and Co. and Taveggia and Brusati.

12. Although no money was budgeted for it, the board agreed to continue participating membership in the Junior Museum of Marin at 10 cents per average daily attendance in the elementary district, which Simpson estimated would cost $332.

13. The board adjourned to Aug. 9 at 5:30 p.m., when its meeting will follow opening of bids on Coleman School faculty toilets. Bids on Laurel Dell Intermediate School additions are to be opened Aug. 15 at 5:15 p.m. The regular board meeting of Aug. 8 was cancelled.

Lagunitas Schools Set Budget Hearing

Lagunitas School District trustees will hold a public hearing on the district's $156,911 budget for the 1961-62 school year tomorrow at 8 p.m. at Lagunitas School.

The trustees will also take up the building program and receive a kindergarten registration report from Supt. Clifford L. Frye.

E. W. BULLARD
Heads safety association

Sausalitan Named Safety Group Head

E. W. Bullard, Sausalito industrialist, has been elected president of the Industrial Safety Equipment Assn. with headquarters in New York.

Bullard is president of the E. D. Bullard Co. in Sausalito, manufacturers of industrial safety equipment for 44 years.

Bullard has been chairman of the San Francisco chapter of the American Society of Safety Engineers, a member of the California Governor's Safety Council and the President's Council of Occupational Health.

The Industrial Safety Equipment Assn. was organized 26 years ago.

Bel Marin Keys Plan Approved

A group of resolutions approving 23 documents to launch Bel Marin Keys Assessment District No. 1 as a big marine residential-recreational subdivision north of Hamilton Air Force Base received unanimous approval of the Marin County Board of Supervisors yesterday.

For the first time in many planner and supervisor hearings on this project, nobody from the air base showed up to complain that future residents wouldn't like the noise of jet aircraft.

Total assessment, estimated attorney Eugene K. Sturgis, is likely to run to two and one-half million dollars. Extensive dredging and other waterways projects are included in the plan.

Supervisor William Gnoss took special inerest in work intended on Novato Creek. Sturgis said it is intended to dredge 422,000 cubic yards from the creek. Two further proceedings, he said, will extend the work to the bay and Petaluma Channel.

The district will be set up under the Improvement Act of 1911, which does not obligate the county in case of default in assessment payments.

Because of the broad extent of the lagoon and other development, the plan is to operate under a blanket easement to avoid obtaining a multitude of individual easements, said Sturgis.

"This will avoid about 40 pages of easements," he explained.

Bid openings were set for 2 p.m. Aug. 21.

Optical Assn. Indicted For Price Fixing

MILWAUKEE (AP)—A federal grand jury yesterday indicted the American Optical Assn., two of the nation's largest optical firms and two executive officers of the companies on charges of price fixing and conspiracy to monopolize.

The indictment returned in U.S. District Court names the American Optical Assn., a voluntary association organized under the laws of Massachusetts; the American Optical Co., a wholly owned subsidiary of the association, and Bausch & Lomb Inc. of New York.

It also names Victor D. Kniss of Southbridge, Mass., executive vice president of the American Optical Co. and a trustee of the association, and Alton K. Marsters, Rochester, N.Y., vice president of Bausch & Lomb Inc.

The two counts of the indictments charge violation of the Sherman Antitrust Act sections which forbid restraint of trade and monopoly.

Blair Claims Recall Plan An Old Plot

County Supervisor J. Walter Blair told members of the Mill Valley Rotary Club yesterday that the recall movement against him is "a plan to spread confusion and trouble in your county. This plan goes deeper than what a lot of you think."

He concluded his speech with these words after replying to a number of charges made against him in the recall movement, read a pledge he had made voters prior to his election and told the Rotarians the county tax rate for fiscal 1961-62 will not be higher than last year's.

Following the list of charges, Blair said: "I have given you the propaganda. Now let me give you some of the facts.

"This recall was announced in November 1960, two months before I took office. It isn't something I have done that has brought this about. There are a lot of people I know accused wrongfully on this thing."

Blair said:

1. He has been accused of acting against express interests of responsible groups in the Third Supervisorial District. "I have never felt a voluble group should sway the decisions of the supervisors," he said.

2. He voted for the Strawberry tower aprtments and believes "the money people will bring to this area might help on some of the hospital facilities and other things." He said one woman who is to rent a penthouse in the tower apartments is worth about 400 million dollars.

3. Regarding the proposal to abolish the county administrator's office, he said he had told taxpayers prior to taking office as supervisor that the office was too costly. He said the supervisors' recent action will save $26,000 a year in operation of the office.

He said that supervisors have found in recent investigations there is a department costing the county $20,000 of which "88 per cent . . . if for private individuals . . . We have these give-away programs at federal, state and county level. If we're going to give something away, it should benefit all of us, not just a few individuals." He declined to identify the department.

4. As to the supervisors' stop-work order on the civic center, "as you know," he said, "I was against the civic center prior to election."

5. He said the supervisors have made changes and combined activities to the extent that tax rate "is 14 cents below what it was at this time last year."

"When the smoke all clears away, your tax rate for the coming year will not be any higher than last year," he said.

In Blair's pledge he said he favored each taxpayer paying only his fair amount of taxes, is for reduced taxes, care for senior citizens, flood control, unity at the supervisorial level, keeping the county from competing in local business, encouraging light industry, and "returning the government to the people."

Narcotics Count Brings Prison

A Fairfax teamster Monday was sent to prison for possession of narcotics.

Donald D. Oliver, 26, of 223 Scenic Avenue, had been on probation since his trial here in January.

On May 4 he was arrested in San Francisco along with 17 other suspects after having made three sales of drugs to undercover state narcotics agents.

Following conviction for the sale of drugs in San Francisco, Oliver's probation was revoked and sentence was passed yesterday. The charge carries a maximum six-year prison term.

Larkspur Artist's Show At Sausalito Bookshop

A group of original wall hangings by Larkspur artist Gwen Stone titled "Panels For Summer" is now on display at the Tides Bookshop, 749 Bridgeway, Sausalito.

Using colored inks on paper and curtain material, Miss Stone has produced works totally different from her usual medium of oils, according to Tides proprietor Herbert W. Beckman. The exhibit continues through August 19.

Opposing Engineers Will Meet On Bridge Transit Question

Two bridge engineers, who have diametrically opposite opinions as to whether the Golden Gate Bridge can carry rapid transit, will meet face to face and talk about it Friday.

Bay Area Rapid Transit District officials said yesterday that Clifford E. Paine, consulting engineer for the Golden Gate Bridge and Highway District, had requested a meeting with Carl H. Gronquist, consulting engineer for the transit district.

Gronquist says it is feasible to put transit on the Gate Bridge; Paine says it is "not possible."

Arrangements were made to fly Gronquist to San Francisco for a Friday meeting in an effort to iron out the opposite viewpoints.

Ben K. Lerer, bridge director and chairman of the bridge's rapid transit committee, said he plans to call a joint meeting of his committee and the transit district's bridge committee on Friday afternoon "if possible."

"I hope we can get an immediate report of the results of Paine's meeting with Gronquist so we can decide as soon as possible whether we can put rails on the bridge," Lerer said.

Seasons are more extreme below the equator. Summers are hotter than in the northern hemisphere and winters colder.

SWIM POOL TURNS RED OVERNIGHT

Mrs. Jean Romey of 64 Lagoon Road, Belvedere, awoke yesterday morning to find that the water in her swimming pool had turned red overnight.

She told Police Chief William S. Woodington that some dye which changed the pool's color was evidently thrown over the fence into the pool. Woodington said he would have the water analyzed.

Point Reyes Butane Tank Wins Approval Of Board

McPhail Co.'s months of effort to find a West Marin butane storage point won success yesterday when by 4-1 vote the Marin County Board of Supervisors granted permission to install a tank near two competitors at Point Reyes Station.

Supervisor George Ludy of Inverness, who reported last week that he had received objections from several residents, stood alone in opposition after a skirmish between attorneys Samuel W. Gardiner for McPhail's and Bryan McCarthy for Capt. Adolph S. Oko, whose home and real estate office are near the desired location.

Ludy moved the permit be denied, but the motion died for lack of second. Supervisor Walter R. Castro then moved acceptance, which passed.

In 1888 the Orient Express established a daily connection between Vienna and Istanbul. Average speed of the express in this section was 21 miles an hour.

Street Lights To Be Dimmed For Economy

Downtown San Rafael street lighting will be dimmed during the wee small hours, it was decided last night by economy-minded city councilmen who spent three hours paring the budget.

Public Works Supt. Norris Rawles was instructed by the economists to turn out one-half the street lights after 2:30 a.m. "to see what saving can be effected."

In a seeming burst of civic generosity, however, the councilmen agreed to buy Rawles' department new radio equipment at about $4,500 and a weed sprayer at $1,000.

The weed sprayer, Rawles said, would save over $3,000 in labor costs. The radio equipment was necessary, Rawles told the councilmen, for him to reach his men on a moment's notice in event of emergency.

The council's generosity reached the breaking point when Rawles requested a sixth dump truck for his 17½-man force. "If it is absolutely necessary, you can rent a truck when you need one," he was told.

It was also agreed that public works personnel would be realigned by eliminating two junior engineering aides and promoting the offices to junior civil engineer status. Rawles said junior classifications are no longer mere "stake punchers" but are now running transits and performing more skilled tasks.

The new radio equipment proposed to replace the present five-watt system will cost about $3,700, with approximately $1,000 expected to be spent on maintenance during the first year.

The new system would be powered by a 30-watt transmitter and would insure that all personnel can be reached at all times. The present radios, which cost $250 each, work well at short distances but are useless from as far away as Terra Linda, Rawles said.

"I admit the radios we have now were a bad investment," he said. Councilmen instructed him to see what cash could be salvaged from sale of the old radios and to present estimates on a new system before budget talks are concluded.

Rawles's request for an additional maintenance man was taken under advisement. "Don't forget, we have an additional 15 miles of new streets since last year," Rawles reminded the councilmen.

Although individual salary raises were not scheduled for discussion at this time, Rawles requested the councilmen to up City Engineer Dominic Selmi from $10,200 to $11,400 per year.

The four members of the counsel present became efficiency experts briefly when the matter of a two-man force used for watering potted trees on downtown streets was mentioned.

Mayor John F. McInnis and Councilman David Menary Jr., insisted one man could do the job if a special rig were built on the truck which would enable him to remain in the cab and water at the same time. Councilmen Charles W. Aby and Louis H. Barr proposed the two councilmen take over the watering task for a day and prove their point.

Absent last night was Councilman Fred Jensen. City Manager James R. Garrett acted as stand-in for the ailing Dan E. Andersen.

Councilmen will tackle the proposed $2,519,781 budget again tomorrow at 7:30 p.m. when they look into capital improvement items.

School Curriculum Study Committee Grows To 27

The list of nominees for the San Rafael School Districts' curriculum study committee has grown to 27, Acting Supt. Raymond J. Simpson reported to the board of education last night.

Deadline for nominations is Aug. 8. Board members indicated they expect to appoint the committee at the first board meeting in September. Plans are for a 15-member commitee.

Eleven nominations have been received since the last list was published on July 26.

Six of these were nominated by the San Rafael Teachers Assn. They are: Ewing Bone and Mrs. Adelaide Roberts, San Rafael High School teachers; Eleanora Lafranchi, Coleman School; Clarence Herkner, MacPhail School; Mrs. Claire Brigham, Davidson School, and Mrs. Avis McColm, San Pedro School.

The other new nominees are:

Mrs. Burrell Webb, 585 Kernberry Drive (in Dixie Elementary School District but within San Rafael High School District); Mrs. William Campbell, 267 Bret Harte Road; Mrs. Barbara Deutsch, 39 Kinross Drive; Richard Bettini, 242 Locust Avenue, and Mrs. Robert E. Oliver, 56 Circle Road.

No nomination has yet been received of anyone residing in San Jose Elementary School District.

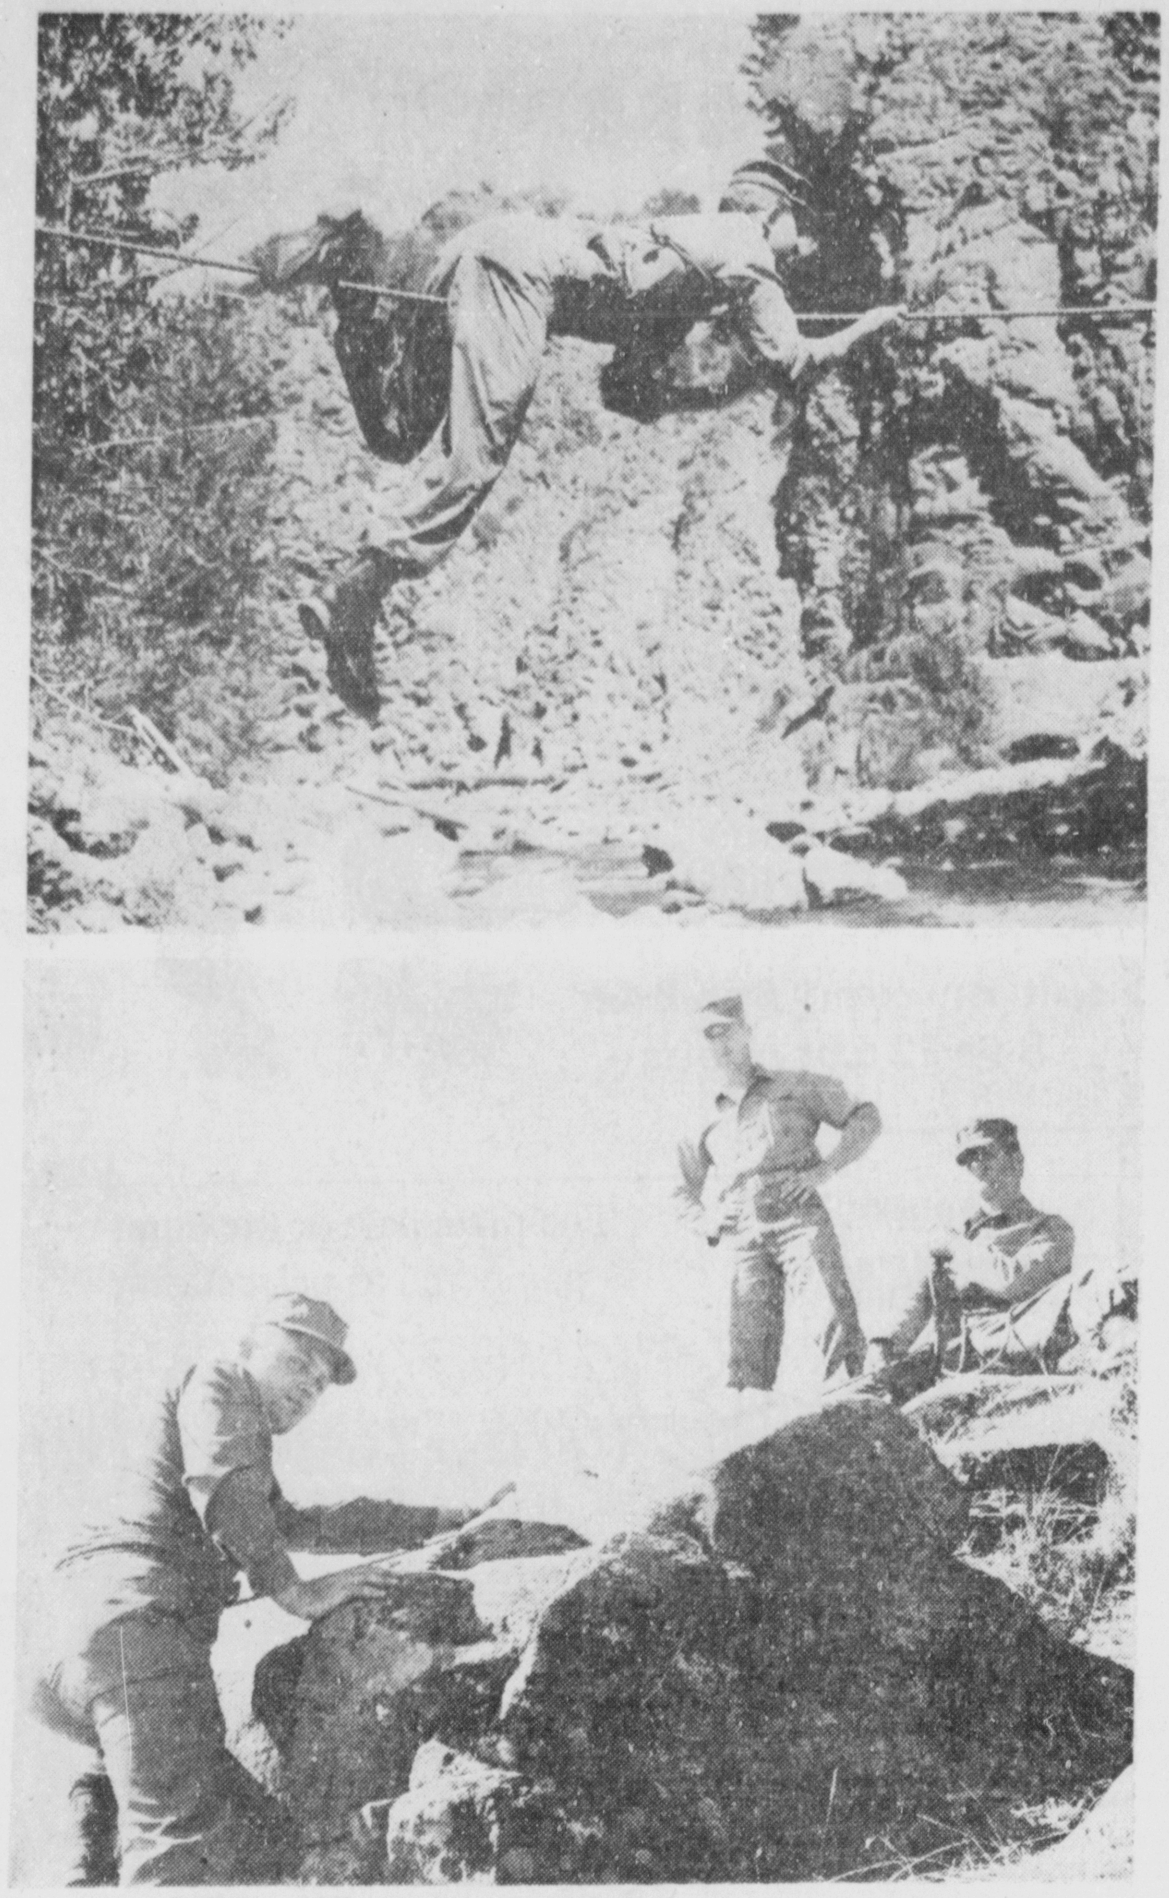
Sheriff Reports On Reserve Plan

Sheriff Louis P. Mountanos' reserve deputy sheriff program has been completed, the sheriff reported Monday to Marin County supervisors.

He said 12 men will give the county a minimum of eight hours of time apiece per month, buying their own uniforms and sidearms.

He asked that the county spend $218.40 for hat pieces and deputy sheriff's badges. The board agreed.

Mountanos said the men are to have firearm training and instruction in law enforcement as background for assignment to the jail and patrol divisions, always working beside a regular deputy.



RUGGED TRAINING FOR MARIN MARINES

Marine Reserve Sgt. Gene Carter of San Rafael (top), member of the 14th Rifle Company, works his way across a stream via a rope bridge as company prepares for departure Sunday for two weeks of training in rugged Sierra terrain at Pickle Meadows. Lower, members of the company practice mountain climbing in preparation for the training session. Lance Cpl. Sidney Stockwell of San Rafael pulls himself up with aid of anchor man, Lance Cpl. William Ciocci of Mill Valley. Supervising is Lt. Ronald Tatum, mountain climbing expert.

Sanity Hearing Is Postponed

A jury trial to determine the sanity of an inmate of San Quentin's Death Row, scheduled for yesterday, was postponed until Sept. 19 by Superior Court Judge Richard M. Sims.

Darryl Thomas Kemp, 25, under death sentence for a 1957 rape and murder in Los Angeles County, won a stay of execution on June 19 when San Quentin Warden Fred R. Dickson raised doubts as to his sanity.

Judge Sims postponed the trial because the reports of two court-appointed psychiatrists, Dr. Walter Rappaport of Agnews State Hospital and Dr. J. M. Stubblebine of Mill Valley, were not yet complete.

Dry Killing Trees

LOS ANGELES (UPI) — The state's third dry year is killing many Southern California trees, Farm Advisor R. G. La Rue said recently. Unless eucalyptus, cypress, pines and other trees on hillsides get water soon, they will die this fall, LaRue said.

New California Youth Problem Group Named

SACRAMENTO (AP)—Gov. Edmund G. Brown today named a new state-wide committee to advise the state on the problems of California's young people.

All but five of those named to the 1961-62 Advisory Committee on Children and Youth are hold-overs from the 1960-61 committee.

A new chairman was named — Helen MacGregor, once a member of the State Youth Authority Board and chairman of the Alameda County Delinqency Prevention Committee. She lives in Oakland.

Miss MacGregor succeeds Dr. Donald S. Howard, the UCLA social welfare professor who had headed the committee since 1952.

The committee's first task is to follow through on planning for a statewide youth conference in Long Beach Nov. 13 and 14.

The five new members of the 36-member committee are:

Robert Beyer, Modesto: The Rev. James B. Flynn, executive director of Catholic Social Service in San Francisco; Mrs. Charles P. Gould, San Marino; William T. O'Rear of the Central Labor Council in Fresno; and Arthur J. Rendon, member of the board of health in Los Angeles.

MARIN BUSINESS And INDUSTRY

(A Thrice-Weekly Column)

By HARRY CRAFT

Wheels Needed For Civil Defense —Why Don't You Become A Cog?

Some of the volunteers anxious to help out in civilian defense might consider joining the North Bay chapter of the National Defense Transportation Assn.— particularly individuals or firms that have rolling stock, floating stock, airplanes or any other type of conveyance available for use in an emergency.

One of the most vital problems in the event of a disaster will be that tied up with any and all forms of transportation. A hit or miss control of vehicles and traffic could cause the worst kind of confusion. Without proper direction it would hinder rather than help evacuation and the movement of supplies and the injured.

The National Defense Transportation Assn. is partly military and partly civilian and works in cooperation with Civil Defense agencies. In Marin County most transportation companies are already members as are some of the personnel at Hamilton Air Force Base. Each area group is self-directed but plans of procedure and suggestions are issued regularly from Washington, D.C. headquarters.

Ideally, a NDTA group membership is split up about equally in four different categories — transportation companies, military, business organizations and the public at large. More of the latter two could be accommodated to round out the Marin roster.

Interested parties should contact membership chairman Don Moulden at the traffic management office, Hamilton Air Force Base.

EDWARD MOEWS, resident partner of Nationwide Rentals on Francisco Boulevard, San Rafael, has recently returned from Denver where he attended training seminars given by the Nationwide Trailer Rental System.

The newest items for rent at Trailerwide, he says, are auto-towing bars used for towing the family second car when moving to another city, and car top carriers, for the little extra luggage space needed when the car trunk is full.

ALLSTATE Insurance Company's representative in San Rafael for the past six years, Robert E. Roeser, will soon identify his territory with the new Novato sales office where he will join Robert Hall. Roeser and Hall will also act as representatives of the newly formed Allstate Motor Club, a subsidiary of the All state Enterprises owned by Sears, Roebuck and Co.

Roeser has won numerous awards for outstanding achievement in sales and customer service with his company and has recently been awarded the "Distinguished Salesman Award" in the industry.

RESEARCH SPECIALIST W. M. Hearon of Loch Lomond, vice president of Crown Zellerbach Corp. in charge of research and development, is co-authoring a technical paper to be presented at the Lignin Symposium of the Technical Assn. of Pulp and Paper Industry in Chicago on Aug. 14 to 16.

Hearon has authored and co-authored other technical publications and patents, some of the latter having patent applications pending in Canada. He will be the moderator of Session I at the symposium. His paper is "Sulphur Chemicals From Lignin."

UNION OIL CO. of California has published a colorful and interesting series of "Weekend Adventure Drive" folders, available at Union 76 stations. Included as subjects are county fairs, clam digging sites, rodeos and zoos.

Marine Course Ends

Donald G. St. Sure, son of Mr. and Mrs. Ralph G. St. Sure of 10 Manord Road, San Rafael, has graduated from the senior platoon leaders class of the Marine Corps School at Quantico, Va.

WHEN YOU'RE LEFT OUT IN THE FUN . . .

A group of St. Louis youngsters cooled themselves off in 90-plus temperatures yesterday by playing in the spray of a fire hydrant. But poor little 10-year-old John Webb couldn't join in the fun. John broke his leg earlier this summer and mustn't get the cast wet—so he's been confined to the role of on-looker. (AP Wirephoto)

Chinatown Row Leaves Cook Dead

SAN FRANCISCO (AP) — One man was killed and another wounded today during a meeting of Chinatown's Four Families Assn.

Killed in a burst of gunfire that climaxed a violent argument was George Ku Kwan, 56, a cook.

Peter Kwan, grand president of the association, also known as the Lung Kong Tin Yee Group, and president of the powerful Chinatown Six companies Assn., was wounded in the hip. The Chinatown family associations formerly were called tongs.

Police said the wounded man identified the assailant as Lew Fook You, about 60, chairman of the Four Families' building committee. Witnesses said Lew left the meeting hall on the fourth floor of the association building at 924 Grant Avenue after an argument over disposal of some association property and increasing rents on some others.

He returned and began firing without a word.

The gunfire sent 30 members of the family group fleeing from the hall.

Police are seeking Lew, who fled.

Woman, 64, Sent To Morgue Found Alive After All

OAKLAND (AP) — A deputy coroner sent a woman to the city morgue last night, then rushed her to a hospital when he discovered she was breathing.

The woman, Vida Coen, 64, was found on a cot in the basement of her home by her nurse, Winifred Robinson. Mrs. Coen's left wrist was slashed and a razor blade lay nearby.

A policeman found no sign of life and called the coroner.

Mrs. Coen, a diabetic, was taken to the morgue.

She was discovered breathing and was rushed to a hospital, where attendants said her condition was serious.

Judge Dismisses Theft Charge

A charge against Fairfax advertising salesman W. J. Ranney, 27, of theft of $262.95 in company funds was dismissed by Judge Harold J. Haley in Marin Municipal Court last week.

Deputy Dist. Atty. Hadden Roth said the people agreed to dismissal because Ranney made restitution to his former employer, Eric Longmire, of Concord, Ranney had no criminal record, and Longmire did not wish to press the case.

"We still considered it a species of white collar crime—embezzlement," Roth said.

Ranney's attorney, William O. Weissich, said, "It was a civil case and never should have been brought up on the criminal calendar."

Crackdown Asked On Drug Ads For Doctors

WASHINGTON (UPI)—The administration asked Congress today to crack down on misleading drug advertising going to doctors.

Paul Rand Dixon, chairman of the federal trade commission, told the House health and safety subcommittee that legislation was needed to require drug firms to make a "truthful disclosure" of adverse side effects in some prescription medicines.

Dixon said some of the promotion material appearing in Medical Journal advertisements and being sent to doctors through the mail is not giving this information.

He said busy physicians cannot possibly keep up with all the latest scientific literature describing ill effects. Thus, Rand said, it is probable some of them are influenced by only what they read in the advertisements.

"Many of these new drugs have profound biochemical effects on various processes of the human body and possess grave potentialities for harm and perhaps irreparable injury to health and even life itself, if not properly used or administered," Dixon said.

AMA Chief Calls For Look At Foreign Medical Plans

WASHINGTON (UPI) — The American Medical Assn. (AMA) today challenged the House Ways and Means Committee to take an "on-the-spot" look at government-regulated health programs in foreign countries before voting on President John F. Kennedy's medical care plan for the elderly.

The request was voiced by the association's president, Dr. Leonard W. Larson, Bismarck, N. D., in prepared testimony setting forth 91 pages of arguments against adoption of the disputed administration plan.

Larson charged that enactment of Kennedy's program would lower quality of medical care in this country. Once started, he said, it would "expand into a full-fledged system of socialized medicine, eventually covering every citizen of this nation."

The AMA, with help from business groups, is spearheading the fight against Kennedy's plan to provide limited hospitalization and nursing home care for persons 65 or older covered by Social Security. The benefits would be financed by higher social security taxes on workers, emloyers and the self-employed.

Dollar Days Coming To Corte Madera

A special Dollar Days sales event will be offered by the many stores of the Corte Madera Center on Friday and Saturday.

"This event," said Robert Batty, president of the Corte Madera Center Merchants Council, "follows right on the heels of our highly successful Sidewalk Bazaar just two weeks ago. For the convenience of our thousands of customers, stores will be open until 9 p.m., Friday."

Most of the stores in the center will participate in the event.

"The merchants are promising the biggest Dollar Days in Marin County," said Harry Kramar, council vice president.

Leadership Course At College In Fall

The Leadership Training Center of University of California Extension will conduct a discussion group for leaders in voluntary organizations this fall in Kentfield.

Leaders in service clubs, church groups, political and civic organizations and other community organizations will meet for 13 evening programs. Discussion will be based on the new book "Leadership in Voluntary Enterprise," edited by Charles W. Merrifield, professor of social science and head of the division of social and behavioral sciences at Alameda County State College.

Further information and application for enrollment may be obtained from the Leadership Training Center, University Extension, University of California, Berkeley 4.

Portuguese Rip Dahomey Seizure Of Africa Post

LISBON, (UPI) — The Portuguese government today charged Dahomey with "unprovoked aggression" for its seizure yesterday of the Portuguese Enclave of Ajuda.

In a formal protest note the Portuguese foreign ministry charged Dahomey with "an act against a decision of the United Nations" and said it would defend its rights "by all means at its disposal."

Dahomey yesterday seized Enclave, a tiny five-acre area comprising a nearly ruined fort and former slave trading post ruled by Portugal for 280 years.

Today's protest note said "the action of the Dahomey authorities cannot but be considered as a violation of rights accompanied by unprovoked aggression."

School Budget For Novato Gets Approval

A $1,808,909 budget for fiscal 1962 was approved last night by trustees of Novato Unified School District.

Tax rate was estimated at $4.52 per $100 assessed valuation, compared to $4.24 for the last fiscal year. The expected rise comes primarily from a 53 cent state school construction loan repayment rate, up 23 cents, and a rise of from four to eight cents in the tax supporting the mentally retarded school program.

The taxes will support classes for 3,850 students in kindergarten through high school in the unified district, now operating seven schools.

The budget, termed a "tight one" by Supt. W. J. J. Smith, compares to last year's $1,700,719, of which $1,670,425 was spent for the 3,560 students because income was not as high as was estimated.

This year's budget includes $1,660,133 for operating expenses; $148,776, bond redemption, retirement funds, loan repayment and other fixed charges; capital outlay, $4,420 for grounds, $2,015 for building improvements, $16,324 for teaching equipment.

Smith indicated that trustees will consider further pay hikes for the 160 teaching personnel if federal aid programs now under consideration by congress are continued. The proposed additional pay hikes would total about $20,000.

In other business last night, trustees agreed in principle that recreation areas should be near school grounds or associated with them, but took no stand on specific placement.

The next trustee meeting was set for 8 p.m. Aug. 22 at the high school, for discussion of the program, accreditation and scheduling of classes, with the idea of great flexibiliay in length and size of classes.

'Open Meeting' Case Dismissed

CARSON CITY (AP)—A criminal complaint charging the governor, attorney general and state controller with violating Nevada's "open meeting law" was dismissed today by Justice of the Peace Pete Supera at the request of Reno Newspapers, Inc., the complaining witness.

Supera granted a defense motion to throw out the misdemeanor complaint over the repeated objections of Dist. Atty. Tom Ross, who said the complaint was in the name of the state of Nevada, not the complaining witness.

Ross, in advance of the scheduled trial, announced that Reno publisher Charles Stout had asked to have the complaint dismissed during a pre-trial conference.

"Our office givorously opposed such a move," he said angrily.

You can serve these hot dogs and know your kids are well fed

There's just as much nourishment in a pound of Armour Star Franks as there is in a pound of steak

Is this possible? Sure. The mighty Armour Star Frankfurter is made of tender, select cuts of fresh beef and pork. And mildly seasoned. Armour Star Franks are all good food—food a body can use. With all the good food nourishment of steak or any other fresh, red meat. Be assured, that meat that tastes this good to children is good for them, too. Aren't you glad you read this?

ARMOUR

The meats that wear the Armour Star are the meats the butcher brings home

THEY'RE OFF IN A CLOUD OF SPRAY

Drivers Bill Huncey in "Miss Century 21" of Seattle and Bill Cantrell in "Gale V" of Detroit pour on coal as the big unlimited hydroplanes take a test spin on Seattle's Lake Washington. These and other big speedboats began qualifying runs today for Sunday's $40,000 Seafair Derby. (AP Wirephoto)

Brazilian Boxer Is 'Fighter Of Month'

NEW YORK (AP)—Eder Jofre, the undefeated bantamweight champion from Brazil, was named "fighter of the month," by Ring Magazine today for his knockout victory over Japan's Sadao Yaoita.

Jofre flattened the Orient flyweight champion in the 10th round of a non-title bout at Sao Paulo, Brazil.

The top three rankings in each division:

Heavyweights, champion, Floyd Patterson, New York:

1. Sonny Liston, Philadelphia. 2, Henry Cooper, England. 3, Eddie Machen, Portland, Ore.

Light heavyweights, champion, Archie Moore, San Diego, Calif.

1, Harold Johnson, NBA champion, Philadelphia. 2, Doug Jones, New York. 3, Giulio Rinaldi, Italy.

Middleweights, champion, Terry Downes, England:

1, Paul Pender, Brookline, Mass. 2, Gene Fullmer, NBA champion, West Jordan, Utah. 3, Dick Tiger, Nigeria.

Welterweights, champion, Emile Griffith, New York:

1, Benny (Kid) Paret, Cuba. 2, Luis Rodriguez, Cuba. 3, Ralph Dupas, New Orleans.

Lightweights, champion, Joe Brown, Baton Rouge, La.:

1, Dave Charnley, England. 2, Carlos Ortiz, New York. 3, Doug Vaillant, Cuba.

Featherweights, champion, Davey Moore, Springfield, Ohio:

1, Garcieux Lamperti, France. 2, Sugar Ramos, Cuba. 3, Rafiu King, Nigeria.

Bantamweights, champion, Eder Jofre, Brazil:

1, Johnny Caldwell, recognized as champion in Europe, Ireland. 2, Joe Medel, Mexico. 3, Pierre Cossemyns, Belgium.

Flyweight, champion, Pone Kingpetch, Thailand:

1, Mimun Ben Ali, Spain. 2, Sadao Yaoita, Japan. 3, Ramon Arias, Venezuela.

The BULLPEN

With JOHN J. CONNOLLY

Looks Like Dark Finally Realized He Was Yanking Pitchers Too Soon

CONNOLLY

Howdy, students of baseball.

The topic of discussion today concerns the use of the word "rumble."

And I want the class to pay strict attention.

What's that you say, Herman? You thought I meant "fumble?"

No, Herman, I do not mean fumble or bumble. I said "rumble." I know you had in mind our Giants when you referred to fumble.

What is that you are trying to say, Timothy?

No. Timothy, I did not mean crumble. When I say "rumble," I mean "rumble."

Okay, class, let's proceed.

Well, when I mentioned the word "rumble" I had in mind some of the idle rumors of late, all concerning the San Francisco Giants and the unhappy fate that has overtaken them since coming West.

THE WAY a "rumble," as the newspaper fellows interpret it, starts, is usually with a so-called authoritative rumor that excites the imagination, such as, for instance, the report that Horace Stoneham, owner of the Giants, might sell out his interests.

Mr. Stoneham, in stamping out the report, let it be known that he never ever had it so good. He pointed out that he gets juicy checks as his "take" from gate receipts on the road; gets "fat" ones from home gate receipts; a nice stipend from the Stadium Club; and the hot dog and general concessions remove a lot of creaks out of his aching joints.

"But," sez the "rumble-bird," "that is precisely the choicest time to put out a feeler for a buyer. "If you've got anything to sell, you're not singing bad times, even if the attendance is down 25 per cent from last year and the 'wind' story is bad and might never be corrected."

And so the "rumble" sometimes becomes a roar. And the big howl right now concerns Alvin Dark, who, it is claimed, has made or committed as many errors of pitching judgment as some of his players have been guilty of on the field.

The fact that the Giants' frosh pilot declares a moratorium on yanking pitchers is proof he has finally realized he pushed the panic button too soon and never gave his flingers an opportunity to work themselves out of "jams."

CHANGING THE pitching policy came after he had discarded the two platoon system in other departments, after sticking to it for better than half of the season.

An oldtime pitcher, Robert Moses Grove, commonly called Lefty, when interviewed recently, remarked that baseball was a lot different today than when he played.

"First thing," said Lefty, "there's the platoon system. Managers think nothing of using 17 or 20 men in a game. All we carried was 20 men and most of the time we didn't use more than a dozen in any game.

"Second, our gloves weren't basketball nets like they are today. The kind they use now you can catch a watermelon in 'em."

Further on in his interview, Grove wanted to know why there aren't more 20 game winners?

"Managers," explained Grove, "don't leave 'em in long enough. They panic after a couple of hits. Pitchers seldom finish games they start. When I won 28, I completed 20."

SO THERE you have mute testimony on shaky managers who blame everything on the pitching staff.

It could be that manager Alvin Dark read what Lefty said and decided to make "the do-it-yourself pitching habit" a must with our Giants.

All-Star Games Fate In Laps Of Owners

BOSTON (AP) — The fate of two All-Star baseball games per season is in the laps of the owners. The players have come out solidly for continuation.

The major league player representatives yesterday agreed to ask Commissioner Ford Frick to appoint a player-owner committee to explore the pros and cons of continuing the two-game system inaugurated in 1959.

Pitcher Bob Friend of the Pittsburgh Pirates, National League player representative, said the players want two games. He said he hoped that within two weeks a committee meeting with the owners can be arranged though a final decision is not expected prior to the December major league meetings at Miami Beach.

"We don't have the owners' approval yet, principally, I think, because of the schedule," Friend said. "One league has expanded and the other is expanding next season. But as far as the players are concerned, they still favor two games."

The other major action of the player group following the second All-Star game here was the drafting of a letter to each club owner requesting all possible action to alleviate any racial discrimination in housing during spring training, especially on Florida's West Coast.

The players' legal counsel, Judge Robert Cannon, said that he and Frank Scott, the players' agent, had talked with Frick and the two league presidents.

"As of this moment, we are satisfied baseball has done everything humanly possible to alleviate conditions, particularly on the West Coast of Florida, relative to housing all players, colored and white under the same roof," Cannon said.

Cannon said baseball men like any other citizens, must abide by local laws and ordinances but that the teams had made "tremendous strides in breaking down racial barriers." He said he thought the situation in the Tampa-St. Petersburg area would be alleviated considerably within a year.

There is no baseball segregation problem in Arizona or California according to Scott, who said seven of the 18 teams had no problems and that four others were "well on the way" to solving theirs.

Cannon said that Houston, a member of the National League effective next season, also was discussed but that the players did not want to disclose their talks on the Houston situation.

Cannon said the ultimate aim of the players' group is to get all athletes housed under one roof in first-class accommodations.

"We do not regard this as a Negro problem," Cannon said. "It is a problem for major league baseball."

GIANT GAME TONIGHT ON TELEVISION

Tonight's Giants-Dodgers baseball game from the Los Angeles Coliseum will be televised for Bay Area fans.

KTVU will carry the contest with Russ Hodges and Lon Simmons again doing the play-by-play. Pre-game shows will start at 7:30 p.m., with the coverage of the game itself beginning at 7:55

Tomorrow night's Giant-Dodger tilt, concluding the current series, will also be telecast on Channel 2 at the same time.

Medina Upsets Former Champ

FRESNO (AP) — Fresno's Ben Medina, 140, forced former welterweight champion Don Jordan, 141, of Los Angeles to take the defensive last night and mauled his way to a unanimous 10-round decision.

The Fresnan scored heavily with body blows after getting the worse of it in the first round. There were no knockdowns.

Lakers Sign Star

LOS ANGELES (UPI)—The Los Angeles Lakers yesterday announced the signing of Sterling Forbes, former Pepperdine College basketball star.

Ford Shoots For His 20th Victory Today

NEW YORK (AP) — Whitey Ford, the Yankees' superb left-hander, guns for his 14th straight victory today and admittance to major league baseball's 20-game winning set.

An outstanding hurler since he came up to the Yanks in 1950, Whitey never has hit the 20-win marker although he has led the American League in won-lost percentage. His high mark was the 19-6 record in the 1956 season.

This time he figures to make it easily. He could go as high as 30 if he continues to get the breaks and Luis Arroyo remains fit.

LUIS READY

The senor will be ready in the bullpen to take over in case Whitey tires around the seventh inning.

Manager Ralph Houk, suspended for five days and fined $250 for bumping umpire Ed Hurley last Sunday, won't be around to see Ford pitch one of the two games against the Kansas City Athletics today.

Ford's record is 19-2. He has started 25 games and finished nine. He tops the league in strikeouts with 148 and has a 3.17 earned run average.

21 SAVES

Arroyo, 34, a right-hander whose screwball breaks away from a right-handed batter, has a 7-3 record, an ERA of 1.75, and has saved 21 games. As the Ford specialist he has gone to Whitey's rescue 14 times. He has saved 11 for Ford, got two wins himself and lost one.

One reason why Ford never won 20 for the Yanks under Casey Stengel was the way the manager spotted his ace for the top teams. Houk decided to put Ford on a four-day rotation.

Houk got the bad news from Joe Cronin, the American League president.

'TOUGH'

"I think it's a very tough penalty for what I did," said Houk.

Houk, fuming over a called third strike against Clete Boyer in the ninth inning of the second game of Sunday's doubleheader with Baltimore (the Yanks lost 4-0, 2-1) charged after plate umpire Ed Hurley when the game was over. He bumped Hurley and had to be restrained by some of his players and the other umpires.

Sohner Clouter Socks 4 Homers In Doubleheader

Nolan Wilson socked four straight homers last night to pace Sohner Tree Service to 7-3 and 13-0 victories over Fort Scott in a softball doubleheader played in San Francisco last night.

The win boosted Sohner's record to 14-8 and was their ninth triumph in the last 12 games.

After a run-producing single his first time at bat, Wilson hammered three consecutive homers to cap a perfect 4 for 4 performance in the opener and drive in six of Sohner's seven runs. The left-handed batting Wilson then belted one thirty feet over the right field fence his first time at bat in the nightcap to give him four in a row.

And while Wilson was providing the hitting heroics, pitchers Jay Leatherwood and Lou Perazzo were retiring the shocked Soldiers with little trouble. Leatherwood allowed only five hits and one earned run in the first game and Perazzo hurled a one-hit shutout in the second contest.

BOTH CLUBS REAL HOT

San Francisco Invades Dodger Town Tonight

LOS ANGELES (AP)—San Francisco's Giants invade the Coliseum tonight for the first of two games that could muffle some of the current Los Angeles talk about the Dodgers and the National League pennant.

It's true the third-place Giants are a full eight games behind the front-running Dodgers. But Cincinnati, which hosts cellar-dwelling Philadelphia tonight, is only a half game back in second place.

The Dodgers and the Giants have been hot lately. The Giants have won five of their last seven and Los Angeles has an eight-game win streak going.

But the Dodgers, 34-16 for the season away from home, don't seem to fare as well in the Coliseum. The margin there is only 28-22.

Manager Walt Alston, mindful of this, put his charges through a special batting practice Tuesday in preparation for the crucial 13-game home stand.

Alston named the veteran left-hander Johnny Podres 13-2 to oppose San Francisco's Juan Marichal 7-7, a right-hander. Thursday it will be southpaw Mike McCormick 9-9 for the Giants and Dodger right-hander Stan Williams 10-8.

Despite his anxiety over readjusting the Coliseum hosts to that much maligned arena, Alston indulged in a bit of pennant talk.

He wasn't doing any predicting but allowed that 34 or 35 more victories might be all the team needs to cinch another World Series for Los Angeles, adding:

"I think 96 or 97 wins in all will mean the championship."

To do this, the Dodgers would have to take 35 of the remaining 54 contests.

Can they?

Alston's reply was indirect: "This is a better club than the one that took the 1959 championship. However, the others are better, too."

SARATOGA SUSPENSION

LITTLE LEAGUE TOURNEY

Fairfax-Sleepy Hollow Knocks Off Presidio

The Fairfax-Sleepy Hollow team continued its winning Marin Little League play with a wham bang victory last night over the Presidio team in the second round of the Marin County championship team tournament.

The Fairfax-Sleepy Hollow club dumped the Presidio lads 6 to 3.

The game opened with a smashing homer by first batter up, Bill McDevitt, for the Fairfax nine. Later in the first inning, Pete Forni scored on a double by Bob Tobin. Forni set himself up for the play by stealing second. In the third inning Forni scored again from second base on an infield error. Tobin was big again in the top of the fifth as he drove home two more men with a hit.

Presidio picked up two of its runs when winning Fairfax pitcher Cortney Balzan loaded the bases with walks in the fifth inning. Catcher McDevitt tried to pick a Presidio man off first but overthrew and a run scored. In that same inning another Presidio run scored on a sacrifice, and in the sixth Presidio got its third run on a base hit.

The Hamilton-Loma Verde Orioles outdid the Tiburon Falcons 5 to 2 last night in another second round tilt.

Hamilton assembled all five of its runs in the third inning with a homer by Barry Beringer, the big blow.

Tiburon scored in the first and fifth innings. The first frame tally came when Jim Ryall scored on a two bagger by Norman Hantzche. In the fifth inning Joe Murphy stepped up and slammed a homer.

The Marinwood Giants won their second round start last night against Locke Brothers Garage of Gallinas Valley 5-1 with the aid of a grand slam homer.

North Bay Lumber Co., the Twin Cities champs, advanced to the next round when their second round foe, the Novato representatives, forfeited.

Semi final games start at 6 o'clock on two diamonds, Fairfax and Twin Cities. Fairfax-Sleepy Hollow will clash with the Hamilton club and Marinwood Giants will meet the North Bay Lumber Co.

The championship game will be at Hamilton Air Force Base Saturday at 3 p.m. between tonight's winners.

Close Decision

SACRAMENTO (AP) — Joey Lopes, 135¾, of Sacramento outboxed Georgie Page, 134, of Auburn last night and won a close 10-round decision.

Upset Marks Play In Women's Golf

PASADENA (AP) — A bevy of bright young stars led the way into the second round of the Women's Western Amateur Golf Championship today. But the brightest was among the missing.

United States Champion Jo Anne Gunderson of Seattle was bounced out of play in a major upset Tuesday.

The 22-year-old strawberry blond was beaten by Carla Glasgow of nearby Whittier, just turned 18 and brand new to big-time golf.

Carla won, one up, after trailing three down at the end of nine holes.

Still in the running as the hope of the old guard of the Women's Western Golf Association was Mrs. Anne Casey Johnstone of Mason City, Iowa.

Mrs. Johnstone walloped Mrs. Ruth McCullah of Los Angeles and paired off against young Lanny Cranston of the host Annandale Golf Club.

The younger contingent is heavily stocked with threats.

FIGHTS LAST NIGHT

By ASSOCIATED PRESS

SAN JOSE—Luis Molina, 140, San Jose, knocked out Chico Santos, 137½, Oakland, 3.

SAN ANTONIO, Tex.—Sixto San Miguel, 134¾, San Antonio, knocked out Frankie Valdez, 132, San Antonio, 9.

SACRAMENTO, Calif. — Joey Lopes, 135¾, Sacramento, outpointed Georgia Page, 134, Auburn, 10.

Pilot Sees Emile As 'Ring Marvel'

By JACK CUDDY

NEW YORK (UPI)—At 22, welterweight champion Emile Griffith is at least four years from his peak; but co-manager Gil Clancey predicted confidently today he will become "the greatest fighter of the 1960's."

Emile has such great potential, Clancey said, that "when New Year's 1970 is rung in, boxing men everywhere will admit he was the greatest of all during the 1960s decade."

If that be true, a reporter asked dark-haired, 39-year-old Clancey how come Griffith failed to knock out middleweight Yama Bahama last Saturday night at Madison Square Garden when he had Yama on rubber legs in the seventh round.

"Because Griffith is still green," his co-pilot replied, "although he's the undisputed 147-pound champion of the world. Remember, that was only his 27th professional fight. He became too eager—too excited—and began missing the target."

However, Emile did outpoint his crafty, experienced opponent by a wide margin, despite Bahama's holding tactics, for his eighth straight victory.

Clancey, a Brooklyn high school teacher and a parks department boxing instructor, claims Griffith will be the "ring marvel" of the 1960s because "he has the body, the reflexes, the punch, the ruggedness and the intelligence to be a composite of many great fighters."

Among the hundreds of boys he has taught boxing, instructor Gil explained, Griffith was the first who could pick up the various weapons of great fighters of the past and use them like they did—the left jab of Joe Louis, the left hook of Jack Dempsey, the right uppercut of Jack Johnson, the lightning combinations of Marcel Cerdan, the body-punching of Tony Zale, the footwork of Sugar Ray Robinson, and so on.

"Emile is as good now as Ray Robinson was when he had 27 professional bouts," Clancey continued. "And because of his compact build, he's a lot more rugged. Moreover, he doesn't cut. In his 27 fights, he got only one little nick on his cheek—like a shaving scratch."

Another important reason why Griffith—a woman's hat designer—will be great is because he loves to fight, his co-manager emphasized.

"While I was at the beach, yesterday," Gil continued, "Emile tried to get me on the phone because he had heard erroneously there was a break in a certain TV fight-card. So, you know what he did? He went right over to Madison Square Garden and asked (matchmaker) Teddy Brenner to give him a fight on that date. He told Brenner he'd like to fight every three or four weeks—against any welterweight or middleweight in the world."

Chatting with reporters at Jack Dempsey's Restaurant, Clancey grinned and added, "Later Emile told me regretfully he had forgotten to inform Brenner he would be glad to give lightweight champion Joe Brown a shot at his welterweight title any time he wanted it."

How often will Gil and co-manager Howard Albert, a wealthy millinery manufacturer, permit the eager-beaver to fight?

"We'll let him fight only about every six weeks, and defend his title every six months," Clancey concluded. "That will enable him to support his widowed mother, four sisters, three brothers, and a flock of young nieces and nephews—and still put money in the bank."

LITTLE LEAGUE COVERAGE SET BY KTIM RADIO

Little League sectional playoffs at Antioch tomorrow night will be broadcast by Radio Station KTIM as the Novato All-Stars go against Santa Rosa at 6 p.m., it was announced today by KTIM sports director Ted Mitchell.

Mitchell and Karl Barron will travel to the North Bay city for the broadcast. If the Novato stars win tomorrow they'll face Concord at Antioch on Friday. The winner of this game goes to Davis for a final sectional playoff on Saturday.

Mitchell said three of Marin's leading financial institutions will sponsor the broadcasts for as long as the Novato team remains in sectional play. They are the Northwestern, Marin County, and Ross Valley saving and loan associations.

Colt Hurler To Pitch On Sunday

Johnny Walker, the sensation of the just completed state Colt baseball tournament, will be on the pitching rubber for the Mill Valley Merchants this Sunday when they host the San Francisco Jeffersons on the Project 17 diamond starting at 1:30 p.m.

The Jeffersons are San Francisco's oldest semi-pro baseball organization.

The Merchants last Sunday took the measure of another strong S. F. nine, defeating Varney's Liquors, champions of the San Francisco AA League, 6-5.

Dave Perlis, another Colt star, got the big hit for the winners, as he lined a double 380 feet off the centerfield wall to drive home the tying runs. Guy Robinson then singled home the winning run for the Merchants in the last of the ninth.

PGA Champ Raps Greens For 'Deceit'

CHICAGO (AP)—Jerry Barber, new national PGA golf champion, says one of his biggest irritations is the "deceitful greens" on many courses played on the tournament tour.

"It seems they are building greens that are not honest," he said. "You can't read them. You line up your putt and think you've got it right, and the ball rolls off another way.

AN EXAMPLE

"Recently I spent two and a half minutes lining up a four foot putt and I still didn't know how to hit it. One of the examples of deceitful greens is at Oakland Hills near Detroit when the 1961 USGA Open was played.

"I'm not beefing, but just making an observance," Barber added. "It comes to my mind because the greens at Olympia Fields (scene of the PGA) were true. You putted and the ball went the way you figured it out."

LOT AT STAKE

Barber said he had a lot riding on winning the PGA championship in addition to the $11,000 first prize.

"I get a life-time invitation to the Masters, I don't have to qualify for the National Open, I get a spot on the Ryder Cup team and I don't have to qualify for any more PGA-sponsored tournaments on the tour."

Horse Show

SAN FRANCISCO (UPI)—The 12th annual Arabian Horse Show, featuring 350 descendants of the great breed of animals, comes to the Cow Palace this weekend.

THE BEST IN THEIR LEAGUE

The Ramblers, pictured above, were the 1961 Fairfax-Sleepy Hollow Pony League champions. POWERFUL TEAM

Who Will Be The Hero Of Star Tilt This Year?

CHICAGO (AP)—It's college All-Star football week and time for another look at memory lane, and heroes of the past.

Remember such names as Sammy Baugh, Gaynell Tinsley, Tommy Harmon, Jackie Robinson, Otto Graham, Elroy Hirsch, Buddy Young, Charlie Justice, Ted Weed, Bobby Conrad, Bobby Mitchell?

When the All-Stars take on the champion Philadelphia Eagles in Soldier Field Friday night who knows but there may be another name or two to add to the illustrious list of past heroes.

The All-Stars are boasting a powerful team this year and are given an excellent chance of upsetting the Eagles. And there are plenty of candidates for the hero list.

It could be hard-running Joe Bellino of Navy or such able passers as Bill Kilmer of UCLA or Norman Snead of Wake Forest. There's Bill Brown, a powerful fullback from Illinois, and Tom Matte, an Ohio State back who also can pass.

It could be Mike Ditka of Pitt, or Earl Faison of Indiana or El Kimbrough of Northwestern or Marlin McKeever of Southern Cal—some of the finest ends in college circles last fall.

Or the hero could be a lineman like Houston Antwine of Southern Illinois, Myron Pottios of Notre Dame, Greg Larson of Minnesota, Earnest Ladd of Grambling or Ken Rice of Auburn.

Unsigned 49ers Talk It Over With Boss Morabito

MORAGA (AP) — Today was the day at least five San Francisco 49er veterans had been waiting for.

Vic Morabito, the club's president, arriving after a month's vacation in Hawaii, had as his first order of business talks with the five players who haven't signed their 1961 contracts.

The five, all in camp and participating in workouts, are tackles Leo Nomellini, Henry Schmidt, Len Rohde and John Thomas and flanker back R. C. Owens.

The four linemen figure part of the 49ers' success late last season was due to their generally unheralded efforts.

Owens has had plenty of headlines but not nearly enough salary to satisfy him. Lou Spadia, the 49ers' business manager, said the team had no intention of increasing their last offer to Owens. Spadia and Owens said they were far apart in negotiations.

If the players do not sign contracts, they can play out their options with the 49ers through the 1961 season and then negotiate with any club as free agents.

Yesterday's practice session was routine except for slightly pulled leg muscles suffered by two rookie ends, Ola Murchison of University of the Pacific and Tommy Hackler of Tennessee Tech.

Pop Warner Dates Set

A meeting of parents of prospects for the 1961 Redwood Junior Giants Pop Warner football squad has been scheduled for 7 p.m. tonight in the Henry Hall School at Larkspur.

Sign-ups for the Redwood team will be held Saturday at 10 a.m. at Redwood High School.

San Anselmo Pop Warner hopefuls will also sign up Saturday at 10 a.m. Their registration will be held at the Isabel Cook School.

Murray Rose Ties American Record

LOS ANGELES (UPI) — Australia's great Murray Rose, swimming for the Los Angeles Athletic Club, tied an American record for the 200-meter freestyle last night in the Los Angeles Examiner open swim meet.

Rose covered the distance in 2:02.9, equaling the record set by Stanford University's George Harrison in 1960.

Pace To Bid For Spot With Raiders

SANTA CRUZ (AP)—Jim Pace, the former Michigan backfield ace who once ignited fond hopes in the hearts of the San Francisco 49ers, is going to try professional football with the Oakland Raiders.

The American Football League club said Pace, 25, has been fitted with a special brace for his left knee and has been running well.

Pace told Raider Coach Eddie Erdelatz, "I'm eager to try the rough stuff now."

Pace was the 49ers' No. 1 draft choice in 1957. An elusive, shifty halfback with the Wolverines of the Big Ten, the 49ers were hoping Pace would develop into a regular, but a knee injury during the 1959 season slowed him considerably and he never could make the 49er squad after that.

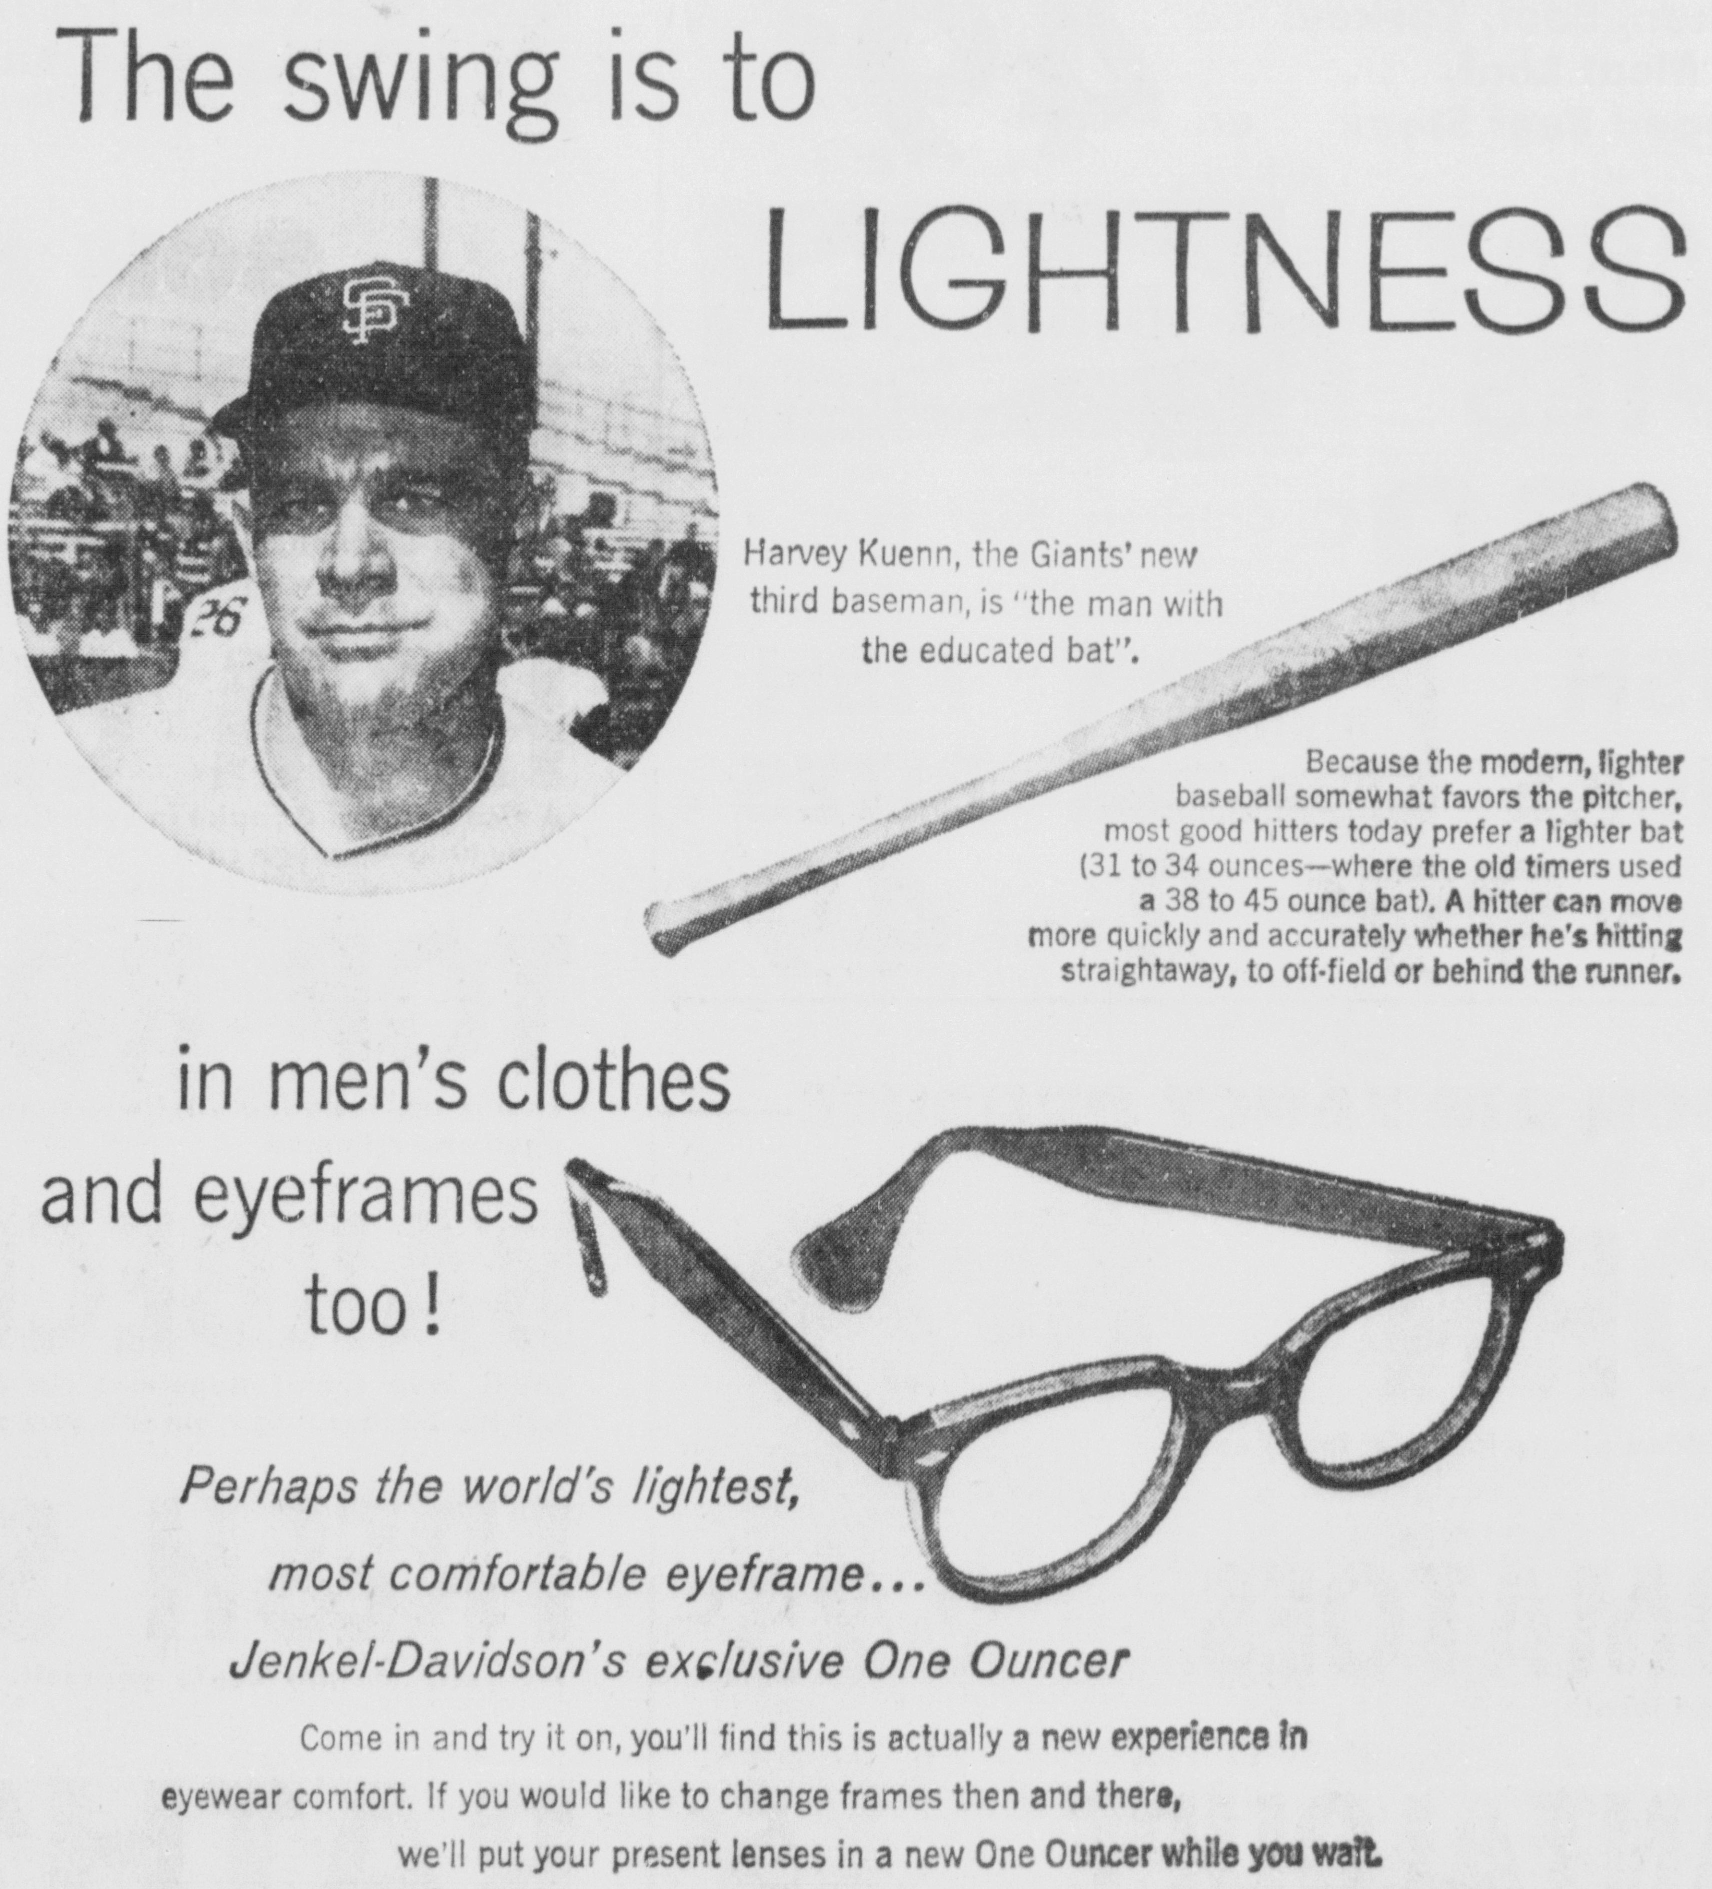
Erdelatz said his present plans were to use Pace as a tight back—the principal running halfback job.

Jockey Suspended

DEL MAR (AP)—Jockey Henry Moreno is sitting out a five-day suspension.

THIS IS TRAINING?

Two burly San Francisco 49er linemen do not appear as graceful as the three Ice Follies pretties with whom they are cavorting during a break in the pro football team's training camp at Moraga. From left to right are Margaraet Meldran, defensive end Charlie Krueger, Carol Caverly, guard Bruce Bosley and Marlene Meldran. Marlene and Margaret are twin sisters. (AP Wirephoto)



The swing is to

LIGHTNESS

Harvey Kuenn, the Giants' new third baseman, is "the man with the educated bat".

Because the modern, lighter baseball somewhat favors the pitcher, most good hitters today prefer a lighter bat (31 to 34 ounces—where the old timers used a 38 to 45 ounce bat). A hitter can move more quickly and accurately whether he's hitting straightaway, to off-field or behind the runner.

in men's clothes and eyeframes too!

Perhaps the world's lightest, most comfortable eyeframe...

THE SPICE CAKE is an easy one to make and contains applesauce plus a heavenly mixture of spices. A lucious double lemon topped spice cake is a tangy dessert. One sauce in the topping duo is fluffy and resembles a hard sauce. The other may be spooned or poured over the dessert.

HAVE YOUR CAKE –

Spice Cake Lemon Topped Special Fare For Gourmet

To have your cake and eat it too is not really a feat of magic. It is a regular culinary accomplishment for the homemaker planning meals around recommendations to use a table spread which is high in unsaturated fat. A luscious Double Lemon Topped Spice Cake is the tastiest proof imaginable.

This fragrant dessert with tangy sauces is baked with a new margarine containing more than 75 per cent unsaturated vegetable oil. The margarine creams beautifully just as it comes from the refrigerator thus making it an excellent ingredient for cooked dishes and baked products.

The cake is an easy one to make and contains applesauce plus a heavenly mixture of spices. The topping duo takes but a matter of minutes. One sauce is fluffy and resembles a hard sauce. The other, to be spooned over the dessert in the kitchen or poured from a pretty pitcher passed to guests, is served hot or cold.

The health benefits gained by the high percentage of polyunsaturated 100 per cent American cottonseed oil are identical whether the margarine is spread on bread or used in cooked foods. The spreadability and delightful flavor of this new margarine bring eating pleasure when used in sandwiches, on crackers, waffles or other hot breads.

APPLE SPICE CAKE

Yield: 8 x 8 x 2 inch loaf cake

1 stick (½ cup) 75% unsaturated oil margarine
1 cup sugar
1 cup applesauce
2 cups sifted cake flour
½ teaspoon salt
1 teaspoon soda
1 teaspoon baking powder
1 teaspoon cinnamon
¼ teaspoon nutmeg
¼ teaspoon ginger
¼ teaspoon cloves
½ cup chopped walnuts
1 tablespoon sugar
½ teaspoon cinnamon
Double Lemon Sauce

Cream margarine and 1 cup sugar. Add applesauce and mix well. Sift together flour, salt, soda, baking powder, 1 teaspoon cinnamon, nutmeg, ginger and cloves. Add dry ingredients and beat well. Stir in walnuts. Spoon into 8 by 8 by 2 inch pan rubbed with margarine. Sprinkle top with mixture of 1 tablespoon sugar and ½ teaspoon cinnamon. Bake in a moderate oven (350°F.) for 45 minutes. Serve with Double Lemon Sauce over each piece, beginning with Sauce I and topping with Sauce II.

DOUBLE LEMON SAUCE

I — Yield: ¾ cup

½ stick (¼ cup) 75% unsaturated oil margarine
1½ cups sifted powdered sugar
1 egg yolk
1 teaspoon grated lemon rind
1 tablespoon lemon juice

Cream margarine and add 1 cup sugar gradually. Beat in egg yolk. Blend in lemon rind and lemon juice. Add remaining sugar and blend.

II — Yield: ¾ cup

1 tablespoon 75% unsaturated oil margarine
½ cup sugar
1 tablespoon cornstarch
2 egg yolks, beaten
½ cup cold water
1 tablespoon lemon juice
½ teaspoon grated lemon rind

In the top of a double boiler mix sugar, cornstarch, egg yolks, and cold water. Cook this mixture over hot water for 25 minutes, stirring constantly. Mix in margarine, lemon juice and lemon rind. Serve hot or cold.

Vegetable Perk-Up

Blend a dash of prepared mustard with mayonnaise or commercial sour cream. Add chopped or slivered almonds and spoon over hot cooked fresh asparagus spears. Try it with green beans, broccoli and cauliflower, too.

'Aloha Days' Now At Littlemans

The charm of the Hawaiian Islands will be in evidence at the Littleman Markets in Marin County during "Aloha Days."

Colorful leis, grass shacks and mechanical hula girls set off the decorations. Adding to the tropical atmosphere are large displays of sugar, pineapple, coconuts and other popular island delicacies. Employees will be garbed in Aloha shirts, flowery print dresses, leis and straw hats.

During the course of the four week celebration many special events have been scheduled. On Saturday, Aug. 19, from 12 until 4 p.m., Paul Miller and his "Hawaiians" will play. Paul with Steve Atkin and Dean Reilly will provide background music for the appearance of Nanilei Bettencourt, from the Sheraton Hawaiian Hotels. Of Hawaiian, Chinese, Portuguese, and French extraction, Nanilei will give an exhibition of Hawaiian, Tahitian and Samoan dances.

Aloha Days will continue through August and will end on Aug. 26.

Chicken-Pineapple Salad

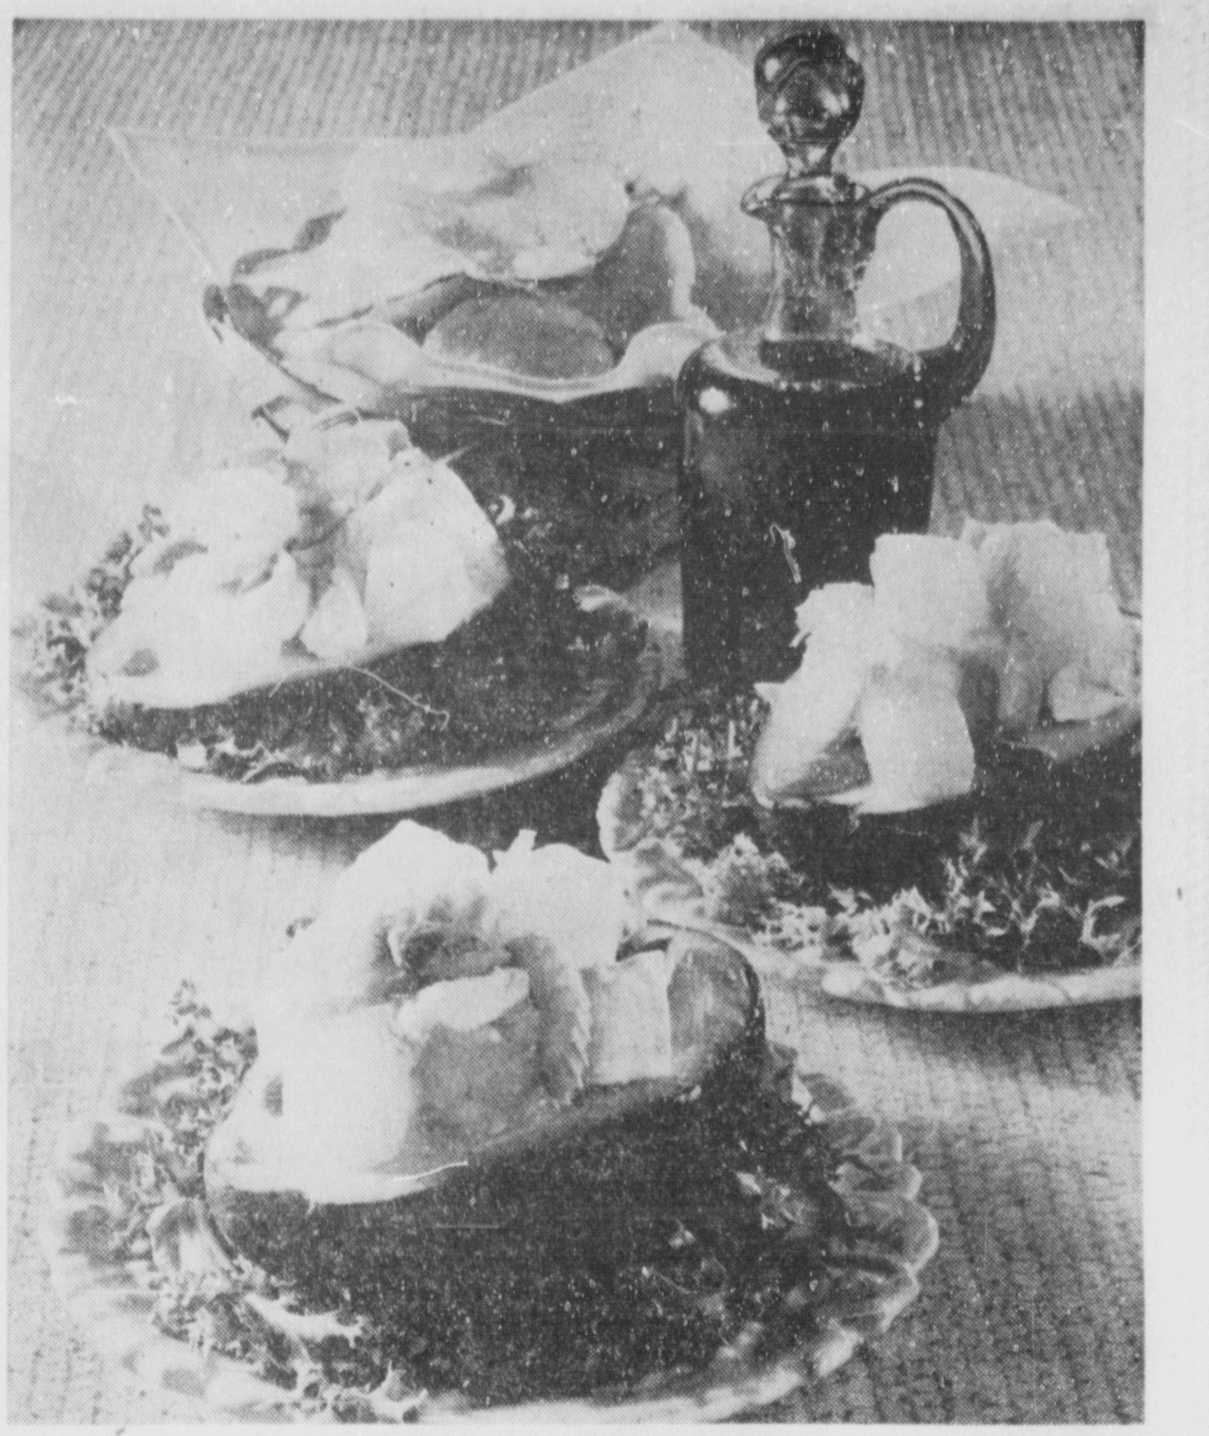
This gourmet chicken pineapple salad rates raves whenever it's served. The elegant combination of golden chunks of pineapple, chicken and crisp celery tossed gently in a French dressing accented with curry is delectable. Serve the salad in avocado half shells for a very festive presentation. You'll find it makes a very handsome salad for a ladies' luncheon.

Pineapple chunks are available in can sizes ranging from one cup to 2½ cups.

GOURMET CHICKEN SALAD

¾ cup French dressing
½ to 1 tsp. curry powder
2 cups diced cooked chicken
1 cup pineapple chunks
½ cup chopped celery
¼ cup toasted slivered almonds
1 tbsp. minced onion
½ tsp. salt
2 avocados

Combine French dressing and curry powder; shake to mix well. Combine chicken, pineapple, celery, almonds, onion and salt. Pour ¼ cup curry dressing over chicken mixture; toss lightly and chill at least 1 hour. Halve and pit avocados; top with chicken mixture. Pass remaining curry dressing. Makes 4 servings.



ELEGANT COMBINATION of pineapple, celery and chicken are tossed in a French dressing with small hint of curry makes a perfect dish to serve "the girls" when they come to luncheon.

Sandwich Loaf

Make a sandwich loaf the highlight of a luncheon. Trim crusts from loaf of unsliced sandwich bread and slice crosswise into 4 layers. Add ½ cup ripe olives, cut in wedges, to your favorite egg salad recipe, using 3 or 4 hard cooked eggs. Spread half the egg salad on the bottom layer and top with second layer of bread. Spread with tuna salad, then top with bread and spread with remaining egg salad. Stack on the final bread layer and frost with 2 (3-ounce) packages of cream cheese whipped with a little milk and lemon juice. Chill until party time.

Scorched Vegetables?

If vegetables get a little scorched, transfer them immediately to another pan, cover with cold water, and bring them to a boil. Finish cooking. They will not taste burned.

Canned Sardines Make Excellent Summer Dishes

Canned sardines from the cold Norway fjords may be prepared in a wide variety of tasty warm weather dishes. The fish are ideal as canapes, appetizers, sandwich fillings or may be eaten right out of the tin at picnics and beach parties.

1 can (3¼ oz.) sardines
½ c. bread crumbs
1 egg, beaten
1 tsp. grated onion
2 tbsps. lemon juice
¼ tsp. Worcestershire sauce
1 c. shortening
(Cooking time: 2 minutes)

Drain the sardines. In a bowl mix the sardines, bread crumbs, beaten egg, onion, lemon juice and Worcestershire sauce. Heat a cup of shortening in a small skillet (7 in.), over medium heat. Drop the sardine mixture by tablespoonsful into the hot shortening. Fry quickly, turning to brown on the other side. Serve with catsup or lemon wedges. (Note: if dropped by teaspoonsful into the hot shortening, they could be served as appetizers.) Yield: 10 1½ in.) tidbits.

Weight-Watcher

Mold fruit-flavored gelatin in a ring mold; turn out when chilled and set. Fill center with a combination of diced fresh fruit. Serve with whipped cream (sweetened and flavored with vanilla) for a delicious dessert. Weight-watchers can enjoy without the cream.

Idabelle Main Leaving Marin

Missionary To Retire In Pasadena

By MAYBELLE SPECKMANN

Near-lifelong friends will be living in their own cottages on the grounds of the home for retired missionaries of the Woman's Society of Christian Service of the Methodist Church when Mill Valley's Dr. Idabelle Main leaves this month for Pasadena.

The much loved and respected Dr. Main, for whom the Idabelle Main Circle of the Mill Valley Methodist Church was named, and Miss Jennie Bridenbaugh were friends when they lived across the road from each other and attended college in Sioux City, Iowa.

"We were graduated in the same class from Morningside College in Sioux City," she said, "and both of us have spent our lives as missionaries and educators."

ALREADY THERE

Miss Bridenbaugh, who was principal of a school for girls in China for many years, is already residing in her cottage on the grounds of the home in Pasadena, and Dr. Main's cottage, which is now under construction, is expected to be ready by the middle of the month. Both little homes will eventually become the property of the home.

The distinguished educator and missionary, who obtained her doctorate degree in education from Columbia University in 1918, has spent the greater part of her life in China. She was president of the Hwanan College for Women in Foochow and traveled all over China as secretary of the Interdenominational China Christian Educational Assn.

With her husband, also a missionary, she remained in China until 1941 when they were forced to leave by the Japanese, who had entered the country in 1937.

They came to Mill Valley and bought the family home of Mrs. Lucretia K. Hanson. Following the death of her husband in 1945 Dr. Main returned to Hwanan College, remaining until 1949 when the Communists seized control of the country.

WENT TO RIO

After one year in Mill Valley she went to Rio De Janeiro, where she taught English in a Methodist junior college for girls.

In 1955 Dr. Main returned to her home in Mill Valley and has been active since then in Methodist Church affairs both in Mill Valley and Tamalpais Valley.

Dr. Main leaves in Marin a son, Cmdr. William A. Main II of Belvedere, his wife and two sons, William and Robert, and a niece, Mrs. John Walters of Mill Valley, her husband and children, Mark, Philip and Anne.

MILL VALLEY'S distinguished educator and missionary Dr. Idabelle Main will be leaving this month for Pasadena where she will join a lifelong friend on the grounds of the home for retired missionaries of the Woman's Society of Christian Service of the Methodist Church. During 1956-57, Dr. Main was president of the Marin County Council of United Churchwomen. (Independent-Journal photo)

BROCADE ON PARADE

This afternoon ensemble of heavy brocade dress and cape was created by the Eleanora Garnett fashion house of Rome. Dubbed "Basilissa" by its designer, the outfit was shown as part of the collection of fall and winter Italian fashions. (AP Wirephoto)

MARIN'S SOCIAL WHIRL

Visitors From Paris Honored By Dr. And Mrs. William Neal

By FLORENCE DONNELLY

Dr. and Mrs. William S. Neal of San Rafael entertained at a cocktail and buffet supper Sunday night honoring Dr. and Mrs. Lester Lipsitch, formerly of San Francisco, whose home is now in Paris. Doctor Lipsitch is chief of staff at the American Hospital in Paris. He and his wife traded houses for the summer with Mr. and Mrs. Lewis Aaron, who with their two daughters, are staying at the Lipsitch home in Paris. The Aaron residence is on San Pedro Road in San Rafael's Golf Tract.

Doctor Lipsitch, an internist, was formerly with Stanford Hospital. The daughter, Susan Ann Lipsitch, a recent graduate of Wellesley College, was with them at the Neals' party. She will be married to George Butterworth III, a Harvard graduate, on Aug. 21 in Framingham, Mass. Also at the party was John Lipsitch, a Stanford sophomore, son of the honored couple.

The guest list included Doctors and Mesdames Gerson Jacobs, E. W. Denicke, James D. Goebel, Russell Klein, Russell Bernhard, Morrie Mink, Henry Libby, Edward Sargent Jr., Marvin Gerber, Maurice Salomon, Gerald Hill, Sam Nelken; Mr. and Mrs. J. K. Solmonson, Mr. and Mrs. Gilbert Barker, Mrs. Margaret Birnberg, John Dempsey, Doctor Neal's father, James H. Neal, and James Neal and Marcia Neal, son and daughter of the hosts, who are both University of California students. Jim, who has been at summer school at the university, will be a freshman, Marcia a junior.

AN OLD STONE HOUSE in Bucks County, Pa. will be the future abode of Mr. and Mrs. George Wells Thorpe, who are leaving Sausalito after nine years' residence. They have not decided whether or not to sell their Marin home. Reason for the move is that George is a writer and wants to be closer to Philadelphia (it will be only a half hour's ride there) and New York. He has just completed a play which is in the hands of an agent in New York City. George is a regular contributor to the Saturday Evening Post. And at the place in Pennsylvania he will have the guest house as his studio.

The stone two story house, 110 years old, is near the Delaware River. There are large fireplaces in the living, dining and drawing rooms and in the master bedroom. A fireplace covers an entire wall in the guest house. The property is one and a half acres, which will be an ideal run for the Thorpes' two Dalmatians. Mrs. Thorpe first saw the place when she went to the wedding of her son, Kent Kirwan, in June and she and George decided to buy it. Kent, who was graduated from the University of Chicago a week before his marriage, is studying at the university for a doctorate. Mrs. Thorpe has another son, Denison Kirwan of Berkeley, who has two children. The Thorpes will drive to Pennsylvania, with the dogs, the latter part of August.

Honoring Mrs. Thorpe, Mrs. Earl Thompson of Sausalito gave a luncheon recently.

Bing Crosby's house in Pebble Beach has been bought by the Frederick Talbots, who with their two daughters, Suzanne, 16, and Pamela, 13, will move there on Aug. 24. They have been spending weekends at the house and plan to do extensive remodeling after they move in.

The Crosby house on the 13th fairway of the Pebble Beach golf course, was built 12 years ago. It is the contemporary style and has 14 rooms.

The Talbots have put their house in Kent Woodlands up for sale. It was the home of the late ~~Mr. and~~ Mrs. G. Stanleigh Arnold (Elizabeth Kent) and the Talbots remodeled it. Mr. Talbot has now retired. He severed his connection with the old shipping firm Pope and Talbot five years ago and is closing out the Talbot Lumber Co. Suzanne, who attended Katharine Branson School and Redwood High School, and Pamela, a student at the Kent School, will enroll at the Santa Catalina School.

Concours Showing Planned Oct. 1

Oct. 1 is the date set for the Concours d'Elegance at Forest Meadows in San Rafael, featuring a variety of antique, classic, vintage and custom cars.

The show, which will include music, refreshments and entertainment, is sponsored by the Catholic Social Service of Marin, Sports Car Club of America, San Francisco Region; and San Rafael Region of the Horseless Carriage Club of America. Dr. W. Allen Conroy of Greenbrae is chairman. Proceeds go to the Catholic Social Service of Marin.

Stork Shower Given At Gropius Home

Mrs. Edward Johnson of San Rafael, formerly of Los Angeles, was given a surprise stork shower Friday at the Ross home of Mr. and Mrs. William O. Gropius.

Among the guests were Mesdames Sherman E. Hood, Malcolm Glover, Gordon Cochrine, Jack von Staden, Louis Vaccaro, Charles MacGowan, Miss Lorraine Roper, Mary Lou Young and Georgette Oliver.

Fairfax OES Show-Dessert Set Aug. 7

Fairfax Chapter 594, Order of the Eastern Star, will hold its annual dessert-luncheon fashion on Aug. 7 at 12:30 p.m. at the Fairfax Masonic Temple in Larkspur.

Mrs. Upton Wise is general chairman for the event and Jack Farrell of Alice of California will act as commentator.

Models will include members of the chapter and Rainbow Girls and Job's Daughters. They are Mesdames Ralph Findley, John Fraser, John Wallak, Bryce Florence, Paris Giannini, Goldie Baumgartner, and the Misses Norma Pirenian, Roni Spellins, Gayle Partmann and Lotus Schaffer.

Reservation chairmen are Mesdames Max Gadow and Albert Bryant.

WHITE MANZANITA trees will form the table decor when the Fairfax Chapter of the Order of the Eastern Star stages its dessert-luncheon fashion show on Aug. 7 in the Fairfax Masonic Temple in Larkspur. Working on the decorations are, from left, Mesdames Albert Bryant, worthy matron; John Wollak, Upton Wise, general chairman and Ralph Findley, models chairman. (Independent-Journal photo)

New Laws Protect Family's Health And Pocketbook

Family health and safety has inspired some new laws to be passed in Sacramento.

New laws help the State Dept. of Public Health to pick up where the Federal Food and Drug Administration leaves off in safeguarding users of cosmetics here against misbranded or adulterated products.

Labels of hazardous household substances must contain the product's ingredients and the most effective antidote in case the product is eaten or applied to the skin.

It also puts the state laws regarding color additives in foods and drugs on a par with federal regulations.

Each hospital, medical or surgical insurance policy must contain on its face a complete list of benefits provided. The State Insurance Commissioner is authorized to establish minimum benefits for such policies and to refuse approval of those which do not meet the requirement.

Law now regulates prepaid service contracts with health and dance studios, requiring payments to be completed within two years and services to be provided within seven years from the contract date. Lifetime contracts are outlawed.

Automobile warranties are now regulated by the Insurance Commissioner by law defining as automobile insurance as any contract of warranty or guaranty which promises service, maintenance, parts replacement, repair or money for loss or damage to a motor vehicle or its parts.

Marin Women

Stan Ekman
MAC LAREN'S
Imperial
CHEDDAR CLUB CHEESE-SHARP
KRAFT

For men who love sharp cheddar

(and women who love them)

As far as we know, MacLaren's Imperial is the oldest brand of cheddar sold in North America, or maybe the world. In Canada, that able Scotsman, the late Mr. Alex MacLaren, started marketing this truly sharp club cheddar (in opal glass pots!) about 1891. When we bought the thriving MacLaren business in 1921 we discontinued the "pots," but never, never changed the quality of the cheddar one whit. Now we're proud to offer it, in a handy new 10-oz. stick, to all devotees of genuinely sharp cheddar. *Kraft Foods, Chicago.*

P.S. Please bear in mind this is *natural* cheese, *not processed*. "Club" simply means that long-long-aged cheddars have been blended together so they're SPREADABLE.

New Tamar Chapter Sets Dinner Date

Special gourmet dishes from the kitchens of Marin's newly-formed Tamar Chapter of B'nai B'rith women will be offered Saturday at the home of Mr. and Mrs. Melvin Segal, 391 Devon Drive, San Rafael.

A gala evening has been planned by the Tamar members for their friends. A folk singer will entertain with modern American folk songs and some old Israeli ballads. Food promises to be a special treat as each member is contributing her favorite recipe made up into a savory dish. Food will be served buffet style from the "Nosh Wagon." The dress is western wear.

The committee for the event includes the Mesdames Robert Horn, Gary Rifkind, Martin Marks, Julian Kivowitz, Eugene Siegmann, Sam Hoch, Herbert Korner, Segal, David Broad and Gerald Weisbach.

Reservations may be made with Mesdames Horn or Rifkind.

Loretto Parish Women Set Date Of Rummage Sale

An ice cream freezer will compete with three new fangled television sets for attention of bargain hunters at the annual rummage sale sponsored by the women of Our Lady of Loretto parish in Novato.

Other items available at the sale will be childrens' clothing, homesewn clothing and household items, three bicycles, rugs furniture, shoes, linens and appliances.

The sale is set for Aug. 11-12 at the IDESI Hall, from 10 a.m. to 5 p.m. Mrs. Anthony Nunes and Mrs. A. R. Ferrera are cochairmen of the event, with the aid of Mesdames George Gnoss, Sam Marzell, Rod Snodgrass, Arthur Pedroli, Robert Manthey, John Affonso, and Arthur Gibson.

Fuchsia Society To Meet Friday

The American Fuchsia Society, Marin County Branch, will meet at Painters Hall, 701 Mission Street, San Rafael, Friday at 8 p.m.

H. L. Wallace, who is on the staff of the Golden Gate Bridge, will speak on "Wind Tolerance Gardening."

At the Marin Art and Garden Fair last month, the Society won a blue ribbon for first place for the exhibit "Melodies in the Shade."

Tips Help You Select Flatware

URBANA, Ill. (UPI)—The woman who wants flatware "to have and to hold" should consider how easy it is to hold and use.

That's the advice of Robbie Blakemore, University of Illinois home economist. She judges the permanent value of flatware by its functionalism: how well the knife cuts, the fork skewers and the spoon stirs and scoops.

Check flatware for weight and balance, too, Miss Blakemore counsels. "The pieces should not seem unduly heavy in any one part," she said. "And they should be easy to hold and use."

American Affluence Shown In Doubles

No one can blame you for doing a double take these days—it's just that you often see two of everything where one used to suffice.

The list is long, and it threatens to grow longer: two automobiles, two television sets, two bathrooms, two telephones, two jobs in the family, even a second home.

And to top things off, 43,000 pairs of parents are pleasantly surprised each year when they discover they have presented themselves with twins. That leads to two layettes, a baby carriage for two, two cribs and two sets of bottles.

About the most common sign of affluence, however, is the two-car family. Latest figures show that over seven million families have two or more automobiles. In many instances the second car is a matter of necessity, particularly among suburban families where the husband drives to work. The wife uses her car to do the shopping; to chauffeur the children to school and to Scout, 4-H and other meetings; and to participate herself in the activities of community organizations as a volunteer worker.

Often a wife needs a car because she has a job outside the home, through which she is earning a second income for the family. The U.S. Department of Labor reports there are 10 million couples with both husband and wife employed, and predicts that more married women will take jobs in years to come.

Although the income earned by wives enables many families to afford a second car, as well as other "seconds", much of these additional earnings are put aside to help meet long-range family goals, such as a college education for the children, or for an income after retirement. There is additional evidence the serious attitude that families take toward financial planning of this nature.

There is one type of duplication on the decline. It is the "doubling up" of families in a single home. Some 15 years ago more than three million husbands and wives—nine per cent of all married couples—were living with relatives. Today the figure has dropped to below 2½ per cent, which means that less than one million families are doubled-up; many have not been married very long, and are staying with parents for a time until they have had a chance of establishing a household of their own.

The decline in double-up families of course means that more people are living in their own homes. What is less well-known is a trend among families to establish a second home, usually as a vacation retreat. Families with trailers often regard this as their second home on weekends, and vacations. Some reports say there are already about one million cabins, bungalows and similar homes at lakesides, at the shore and elsewhere.

FOR ASTRONAUTS

Kitchen Without Sink Ends Dishpan Distress

CLEVELAND (UPI) — The kitchen that will accompany our astronauts into space will not have a sink or many of the usual present day utensils.

It eliminates the dish-washing chore, too

A compact space kitchen, only 10 feet long and fitted into one half of a circular capsule 7½ feet in diameter, was shown during the American Home Economics Association annual meeting.

This ultra-modern facility, however, was jammed with enough foodstuffs for three men on a 14-day flight through outer space.

It included a thermo-electrically powered refrigerator and freezer, tiny electric oven, hot and cold running water, pull-down storage cabinets, waste disposal facilities and feeding trays.

Missing, however, were knives, forks, plates or cups.

The space traveler, however, will be able to feed himself, using a direct "container-to-consumer" eating process.

When he is thirsty, the astronaut first puts the nozzle of a tube of reconstituted beverage to his lips, then squeezes the plastic container much like he'd squeeze a toothpaste tube. The liquid is forced out of the container and into his mouth.

The space man will warm cans of meats and vegetables in a warming oven. The warming will take about 30-minutes, then they'll be removed from the oven and the caps on both the top and bottom of each can will be unfastened.

The space man will attach a manually operated forced feeding mechanism resembling a potato ricer.

Frozen bread items, as well as other snacks, will be eaten in the normal way.

To make sure that the meal does not fly around because of weightlessness, all containers of food are secured in a feeding tray.

To prevent himself from floating around in the kitchen, the astronaut will lock his legs in a harness fastened to a built-in kitchen stool. Only one astronaut at a time can use the kitchen because of its compactness.

The kitchen weighs only 818 pounds when completely filled with food and liquid.

Careless Females Parch Tresses While Sunning

CHICAGO (UPI)—Hair can become sunburned too, beauty experts warn.

Tinted hair is most vulnerable to the sun, sand and surf and professional beauticians advised giving it extra protection. Here's how:

Keep a lightweight scarf in your handbag, for boating or when the top of the car is down.

Have conditioning treatments at the beauty parlor to counter the sun's drying effects.

Shampoo the hair more frequently during hot weather, to wash away perspiration.

Use a conditioning hair dressing daily and carry a tube in beach bag to use during lengthy sunning sessions.

If swimming in salt or chlorine water, protect your tresses with a close-fitting bathing cap.

When spending the whole day at the beach, try wearing a straw skimmer that both decorates and protects.

Sitting's Harder

NEW YORK (UPI)—For years, homemakers have been told to save energy by sitting when they work. But laboratory tests show that women use four per cent more energy when sitting, rather than standing, to wash dishes and do ironing. U.S. Department of Agriculture home economists made that point in a recent report of the American Home Economics Assn.

THE PARENTS' CORNER

By RICHMOND BARBOUR, Ph. D.
Guidance Counselor

Chances Are Daughter Will Change Mind About College

(Q) "My daughter was refused admision to the college of her choice. It was a terrible blow. She has brooded about it all summer. Now she is bitter about the school she will attend. It is her second choice. She says it is a 'dumb school,' and that she will never like it. Do you think her attitude will change? Will she ever love her college?"

P.L.

(A) Almost certainly her attitude will change quickly. By Christmas she will be saying her second choice college is better than her first choice would have been. Thousands of college freshmen go through the same transition.

(Q) "The manager of a TV station told me he never had heard of a case where children actually imitated the violence they had seen on TV. He quoted some psychologists as saying that imaginary fights and murderers do not influence children's behavior. Do you think he is right?"

D.B.

(A) He is wrong. I've encountered many cases where children have tried to imitate TV violence, with harmful results. Some research psychologists now are reporting that constant contact with TV brutality does affect children's characters. Sooner or later the TV industry will be forced to recognize that the violence it portrays can do serious harm to impressionable children. Then some changes may be made.

FAMILY FARE

Teaching Youngsters Ways To Escape Fire Will Help

Over and over you read in the headlines variations of "Four Children Die As Fire Sweeps Through Home." Horrible thought, those helpless youngsters being painfully burned or overcome with smoke. What would your children do if fire broke out?

Could they help themselves and their brothers and sisters? Hazards exist in the best homes and you cannot be everywhere to prevent danger. Better to teach the youngsters, even the little ones, about the danger of fire and what they can do to. The well-trained child is less likely to panic if he is familiar with your fire plan. Beware, though, of dramatizing the evil of fire so that he awakens frightened at night.

Emphasize escape from the burning home or building. Never mind the saving of property.

If clothing catches fire, lie down and roll over slowly. Don't run, as this fans flames. Wrapping in a blanket can help.

Don't open doors or windows. The draft will cause the fire to spread.

To escape from a fire-swept room, keep low to the floor, as heat and smoke rise.

If you must open a door to escape, do so cautiously and stand behind it as protection from a blast of scorching air.

If dashing through flame, cover face, hands and scalp with heavy towel or clothing, preferably wet.

Don't re-enter a burning building to rescue a pet or a toy.

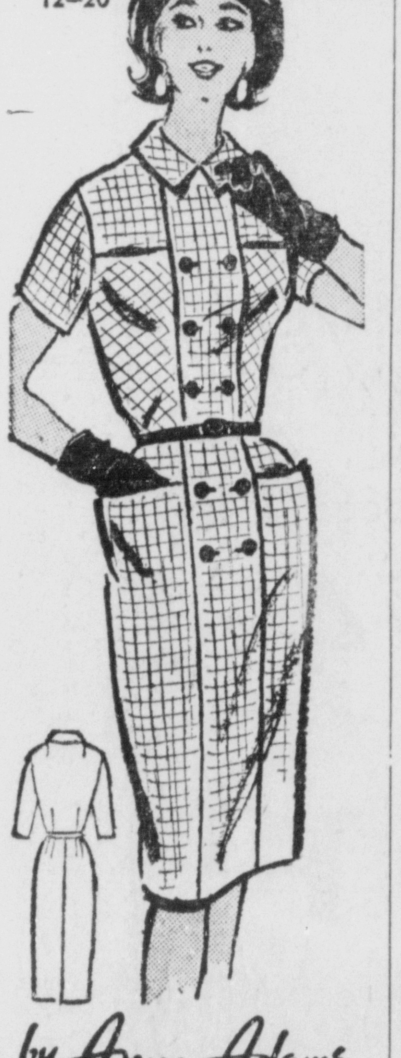
If doors and transoms are shut, open a window a crack and stay near it to breathe the fresh air.

The training is good for adults too, whose responsibilty it is also to see that electrical outlets are safe and that trash does not accumulate in basements or storage closets and garages to invite fire.

SIMPLY WONDERFUL PRINTED PATTERN

4910

SIZES 12–20



by Anne Adams

A step-in you'll wear and enjoy as much when Fall arrives as you do right now! Its arrow-slim lines are accented by a down-the-front panel with buttons on the double. Send now.

Send 50¢ in coin (no stamps, please) for Pattern, with Name, Address, Style Number and Size. Address PATTERN BUREAU, Independent-Journal, 1040 B Street, San Rafael, Cal.

For 1st-class mailing include an extra 10¢ per pattern.

FALL'S 100 BEST FASHIONS—separates, dresses, suits, ensembles, all sizes, all in our new Pattern Catalog in color. Sew for yourself, family. 35¢

Courreges Is Star Ascending In Paris Fashion Firmament

By NORA W. MARTIN

PARIS (UPI)—A new "star" is rising on the Paris fashion firmament. He is 38-year-old Andre Courreges, who was for ten years a fitter at Christibal Balenciaga.

Since Balenciaga is fashion's guiding "north star," Courreges—following the master's lead—is on the way up.

In his miniscule, walk-up apartment, Courreges presented his first fashion collection of 30 outfits including suits, coats and cocktail styles.

It was like seeing a "pocket edition" of Balenciaga's famed fashion shows, with the superbly tailored suits, the typical cape-backed coats and the lovely, feminine cocktail styles, all there to enjoy for the fans of the famed Balenciaga—and now Courreges—tailoring.

Buyers, too, had a heyday. Courreges, not yet belonging to the Paris high-fashion syndicate, didn't charge entrance fees to professional buyers this time. But the prices, alas, are quoted about as high as in other fashion houses with a suit going for about $800 or $900.

As at Balenciaga or Givenchy, Courreges' new autumn suits and dresses were designed to please the usually rich private customers who don't want to live on lemon juice in order to look slim, fashionable and charming.

Courreges' suit jackets curve in at the midriff but have loose straight backs, shoulders padded to width and arched raglan or kimono sleeves.

The skirts are short enough to show the knee-caps and they are straight, slightly ruffled-in at the waist in the style Balenciaga has shown for years now. Typical was an off-white tweed suit curved to the midriff by four front-tucks to contrast with the loose back. It was double-breasted with brown buttons looking like over-size raspberries, and its standup collar band was made to stand away from the neck.

Its front-ruffled skirt was worn with a sleeveless, brown silk over-blouse, a matching brown silk ascot scarf in a brown felt hat.

A giant hound's tooth pattern in black and white, used for a suit, proved that Courreges considers black and white tweed fashionable, as do Balenciaga and Givenchy. Some of these tweed suits were shown with sleeveless, fitted suede blouses either in black or in brown.

Cocktail dresses by Courreges looked very feminine with the high-necked, sleeveless bodice fitted around the bust and combined with ruffled skirts sometimes roomy enough to see a young woman through the first few months before a happy event.

Magenta pink, deep purple and cerise red were favorite late-day colors. One purple cocktail suit was made of "chenille tweed" with a full collar of chenille fringe and two huge braid buttons. It was shown with a shocking-pink hat of fluffy ostrich plumes.

But cutting suits and coats as well as dresses to suit the feminine body rather than suggesting that women should diet to fit the clothes, Courreges has come to the aid of females who want to look fashionable . . . and eat their cake too.

The Courreges styles have the same slightly "smug" look and high-fashion appeal that made the styles of Balenciaga and Givenchy status-setters in the world of Paris fashions.

With the press barred from the fashion shows of Givenchy and Balenciaga, who are now showing to buyers only, fashion experts had at Courreges a glimpse of the same type of superb tailoring which made the two others world famous.

Alpha Tau Chapter Installation Today

Officers of the recently formed Alpha Tau Chapter of Kappa Phi Sigma Sorority will be installed today following a dinner at Rickey's Rancho Rafael.

The new group now has 12 members, headed by Mrs. Boris Ivanovsky as president. Mrs. Harold Dunham is vice president; Mrs. Eugene Kaehler, secretary; Mrs. R. J. Baldi, treasurer; Mrs. Milton Franklin, extension officer.

The installation rites will be at 7 p.m. at Rickey's with Waive Franke, regent president, officiating.

Woodland Avenue Contract Goes To San Rafael Firm

San Rafael city councilmen last night awarded a $124,721 contract to Ghilotti Brothers Inc. of San Rafael for improving 2,500 feet of Woodland Avenue beginning at Irwin Street.

The new figure was reduced from the original bid of $128,830 when the council decided to eliminate sidewalks on the north side of the street.

The city's share of the costs was set at $51,963, including Bret Harte storm drain funds. More than 20 property owners contiguous to the street will pay $30,744 through an assessment district formed under the 1911 bond act. The San Rafael Sanitation District will pay $42,013.

Property owners have 30 days, in which to pay their share in cash to City Treasurer Angelina Soldavini, who was designated by resolution as the collector of assessments. If not paid within 30 days, the assessments will be added to the individual tax rolls and collected over a period of 15 years.

Attorney John H. Holtom, representing the assessment district law firm of Kirkbride, Wilson, Harzfeld and Wallace of San Mateo, prepared and presented the resolutions. Mason Brothers of San Francisco is purchasing the bonds.

Marinite Joins Navy

Sammie Earl Helms, 19, son of Mrs. Beatrice Johnson of 48 Cole Drive, Marin City, has enlisted in the Navy at the Marin County Navy Recruiting Station in San Rafael. He has been sent to the San Diego Naval Training Center for recruit training.

San Rafael Seeks 'Miss Wading Pool'

The San Rafael Recreation Department will make its annual search for "Miss Wading Pool" of 1961 at 1 p.m. next Tuesday, Supervisor Faye Logan said today.

Girls from three to eight years of age will be eligible to take part in the contest to be held at Albert Field. Deadline for entries is 3 p.m. Friday.

The winner will get a loving cup, crown and banner. Nine runners up will get banners.

The word "clove" comes from the French "clou," meaning nail.

Board Has 'Ayes' For Female Beauty (Shop)

Gallant action by the Marin County Board of Supervisors yesterday rescued the almost vanquished cause of female beauty in the San Geronimo Valley.

A 1957 precedent caused unanimous turn-down by the planning commission last week of Mrs. Mary Nell Moulton's application for permission to operate a beauty shop in her home at Sir Francis Drake Boulevard and Arroyo Road, since she is losing her rented shop—only one in the vicinity.

The supervisors didn't even discuss the precedent. They were attentive to the point that 100 valley residents had petitioned in Mrs. Moulton's favor. So with unanimity they voted to overthrow the planner view.

"There'll be nothing visible that is in any way detrimental," said L. A. Moulton, speaking for his wife who had a sore throat.

"Just nice-looking people coming out," suggested Chairman William D. Fusselman.

"Exactly!" agreed Moulton.

The supervisors also:

1. Approved application of the Passionist Fathers to establish a monastery and retreat house on 30 acres along Fawn Drive in Sleepy Hollow.

2. Adopted a new plan for emergency ambulance service throughout Marin County after assurance that it had been worked out on lines satisfactory to the companies concerned.

3. Asked for further facts on contract providing for trial rental of a $90-an-hour Univac electronic computer by the data processing bureau.

4. Granted leave extension with pay to Madelene Lang, intermediate stenographic clerk for the probation office, ill since June and expected not to return till Sept. 18.

Andersen Doing Well

San Rafael City Manager Dan E. Andersen was reported in good condition today at San Rafael General Hospital. It is best he has no visitors, says his physician, Dr. Donald C. Barbour.

Mustn't Brush Off Report Bridge Won't Carry Transit

Marin residents must not brush off, either one way or the other, Monday's report by bridge engineer Clifford E. Paine that the Golden Gate Bridge cannot carry rapid transit.

We cannot afford to say, "Well that's that" and content ourselves with being more and more bottle-necked by the six-lane bridge until the situation becomes intolerable.

But neither must we attempt to brush it off merely as the sentimental protectiveness of an aging bridge engineer who loves every bolt and wire in his greatest achievement.

There undoubtedly is some sentimentality in Paine's report; certainly some of it departed from an engineering analysis. Yet we cannot afford to in any way endanger that vital link in the lifeline of Marin County. And Clifford Paine knows the Golden Gate Bridge. He built it.

That brief three hours or so 10 years ago, when a high wind closed the bridge, was just a sample of what would happen should it be destroyed. We can't take any chances about it. It is vital to our existence.

We now have before us the C. H. Gronquist report, which substantiated the earlier Quade report that rapid transit on the bridge is feasible, and the Paine report which says it is not.

What can we do?

There is nothing that individual Marinites can do except to insist that our directors on both the bridge board and the Bay Area Transit District board make every effort to reconcile these reports. Still to come, Gronquist's answer to Piane's report and a meeting of the two men.

Then the decision will rest with the individual boards of directors; particularly with the bridge board.

Proposed is formation of a jury of bridge experts to study both reports. This is good if the experts are paid half by the bridge district and half by the rapid transit district. The transit district paid Gronquist, the bridge paid Paine. The third analysis should be paid for jointly.

But if this money is going to be expended, it should be with the understanding by both district directors, that they will give serious consideration to the jury's findings. It will be a waste of taxes if the bridge board, for example, decides in advance it will stick with Paine regardless of the jury's findings.

We're not suggesting the boards bind themselves to the third findings. But if the experts strongly support one side or the other, certainly it should go a long ways toward overcoming personal feelings and reaching a decision.

If the final conclusion is that the bridge will not support the transit system, then we had better begin planning a second bridge right away. Certainly Marin is not going to vote an additional 41 cent tax rate for a slightly improved bus system.

THREE MINUTES A DAY

By JAMES KELLER

DO MORE THAN TALK

A restaurant boasting of its "Individualized Service" came up on the short side of consistency by specifically requesting that patrons "not ask for menu changes."

Any of us can fail in a similar manner. While priding ourselves on noble theories, we may blithely overlook the fact that we do not translate them into practice.

Check on yourself to see how often you are long on talk, but short on performance. Then start correcting yourself and there will be at least one more person in the world who says what he means and does what he says.

Besides doing a truly divine work in striving to practice what you preach, you will be blessed by your fellow man as well.

"Ponder long and often these reminders in the Holy Bible: "Not every one that saith to Me, 'Lord, Lord,' shall enter into the kingdom of heaven; but he that doth the will of My Father who is in heaven, he shall enter into the Kingdom of heaven." (Matthew 7:21)

Help me, O my Savior, to practice what I preach.

HAL BOYLE'S COLUMN

To Retire Or Not To Retire? —You Can Have Either Way

NEW YORK (AP)—There is a great industry being built up that says you can't be happy if you retire after 65.

There is a great industry being built up that says you can't be happy if you retire before you are 65.

There is a great industry being built up that says it isn't worthwhile to retire at all. It is better to go on as before.

Well, this just may or may not happen to be true.

So far as I know, there is no medical evidence that proves any human being who keeps his enthusiasm for living and new or old enjoyments dies younger by quitting a steady job at 55 rather than 65.

What is true is that in most circumstances no doctor can assay your endurance.

Unless you have a known terminal disease an honest physician would have to admit, as any honest physician did 3,000 years ago, that your longevity would have to be as much a mystery to you as his is to him.

It has been my observation that people who have performed an endeavor ably for a long period of time, if they weary of it, survive longer if they relinquish it rather than if they try to continue their clutch of it.

They must find a different reach. There comes a time when they must let go of what they have held, and grasp another thing.

There are those who say that age cannot stand a change of medicine or survive a new viewpoint.

My observation has been that the elderly can well sustain any change except a change of weight.

Those who retire early do not perish from nonperformance. Their appetite endures, they refresh themselves by new attempts.

My mother, who got only through the third grade in Ireland before she came over here and bore five children, never had time to study gerontology. She'll be 74 this year.

"Sometimes I fell like I ought to let go, and give this old world a rest," she says placidly. She is 60-70 pounds above her arrival weight, and America has been for her just one child and a calorie after another.

ALL HER FIVE children—the silver cord remains untarnished and unbroken — deny her this choice. They all feel the need of her unity, now as when young.

"But sometimes I get so tired," mother says. "I'd like to retire. I'd just like to quit."

Talk, woman, only talk.

THERE ARE plenty of statistics to show—I hope—that men who retire younger live longer than those who don't. It's good for them.

But not for mothers. Mothers can't retire. They can't quit, can they? A mother's best pension is the reward of the need of her eternal presentment.

Print All Of Sad Background

EDITOR,
Independent-Journal:

In answer to three letters last week about the publicity you are giving to two Santa Venetia boys responsible for the tunnel fire; you stated that it was because of readers in the past almost unanimously in favor of publishing names.

The though occurred to me that I wonder if these readers were composed mostly of people lucky enough never to have to carry the stigmatism accompanying such notoriety. Would they "truly" feel this way were their children involved?

If you feel you must print of their sad backgrounds, then do your job well! Print not only a picture of a child who "hears squeaky noises in his head," but also of a love-starved, persecuted child, trying to find his way in life while living down the reputation (of a father) and looked down upon by many bigoted, self-righteous adults and their sneering children that force him to be an outcast in social groups and seek out "his own kind."

As a mother in Santa Venetia, I know of Jimmie Rogers' background and also it breaks my heart to read the sensational material you feel you must print.

In closing, I would also like to add that the question continually arises from friends in neighboring cities who read of our D.A.'s murder charges against these boys, "Is there an election in the near future?"

Recall 'Device' Safeguards Us

EDITOR,
Independent-Journal:

In response to Arthur K. Smart's letter (July 25) to the effect that the Blair recall movement is providing "the very weapon that is most ideally suited to one's opponents":

The recall "device," as he calls it, is ideally suited to all citizens; it is an instrument safeguarding us from neglect of duty, among other things, of our elected officials.

I am an admirer of Mr. Smart's civic work. I know from his actions on the Board of Freeholders in trying to provide Marin County with a charter (which it obviously still needs badly), that he is a believer in the rule of law.

I doubt the possibility of the people's recalling a responsive official, and that is why it has not been used before in regard to our supervisors. We need not fear establishing a precedent. We may quite legally and with good conscience be able by this recall to regain the kind of representation all of Southern Marin is entitled to.

In fact, by his "better late than never" announcement of availability, Mr. Blair shows that he is quite aware of the reasons this recall movement has gained such momentum.

We should never be afraid to use our legal and democratic means in order to maintain good government.

Wilson's Castro Article Full Of Lies

EDITOR,
Independent-Journal:

Although I realize that distorted news has now become so commonplace as to be almost acceptable to the average reader, I still feel compelled to express my indignation at the undocumented hearsay and out and out lies which went to make up an article in your July 26 edition: **How Did Castro Grab Island In First Place?** by Lyle C. Wilson.

I realize that none of your own writers are responsible for this—but the paper does bear the responsibility for having printed so misleading and false an article.

Let me begin by saying that I am not by any stretch of the imagination "pro-Castro." I disapprove of the man and his methods and I consider him to be potentially dangerous. It is impossible to deny his close affiliations with the Communist nations, affiliations towards which we, I admit, gave him a helpful push by our reactionary and exploitative policies of the past.

I do not think that anyone has established as fact that Dr. Castro is at present a card-carrying party member, though at this point that makes little difference. What has been quite definitely established is that not only was Castro not a Communist at the time he took over the Cuban government, but that he was actively anti-party.

The reason was simple. Castro's revolution was an intensely nationalistic one. He did not want to identify or adhere to any sort of international party-line at that time. In fact, the Communist Party in Cuba at the time of the revolution were actually supporting Batista.

Since then it is obvious that many sympathies have shifted, that Communists with a small or large C play a major role in the now proclaimed socialist country of Cuba. This is no excuse for us to make up stories about the revolution itself, nor to now glorify the tyrannical dictator Bastista, without whom I firmly believe Cuba is better off even under present conditions.

At the time of the revolutiton, many Americans supported the Castro effort for its courage and idealism, not without cause. Must we, because conditions have changed—some of them through our own faults and blunders—vent our guilt complexes by finding termites in the wainscoting?

I would appreciate comment from Mr. Wilson.

PAULA W. WHITE
Mill Valley

The Country Parson

"God's power is kind of like gravity—we don't think about it but we'd miss it if it wasn't there."

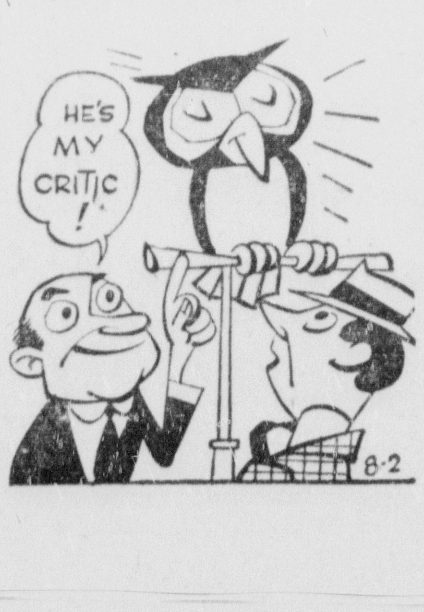
TRY AND STOP ME

BENNETT CERF

George Burns recalls a pair of acrobats who got a chance to play a top vaudeville house after years in dinky one-ring circuses. "If you make good in this house," their agent promised, "I'll get you a 50-week contract playing the whole circuit. But keep your eyes on an owl the manager keeps on the balcony railing. The manager takes great stock in that owl: If he keeps his eyes open during the act, you're in like Churchill. But if it blinks—good night, Charlie!"

The opening night arrived and the acrobats advanced to the footlights, their wives watching nervously from the wings. Suddenly one acrobat whispered to the other, "Do you see what I see, Joe? That ventriloquist has your wife in his arms and is kissing her madly."

"Never mind my wife," hissed the other. "Keep your eyes on that owl!"



I-J REPORTER'S NOTEBOOK

By RANDALL GOULD

It's The Female Spider Who Spins Those Long Webs, Sticky Or Not

The female of the spider species is not only more deadly than the male, but a better bridge-builder. So I am informed by a human female named Camilla, who writes of my recent column about Mill Valley spider prowess:

"Your conclusions are admirable, you entymology erroneous.

"You are going to have to transfer your admiration to an improvident FEMALE genius spider. (I had rashly assumed that a wonderful feat of distance-spanning at our house was the work of a boy spider.)

"THE FEMALES spin the webs and eat the males. They have tubes in their behinds that secrete two kinds of goop, one sticky, one not sticky.

"They shoot a sticky strand out to achor to the bastion (or cypress hedge, then they shoot non-sticky threads for themselves to run on, reserving sticky threads for the prey to land on, and always themselves using the unsticky walkways.

"Being female, this spider is of course probably no genius at all, but merely president of the Federated Female Spiders Club of America, and her beautiful bridge is merely a form of showing-off."

THIS IN ITSELF floors me, but Camilla isn't through. She grimly presses on to suggest that our Hillside Avenue spider genius "perhaps also has consumed more males than any other spider in a given period of time. (I had forgotten this nasty habit of spider, hypocritical praying mantis, etc.) thereby ranking not only as more competent, but also as better nourished.

"And her shining masterpiece could also serve as both a warning and an added lure to the remaining males, if any, or to the new crop of baby ones.

"Conclusion: Not all worlds are the male's world, chum."

ONE THING ABOUT this male Gould, he knows when he's licked.

Next came a tipster to suggest that I wasn't hep, in recent supervisorial reporting. When J. Walter Blair claimed unbroken precedent for granting such "automatic" raises as that recently given Administrator Alan Bruce, said he, this was a mere dodge to protect Blair against accusation that he was persecuting Bruce.

My informant "knew for certain" that Blair was misrepresenting, for a six-months raise had recently been turned down in the case of a probation officer.

Investigation gives Blair & Co. a clean bill of health on the technicalities.

Arnold Katz, group counsellor at juvenile hall, had been promoted to probation officer of the juvenile department. When Katz came up for advance in pay six months later it was denied by the board on the ground that no essential difference in duties had been made despite the change of job title.

But Bruce clearly met the board stipulation that a raise is given six months after a county employee takes a new job with new duties.

MAYBE I SHALL never become a world authority on either spiders or the Marin County Board of Supervisors, but as time goes on I think I am getting to be the second greatest authority on the Strawberry properties and intentions of Samuel R. Neider, though I've never met the man.

First authority, of course, is attorney Bryan McCarthy, who has it on me in several ways including a profitable capacity for boiling in a good natured way at 83 degrees Fahrenheit.

Bryan will take some beating. In fact, he gets quite a lot and often cries all the way to the bank.

ROSCOE DRUMMOND

Is Soviet Embassy Now Reporting Correction Of Ambassador's Report?

WASHINGTON — It would be intriguing, indeed, to know what the Soviet Embassy is now reporting to Moscow in the wake of President Kennedy's address to the nation on defending West Berlin—and the instant response of the country and the Congress.

Now that Mikhail A. Menshikov is no longer in our midst (he is enroute to the U.S.S.R.), will the ambassador's aides correct his dangerously misinformed "assurances" that the American people will not stand by their commitments?

It is to be hoped that they will repair his mistakes because there is a dangerous parallel between Menshikov's false information to his Premier from Washington and another diplomat's false information to his Fuehrer from London.

SAID JOACHIM von Ribbentrop, Adolf Hitler's ambassador to Great Britain: "The British will not fight for Poland."

Said Menshikov, Nikita Khrushchev's ambassador to the United States: "When the chips are down, the American people will not fight for Berlin."

And now, it is to be hoped that the Soviet Embassy is transmitting a different story to Moscow and that Khrushchev is pondering these words of President Kennedy's: "We cannot and will not permit the Communists to drive us out of Berlin, either gradually or by force."

IT WAS OBVIOUSLY Menshikov's judgment that, even if the President wishes to be firm, the country would be divided and hesitant.

So divided and so hesitant: That President Kennedy's total firmness was unqualifiedly supported by all of the leaders of both parties.

That American public opinion and editorial opinion almost unanimously said, yes, fight if necessary.

That before the ink is dry on the Soviet Embassy's new reports to Moscow, Congress will have voted all the President's increases in U. S. military strength—higher draft quotas, more reservists called to duty, a 1,000,000-man army, more airlift, $3,247,000,000 in the defense budet.

And why? Because if the Soviets are permitted to take over West Berlin by bluster and blackmail, where next and what next? At stake is not just Berlin. At stake is the whole structure of the NATO alliance and Western security. In the President's words.

"If we do not meet our commitments to Berlin, where will we later stand? If we are not true to our word there, all that we have achieved will mean nothing. And if there is one path, above all others, to war, it is the path of weakness and disunity."

It was only two weeks ago that he pronounced this monumental misconceptions of any Ambassador of a great power.

FORTUNATELY, unlike Ribbentrop's false reports to Hitler, Menshikov's false reports to Khrushchev are being proved false while there is still time to avert war.

In view of the galvanic response to President Kennedy's stand, there is now no reason for Premier Khrushchev to miscalculate American intentions.

When the chips are down, the American government and the American people will defend West Berlin by force if necessary.

We hope that the Kremlin will not unwisely make it necessary.

E. W. BULLARD
Heads safety association

Sausalitan Named Safety Group Head

E. W. Bullard, Sausalito industrialist, has been elected president of the Industrial Safety Equipment Assn. with headquarters in New York.

Bullard is president of the E. D. Bullard Co. in Sausalito, manufacturers of industrial safety equipment for 44 years.

Bullard has been chairman of the San Francisco chapter of the American Society of Safety Engineers, a member of the California Governor's Safety Council and the President's Council of Occupational Health.

The Industrial Safety Equipment Assn. was organized 26 years ago.

Bel Marin Keys Plan Approved

A group of resolutions approving 23 documents to launch Bel Marin Keys Assessment District No. 1 as a big marine residential-recreational subdivision north of Hamilton Air Force Base received unanimous approval of the Marin County Board of Supervisors yesterday.

For the first time in many planner and supervisor hearings on this project, nobody from the air base showed up to complain that future residents wouldn't like the noise of jet aircraft.

Total assessment, estimated attorney Eugene K. Sturgis, is likely to run to two and one-half million dollars. Extensive dredging and other waterways projects are included in the plan.

Supervisor William Gnoss took special inerest in work intended on Novato Creek. Sturgis said it is intended to dredge 422,000 cubic yards from the creek. Two further proceedings, he said, will extend the work to the bay and Petaluma Channel.

The district will be set up under the Improvement Act of 1911, which does not obligate the county in case of default in assessment payments.

Because of the broad extent of the lagoon and other development, the plan is to operate under a blanket easement to avoid obtaining a multitude of individual easements, said Sturgis.

"This will avoid about 40 pages of easements," he explained.

Bid openings were set for 2 p.m. Aug. 21.

Optical Assn. Indicted For Price Fixing

MILWAUKEE (AP)—A federal grand jury yesterday indicted the American Optical Assn., two of the nation's largest optical firms and two executive officers of the companies on charges of price fixing and conspiracy to monopolize.

The indictment returned in U.S. District Court names the American Optical Assn., a voluntary association organized under the laws of Massachusetts; the American Optical Co., a wholly owned subsidiary of the association, and Bausch & Lomb Inc. of New York.

It also names Victor D. Kniss of Southbridge, Mass., executive vice president of the American Optical Co. and a trustee of the association, and Alton K. Marsters, Rochester, N.Y., vice president of Bausch & Lomb Inc.

The two counts of the indictments charge violation of the Sherman Antitrust Act sections which forbid restraint of trade and monopoly.

Blair Claims Recall Plan An Old Plot

County Supervisor J. Walter Blair told members of the Mill Valley Rotary Club yesterday that the recall movement against him is "a plan to spread confusion and trouble in your county. This plan goes deeper than what a lot of you think."

He concluded his speech with these words after replying to a number of charges made against him in the recall movement, read a pledge he had made voters prior to his election and told the Rotarians the county tax rate for fiscal 1961-62 will not be higher than last year's.

Following the list of charges, Blair said: "I have given you the propaganda. Now let me give you some of the facts.

"This recall was announced in November 1960, two months before I took office. It isn't something I have done that has brought this about. There are a lot of people I know accused wrongfully on this thing."

Blair said:

1. He has been accused of acting against express interests of responsible groups in the Third Supervisorial District. "I have never felt a voluble group should sway the decisions of the supervisors," he said.

2. He voted for the Strawberry tower aprtments and believes "the money people will bring to this area might help on some of the hospital facilities and other things." He said one woman who is to rent a penthouse in the tower apartments is worth about 400 million dollars.

3. Regarding the proposal to abolish the county administrator's office, he said he had told taxpayers prior to taking office as supervisor that the office was too costly. He said the supervisors' recent action will save $26,000 a year in operation of the office.

He said that supervisors have found in recent investigations there is a department costing the county $20,000 of which "88 per cent . . . if for private individuals . . . We have these give-away programs at federal, state and county level. If we're going to give something away, it should benefit all of us, not just a few individuals." He declined to identify the department.

4. As to the supervisors' stop-work order on the civic center, "as you know," he said. "I was against the civic center prior to election."

5. He said the supervisors have made changes and combined activities to the extent that tax rate "is 14 cents below what it was at this time last year."

"When the smoke all clears away, your tax rate for the coming year will not be any higher than last year," he said.

In Blair's pledge he said he favored each taxpayer paying only his fair amount of taxes, is for reduced taxes, care for senior citizens, flood control, unity at the supervisorial level, keeping the county from competing in local business, encouraging light industry, and "returning the government to the people."

Narcotics Count Brings Prison

A Fairfax teamster Monday was sent to prison for possession of narcotics.

Donald D. Oliver, 26, of 223 Scenic Avenue, had been on probation since his trial here in January.

On May 4 he was arrested in San Francisco along with 17 other suspects after having made three sales of drugs to undercover state narcotics agents.

Following conviction for the sale of drugs in San Francisco, Oliver's probation was revoked and sentence was passed yesterday. The charge carries a maximum six-year prison term.

Larkspur Artist's Show At Sausalito Bookshop

A group of original wall hangings by Larkspur artist Gwen Stone titled "Panels For Summer" is now on display at the Tides Bookshop, 749 Bridgeway, Sausalito.

Using colored inks on paper and curtain material, Miss Stone has produced works totally different from her usual medium of oils, according to Tides proprietor Herbert W. Beckman. The exhibit continues through August 19.

Opposing Engineers Will Meet On Bridge Transit Question

Two bridge engineers, who have diametrically opposite opinions as to whether the Golden Gate Bridge can carry rapid transit, will meet face to face and talk about it Friday.

Bay Area Rapid Transit District officials said yesterday that Clifford E. Paine, consulting engineer for the Golden Gate Bridge and Highway District, had requested a meeting with Carl H. Gronquist, consulting engineer for the transit district.

Gronquist says it is feasible to put transit on the Gate Bridge; Paine says it is "not possible."

Arrangements were made to fly Gronquist to San Francisco for a Friday meeting in an effort to iron out the opposite viewpoints.

Ben K. Lerer, bridge director and chairman of the bridge's rapid transit committee, said he plans to call a joint meeting of his committee and the transit district's bridge committee on Friday afternoon "if possible."

"I hope we can get an immediate report of the results of Paine's meeting with Gronquist so we can decide as soon as possible whether we can put rails on the bridge," Lerer said.

Seasons are more extreme below the equator. Summers are hotter than in the northern hemisphere and winters colder.

SWIM POOL TURNS RED OVERNIGHT

Mrs. Jean Romey of 64 Lagoon Road, Belvedere, awoke yesterday morning to find that the water in her swimming pool had turned red overnight.

She told Police Chief William S. Woodington that some dye which changed the pool's color was evidently thrown over the fence into the pool. Woodington said he would have the water analyzed.

Point Reyes Butane Tank Wins Approval Of Board

McPhail Co.'s months of effort to find a West Marin butane storage point won success yesterday when by 4-1 vote the Marin County Board of Supervisors granted permission to install a tank near two competitors at Point Reyes Station.

Supervisor George Ludy of Inverness, who reported last week that he had received objections from several residents, stood alone in opposition after a skirmish between attorneys Samuel W. Gardiner for McPhail's and Bryan McCarthy for Capt. Adolph S. Oko, whose home and real estate office are near the desired location.

Ludy moved the permit be denied, but the motion died for lack of second. Supervisor Walter R. Castro then moved acceptance, which passed.

In 1888 the Orient Express established a daily connection between Vienna and Istanbul. Average speed of the express in this section was 21 miles an hour.

ALMANAC

Today is Wednesday, Aug. 2, the 214th day of the year with 151 to follow.

The moon is approaching its last quarter.

The morning stars are Venus and Jupiter.

The evening stars are Mars, Saturn and Jupiter.

On this day in history:

In 1824, the city fathers of New York opened a new street, destined to rank among the world's most celebrated thoroughfares — 5th Avenue.

In 1923, President Warren Harding died in a San Francisco hotel on his return from a trip to Alaska.

In 1939, President Franklin D. Roosevelt signed the Hatch Act into law. It limited expenditures in national political campaigns and restricted the roles of civil servants in political conventions, campaigns and elections.

A thought for today: Franklin D. Roosevelt said: "The test of our progress is not whether we add more to the abundance of those who have much; it is whether we provide enough for those who have too little."

TIME AND TIDE

Department of Commerce United States Coast and Geodetic Survey, Western District headquarters. Times and heights of tides at San Francisco (Golden) Gate):

The column of heights gives the elevation in feet of each tide above or below the plane of Coast Survey chart soundings. The depths are always additive to the chart depths unless preceded by a minus sign (-), when the numbers are subtracted from the depth given in the chart. Lightface eype indicates a.m. times; **bold-face type** indicates p.m. times.

HOW TO PLAY
WINNING BRIDGE

By ALFRED SHEINWOLD

Learn To Force Your Opponents To Make That Fatal First Play

In some situations the side that tackles a suit first loses a trick in the process. Learn to recognize these cases so that you can force the opponents to make the fatal first move.

South dealer
Both sides vulnerable

1 ♠	Pass	3 ♠	Pass
4 ♠	All Pass		

Opening lead — ♡ 7

If South leads diamonds, he can get only the ace and king. If he forces an opponent to lead dimonds, South can get all three tricks in the suit. Hence South must plan the play from the very beginning to force a diamond lead by an opponent.

Declarer begins by finessing with dummy's queen of hearts. East wins with the king and returns the ten of hearts to dummy's ace.

South ruffs a heart with a high trump, draws trumps with the ace and dummy's nine and ruffs dummy's last heart. This process eliminates the missing trumps and hearts.

LEADS CLUB: Declarer's next step is to lead a club toward dummy's king. If West has the ace of clubs, the contract will be safe at once.

As it happens, East takes two club tricks. Now, however, East must lead diamonds since a club continuation would allow declarer to ruff in one hand and discard a diamond from the other.

No matter which card East leads, South plays for the diamond honors to be split. If East leads a low diamond, for example, South plays low to allow dummy to capture West's honor. Then a low diamond is returned from dummy for a finesse through East.

East might return the jack of diamonds to make matters harder for South; or West might be allowed to win the second club in order to return the queen of diamonds. This is difficult for South to read, but it is more difficult for the defenders to play in such a way as to deceive an alert declarer.

DAILY QUESTION: Partner opens with one diamond. and the next player passes. You hold:

♠ Q 9 8 4
♥ A Q 3 2
♦ K 10 6
♣ K 8

What do you say?

Answer: Bid one heart. If partner shows spades you can raise. If partner, instead, raises hearts you can jump to three notrump to show a game-going hand that can stand either hearts or notrump.

Date Set For Sausalito Art Festival

The seventh annual Sausalito Art Festival will be held Sept. 2, 3 and 4 on the grounds of Central School, secretary Edwin Long of the Sausalito Chamber of Commerce announced yesterday.

The event is open only to Marin County artists, said Long.

Already the Spinnaker restaurant has donated a $100 prize for the best marine painting. and the Glad Hand a $50 prize for the best ceramic ware, he said.

Artists may obtain entry blanks by writing the Sausalito Art Festival, Box 542, Sausalito. Only art work acceptable for showing in conventional art exhibits is to be exhibited, Long said.

"No handpainted sea shells, gilded starfish or driftwood," he explained. Categories are painting, sculpture, photography, mosaics, ceramics, hand made jewelry and weaving.

Car-Wash Planned

The Pilgrim Fellowship, a youth group of the Fairfax Community Church, will have a car-wash Saturday in front of the church on Sir Francis Drake Boulevard. The car wash will run from 10:30 a.m. to 4 p.m.

Flying Club Incorporated

Two Marin County men have been named as directors of the Alt-Air Flying Club of Napa County, it was announced today by Secretary of State Frank M. Jordan.

They are Chester Silverson, 990 Redwood Highway, Mill Valley and John Ellsworth, 750 Las Colindas, Terra Linda. A third director is R. Dean Starr of Napa.

The club has filed articles to form a non-profit corporation, Jordan said.

DAILY CRYPTOQUOTE — Here's how to work it:

A X Y D L B A A X R
is L O N G F E L L O W

One letter simply stands for another. In this sample A is used for the three L's, X for the two O's, etc. Single letters, apostrophies, the length and formation of the words are all hints. Each day the code letters are different.

A Cryptogram Quotation

T BEZZDFA LHEFO ATHSOBL FE XELL—LUBVL.

Yesterday's Cryptoquote: NOTHING DIES SO HARD, OR RALLIES SO OFTEN AS INTOLERANCE—BEECHER.

(© 1961, King Features Syndicate, Inc.)

English, Math Teacher Program Planned Again

The second annual summer workshops for teachers of English and mathematics in Tamalpais High School district started Monday at Redwood High School with 24 teachers attending.

An integrated literature program is the subject for the English workshop, with Prof. Larzer Ziff of University of California as teacher.

Teaching the new algebra textbook is the object of the mathematics workshop with Dr. Jens Lund of U.C. as instructor.

Both sessions will continue daily through Aug. 25.

Volkswagen Club Rally Aug. 20

The Volkswagen Club of California will hold a time and distance map rally Aug. 20 with possibly 75 cars throttling from the start at the observation point at the north end of the Golden Gate Bridge.

Starting time is scheduled for 8 a. m. with both navigational and non-navigational classes in the running. Club members estimate five hours of driving will be needed to complete the run which will take the drivers through Marin and two other northern counties.

Trophies will be given for the first three finishers in both the classes in the rally which will wind up in northern. Marin. Participation plaques will be given to all the finishers.

Housing Director Writes Letter On Needs Of Elderly

Bert Klahn, executive director of the Marin Housing Authority, in a letter to the Marin County Real Estate Board, asked the board members to review their lists of Marin County senior citizens who have indicated an urgent need for adequate housing at rents they can afford."

The letter pointed out the real estate board opposing the housing referendum which was recently defeated at the polls. The referendum would have authorzied the housing authority to develop new low rent dwellings for the Marin low-income elderly.

"Recent surveys of the housing needs of Marin's elderly reveal that hundreds of local senior citizens with very limited incomes are now in need of better housing, which has not yet been provided by private interests," said the latter.

Circus Set For College On Saturday

The James Brothers Circus, billed as a "family show," will give two performances Saturday on the College of Marin football field.

The ring will be filled with Lulu Belle, the bear with almost human intelligence; balancing act and trapeze acts, trained hogs and an audience participation show.

Performances are scheduled for 2 p. m. and 8 p. m. under the sponsorship of the San Rafael Junior Chamber of Commerce.

There will be no "snarling wild animals," under the James Brothers policy of aiming the show at a family audience without scaring the youngsters.

Instead, Lulu Belle will demonstrate her intelligence. There'll be hogs showing off their tricks and baby elephants, horses and trained dog acts.

Spectators will be able to ride a circus horse during the audience participation section of the two-hour show.

The Volcanic Volantes, a unicycle act, and will roll around the ring. Nine-year-old Heidi Wendany will join the hand-balancing act with her parents.

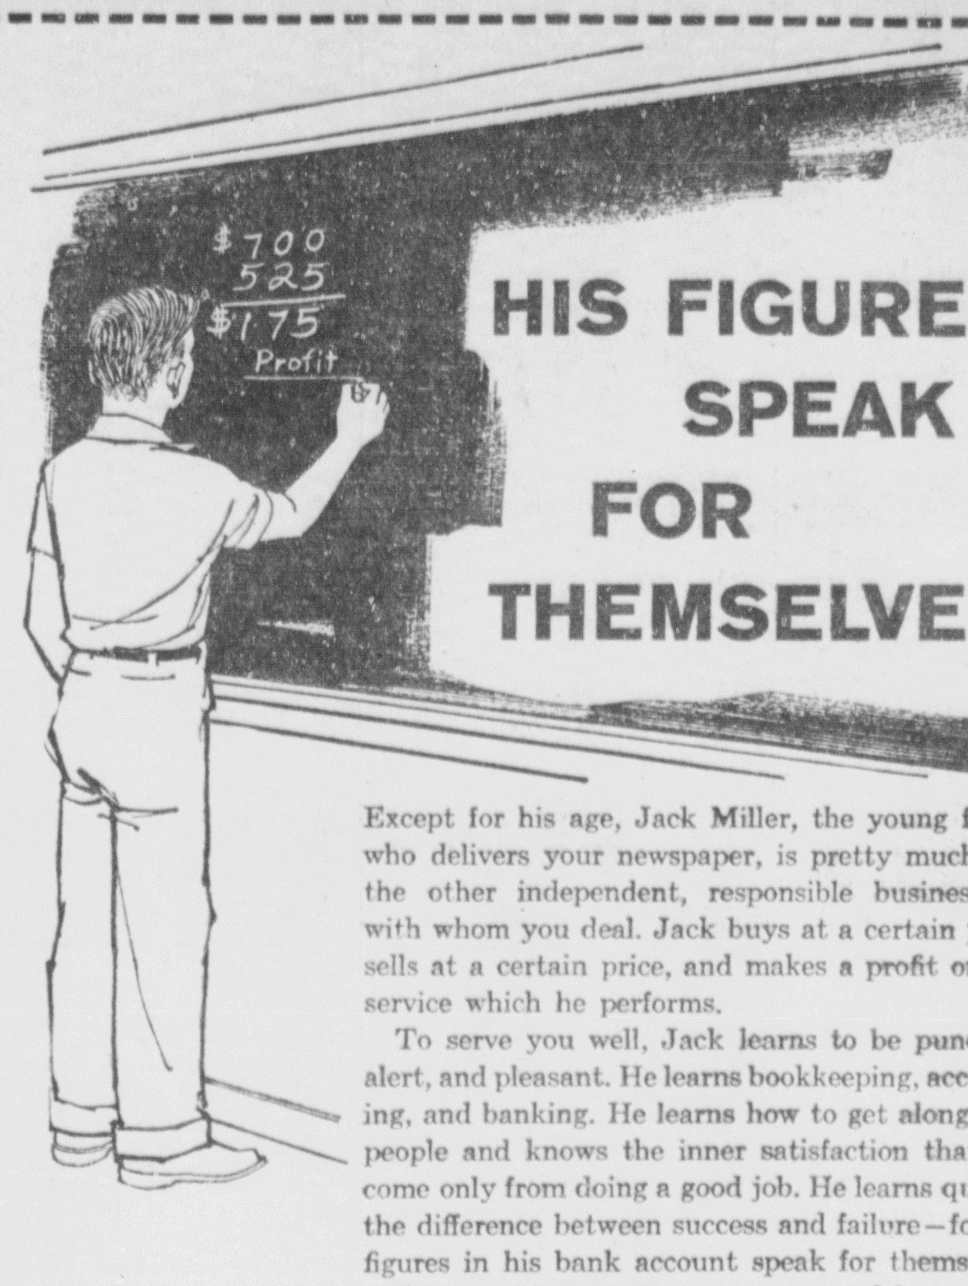
He Learns While He Earns



HIS FIGURES SPEAK FOR THEMSELVES

Except for his age, Jack Miller, the young fellow who delivers your newspaper, is pretty much like the other independent, responsible businessmen with whom you deal. Jack buys at a certain price, sells at a certain price, and makes a profit on the service which he performs.

To serve you well, Jack learns to be punctual, alert, and pleasant. He learns bookkeeping, accounting, and banking. He learns how to get along with people and knows the inner satisfaction that can come only from doing a good job. He learns quickly the difference between success and failure—for the figures in his bank account speak for themselves.

He appreciates your patronage, and hopes that his actions tell you so. Could you want *more* from any businessman?

RESOLUTION TO GIVE NOTICE OF HEARING ON PETITION FOR ANNEXATION OF THE "TARRANT ADDITION" TO THE MARIN MUNICIPAL WATER DISTRICT AND FIXING TERMS AND CONDITIONS THEREFOR

WHEREAS, the owners of not less than one fourth of the land hereinafter referred to as the "Tarrant Addition" (by area and by assessed value), have filed a petition for annexation with the Board of Directors of Marin Municipal Water District; and

WHEREAS, the boundaries of the territory proposed to be annexed (now designated as the "Tarrant Addition") are described as follows:

All that certain real property situated in the City of San Rafael, County of Marin, State of California, described as follows:

BEGINNING on the northerly terminus of the westerly right-of-way line of Duran Drive as shown on that certain map entitled "Map of Terra Linda Valley No. 4", recorded June 23, 1960, in Book 10 of Maps at Page 64, Records of Marin County, California; thence from said point of beginning along the northerly boundary of said Terra Linda Valley No. 4 North 50° 00′ West 108.00 feet; thence leaving said northerly boundary North 29° 45′ East 77.00 feet; thence North 39° 25′ East 95.00 feet; thence North 5° 40′ West 87.00 feet; thence North 84° 20′ East 287.00 feet; thence South 13° 00′ East 157.40 feet; thence South 70° 41′ East 702.92 feet to the common line between the lands of Nunes and Pimentel, said line also being the city limit line of the City of San Rafael; thence along said common line South 12° 00′ West 176.44 feet to a point; thence leaving said common line North 70° 41′ West 100.19 feet; thence South 19° 19′ West 115.00 feet to a point on the northerly boundary of the Lands of the Dixie School District; thence along said northerly line North 70° 41′ West 651.04 feet; thence North 56° 39′ West 77.00 feet to the northwesterly corner of said Lands of the Dixie School District; thence along the westerly boundary of said lands last mentioned South 20° 04′ West 27.50 feet to a point on the northerly boundary of said Terra Linda Valley No. 4; thence along said northerly boundary North 60° 00′ West 154.74 feet, more or less, to the point of beginning;

and

WHEREAS, the terms of said annexation have been discussed with petitioners at a regular meeting of the Board of Directors of said Water District held July 26, 1961;

NOW, THEREFORE, the Board of Directors of Marin Municipal Water District does **RESOLVE** as follows:

1. That said petition be and it is hereby set for hearing before said Board at the hour of 7:30 o'clock P.M. on Wednesday, August 23, 1961, at the offices of said Board at 874 Fourth Street, San Rafael, California.

2. The proposed terms and conditions of annexation are as follows: (1) That the property so annexed shall be subject to the standard service rights and obligations and subject to taxation to the same extent as the present property within the District for the purpose of the payment of bonds and other obligations of the District authorized or outstanding at the date of this annexation; and (2) that petitioners shall pay an annexation charge of $300 per acre to said Water District as a condition to said annexation and in consideration thereof.

3. That any owner of property within such territory proposed to be annexed may file with the Secretary of the District, at any time prior to the hour set for the hearing thereof, written protest to the annexation of such territory or to the annexation of such territory upon the aforementioned terms and conditions.

4. That the time and place of the meeting of the Board at which the Board will hear protests is the time and place hereinabove stated.

5. That notice of said hearing and of the adoption of this resolution shall be given by publishing the full text of this resolution in the Independent-Journal, a newspaper of general circulation printed, published and circulated in the District and in the territory proposed to be annexed, at least once each week during the week of July 31st to August 5th and the week of August 7th to August 12th.

PASSED and ADOPTED at a regular meeting of the Board of Directors of Marin Municipal Water District held upon the 26th day of July, 1961 by the following vote of the Board:

Ayes: Directors—Anderson, Marcus, Herup and Thierbach
Noes: Directors—None
Absent: Directors—Stanley
Approved:
Robert G. Anderson,
President, Board of Directors
Attest:
B. J. Brusatori, Secretary,
Board of Directors

NOTICE OF PROBATE

In the Superior Court of the State of California, in and for the County of Marin.

In the Matter of the Estate of MARGARET McCLURE, Deceased.

Notice of Time Set for Proving Will, etc., and Application for Letters Testamentary.

No. 14096.

NOTICE IS HEREBY GIVEN that a petition for the probate of the will of MARGARET McCLURE, deceased, and for the issuance to DAVID McCLURE and JOHN McCLURE of letters testamentary thereon has been filed in this Court, and that Monday, the 14th day of August, A.D., 1961, at 10 o'clock A.M. of said day, at the courtroom of said Court, Dept. Two at the Court House, in the City of San Rafael, has been set for hearing of said petition, when and where any person interested may appear and contest the same, and show cause, if any they have, why said petition should not be granted. Refer to petition for further particulars.

NOTICE OF PUBLIC HEARING ALMONTE SANITARY DISTRICT

NOTICE IS HEREBY GIVEN that pursuant to Sections 5473 et seq of the Health and Safety Code of the State of California, the Sanitary Board of the Almonte Sanitary District has by Ordinance elected to have the sewer service charges for the fiscal year 1961-1962, together with all prior delinquencies as of July 1, 1961, collected on the tax roll of the County of Marin; and has caused to be filed with its Secretary, a written report specifying the amount of the charge for each parcel of property, together with the code reference number referring to maps prepared in accordance with Section 327 of the Revenue and Taxation Code and on file in the office of the County Assessor, Court House, San Rafael, California.

NOTICE IS FURTHER GIVEN that on the 4th day of August, 1961, at the hour of 8:00 o'clock p.m., at the regular meeting place of said District, 226 Almonte Boulevard, Mill Valley, California, said Board will hear and consider all protests and objections to said report.

By Order of the Sanitary Board of the Almonte Sanitary District.

DATED: This 25th day of July, 1961.

/s/ PATRICK H. PRICE
Secretary, Almonte Sanitary District
No. 928 July 26, Aug. 2, 1961

ADVERTISEMENT FOR BIDS

Bid No. 124—Coleman Addition "D" (New Teachers' Toilet Rooms and Lunch Room)

Notice is hereby given that the City Board of Education, Governing Body of the San Rafael School District, Marin County, California, will receive bids for furnishing all labor, materials, transportation and services for construction of New Teachers' Toilet Rooms and Lunch Room to the Coleman Elementary School located on Rafael Drive, San Rafael, California for the San Rafael School District, Marin County, each bid to be in accordance with the plans, specifications and other Contract Documents, now on file with the Superintendent of Schools, Business Office, Administration Building, San Rafael City Schools, 215 Mission Avenue, San Rafael, California. Said plans and specifications may be examined and copies obtained at the offices of the Architects located at 1539 Fourth Street, San Rafael, California.

Bidders are hereby notified that pursuant to the statutes of the State of California or local laws thereto applicable, the City Board of Education, Governing Body of the San Rafael School District, has ascertained the general prevailing rate of wages and rates for legal holiday and overtime work in the locality in which this work is to be performed, for each craft or type of workman or mechanic needed to execute the contract which will be awarded to the successful bidder.

A schedule of the prevailing rates so determined has been approved by the City Board of Education of the San Rafael High School District and filed with the Secretary of the said Board in the offices of the San Rafael School District, and said schedule is as follows:

It shall be mandatory upon the Contractor to whom the contract is awarded and upon any subcontractor under him to pay not less than the said specified rates to all laborers, workmen and mechanics employed by them in the execution of the contract.

Notice is hereby given that all bidders may submit with their bids a sworn statement of their financial responsibility, technical ability and experience. Such sworn statement may be required to be furnished before award is made to any particular bidder.

Bids shall be made out on forms to be obtained at the offices of the Architects, 1539 Fourth Street, San Rafael, California, and shall be accompanied by a certified or cashier's check or bid bond for ten percent (10%) of the amount of the bid, made payable to the San Rafael School District, and shall be sealed and clearly marked "Additions 'D' to Coleman Elementary School", and filed with the Secretary of the City Board of Education at the offices of the San Rafael School District, San Rafael, California, on or before 5:15 o'clock P.M., on Wednesday, August 9, 1961, and will be opened and publicly read aloud at 5:15 o'clock P. M. on that date in the offices of the City Board of Education, San Rafael School District, Administration Building, 215 Mission Avenue, San Rafael, California.

The above mentioned check or bond shall be given as a guarantee that the bidder shall enter into the contract if awarded to him and will be declared forfeited if the successful bidder refuses to enter into said contract after being requested to do so by the San Rafael School District.

The San Rafael School District reserves the right to reject any and all bids or waive any informality in the Bid.

No bidder may withdraw his bid for a period of thirty (30) days after the date set for the opening thereof.

San Rafael, California.
July 25, 1961.

/s/ R. J. SIMPSON
Acting Secretary
City Board of Education

RUGGED TRAINING FOR MARIN MARINES

Marine Reserve Sgt. Gene Carter of San Rafael (top), member of the 14th Rifle Company, works his way across a stream via a rope bridge as company prepares for departure Sunday for two weeks of training in rugged Sierra terrain at Pickle Meadows. Lower, members of the company practice mountain climbing in preparation for the training session. Lance Cpl. Sidney Stockwell of San Rafael pulls himself up with aid of anchor man, Lance Cpl. William Ciocci of Mill Valley. Supervising is Lt. Ronald Tatum, mountain climbing expert.

Sanity Hearing Is Postponed

A jury trial to determine the sanity of an inmate of San Quentin's Death Row, scheduled for yesterday, was postponed until Sept. 19 by Superior Court Judge Richard M. Sims.

Darryl Thomas Kemp, 25, under death sentence for a 1957 rape and murder in Los Angeles County, won a stay of execution on June 19 when San Quentin Warden Fred R. Dickson raised doubts as to his sanity.

Judge Sims postponed the trial because the reports of two court-appointed psychiatrists, Dr. Walter Rappaport of Agnews State Hospital and Dr. J. M. Stubblebine of Mill Valley, were not yet complete.

Dry Killing Trees

LOS ANGELES (UPI) — The state's third dry year is killing many Southern California trees, Farm Advisor R. G. La Rue said recently. Unless eucalyptus, cypress, pines and other trees on hillsides get water soon, they will die this fall, LaRue said.

New California Youth Problem Group Named

SACRAMENTO (AP)—Gov. Edmund G. Brown today named a new state-wide committee to advise the state on the problems of California's young people.

All but five of those named to the 1961-62 Advisory Committee on Children and Youth are hold-overs from the 1960-61 committee.

A new chairman was named — Helen MacGregor, once a member of the State Youth Authority Board and chairman of the Alameda County Delinquency Prevention Committee. She lives in Oakland.

Miss MacGregor succeeds Dr. Donald S. Howard, the UCLA social welfare professor who had headed the committee since 1952.

The committee's first task is to follow through on planning for a statewide youth conference in Long Beach Nov. 13 and 14.

The five new members of the 36-member committee are:

Robert Beyer, Modesto: The Rev. James B. Flynn, executive director of Catholic Social Service in San Francisco; Mrs. Charles P. Gould, San Marino; William T. O'Rear of the Central Labor Council in Fresno; and Arthur J. Rendon, member of the board of health in Los Angeles.

MARIN BUSINESS And INDUSTRY

(A Thrice-Weekly Column)

By HARRY CRAFT

Wheels Needed For Civil Defense —Why Don't You Become A Cog?

Some of the volunteers anxious to help out in civilian defense might consider joining the North Bay chapter of the National Defense Transportation Assn.— particularly individuals or firms that have rolling stock, floating stock, airplanes or any other type of conveyance available for use in an emergency.

One of the most vital problems in the event of a disaster will be that tied up with any and all forms of transportation. A hit or miss control of vehicles and traffic could cause the worst kind of confusion. Without proper direction it would hinder rather than help evacuation and the movement of supplies and the injured.

The National Defense Transportation Assn. is partly military and partly civilian and works in cooperation with Civil Defense agencies. In Marin County most transportation companies are already members as are some of the personnel at Hamilton Air Force Base. Each area group is self-directed but plans of procedure and suggestions are issued regularly from Washington, D.C. headquarters.

Ideally, a NDTA group membership is split up about equally in four different categories — transportation companies, military, business organizations and the public at large. More of the latter two could be accommodated to round out the Marin roster.

Interested parties should contact membership chairman Don Moulden at the traffic management office, Hamilton Air Force Base.

EDWARD MOEWS, resident partner of Nationwide Rentals on Francisco Boulevard, San Rafael, has recently returned from Denver where he attended training seminars given by the Nationwide Trailer Rental System.

The newest items for rent at Trailerwide, he says, are auto-towing bars used for towing the family second car when moving to another city, and car top carriers, for the little extra luggage space needed when the car trunk is full.

ALLSTATE Insurance Company's representative in San Rafael for the past six years, Robert E. Roeser, will soon identify his territory with the new Novato sales office where he will join Robert Hall. Roeser and Hall will also act as representatives of the newly formed Allstate Motor Club, a subsidiary of the All state Enterprises owned by Sears, Roebuck and Co.

Roeser has won numerous awards for outstanding achievement in sales and customer service with his company and has recently been awarded the "Distinguished Salesman Award" in the industry.

RESEARCH SPECIALIST W. M. Hearon of Loch Lomond, vice president of Crown Zellerbach Corp. in charge of research and development, is co-authoring a technical paper to be presented at the Lignin Symposium of the Technical Assn. of Pulp and Paper Industry in Chicago on Aug. 14 to 16.

Hearon has authored and co-authored other technical publications and patents, some of the latter having patent applications pending in Canada. He will be the moderator of Session I at the symposium. His paper is "Sulphur Chemicals From Lignin."

UNION OIL CO. of California has published a colorful and interesting series of "Weekend Adventure Drive" folders, available at Union 76 stations. Included as subjects are county fairs, clam digging sites, rodeos and zoos.

Marine Course Ends

Donald G. St. Sure, son of Mr. and Mrs. Ralph G. St. Sure of 10 Manord Road, San Rafael, has graduated from the senior platoon leaders class of the Marine Corps School at Quantico, Va.

James R. Orendorff, Realtor

THE MILL CREEK
"THE MOST MAGNIFICENT ADDRESS IN MARIN"
My family is raised. We wish to sell our home with its upkeep and loss of interest and move into an apt. But it must be very large and gorgeous. A 1-bedroom (900 sq. ft.) or 2 bedrm., 2 bath (1200 sq. ft.) We want Country-Park-like setting with tall beautiful redwood trees, a live creek meandering through the property. Must be level, and walking distance to the quaint downtown shopping of Mill Valley . . . OH DEAR! We have just wished ourselves into the MILL CREEK. You will too if you see this unbelievable setting. From $145. Adults.
191 Throckmorton, Mill Valley

Drivers Bill Huncey in "Miss Century 21" of Seattle and Bill Cantrell in "Gale V" of Detroit pour on coal as the big unlimited hydroplanes take a test spin on Seattle's Lake Washington. These and other big speedboats began qualifying runs today for Sunday's $40,000 Seafair Derby. (AP Wirephoto)

Independent-Journal Sports

Brazilian Boxer Is 'Fighter Of Month'

NEW YORK (AP)—Eder Jofre, the undefeated bantamweight champion from Brazil, was named "fighter of the month," by Ring Magazine today for his knockout victory over Japan's Sadao Yaoita.

Jofre flattened the Orient flyweight champion in the 10th round of a non-title bout at Sao Paulo, Brazil.

The top three rankings in each division:

Heavyweights, champion, Floyd Patterson, New York:

1. Sonny Liston, Philadelphia. 2, Henry Cooper, England. 3, Eddie Machen, Portland, Ore.

Light heavyweights, champion, Archie Moore, San Diego, Calif.

The BULLPEN

With JOHN J. CONNOLLY

Looks Like Dark Finally Realized He Was Yanking Pitchers Too Soon

CONNOLLY

Howdy, students of baseball.

The topic of discussion today concerns the use of the word "rumble."

And I want the class to pay strict attention.

What's that you say, Herman? You thought I meant "fumble?"

No, Herman, I do not mean fumble or bumble. I said "rumble." I know you had in mind our Giants when you referred to fumble.

What is that you are trying to say, Timothy?

No. Timothy, I did not mean crumble. When I say "rumble," I mean "rumble."

Okay, class, let's proceed.

Well, when I mentioned the word "rumble" I had in mind some of the idle rumors of late, all concerning the San Francisco Giants and the unhappy fate that has overtaken them since coming West.

THE WAY a "rumble," as the newspaper fellows interpret it, starts, is usually with a so-called authoritative rumor that excites the imagination, such as, for instance, the report that Horace Stoneham, owner of the Giants, might sell out his interests.

Mr. Stoneham, in stamping out the report, let it be known that he never ever had it so good. He pointed out that he gets juicy checks as his "take" from gate receipts on the road; gets "fat" ones from home gate receipts; a nice stipend from the Stadium Club; and the hot dog and general concessions remove a lot of creaks out of his aching joints.

"But," sez the "rumble-bird," "that is precisely the choicest time to put out a feeler for a buyer. "If you've got anything to sell, you're not singing bad times, even if the attendance is down 25 per cent from last year and the 'wind' story is bad and might never be corrected."

And so the "rumble" sometimes becomes a roar. And the big howl right now concerns Alvin Dark, who, it is claimed, has made or committed as many errors of pitching judgment as some of his players have been guilty of on the field.

The fact that the Giants' frosh pilot declares a moratorium on yanking pitchers is proof he has finally realized he pushed the panic button too soon and never gave his flingers an opportunity to work themselves out of "jams."

CHANGING THE pitching policy came after he had discarded the two platoon system in other departments, after sticking to it for better than half of the season.

An oldtime pitcher, Robert Moses Grove, commonly called Lefty, when interviewed recently, remarked that baseball was a lot different today than when he played.

"First thing," said Lefty, "there's the platoon system. Managers think nothing of using 17 or 20 men in a game. All we carried was 20 men and most of the time we didn't use more than a dozen in any game.

"Second, our gloves weren't basketball nets like they are today. The kind they use now you can catch a watermelon in 'em."

Further on in his interview, Grove wanted to know why there aren't more 20 game winners?

"Managers," explained Grove, "don't leave 'em in long enough. They panic after a couple of hits. Pitchers seldom finish games they start. When I won 28, I completed 20."

SO THERE you have mute testimony on shaky managers who blame everything on the pitching staff.

It could be that manager Alvin Dark read what Lefty said and decided to make "the do-it-yourself pitching habit" a must with our Giants.

All-Star Games Fate In Laps Of Owners

BOSTON (AP) — The fate of two All-Star baseball games per season is in the laps of the owners. The players have come out solidly for continuation.

The major league player representatives yesterday agreed to ask Commissioner Ford Frick to appoint a player-owner committee to explore the pros and cons of continuing the two-game system inaugurated in 1959.

Pitcher Bob Friend of the Pittsburgh Pirates, National League player representative, said the players want two games. He said he hoped that within two weeks a committee meeting with the owners can be arranged though a final decision is not expected prior to the December major league meetings at Miami Beach.

"We don't have the owners' approval yet, principally, I think, because of the schedule," Friend said. "One league has expanded and the other is expanding next season. But as far as the players are concerned, they still favor two games."

The other major action of the player group following the second All-Star game here was the drafting of a letter to each club owner requesting all possible action to alleviate any racial discrimination in housing during spring training, especially on Florida's West Coast.

The players' legal counsel, Judge Robert Cannon, said that he and Frank Scott, the players' agent, had talked with Frick and the two league presidents.

"As of this moment, we are satisfied baseball has done everything humanly possible to alleviate conditions, particularly on the West Coast of Florida, relative to housing all players, colored and white under the same roof," Cannon said.

Cannon said baseball men like any other citizens, must abide by local laws and ordinances but that the teams had made "tremendous strides in breaking down racial barriers." He said he thought the situation in the Tampa-St. Petersburg area would be alleviated considerably within a year.

There is no baseball segregation problem in Arizona or California according to Scott, who said seven of the 18 teams had no problems and that four others were "well on the way" to solving theirs.

Cannon said that Houston, a member of the National League effective next season, also was discussed but that the players did not want to disclose their talks on the Houston situation.

Cannon said the ultimate aim of the players' group is to get all athletes housed under one roof in first-class accommodations.

"We do not regard this as a Negro problem," Cannon said. "It is a problem for major league baseball."

GIANT GAME TONIGHT ON TELEVISION

Tonight's Giants-Dodgers baseball game from the Los Angeles Coliseum will be televised for Bay Area fans.

KTVU will carry the contest with Russ Hodges and Lon Simmons again doing the play-by-play. Pre-game shows will start at 7:30 p.m., with the coverage of the game itself beginning at 7:55

Tomorrow night's Giant-Dodger tilt, concluding the current series, will also be telecast on Channel 2 at the same time.

Medina Upsets Former Champ

FRESNO (AP) — Fresno's Ben Medina, 140, forced former welterweight champion Don Jordan, 141, of Los Angeles to take the defensive last night and mauled his way to a unanimous 10-round decision.

The Fresnan scored heavily with body blows after getting the worse of it in the first round. There were no knockdowns.

Lakers Sign Star

LOS ANGELES (UPI)—The Los Angeles Lakers yesterday announced the signing of Sterling Forbes, former Pepperdine College basketball star.

Ford Shoots For His 20th Victory Today

NEW YORK (AP) — Whitey Ford, the Yankees' superb left-hander, guns for his 14th straight victory today and admittance to major league baseball's 20-game winning set.

An outstanding hurler since he came up to the Yanks in 1950, Whitey never has hit the 20-win marker although he has led the American League in won-lost percentage. His high mark was the 19-6 record in the 1956 season.

This time he figures to make it easily. He could go as high as 30 if he continues to get the breaks and Luis Arroyo remains fit.

LUIS READY

The senor will be ready in the bullpen to take over in case Whitey tires around the seventh inning.

Manager Ralph Houk, suspended for five days and fined $250 for bumping umpire Ed Hurley last Sunday, won't be around to see Ford pitch one of the two games against the Kansas City Athletics today.

Ford's record is 19-2. He has started 25 games and finished nine. He tops the league in strikeouts with 148 and has a 3.17 earned run average.

21 SAVES

Arroyo, 34, a right-hander whose screwball breaks away from a right-handed batter, has a 7-3 record, an ERA of 1.75, and has saved 21 games. As the Ford specialist he has gone to Whitey's rescue 14 times. He has saved 11 for Ford, got two wins himself and lost one.

One reason why Ford never won 20 for the Yanks under Casey Stengel was the way the manager spotted his ace for the top teams. Houk decided to put Ford on a four-day rotation.

Houk got the bad news from Joe Cronin, the American League president.

'TOUGH'

"I think it's a very tough penalty for what I did," said Houk.

Houk, fuming over a called third strike against Clete Boyer in the ninth inning of the second game of Sunday's doubleheader with Baltimore (the Yanks lost 4-0, 2-1) charged after plate umpire Ed Hurley when the game was over. He bumped Hurley and had to be restrained by some of his players and the other umpires.

Sohner Clouter Socks 4 Homers In Doubleheader

Nolan Wilson socked four straight homers last night to pace Sohner Tree Service to 7-3 and 13-0 victories over Fort Scott in a softball doubleheader played in San Francisco last night.

The win boosted Sohner's record to 14-8 and was their ninth triumph in the last 12 games.

After a run-producing single his first time at bat, Wilson hammered three consecutive homers to cap a perfect 4 for 4 performance in the opener and drive in six of Sohner's seven runs. The left-handed batting Wilson then belted one thirty feet over the right field fence his first time at bat in the nightcap to give him four in a row.

And while Wilson was providing the hitting heroics, pitchers Jay Leatherwood and Lou Perazzo were retiring the shocked Soldiers with little trouble. Leatherwood allowed only five hits and one earned run in the first game and Perazzo hurled a one-hit shutout in the second contest.

BOTH CLUBS REAL HOT

San Francisco Invades Dodger Town Tonight

LOS ANGELES (AP)—San Francisco's Giants invade the Coliseum tonight for the first of two games that could muffle some of the current Los Angeles talk about the Dodgers and the National League pennant.

It's true the third-place Giants are a full eight games behind the front-running Dodgers. But Cincinnati, which hosts cellar-dwelling Philadelphia tonight, is only a half game back in second place.

The Dodgers and the Giants have been hot lately. The Giants have won five of their last seven and Los Angeles has an eight-game win streak going.

But the Dodgers, 34-16 for the season away from home, don't seem to fare as well in the Coliseum. The margin there is only 28-22.

Manager Walt Alston, mindful of this, put his charges through a special batting practice Tuesday in preparation for the crucial 13-game home stand.

Alston named the veteran left-hander Johnny Podres 13-2 to oppose San Francisco's Juan Marichal 7-7, a right-hander. Thursday it will be southpaw Mike McCormick 9-9 for the Giants and Dodger right-hander Stan Williams 10-8.

Despite his anxiety over readjusting the Coliseum hosts to that much maligned arena, Alston indulged in a bit of pennant talk.

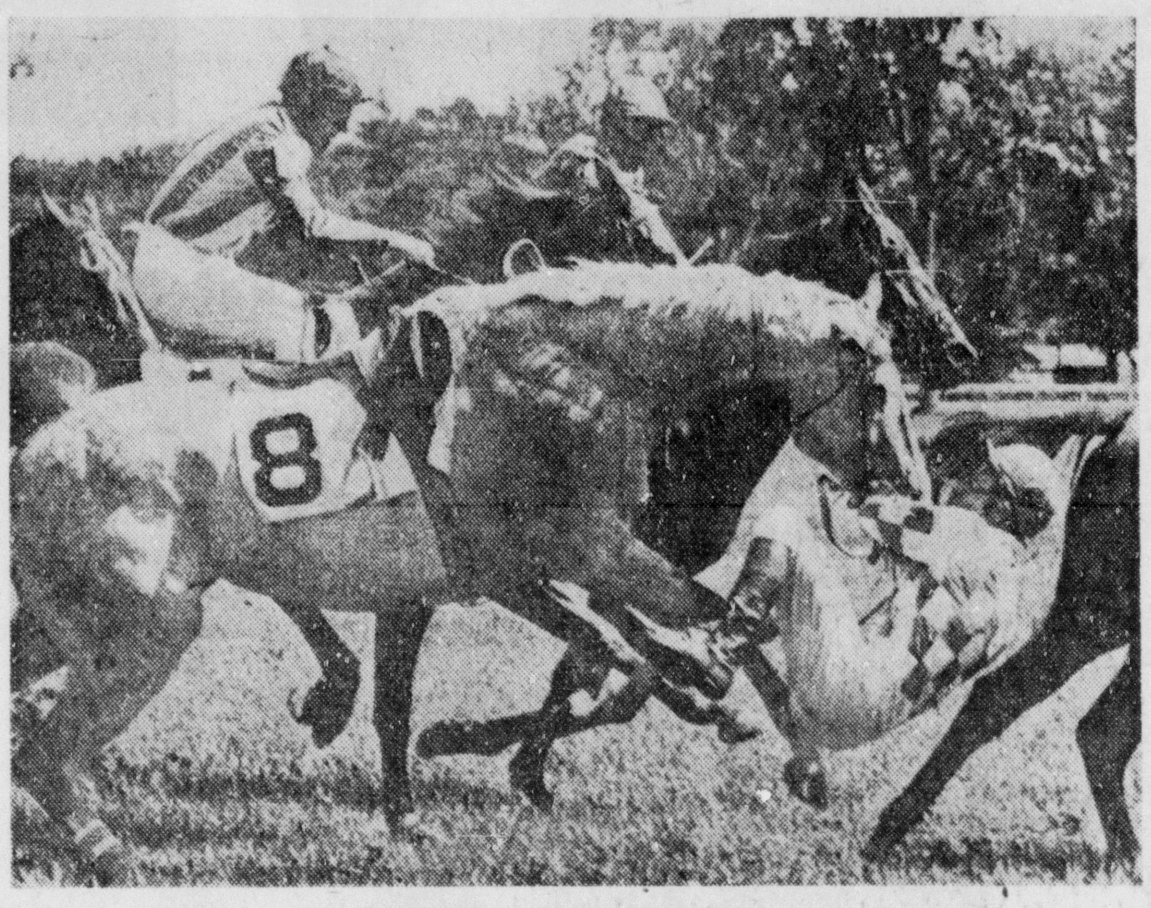
He wasn't doing any predicting but allowed that 34 or 35 more victories might be all the team needs to cinch another World Series for Los Angeles, adding:

"I think 96 or 97 wins in all will mean the championship."

To do this, the Dodgers would have to take 35 of the remaining 54 contests.

Can they?

Alston's reply was indirect: "This is a better club than the one that took the 1959 championship. However, the others are better, too."



SARATOGA SUSPENSION

Photo suspends jockey M. Wettach in a fall from the head of his mount "Kentucky Sun II," in the third race at Saratoga yesterday. Horse and rider were not injured. The race was won by No. 4, "Sir Patsy," ridden by James Murphy. (AP Wirephoto)

LITTLE LEAGUE TOURNEY

Fairfax-Sleepy Hollow Knocks Off Presidio

The Fairfax-Sleepy Hollow team continued its winning Marin Little League play with a wham bang victory last night over the Presidio team in the second round of the Marin County championship team tournament.

The Fairfax-Sleepy Hollow club dumped the Presidio lads 6 to 3.

The game opened with a smashing homer by first batter up, Bill McDevitt, for the Fairfax nine. Later in the first inning, Pete Forni scored on a double by Bob Tobin. Forni set himself up for the play by stealing second. In the third inning Forni scored again from second base on an infield error. Tobin was big again in the top of the fifth as he drove home two more men with a hit.

Presidio picked up two of its runs when winning Fairfax pitcher Cortney Balzan loaded the bases with walks in the fifth inning. Catcher McDevitt tried to pick a Presidio man off first but overthrew and a run scored. In that same inning another Presidio run scored on a sacrifice, and in the sixth Presidio got its third run on a base hit.

The Hamilton-Loma Verde Orioles outdid the Tiburon Falcons 5 to 2 last night in another second round tilt.

Hamilton assembled all five of its runs in the third inning with a homer by Barry Beringer, the big blow.

Tiburon scored in the first and fifth innings. The first frame tally came when Jim Ryall scored on a two bagger by Norman Hantzche. In the fifth inning Joe Murphy stepped up and slammed a homer.

The Marinwood Giants won their second round start last night against Locke Brothers Garage of Gallinas Valley 5-1 with the aid of a grand slam homer.

North Bay Lumber Co., the Twin Cities champs, advanced to the next round when their second round foe, the Novato representatives, forfeited.

Semi final games start at 6 o'clock on two diamonds, Fairfax and Twin Cities. Fairfax-Sleepy Hollow will clash with the Hamilton club and Marinwood Giants will meet the North Bay Lumber Co.

The championship game will be at Hamilton Air Force Base Saturday at 3 p.m. between tonight's winners.

Close Decision

SACRAMENTO (AP) — Joey Lopes, 135¾, of Sacramento outboxed Georgie Page, 134, of Auburn last night and won a close 10-round decision.

Upset Marks Play In Women's Golf

PASADENA (AP) — A bevy of bright young stars led the way into the second round of the Women's Western Amateur Golf Championship today. But the brightest was among the missing.

United States Champion Jo Anne Gunderson of Seattle was bounced out of play in a major upset Tuesday.

The 22-year-old strawberry blond was beaten by Carla Glasgow of nearby Whittier, just turned 18 and brand new to big-time golf.

Carla won, one up, after trailing three down at the end of nine holes.

Still in the running as the hope of the old guard of the Women's Western Golf Association was Mrs. Anne Casey Johnstone of Mason City, Iowa.

Mrs. Johnstone walloped Mrs. Ruth McCullah of Los Angeles and paired off against young Lanny Cranston of the host Annandale Golf Club.

The younger contingent is heavily stocked with threats.

FIGHTS LAST NIGHT

By ASSOCIATED PRESS

SAN JOSE—Luis Molina, 140, San Jose, knocked out Chico Santos, 137½, Oakland, 3.

SAN ANTONIO, Tex.—Sixto San Miguel, 134¾, San Antonio, knocked out Frankie Valdez, 132, San Antonio, 9.

SACRAMENTO, Calif. — Joey Lopes, 135¾, Sacramento, outpointed Georgia Page, 134, Auburn, 10.

Mount Tam Park Addition Approved

The California Public Works Board Monday approved purchase of .53 of an acre of land to be added to Mount Tamalpais State Park.

The land was purchased for $1,500 following negotiation with its five owners, H. C. Vincent Jr., administrative secretary to the board, reported today from Sacramento.

It is located south of the intersection of Sequoia Valley Road and Redwood Drive and fills out a tiny "jog" in the park to more regular boundaries, he explained.

MARIN CALENDAR

TONIGHT:

Alcoholics Anonymous, Belvedere-Tiburon Group, 8:30 p.m., St. Stephens Church, Belvedere.

Alcoholics Anonymous, Mill Valley Group, 8:30 p.m., Church of Our Saviour.

Alcoholics Anonymous, Sir Francis Drake Group, 8:30 p.m., St. Columba's Church, Inverness.

Coast Guard Reserve Unit 12-695, 8 p.m., Building 692, Fort Baker.

Pilot Sees Emile As 'Ring Marvel'

By JACK CUDDY

NEW YORK (UPI)—At 22, welterweight champion Emile Griffith is at least four years from his peak; but co-manager Gil Clancey predicted confidently today he will become "the greatest fighter of the 1960's."

Emile has such great potential, Clancey said, that "when New Year's 1970 is rung in, boxing men everywhere will admit he was the greatest of all during the 1960s decade."

If that be true, a reporter asked dark-haired, 39-year-old Clancey how come Griffith failed to knock out middleweight Yama Bahama last Saturday night at Madison Square Garden when he had Yama on rubber legs in the seventh round.

"Because Griffith is still green," his co-pilot replied, "although he's the undisputed 147-pound champion of the world. Remember, that was only his 27th professional fight. He became too eager—too excited—and began missing the target."

However, Emile did outpoint his crafty, experienced opponent by a wide margin, despite Bahama's holding tactics, for his eighth straight victory.

Clancey, a Brooklyn high school teacher and a parks department boxing instructor, claims Griffith will be the "ring marvel" of the 1960s because "he has the body, the reflexes, the punch, the ruggedness and the intelligence to be a composite of many great fighters."

Among the hundreds of boys he has taught boxing, instructor Gil explained, Griffith was the first who could pick up the various weapons of great fighters of the past and use them like they did—the left jab of Joe Louis, the left hook of Jack Dempsey, the right uppercut of Jack Johnson, the lightning combinations of Marcel Cerdan, the body-punching of Tony Zale, the footwork of Sugar Ray Robinson, and so on.

"Emile is as good now as Ray Robinson was when he had 27 professional bouts," Clancey continued. "And because of his compact build, he's a lot more rugged. Moreover, he doesn't cut. In his 27 fights, he got only one little nick on his cheek—like a shaving scratch."

Another important reason why Griffith—a woman's hat designer—will be great is because he loves to fight, his co-manager emphasized.

"While I was at the beach, yesterday," Gil continued, "Emile tried to get me on the phone because he had heard erroneously there was a break in a certain TV fight-card. So, you know what he did? He went right over to Madison Square Garden and asked (matchmaker) Teddy Brenner to give him a fight on that date. He told Brenner he'd like to fight every three or four weeks—against any welterweight or middleweight in the world."

Chatting with reporters at Jack Dempsey's Restaurant, Clancey grinned and added, "Later Emile told me regretfully he had forgotten to inform Brenner he would be glad to give lightweight champion Joe Brown a shot at his welterweight title any time he wanted it."

How often will Gil and co-manager Howard Albert, a wealthy millinery manufacturer, permit the eager-beaver to fight?

"We'll let him fight only about every six weeks, and defend his title every six months," Clancey concluded. "That will enable him to support his widowed mother, four sisters, three brothers, and a flock of young nieces and nephews—and still put money in the bank."

Unsigned 49ers Talk It Over With Boss Morabito

MORAGA (AP) — Today was the day at least five San Francisco 49er veterans had been waiting for.

Vic Morabito, the club's president, arriving after a month's vacation in Hawaii, had as his first order of business talks with the five players who haven't signed their 1961 contracts.

The five, all in camp and participating in workouts, are tackles Leo Nomellini, Henry Schmidt, Len Rohde and John Thomas and flanker back R. C. Owens.

The four linemen figure part of the 49ers' success late last season was due to their generally unheralded efforts.

Owens has had plenty of headlines but not nearly enough salary to satisfy him. Lou Spadia, the 49ers' business manager, said the team had no intention of increasing their last offer to Owens. Spadia and Owens said they were far apart in negotiations.

If the players do not sign contracts, they can play out their options with the 49ers through the 1961 season and then negotiate with any club as free agents.

Yesterday's practice session was routine except for slightly pulled leg muscles suffered by two rookie ends, Ola Murchison of University of the Pacific and Tommy Hackler of Tennessee Tech.

Pop Warner Dates Set

A meeting of parents of prospects for the 1961 Redwood Junior Giants Pop Warner football squad has been scheduled for 7 p.m. tonight in the Henry Hall School at Larkspur.

Sign-ups for the Redwood team will be held Saturday at 10 a.m. at Redwood High School.

San Anselmo Pop Warner hopefuls will also sign up Saturday at 10 a.m. Their registration will be held at the Isabel Cook School.

Murray Rose Ties American Record

LOS ANGELES (UPI) — Australia's great Murray Rose, swimming for the Los Angeles Athletic Club, tied an American record for the 200-meter freestyle last night in the Los Angeles Examiner open swim meet.

Rose covered the distance in 2:02.9, equaling the record set by Stanford University's George Harrison in 1960.

LITTLE LEAGUE COVERAGE SET BY KTIM RADIO

Little League sectional playoffs at Antioch tomorrow night will be broadcast by Radio Station KTIM as the Novato All-Stars go against Santa Rosa at 6 p.m., it was announced today by KTIM sports director Ted Mitchell.

Mitchell and Karl Barron will travel to the North Bay city for the broadcast. If the Novato stars win tomorrow they'll face Concord at Antioch on Friday. The winner of this game goes to Davis for a final sectional playoff on Saturday.

Mitchell said three of Marin's leading financial institutions will sponsor the broadcasts for as long as the Novato team remains in sectional play. They are the Northwestern, Marin County, and Ross Valley saving and loan associations.

Colt Hurler To Pitch On Sunday

Johnny Walker, the sensation of the just completed state Colt baseball tournament, will be on the pitching rubber for the Mill Valley Merchants this Sunday when they host the San Francisco Jeffersons on the Project 17 diamond starting at 1:30 p.m.

The Jeffersons are San Francisco's oldest semi-pro baseball organization.

The Merchants last Sunday took the measure of another strong S. F. nine, defeating Varney's Liquors, champions of the San Francisco AA League, 6-5.

Dave Perlis, another Colt star, got the big hit for the winners, as he lined a double 380 feet off the centerfield wall to drive home the tying runs. Guy Robinson then singled home the winning run for the Merchants in the last of the ninth.

Pace To Bid For Spot With Raiders

SANTA CRUZ (AP)—Jim Pace, the former Michigan backfield ace who once ignited fond hopes in the hearts of the San Francisco 49ers, is going to try professional football with the Oakland Raiders.

The American Football League club said Pace, 25, has been fitted with a special brace for his left knee and has been running well.

Pace told Raider Coach Eddie Erdelatz, "I'm eager to try the rough stuff now."

Pace was the 49ers' No. 1 draft choice in 1957. An elusive, shifty halfback with the Wolverines of the Big Ten, the 49ers were hoping Pace would develop into a regular, but a knee injury during the 1959 season slowed him considerably and he never could make the 49er squad after that.

Erdelatz said his present plans were to use Pace as a tight back—the principal running halfback job.

Jockey Suspended

DEL MAR (AP)—Jockey Henry Moreno is sitting out a five-day suspension.

PGA Champ Raps Greens For 'Deceit'

CHICAGO (AP)—Jerry Barber, new national PGA golf champion, says one of his biggest irritations is the "deceitful greens" on many courses played on the tournament tour.

"It seems they are building greens that are not honest," he said. "You can't read them. You line up your putt and think you've got it right, and the ball rolls off another way.

AN EXAMPLE

"Recently I spent two and a half minutes lining up a four foot putt and I still didn't know how to hit it. One of the examples of deceitful greens is at Oakland Hills near Detroit when the 1961 USGA Open was played.

"I'm not beefing, but just making an observance," Barber added. "It comes to my mind because the greens at Olympia Fields (scene of the PGA) were true. You putted and the ball went the way you figured it out."

LOT AT STAKE

Barber said he had a lot riding on winning the PGA championship in addition to the $11,000 first prize.

"I get a life-time invitation to the Masters, I don't have to qualify for the National Open, I get a spot on the Ryder Cup team and I don't have to qualify for any more PGA-sponsored tournaments on the tour."

Horse Show

SAN FRANCISCO (UPI)—The 12th annual Arabian Horse Show, featuring 350 descendants of the great breed of animals, comes to the Cow Palace this weekend.

THE BEST IN THEIR LEAGUE

The Ramblers, pictured above, were the 1961 Fairfax-Sleepy Hollow Pony League champions. Front row, left to right, are Kevin O'Neil, George Trefz, Bill Riddell, Lorry Galassi, Ray Menjou, Don Edelstein. Back row: coach Bob Ingram, Dick Edelstein, Jim Odetto, Mike Olivetti, Greg Arata, Jim Sartorio, Bill Ingram, coach Mario Sartorio. In the back, manager Ivo Buddeke. (Photo by Mel Dollahite)

Independent-Journal Sports

POWERFUL TEAM

Who Will Be The Hero Of Star Tilt This Year?

CHICAGO (AP)—It's college All-Star football week and time for another look at memory lane, and heroes of the past.

Remember such names as Sammy Baugh, Gaynell Tinsley, Tommy Harmon, Jackie Robinson, Otto Graham, Elroy Hirsch, Buddy Young, Charlie Justice, Ted Weed, Bobby Conrad, Bobby Mitchell?

When the All-Stars take on the champion Philadelphia Eagles in Soldier Field Friday night who knows but there may be another name or two to add to the illustrious list of past heroes.

The All-Stars are boasting a powerful team this year and are given an excellent chance of upsetting the Eagles. And there are plenty of candidates for the hero list.

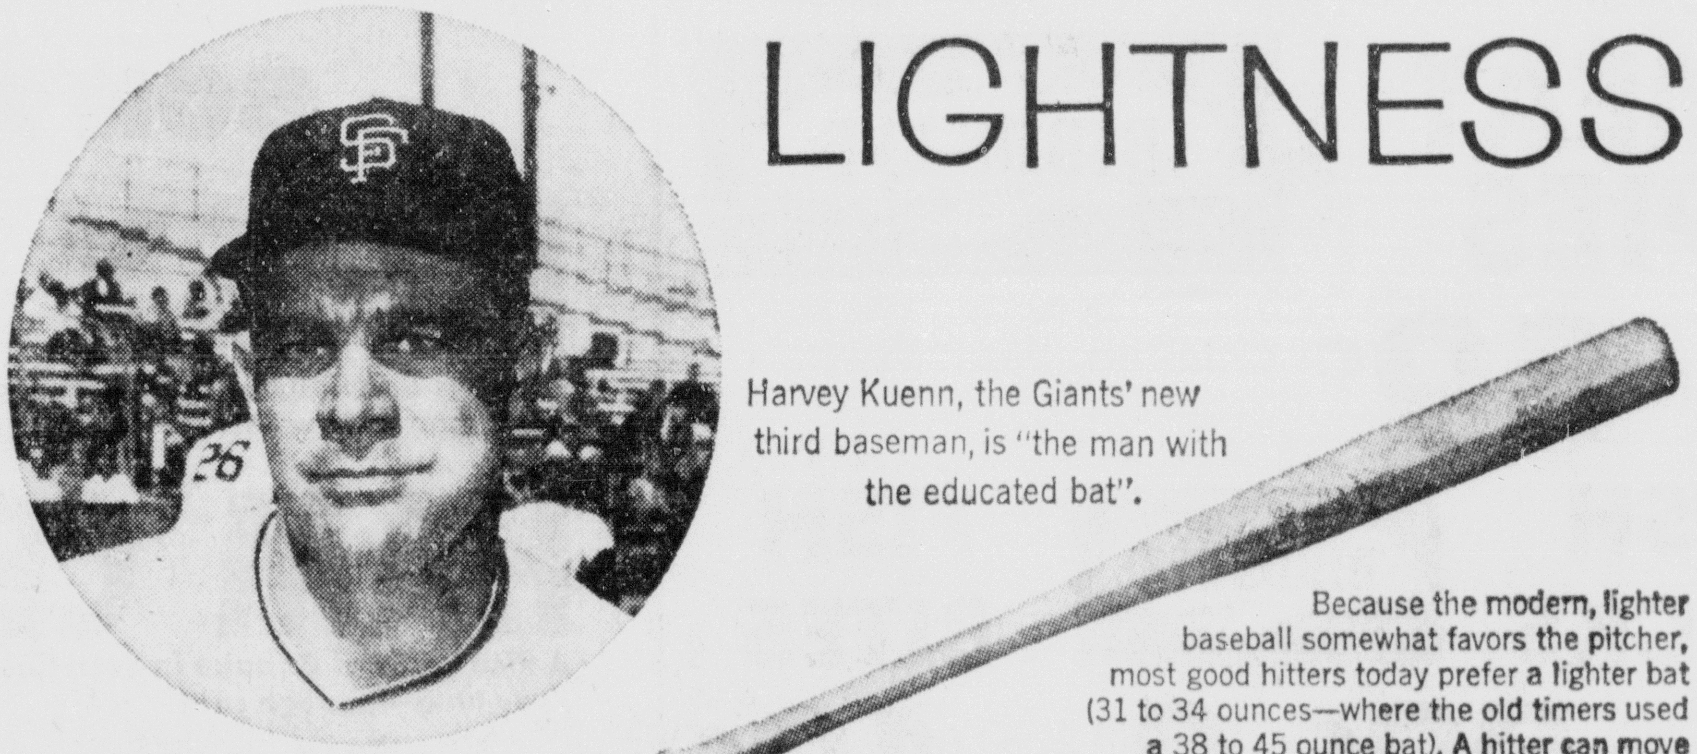
It could be hard-running Joe Bellino of Navy or such able passers as Bill Kilmer of UCLA or Norman Snead of Wake Forest. There's Bill Brown, a powerful fullback from Illinois, and Tom Matte, an Ohio State back who also can pass.

It could be Mike Ditka of Pitt, or Earl Faison of Indiana or El Kimbrough of Northwestern or Marlin McKeever of Southern Cal—some of the finest ends in college circles last fall.

Or the hero could be a lineman like Houston Antwine of Southern Illinois, Myron Pottios of Notre Dame, Greg Larson of Minnesota, Earnest Ladd of Grambling or Ken Rice of Auburn.

THIS IS TRAINING?

Two burly San Francisco 49er linemen do not appear as graceful as the three Ice Follies pretties with whom they are cavorting during a break in the pro football team's training camp at Moraga. From left to right are Margaraet Meldran, defensive end Charlie Krueger, Carol Caverly, guard Bruce Bosley and Marlene Meldran. Marlene and Margaret are twin sisters. (AP Wirephoto)



The swing is to

LIGHTNESS

Harvey Kuenn, the Giants' new third baseman, is "the man with the educated bat".

Because the modern, lighter baseball somewhat favors the pitcher, most good hitters today prefer a lighter bat (31 to 34 ounces—where the old timers used a 38 to 45 ounce bat). A hitter can move more quickly and accurately whether he's hitting straightaway, to off-field or behind the runner.

in men's clothes and eyeframes too!

Perhaps the world's lightest, most comfortable eyeframe... Jenkel-Davidson's exclusive One Ouncer

Come in and try it on, you'll find this is actually a new experience in eyewear comfort. If you would like to change frames then and there, we'll put your present lenses in a new One Ouncer while you wait.

CORTE MADERA SHOPPING CENTER

Shop Mon., Wed., Fri. Nights 'til 9 p.m.

Some Facts About Shopping Center

Anyone curious about statistics on the Corte Madera Shopping Center on the Redwood Highway in that Marin County city should read this:

COST TO DATE: Over 12 million dollars.

SIZE: It is built on 32 acres of what was tidelands used only by sea gulls. There is about 300,000 square feet of retail space, and this is increasing as new stores are built. The parking area will hold about 2,100 automobiles.

OWNER: Madera Gardens Development Co., whose president is Mr. Frank Rusalem.

LEASING AGENTS: Milton Meyer & Co. of San Francisco.

ARCHITECT: John S. Bolles, San Francisco.

TENANTS: There are 32.

LANDSCAPING: Olive trees are planted along Madera Boulevard, where cars enter the big center. Clumps of Ironbark, Pistache, Liquidamber, Draecens, Palms, Pines and Southern Magnolia trees are at each end of the parking lane. In the East parking area are redbox eucalyptus trees. There are several attractive planters along the T-shaped shopping mall.

Big Party

NEWPORT NEWS, Va. (AP) — The Newport News Shipbuilding and Dry Dock Company invited its employees and their friends for an open-house on its 75th anniversary — and 64,000 accepted.

DOLLAR STRETCH

With the use of a false rubber dollar bill, Jan Oldis, 309 Chapman Drive, Corte Madera, shows how the shoppers' money will go a long way during this week-end's Dollar Days. Irving Rosenberg, owner of the Harmony Music Center, shows the size of a normal dollar bill.

Cool Comfort In Store For Shoppers

During Dollar Days, tomorrow and Saturday, shoppers at the Corte Madera Center will be able to make their bargain purchases in cool comfort.

Many of the stores in Marin's largest shopping center are air-conditioned. Some have had special units installed this summer in preparation for what some weather observers have predicted will be the hottest in many years.

"Shoppers may actually find pleasant relief in the cool and music-filled stores at our fine Center," said John Gray, manager of the J. C. Penney Co. He added, "Marin County can look for a big weekend at this attractive center during this special sales event."

OPEN EVERY MON. WED. & FRI. NIGHT 'TIL 9 P.M.

THE SPICE CAKE is an easy one to make and contains applesauce plus a heavenly mixture of spices. A lucious double lemon topped spice cake is a tangy dessert. One sauce in the topping duo is fluffy and resembles a hard sauce. The other may be spooned or poured over the dessert.

HAVE YOUR CAKE –

Spice Cake Lemon Topped Special Fare For Gourmet

To have your cake and eat it too is not really a feat of magic. It is a regular culinary accomplishment for the homemaker planning meals around recommendations to use a table spread which is high in unsaturated fat. A luscious Double Lemon Topped Spice Cake is the tastiest proof imaginable.

This fragrant dessert with tangy sauces is baked with a new margarine containing more than 75 per cent unsaturated vegetable oil. The margarine creams beautifully just as it comes from the refrigerator thus making it an excellent ingredient for cooked dishes and baked products.

The cake is an easy one to make and contains applesauce plus a heavenly mixture of spices. The topping duo takes but a matter of minutes. One sauce is fluffy and resembles a hard sauce. The other, to be spooned over the dessert in the kitchen or poured from a pretty pitcher passed to guests, is served hot or cold.

The health benefits gained by the high percentage of polyunsaturated 100 per cent American cottonseed oil are identical whether the margarine is spread on bread or used in cooked foods. The spreadability and delightful flavor of this new margarine bring eating pleasure when used in sandwiches, on crackers, waffles or other hot breads.

APPLE SPICE CAKE
Yield: 8 x 8 x 2 inch loaf cake
1 stick (½ cup) 75% unsaturated oil margarine
1 cup sugar
1 cup applesauce
2 cups sifted cake flour
½ teaspoon salt
1 teaspoon soda
1 teaspoon baking powder
1 teaspoon cinnamon
¼ teaspoon nutmeg
¼ teaspoon ginger
¼ teaspoon cloves
½ cup chopped walnuts
1 tablespoon sugar
½ teaspoon cinnamon
Double Lemon Sauce

Cream margarine and 1 cup sugar. Add applesauce and mix well. Sift together flour, salt, soda, baking powder, 1 teaspoon cinnamon, nutmeg, ginger and cloves. Add dry ingredients and beat well. Stir in walnuts. Spoon into 8 by 8 by 2 inch pan rubbed with margarine. Sprinkle top with mixture of 1 tablespoon sugar and ½ teaspoon cinnamon. Bake in a moderate oven (350°F.) for 45 minutes. Serve with Double Lemon Sauce over each piece, beginning with Sauce I and topping with Sauce II.

DOUBLE LEMON SAUCE
I — Yield: ¾ cup
½ stick (¼ cup) 75% unsaturated oil margarine
1½ cups sifted powdered sugar
1 egg yolk
1 teaspoon grated lemon rind
1 tablespoon lemon juice

Cream margarine and add 1 cup sugar gradually. Beat in egg yolk. Blend in lemon rind and lemon juice. Add remaining sugar and blend.

II — Yield: ¾ cup
1 tablespoon 75% unsaturated oil margarine
½ cup sugar
1 tablespoon cornstarch
2 egg yolks, beaten
½ cup cold water
1 tablespoon lemon juice
½ teaspoon grated lemon rind

In the top of a double boiler mix sugar, cornstarch, egg yolks, and cold water. Cook this mixture over hot water for 25 minutes, stirring constantly. Mix in margarine, lemon juice and lemon rind. Serve hot or cold.

Vegetable Perk-Up

Blend a dash of prepared mustard with mayonnaise or commercial sour cream. Add chopped or slivered almonds and spoon over hot cooked fresh asparagus spears. Try it with green beans, broccoli and cauliflower, too.

Chicken-Pineapple Salad

This gourmet chicken pineapple salad rates raves whenever it's served. The elegant combination of golden chunks of pineapple, chicken and crisp celery tossed gently in a French dressing accented with curry is delectable. Serve the salad in avocado half shells for a very festive presentation. You'll find it makes a very handsome salad for a ladies' luncheon.

Pineapple chunks are available in can sizes ranging from one cup to 2½ cups.

GOURMET CHICKEN SALAD
¾ cup French dressing
½ to 1 tsp. curry powder
2 cups diced cooked chicken
1 cup pineapple chunks
½ cup chopped celery
¼ cup toasted slivered almonds
1 tbsp. minced onion
½ tsp. salt
2 avocados

Combine French dressing and curry powder; shake to mix well. Combine chicken, pineapple, celery, almonds, onion and salt. Pour ¼ cup curry dressing over chicken mixture; toss lightly and chill at least 1 hour. Halve and pit avocados; top with chicken mixture. Pass remaining curry dressing. Makes 4 servings.

ELEGANT COMBINATION of pineapple, celery and chicken are tossed in a French dressing with small hint of curry makes a perfect dish to serve "the girls" when they come to luncheon.

Independent-Journal
SERVING ALL OF MARIN COUNTY

FOOD PAGE

Sandwich Loaf

Make a sandwich loaf the highlight of a luncheon. Trim crusts from loaf of unsliced sandwich bread and slice crosswise into 4 layers. Add ½ cup ripe olives, cut in wedges, to your favorite egg salad recipe, using 3 or 4 hard cooked eggs. Spread half the egg salad on the bottom layer and top with second layer of bread. Spread with tuna salad, then top with bread and spread with remaining egg salad. Stack on the final bread layer and frost with 2 (3-ounce) packages of cream cheese whipped with a little milk and lemon juice. Chill until party time.

Scorched Vegetables?

If vegetables get a little scorched, transfer them immediately to another pan, cover with cold water, and bring them to a boil. Finish cooking. They will not taste burned.

Canned Sardines Make Excellent Summer Dishes

Canned sardines from the cold Norway fjords may be prepared in a wide variety of tasty warm weather dishes. The fish are ideal as canapes, appetizers, sandwich fillings or may be eaten right out of the tin at picnics and beach parties.

1 can (3¼ oz.) sardines
½ c. bread crumbs
1 egg, beaten
1 tsp. grated onion
2 tbsps. lemon juice
¼ tsp. Worcestershire sauce
1 c. shortening
(Cooking time: 2 minutes)

Drain the sardines. In a bowl mix the sardines, bread crumbs, beaten egg, onion, lemon juice and Worcestershire sauce. Heat a cup of shortening in a small skillet (7 in.), over medium heat. Drop the sardine mixture by tablespoonsful into the hot shortening. Fry quickly, turning to brown on the other side. Serve with catsup or lemon wedges. (Note: if dropped by teaspoonsful into the hot shortening, they could be served as appetizers.) Yield: 10 1½ in.) tidbits.

Weight-Watcher

Mold fruit-flavored gelatin in a ring mold; turn out when chilled and set. Fill center with a combination of diced fresh fruit. Serve with whipped cream (sweetened and flavored with vanilla) for a delicious dessert. Weight-watchers can enjoy without the cream.

'Aloha Days' Now At Littlemans

The charm of the Hawaiian Islands will be in evidence at the Littleman Markets in Marin County during "Aloha Days."

Colorful leis, grass shacks and mechanical hula girls set off the decorations. Adding to the tropical atmosphere are large displays of sugar, pineapple, coconuts and other popular island delicacies. Employees will be garbed in Aloha shirts, flowery print dresses, leis and straw hats.

During the course of the four week celebration many special events have been scheduled. On Saturday, Aug. 19, from 12 until 4 p.m., Paul Miller and his "Hawaiians" will play. Paul with Steve Atkin and Dean Reilly will provide background music for the appearance of Nanilei Bettencourt, from the Sheraton Hawaiian Hotels. Of Hawaiian, Chinese, Portuguese, and French extraction, Nanilei will give an exhibition of Hawaiian, Tahitian and Samoan dances.

Aloha Days will continue through August and will end on **Aug. 26.**

SEE, THERE'S PLENTY OF MATERIAL!

In preparation for the Corte Madera Center Dollar Days, Marie Jensen of San Quentin, is shown that the W. T. Grant Co. sale of yard goods remnants are ample enough for a dress. With her are Margaret Himes, 131 Ross, San Rafael, and the store manager, Les Beardsley, 17 Pixley Avenue, Corte Madera.

PLEASANT SHOPPING ARCADE

This is the safe-for-children mall of the Corte Madera Center, which will be thronged with shoppers during Corte Madera Center Dollar Days tomorrow and Saturday. Stores in the center will remain open until 9 o'clock tomorrow night.

College Students Ask For More Work

NASHVILLE, Tenn. (AP)—Students at Vanderbilt want more **work**—or so their leaders say.

A committee of top students named to study all phases of campus life numbered among its recommendations that (1) students be required to write more papers and take more tests and (2) some courses be made "more demanding."

Collection Of Scotts

FREWSBURG, N.Y. (AP)—Melvin Heedan, a high school art teacher, has a collection of more than 1,000 lead-cast toy soldiers representing every Scottish regiment in the British army of 1890. He says they are detailed, true-life miniatures collected during the last 15 years in the United States, France, England and Hong Kong.

Market To Conduct 'Days Of Hawaii'

During most of August the Littleman's Super Market will conduct a special "Hawaiian Days" promotion, which will get its big kick-off this weekend during the big Dollar Days, tomorrow and Saturday.

Through Aug. 19 shoppers will receive free registration tickets at the store, and several lucky numbers will be drawn at 4:30 p.m. on the last day of the long event.

First prize will be a trip for two for a week to Hawaii. It will include the round trip jet fare, accommodations and some cash plus a special luau and harbor tour. Arrangements for the Littleman's Hawaii celebration are being made by Budd's Travel & Tours of San Rafael.

Second and third prizes will be trips for one to Harrah's at Lake Tahoe. Other lucky shoppers will win tickets to see the San Francisco Giants play, plus several merchandise awards.

Seasonal Clearances Scheduled

Special mid-summer seasonal clearances will be offered by the many stores at the Corte Madera Center during their Dollar Days tomorrow and Saturday.

According to Robert Batty, president of the Corte Madera Center Merchants Council, "This event follows our policy of trying to offer the most for the least—and at the one big place in the county where shopping via automobile is both convenient and pleasant.

"We are doing our best to help make 'Mrs. Marin's' dollars stretch a little longer," Batty added.

Stores participating in the Dollar Days event are:

Littleman's Super Market, W. T. Grant Co., Kramar's Shoes, Peerless Laundry and Dry Cleaning, Harmony Music Center, Kirby's Shoes, Louis and George Men's Clothes, Toy World, GallenKamp's Shoes, J. C. Penney Co., Montgomery Ward Co. and Woolworth's.

Several other Center stores with fine values include: Zim's, Herbert's Sherbet Shoppe, Thrifty Cut Rate Drug Store, Lady Baltimore Bakery, Mam'selle Beauty Salon, Frank's Shoe Repair, Jay Vee, Junior Junction, Luana's, Swiss Watchmaker and the Kerns & Walker Cleaners.

Additional members of the council supporting this event are: Marina Barbershop, Friend's Union Service Station, Jerry's Chevron Service Station, Edgewater Inn, Dr. Shuso Kumata, Optometrist, Household Finance Corp. and the Crocker-Anglo National Bank.

Idabelle Main Leaving Marin

Missionary To Retire In Pasadena

By MAYBELLE SPECKMANN

Near-lifelong friends will be living in their own cottages on the grounds of the home for retired missionaries of the Woman's Society of Christian Service of the Methodist Church when Mill Valley's Dr. Idabelle Main leaves this month for Pasadena.

The much loved and respected Dr. Main, for whom the Idabelle Main Circle of the Mill Valley Methodist Church was named, and Miss Jennie Bridenbaugh were friends when they lived across the road from each other and attended college in Sioux City, Iowa.

"We were graduated in the same class from Morningside College in Sioux City," she said, "and both of us have spent our lives as missionaries and educators."

ALREADY THERE

Miss Bridenbaugh, who was principal of a school for girls in China for many years, is already residing in her cottage on the grounds of the home in Pasadena, and Dr. Main's cottage, which is now under construction, is expected to be ready by the middle of the month. Both little homes will eventually become the property of the home.

The distinguished educator and missionary, who obtained her doctorate degree in education from Columbia University in 1918, has spent the greater part of her life in China. She was president of the Hwanan College for Women in Foochow and traveled all over China as secretary of the Interdenominational China Christian Educational Assn.

With her husband, also a missionary, she remained in China until 1941 when they were forced to leave by the Japanese, who had entered the country in 1937.

They came to Mill Valley and bought the family home of Mrs. Lucretia K. Hanson. Following the death of her husband in 1945 Dr. Main returned to Hwanan College, remaining until 1949 when the Communists seized control of the country.

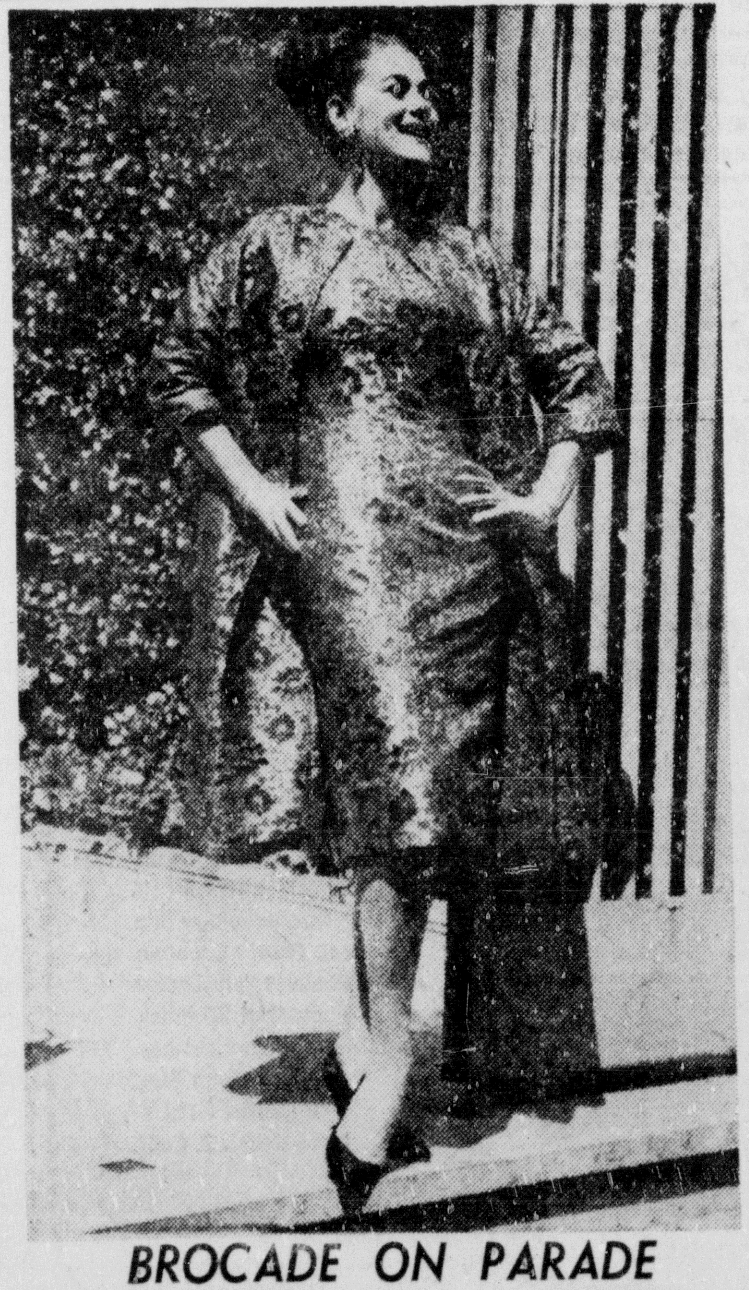
WENT TO RIO

After one year in Mill Valley she went to Rio De Janeiro, where she taught English in a Methodist junior college for girls.

In 1955 Dr. Main returned to her home in Mill Valley and has been active since then in Methodist Church affairs both in Mill Valley and Tamalpais Valley.

Dr. Main leaves in Marin a son, Cmdr. William A. Main II of Belvedere, his wife and two sons, William and Robert, and a niece, Mrs. John Walters of Mill Valley, her husband and children, Mark, Philip and Anne.

MILL VALLEY'S distinguished educator and missionary Dr. Idabelle Main will be leaving this month for Pasadena where she will join a lifelong friend on the grounds of the home for retired missionaries of the Woman's Society of Christian Service of the Methodist Church. During 1956-57, Dr. Main was president of the Marin County Council of United Churchwomen. (Independent-Journal photo)



BROCADE ON PARADE

This afternoon ensemble of heavy brocade dress and cape was created by the Eleanora Garnett fashion house of Rome. Dubbed "Basilissa" by its designer, the outfit was shown as part of the collection of fall and winter Italian fashions. (AP Wirephoto)

MARIN'S SOCIAL WHIRL

Visitors From Paris Honored By Dr. And Mrs. William Neal

By FLORENCE DONNELLY

Dr. and Mrs. William S. Neal of San Rafael entertained at a cocktail and buffet supper Sunday night honoring Dr. and Mrs. Lester Lipsitch, formerly of San Francisco, whose home is now in Paris. Doctor Lipsitch is chief of staff at the American Hospital in Paris. He and his wife traded houses for the summer with Mr. and Mrs. Lewis Aaron, who with their two daughters, are staying at the Lipsitch home in Paris. The Aaron residence is on San Pedro Road in San Rafael's Golf Tract.

Doctor Lipsitch, an internist, was formerly with Stanford Hospital. The daughter, Susan Ann Lipsitch, a recent graduate of Wellesley College, was with them at the Neals' party. She will be married to George Butterworth III, a Harvard graduate, on Aug. 21 in Framingham, Mass. Also at the party was John Lipsitch, a Stanford sophomore, son of the honored couple.

The guest list included Doctors and Mesdames Gerson Jacobs, E. W. Denicke, James D. Goebel, Russell Klein, Russell Bernhard, Morrie Mink, Henry Libby, Edward Sargent Jr., Marvin Gerber, Maurice Salomon, Gerald Hill, Sam Nelken; Mr. and Mrs. J. K. Solmonson, Mr. and Mrs. Gilbert Barker, Mrs. Margaret Birnberg, John Dempsey, Doctor Neal's father, James H. Neal, and James Neal and Marcia Neal, son and daughter of the hosts, who are both University of California students. Jim, who has been at summer school at the university, will be a freshman, Marcia a junior.

AN OLD STONE HOUSE in Bucks County, Pa. will be the future abode of Mr. and Mrs. George Wells Thorpe, who are leaving Sausalito after nine years' residence. They have not decided whether or not to sell their Marin home. Reason for the move is that George is a writer and wants to be closer to Philadelphia (it will be only a half hour's ride there) and New York. He has just completed a play which is in the hands of an agent in New York City. George is a regular contributor to the Saturday Evening Post. And at the place in Pennsylvania he will have the guest house as his studio.

The stone two story house, 110 years old, is near the Delaware River. There are large fireplaces in the living, dining and drawing rooms and in the master bedroom. A fireplace covers an entire wall in the guest house. The property is one and a half acres, which will be an ideal run for the Thorpes' two Dalmatians. Mrs. Thorpe first saw the place when she went to the wedding of her son, Kent Kirwan, in June and she and George decided to buy it. Kent, who was graduated from the University of Chicago a week before his marriage, is studying at the university for a doctorate. Mrs. Thorpe has another son, Denison Kirwan of Berkeley, who has two children. The Thorpes will drive to Pennsylvania, with the dogs, the latter part of August.

Honoring Mrs. Thorpe, Mrs. Earl Thompson of Sausalito gave a luncheon recently.

Bing Crosby's house in Pebble Beach has been bought by the Frederick Talbots, who with their two daughters, Suzanne, 16, and Pamela, 13, will move there on Aug. 24. They have been spending weekends at the house and plan to do extensive remodeling after they move in.

The Crosby house on the 13th fairway of the Pebble Beach golf course, was built 12 years ago. It is the contemporary style and has 14 rooms.

The Talbots have put their house in Kent Woodlands up for sale. It was the home of the late ~~Mr. and~~ Mrs. G. Stanleigh Arnold (Elizabeth Kent) and the Talbots remodeled it. Mr. Talbot has now retired. He severed his connection with the old shipping firm Pope and Talbot five years ago and is closing out the Talbot Lumber Co. Suzanne, who attended Katharine Branson School and Redwood High School, and Pamela, a student at the Kent School, will enroll at the Santa Catalina School.

Concours Showing Planned Oct. 1

Oct. 1 is the date set for the Concours d'Elegance at Forest Meadows in San Rafael, featuring a variety of antique, classic, vintage and custom cars.

The show, which will include music, refreshments and entertainment, is sponsored by the Catholic Social Service of Marin, Sports Car Club of America, San Francisco Region; and San Rafael Region of the Horseless Carriage Club of America. Dr. W. Allen Conroy of Greenbrae is chairman. Proceeds go to the Catholic Social Service of Marin.

Stork Shower Given At Gropius Home

Mrs. Edward Johnson of San Rafael, formerly of Los Angeles, was given a surprise stork shower Friday at the Ross home of Mr. and Mrs. William O. Gropius.

Among the guests were Mesdames Sherman E. Hood, Malcolm Glover, Gordon Cochrine, Jack von Staden, Louis Vaccaro, Charles MacGowan, Miss Lorraine Roper, Mary Lou Young and Georgette Oliver.

Fairfax OES Show-Dessert Set Aug. 7

Fairfax Chapter 594, Order of the Eastern Star, will hold its annual dessert-luncheon fashion on Aug. 7 at 12:30 p.m. at the Fairfax Masonic Temple in Larkspur.

Mrs. Upton Wise is general chairman for the event and Jack Farrell of Alice of California will act as commentator.

Models will include members of the chapter and Rainbow Girls and Job's Daughters. They are Mesdames Ralph Findley, John Fraser, John Wallak, Bryce Florence, Paris Giannini, Goldie Baumgartner, and the Misses Norma Pirenian, Roni Spellins, Gayle Partmann and Lotus Schaffer.

Reservation chairmen are Mesdames Max Gadow and Albert Bryant.

New Laws Protect Family's Health And Pocketbook

Family health and safety has inspired some new laws to be passed in Sacramento.

New laws help the State Dept. of Public Health to pick up where the Federal Food and Drug Administration leaves off in safeguarding users of cosmetics here against misbranded or adulterated products.

Labels of hazardous household substances must contain the product's ingredients and the most effective antidote in case the product is eaten or applied to the skin.

It also puts the state laws regarding color additives in foods and drugs on a par with federal regulations.

Each hospital, medical or surgical insurance policy must contain on its face a complete list of benefits provided. The State Insurance Commissioner is authorized to establish minimum benefits for such policies and to refuse approval of those which do not meet the requirement.

Law now regulates prepaid service contracts with health and dance studios, requiring payments to be completed within two years and services to be provided within seven years from the contract date. Lifetime contracts are outlawed.

Automobile warranties are now regulated by the Insurance Commissioner by law defining as automobile insurance as any contract of warranty or guaranty which promises service, maintenance, parts replacement, repair or money for loss or damage to a motor vehicle or its parts.

WHITE MANZANITA trees will form the table decor when the Fairfax Chapter of the Order of the Eastern Star stages its dessert-luncheon fashion show on Aug. 7 in the Fairfax Masonic Temple in Larkspur. Working on the decorations are, from left, Mesdames Albert Bryant, worthy matron; John Wollak, Upton Wise, general chairman and Ralph Findley, models chairman. (Independent-Journal photo)

Marin Women

For men who love sharp cheddar

(and women who love them)

As far as we know, MacLaren's Imperial is the oldest brand of cheddar sold in North America, or maybe the world. In Canada, that able Scotsman, the late Mr. Alex MacLaren, started marketing this truly sharp club cheddar (in opal glass pots!) about 1891. When we bought the thriving MacLaren business in 1921 we discontinued the "pots," but never, never changed the quality of the cheddar one whit. Now we're proud to offer it, in a handy new 10-oz. stick, to all devotees of genuinely sharp cheddar. *Kraft Foods, Chicago.*

P.S. Please bear in mind this is *natural* cheese, *not processed.* "Club" simply means that long-long aged cheddars have been blended together so they're SPREADABLE.

WHERE SHOPPING IS ALWAYS PLEASANT

This is view of the Corte Madera Shopping Center as seen from the parking lot facing Redwood Highway. Plantings add to attractiveness of the ever-growing center, which will stage a "bigger and better" Dollar Days event tomorrow and Saturday.

Merchandise Manager At Wards Is Promoted

Burton Rowe, merchandise manager of the Montgomery Ward store in the Corte Madera Center, has been promoted to general manager of the Ward's Palo Alto store.

He was born in San Diego and was graduated from the University of San Francisco, having accented his studies in accounting and merchandising. He has been with the famous national retail firm for 10 years. Rowe has been at the Corte Madera store since its opening there in March, 1960.

During World War II, he served with the Air Force, mostly in the European Theatre.

Rowe now lives with his wife, Darlene, and three children at 1836 Fifth Avenue, San Rafael. The family will be moving to Palo Alto soon, prior to the beginning of the new school year.

First Role

HOLLYWOOD (UPI)—Carolyn Komant, Warner Bros. contract player who formerly was Miss Maine, gets her first movie role playing an inmate in "House of Women."

Parking Space Is Big Thing For Shoppers

Marin County's marvelous Corte Madera Shopping Center, with the largest single off street parking space in the county, makes it possible to achieve one-stop shopping, so long needed in this fine residential community.

"The Corte Madera Center Merchants' Council," says Louis Malvino, council secretary, "is moving ahead with plans for more improvements with the parking layout and traffic pattern.

"We will be meeting soon with Frank Rusalem, center developer, to work out the new scheme of things. Since the Center opened about three years ago, we have learned new things about what our thousands of customers want and need. Besides," added Malvino, "car lengths became longer and then shorter. These factors will be included in our studies."

About 2,100 automobile parking spaces are in the center now. When the new Smith's Store opens within the next several weeks, the additional traffic generated will necessitate new space markings.

City Drops Service

RICHMOND, Va. (AP) — The city of Richmond has decided to drop its emergency ambulance service and let private operators do the job. City Manager Horace Edwards expects a saving of $75,000 a year.

'Good Guy' Prisoners Will Get Rewarded

MURET, France (UPI) — A "good guy" and a "bad guy" prisoners—with the good guys living like gentlemen farmers with a swimming pool at their disposal—will go up soon in this little French town.

Construction will begin this year on the ultra modern prison which will combine reformatory measures with rewards for "good" prisoners. The prison will be built on a 24-acre site and will cost $3 million.

The decision was taken to build the jail after French technicians and architects went all over Europe and the United States studying the most modern prisons.

The main ideas of the new prison will be to ally security and reform measures with a modern and decent life for long-term prisoners.

The jail will be open only to those who have received a sentence of at least 10 years.

The outside appearance will be somber, with an 18-foot-high concrete wall, on top of which small walks will enable guards to patrol day and night.

Inside it will be like a dream house, at least for those prisoners who have good conduct privileges. The inside will be divided into two main quarters, the first reserved for "good" prisoners where they will live like gentlemen farmers, and the second where the "toughs" will have a harder life.

The main novelty for a French jail will be the prisoners' cells. They will look more like studios, each of them equipped with running hot and cold water and central heating.

A chapel also will be built in the prison. A modern stadium with sports instructors and a swimming pool will be at the disposal of prisoners.

A modern farm will be installed in the prison and the prisoners will produce a large part of their food. They also will test new ways of farming.

A small hotel will be available to visitors. The small town of Muret, which has only 5,204 inhabitants, has been famous so far only because former President of the Republic Vincent Auriol was born there.

The jail is expected to be finished in three years, replacing a prison in the Loire Valley built in 1804 in a former cenvent dating from 1099 which the government wants to restore as a historic monument.

Giant Facilities For Airports Predicted

LOS ANGELES (UPI)—Brazilian architect Sergio W. Bernardes predicts airports of the future will be giant, highly efficient facilities with everything but the planees underground.

Bernardes, in Los Angeles recently to address students and faculty members of the University of Southern California's School of Architecture, said that in the future $40 million supersonic planes may—because of economics—be permitted to make only one stop per continent.

His airport design, on which work already is underway in Brazil's new capital city of Brasilia, is based somewhat on the principle of the aircraft carrier with one runway for takeoff and another for landing and with all services underneath the airport apron in a two-story substructure.

Bernardes proposed that the runway for landings be inclined to cut the speed of the aircraft when it has its wheels on the ground. By the same token, takeoffs would be made on a downgrade to increase the momentum of the aircraft in approaching flying speed.

The underground facilities would include—if the pattern of the Brasilia airport is followed—such refinements as a lake, an aquarium, trees and plants, as well as elevators to move passengers to and from planes and from one level to another depending on whether they are domestic or inter-continental travelers.

Another feature of the Brasilia terminal will be a 17-floor sound-proofed, air conditioned cylindrical building including a hotel and airport admanistration offices.

Bernardes said the multi-million-dollar supersonic aircraft of the future—because of their tremendous cost—probably will be owned jointly by several companies.

Clean Town, Dusty Jail

MIDDLEPORT, N.Y. (AP) — Apparently there's nothing wrong with the jail here that a little business wouldn't cure.

Police have received a report on an inspection the State Commission of Correction made during the spring. It says: "The cells and cell room were clean but somewhat dusty from disuse on the date of inspection."

There were no detentions in 1960 or up to the date of inspection, village officials explained.

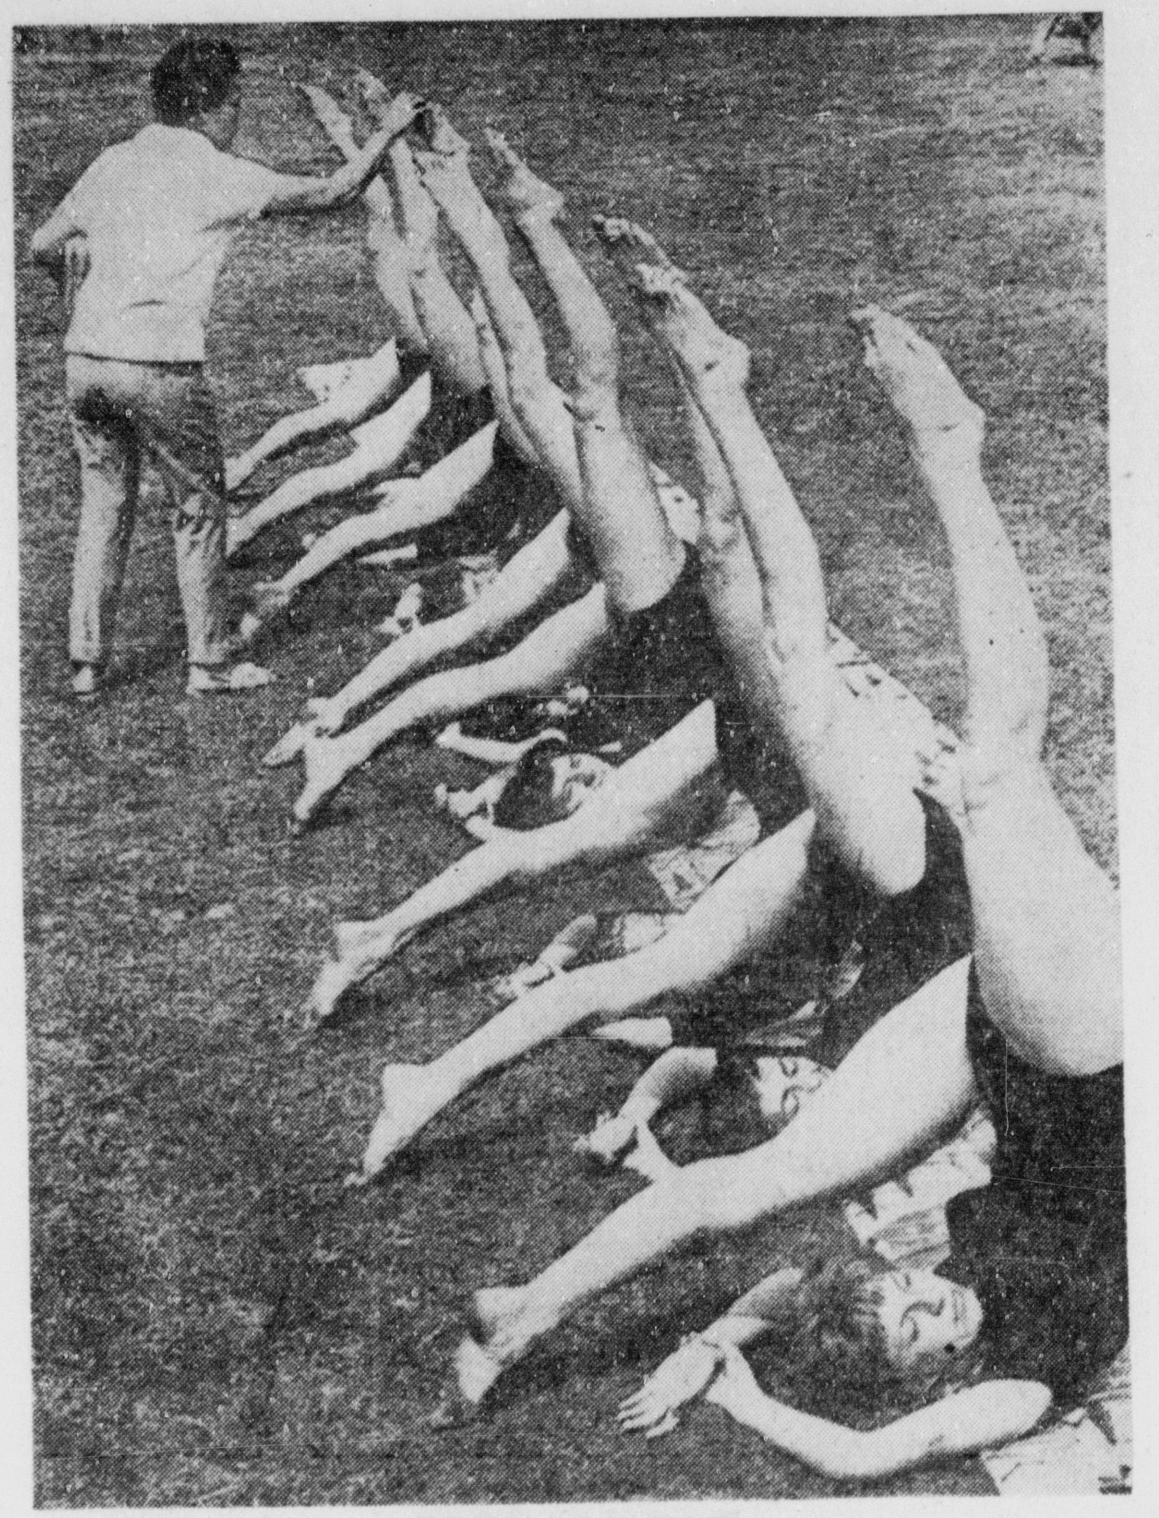
King-Sized Cooler For New Building

CHICAGO (AP)—A giant-sized air conditioning system is being installed in McCormick Place, the new lakeside exposition center here.

The system is big enough to cool all the homes in a city the size of Schenectady, N.Y., or Burbank, Calif. It uses some 20 miles of piping and 4,000 fittings.



LEGGY LINEUP

Danish women gymnastic team members lossen up, aided by their trainer, Lois Burmester, for the Gymnaestrada world gymnastic festival which has drawn some 10,000 gymnasts from all over the world to Stuttgart, Germany. (AP Wirephoto)

Sitting's Harder

NEW YORK (UPI)—For years, homemakers have been told to save energy by sitting when they work. But laboratory tests show that women use four per cent more energy when sitting, rather than standing, to wash dishes and do ironing. U.S. Department of Agriculture home economists made that point in a recent report of the American Home Economics Assn.

THE PARENTS' CORNER

By RICHMOND BARBOUR, Ph. D.
Guidance Counselor

Chances Are Daughter Will Change Mind About College

(Q) "My daughter was refused admision to the college of her choice. It was a terrible blow. She has brooded about it all summer. Now she is bitter about the school she will attend. It is her second choice. She says it is a 'dumb school,' and that she will never like it. Do you think her attitude will change? Will she ever love her college?"

P.L.

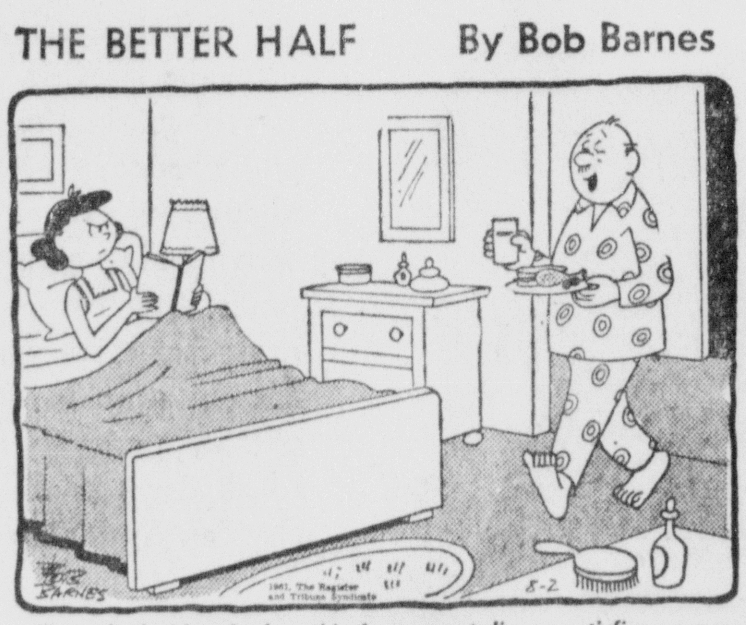
(A) Almost certainly her attitude will change quickly. By Christmas she will be saying her second choice college is better than her first choice would have been. Thousands of college freshmen go through the same transition.

(Q) "The manager of a TV station told me he never had heard of a case where children actually imitated the violence they had seen on TV. He quoted some psychologists as saying that imaginary fights and murderers do not influence children's behavior. Do you think he is right?"

D.B.

(A) He is wrong. I've encountered many cases where children have tried to imitate TV violence, with harmful results. Some research psychologists now are reporting that constant contact with TV brutality does affect children's characters. Sooner or later the TV industry will be forced to recognize that the violence it portrays can do serious harm to impressionable children. Then some changes may be made.

THE BETTER HALF By Bob Barnes



BARNES
1961, The Register and Tribune Syndicate
8-2

"I can't decide whether this is my post-dinner satisfier or my pre-breakfast appetizer."

Diets Deficient

Failure to follow dietary habits is the most striking deficiency of teen-agers—particularly girls—seen in nutritional surveys of food consumption. In one study of Iowa school children, more than half the teen-age girls followed diets that were called "grossly inadequate."

New Tamar Chapter Sets Dinner Date

Special gourmet dishes from the kitchens of Marin's newly-formed Tamar Chapter of B'nai B'rith women will be offered Saturday at the home of Mr. and Mrs. Melvin Segal, 391 Devon Drive, San Rafael.

A gala evening has been planned by the Tamar members for their friends. A folk singer will entertain with modern American folk songs and some old Israeli ballads. Food promises to be a special treat as each member is contributing her favorite recipe made up into a savory dish. Food will be served buffet style from the "Nosh Wagon." The dress is western wear.

The committee for the event includes the Mesdames Robert Horn, Gary Rifkind, Martin Marks, Julian Kivowitz, Eugene Siegmann, Sam Hoch, Herbert Korner, Segal, David Broad and Gerald Weisbach.

Reservations may be made with Mesdames Horn or Rifkind.

Loretto Parish Women Set Date Of Rummage Sale

An ice cream freezer will compete with three new fangled television sets for attention of bargain hunters at the annual rummage sale sponsored by the women of Our Lady of Loretto parish in Novato.

Other items available at the sale will be childrens' clothing, homesewn clothing and household items, three bicycles, rugs furniture, shoes, linens and appliances.

The sale is set for Aug. 11-12 at the IDESI Hall, from 10 a.m. to 5 p.m. Mrs. Anthony Nunes and Mrs. A. R. Ferrera are cochairmen of the event, with the aid of Mesdames George Gnoss, Sam Marzell, Rod Snodgrass, Arthur Pedroli, Robert Manthey, John Affonso, and Arthur Gibson.

Fuchsia Society To Meet Friday

The American Fuchsia Society, Marin County Branch, will meet at Painters Hall, 701 Mission Street, San Rafael, Friday at 8 p.m.

H. L. Wallace, who is on the staff of the Golden Gate Bridge, will speak on "Wind Tolerance Gardening."

At the Marin Art and Garden Fair last month, the Society won a blue ribbon for first place for the exhibit "Melodies in the Shade."

Tips Help You Select Flatware

URBANA, Ill. (UPI)—The woman who wants flatware "to have and to hold" should consider how easy it is to hold and use.

That's the advice of Robbie Blakemore, University of Illinois home economist. She judges the permanent value of flatware by its functionalism: how well the knife cuts, the fork skewers and the spoon stirs and scoops.

Check flatware for weight and balance, too, Miss Blakemore counsels. "The pieces should not seem unduly heavy in any one part," she said. "And they should be easy to hold and use."

TAMAR B'N
Northey

GOING WESTERN in anticipation of a pot luck dinner of special gourmet dishes and the songs of a folk singer are members of the Tamar Chapter of B'nai B'rith women, from left, Mesdames David Broad, Melvin Segal and Martin Marks. The event will be held Saturday at the San Rafael home of the Segals. Food will be served buffet style from the "Nosh Wagon." (Independent-Journal photo)

American Affluence Shown In Doubles

No one can blame you for doing a double take these days—it's just that you often see two of everything where one used to suffice.

The list is long, and it threatens to grow longer: two automobiles, two television sets, two bathrooms, two telephones, two jobs in the family, even a second home.

And to top things off, 43,000 pairs of parents are pleasantly surprised each year when they discover they have presented themselves with twins. That leads to two layettes, a baby carriage for two, two cribs and two sets of bottles.

About the most common sign of affluence, however, is the two-car family. Latest figures show that over seven million families have two or more automobiles. In many instances the second car is a matter of necessity, particularly among suburban families where the husband drives to work. The wife uses her car to do the shopping; to chauffeur the children to school and to Scout, 4-H and other meetings; and to participate herself in the activities of community organizations as a volunteer worker.

Often a wife needs a car because she has a job outside the home, through which she is earning a second income for the family. The U.S. Department of Labor reports there are 10 million couples with both husband and wife employed, and predicts that more married women will take jobs in years to come.

Although the income earned by wives enables many families to afford a second car, as well as other "seconds", much of these additional earnings are put aside to help meet long-range family goals, such as a college education for the children, or for an income after retirement. There is additional evidence the serious attitude that families take toward financial planning of this nature.

There is one type of duplication on the decline. It is the "doubling up" of families in a single home. Some 15 years ago more than three million husbands and wives—nine per cent of all married couples—were living with relatives. Today the figure has dropped to below 2½ per cent, which means that less than one million families are doubled-up; many have not been married very long, and are staying with parents for a time until they have had a chance of establishing a household of their own.

The decline in double-up families of course means that more people are living in their own homes. What is less well-known is a trend among families to establish a second home, usually as a vacation retreat. Families with trailers often regard this as their second home on weekends, and vacations. Some reports say there are already about one million cabins, bungalows and similar homes at lakesides, at the shore and elsewhere.

FOR ASTRONAUTS

Kitchen Without Sink Ends Dishpan Distress

CLEVELAND (UPI) — The kitchen that will accompany our astronauts into space will not have a sink or many of the usual present day utensils.

It eliminates the dish-washing chore, too

A compact space kitchen, only 10 feet long and fitted into one half of a circular capsule 7½ feet in diameter, was shown during the American Home Economics Association annual meeting.

This ultra-modern facility, however, was jammed with enough foodstuffs for three men on a 14-day flight through outer space.

It included a thermo-electrically powered refrigerator and freezer, tiny electric oven, hot and cold running water, pull-down storage cabinets, waste disposal facilities and feeding trays.

Missing, however, were knives, forks, plates or cups.

The space traveler, however, will be able to feed himself, using a direct "container-to-consumer" eating process.

When he is thirsty, the astronaut first puts the nozzle of a tube of reconstituted beverage to his lips, then squeezes the plastic container much like he'd squeeze a toothpaste tube. The liquid is forced out of the container and into his mouth.

The space man will warm cans of meats and vegetables in a warming oven. The warming will take about 30-minutes, then they'll be removed from the oven and the caps on both the top and bottom of each can will be unfastened.

The space man will attach a manually operated forced feeding mechanism resembling a potato ricer.

Frozen bread items, as well as other snacks, will be eaten in the normal way.

To make sure that the meal does not fly around because of weightlessness, all containers of food are secured in a feeding tray.

To prevent himself from floating around in the kitchen, the astronaut will lock his legs in a harness fastened to a built-in kitchen stool. Only one astronaut at a time can use the kitchen because of its compactness.

The kitchen weighs only 818 pounds when completely filled with food and liquid.

Careless Females Parch Tresses While Sunning

CHICAGO (UPI)—Hair can become sunburned too, beauty experts warn.

Tinted hair is most vulnerable to the sun, sand and surf and professional beauticians advised giving it extra protection. Here's how:

Keep a lightweight scarf in your handbag, for boating or when the top of the car is down.

Have conditioning treatments at the beauty parlor to counter the sun's drying effects.

Shampoo the hair more frequently during hot weather, to wash away perspiration.

Use a conditioning hair dressing daily and carry a tube in beach bag to use during lengthy sunning sessions.

If swimming in salt or chlorine water, protect your tresses with a close-fitting bathing cap.

When spending the whole day at the beach, try wearing a straw skimmer that both decorates and protects.

FAMILY FARE

Teaching Youngsters Ways To Escape Fire Will Help

Over and over you read in the headlines variations of "Four Children Die As Fire Sweeps Through Home." Horrible thought, those helpless youngsters being painfully burned or overcome with smoke. What would your children do if fire broke out?

Could they help themselves and their brothers and sisters? Hazards exist in the best homes and you cannot be everywhere to prevent danger. Better to teach the youngsters, even the little ones, about the danger of fire and what they can do to. The well-trained child is less likely to panic if he is familiar with your fire plan. Beware, though, of dramatizing the evil of fire so that he awakens frightened at night.

Emphasize escape from the burning home or building. Never mind the saving of property.

If clothing catches fire, lie down and roll over slowly. Don't run, as this fans flames. Wrapping in a blanket can help.

Don't open doors or windows. The draft will cause the fire to spread.

To escape from a fire-swept room, keep low to the floor, as heat and smoke rise.

If you must open a door to escape, do so cautiously and stand behind it as protection from a blast of scorching air.

If dashing through flame, cover face, hands and scalp with heavy towel or clothing, preferably wet.

Don't re-enter a burning building to rescue a pet or a toy.

If doors and transoms are shut, open a window a crack and stay near it to breathe the fresh air.

The training is good for adults too, whose responsibilty it is also to see that electrical outlets are safe and that trash does not accumulate in basements or storage closets and garages to invite fire.

Courreges Is Star Ascending In Paris Fashion Firmament

By NORA W. MARTIN

PARIS (UPI)—A new "star" is rising on the Paris fashion firmament. He is 38-year-old Andre Courreges, who was for ten years a fitter at Christibal Balenciaga.

Since Balenciaga is fashion's guiding "north star," Courreges—following the master's lead—is on the way up.

In his miniscule, walk-up apartment, Courreges presented his first fashion collection of 30 outfits including suits, coats and cocktail styles.

It was like seeing a "pocket edition" of Balenciaga's famed fashion shows, with the superbly tailored suits, the typical cape-backed coats and the lovely, feminine cocktail styles, all there to enjoy for the fans of the famed Balenciaga—and now Courreges—tailoring.

Buyers, too, had a heyday. Courreges, not yet belonging to the Paris high-fashion syndicate, didn't charge entrance fees to professional buyers this time. But the prices, alas, are quoted about as high as in other fashion houses with a suit going for about $800 or $900.

As at Balenciaga or Givenchy, Courreges' new autumn suits and dresses were designed to please the usually rich private customers who don't want to live on lemon juice in order to look slim, fashionable and charming.

Courreges' suit jackets curve in at the midriff but have loose straight backs, shoulders padded to width and arched raglan or kimono sleeves.

The skirts are short enough to show the knee-caps and they are straight, slightly ruffled-in at the waist in the style Balenciaga has shown for years now. Typical was an off-white tweed suit curved to the midriff by four front-tucks to contrast with the loose back. It was double-breasted with brown buttons looking like over-size raspberries, and its standup collar band was made to stand away from the neck.

Its front-ruffled skirt was worn with a sleeveless, brown silk over-blouse, a matching brown silk ascot scarf in a brown felt hat.

A giant hound's tooth pattern in black and white, used for a suit, proved that Courreges considers black and white tweed fashionable, as do Balenciaga and Givenchy. Some of these tweed suits were shown with sleeveless, fitted suede blouses either in black or in brown.

Cocktail dresses by Courreges looked very feminine with the high-necked, sleeveless bodice fitted around the bust and combined with ruffled skirts sometimes roomy enough to see a young woman through the first few months before a happy event.

Magenta pink, deep purple and cerise red were favorite late-day colors. One purple cocktail suit was made of "chenille tweed" with a full collar of chenille fringe and two huge braid buttons. It was shown with a shocking-pink hat of fluffy ostrich plumes.

But cutting suits and coats as well as dresses to suit the feminine body rather than suggesting that women should diet to fit the clothes, Courreges has come to the aid of females who want to look fashionable . . . and eat their cake too.

The Courreges styles have the same slightly "smug" look and high-fashion appeal that made the styles of Balenciaga and Givenchy status-setters in the world of Paris fashions.

With the press barred from the fashion shows of Givenchy and Balenciaga, who are now showing to buyers only, fashion experts had at Courreges a glimpse of the same type of superb tailoring which made the two others world famous.

Mustn't Brush Off Report Bridge Won't Carry Transit

Marin residents must not brush off, either one way or the other, Monday's report by bridge engineer Clifford E. Paine that the Golden Gate Bridge cannot carry rapid transit.

We cannot afford to say, "Well that's that" and content ourselves with being more and more bottle-necked by the six-lane bridge until the situation becomes intolerable.

But neither must we attempt to brush it off merely as the sentimental protectiveness of an aging bridge engineer who loves every bolt and wire in his greatest achievement.

There undoubtedly is some sentimentality in Paine's report; certainly some of it departed from an engineering analysis. Yet we cannot afford to in any way endanger that vital link in the lifeline of Marin County. And Clifford Paine knows the Golden Gate Bridge. He built it.

That brief three hours or so 10 years ago, when a high wind closed the bridge, was just a sample of what would happen should it be destroyed. We can't take any chances about it. It is vital to our existence.

We now have before us the C. H. Gronquist report, which substantiated the earlier Quade report that rapid transit on the bridge is feasible, and the Paine report which says it is not.

What can we do?

There is nothing that individual Marinites can do except to insist that our directors on both the bridge board and the Bay Area Transit District board make every effort to reconcile these reports. Still to come, Gronquist's answer to Piane's report and a meeting of the two men.

Then the decision will rest with the individual boards of directors; particularly with the bridge board.

Proposed is formation of a jury of bridge experts to study both reports. This is good if the experts are paid half by the bridge district and half by the rapid transit district. The transit district paid Gronquist, the bridge paid Paine. The third analysis should be paid for jointly.

But if this money is going to be expended, it should be with the understanding by both district directors, that they will give serious consideration to the jury's findings. It will be a waste of taxes if the bridge board, for example, decides in advance it will stick with Paine regardless of the jury's findings.

We're not suggesting the boards bind themselves to the third findings. But if the experts strongly support one side or the other, certainly it should go a long ways toward overcoming personal feelings and reaching a decision.

If the final conclusion is that the bridge will not support the transit system, then we had better begin planning a second bridge right away. Certainly Marin is not going to vote an additional 41 cent tax rate for a slightly improved bus system.

THREE MINUTES A DAY

By JAMES KELLER

DO MORE THAN TALK

A restaurant boasting of its "Individualized Service" came up on the short side of consistency by specifically requesting that patrons "not ask for menu changes."

Any of us can fail in a similar manner. While priding ourselves on noble theories, we may blithely overlook the fact that we do not translate them into practice.

Check on yourself to see how often you are long on talk, but short on performance. Then start correcting yourself and there will be at least one more person in the world who says what he means and does what he says.

Besides doing a truly divine work in striving to practice what you preach, you will be blessed by your fellow man as well.

"Ponder long and often these reminders in the Holy Bible: "Not every one that saith to Me, 'Lord, Lord,' shall enter into the kingdom of heaven; but he that doth the will of My Father who is in heaven, he shall enter into the Kingdom of heaven." (Matthew 7:21)

Help me, O my Savior, to practice what I preach.

HAL BOYLE'S COLUMN

To Retire Or Not To Retire? —You Can Have Either Way

NEW YORK (AP)—There is a great industry being built up that says you can't be happy if you retire after 65.

There is a great industry being built up that says you can't be happy if you retire before you are 65.

There is a great industry being built up that says it isn't worthwhile to retire at all. It is better to go on as before.

Well, this just may or may not happen to be true.

So far as I know, there is no medical evidence that proves any human being who keeps his enthusiasm for living and new or old enjoyments dies younger by quitting a steady job at 55 rather than 65.

What is true is that in most circumstances no doctor can assay your endurance.

Unless you have a known terminal disease an honest physician would have to admit, as any honest physician did 3,000 years ago, that your longevity would have to be as much a mystery to you as his is to him.

It has been my observation that people who have performed an endeavor ably for a long period of time, if they weary of it, survive longer if they relinquish it rather than if they try to continue their clutch of it.

They must find a different reach. There comes a time when they must let go of what they have held, and grasp another thing.

There are those who say that age cannot stand a change of medicine or survive a new viewpoint.

My observation has been that the elderly can well sustain any change except a change of weight.

Those who retire early do not perish from nonperformance. Their appetite endures, they refresh themselves by new attempts.

My mother, who got only through the third grade in Ireland before she came over here and bore five children, never had time to study gerontology. She'll be 74 this year.

"Sometimes I fell like I ought to let go, and give this old world a rest," she says placidly. She is 60-70 pounds above her arrival weight, and America has been for her just one child and a calorie after another.

ALL HER FIVE children—the silver cord remains untarnished and unbroken — deny her this choice. They all feel the need of her unity, now as when young.

"But sometimes I get so tired," mother says. "I'd like to retire. I'd just like to quit."

Talk, woman, only talk.

THERE ARE plenty of statistics to show—I hope—that men who retire younger live longer than those who don't. It's good for them.

But not for mothers. Mothers can't retire. They can't quit, can they? A mother's best pension is the reward of the need of her eternal presentment.

Print All Of Sad Background

EDITOR,
Independent-Journal:

In answer to three letters last week about the publicity you are giving to two Santa Venetia boys responsible for the tunnel fire; you stated that it was because of readers in the past almost unanimously in favor of publishing names.

The though occurred to me that I wonder if these readers were composed mostly of people lucky enough never to have to carry the stigmatism accompanying such notoriety. Would they "truly" feel this way were their children involved?

If you feel you must print of their sad backgrounds, then do your job well! Print not only a picture of a child who "hears squeaky noises in his head," but also of a love-starved, persecuted child, trying to find his way in life while living down the reputation (of a father) and looked down upon by many bigoted, self-righteous adults and their sneering children that force him to be an outcast in social groups and seek out "his own kind."

As a mother in Santa Venetia, I know of Jimmie Rogers' background and also it breaks my heart to read the sensational material you feel you must print.

In closing, I would also like to add that the question continually arises from friends in neighboring cities who read of our D.A.'s murder charges against these boys, "Is there an election in the near future?"

Recall 'Device' Safeguards Us

EDITOR,
Independent-Journal:

In response to Arthur K. Smart's letter (July 25) to the effect that the Blair recall movement is providing "the very weapon that is most ideally suited to one's opponents":

The recall "device," as he calls it, is ideally suited to all citizens; it is an instrument safeguarding us from neglect of duty, among other things, of our elected officials.

I am an admirer of Mr. Smart's civic work. I know from his actions on the Board of Freeholders in trying to provide Marin County with a charter (which it obviously still needs badly), that he is a believer in the rule of law.

I doubt the possibility of the people's recalling a responsive official, and that is why it has not been used before in regard to our supervisors. We need not fear establishing a precedent. We may quite legally and with good conscience be able by this recall to regain the kind of representation all of Southern Marin is entitled to.

In fact, by his "better late than never" announcement of availability, Mr. Blair shows that he is quite aware of the reasons this recall movement has gained such momentum.

We should never be afraid to use our legal and democratic means in order to maintain good government.

Wilson's Castro Article Full Of Lies

EDITOR,
Independent-Journal:

Although I realize that distorted news has now become so commonplace as to be almost acceptable to the average reader, I still feel compelled to express my indignation at the undocumented hearsay and out and out lies which went to make up an article in your July 26 edition: **How Did Castro Grab Island In First Place?** by Lyle C. Wilson.

I realize that none of your own writers are responsible for this—but the paper does bear the responsibility for having printed so misleading and false an article.

Let me begin by saying that I am not by any stretch of the imagination "pro-Castro." I disapprove of the man and his methods and I consider him to be potentially dangerous. It is impossible to deny his close affiliations with the Communist nations, affiliations towards which we, I admit, gave him a helpful push by our reactionary and exploitative policies of the past.

I do not think that anyone has established as fact that Dr. Castro is at present a card-carrying party member, though at this point that makes little difference. What has been quite definitely established is that not only was Castro not a Communist at the time he took over the Cuban government, but that he was actively anti-party.

The reason was simple. Castro's revolution was an intensely nationalistic one. He did not want to identify or adhere to any sort of international party-line at that time. In fact, the Communist Party in Cuba at the time of the revolution were actually supporting Batista.

Since then it is obvious that many sympathies have shifted, that Communists with a small or large C play a major role in the now proclaimed socialist country of Cuba. This is no excuse for us to make up stories about the revolution itself, nor to now glorify the tyrannical dictator Bastista, without whom I firmly believe Cuba is better off even under present conditions.

At the time of the revolutiton, many Americans supported the Castro effort for its courage and idealism, not without cause. Must we, because conditions have changed—some of them through our own faults and blunders—vent our guilt complexes by finding termites in the wainscoting?

I would appreciate comment from Mr. Wilson.

PAULA W. WHITE
Mill Valley

The Country Parson

"God's power is kind of like gravity—we don't think about it but we'd miss it if it wasn't there."

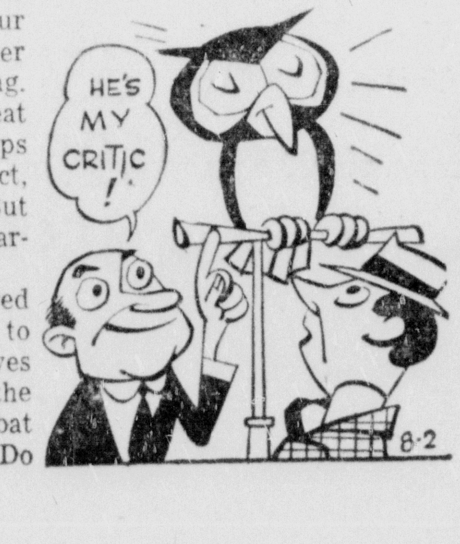
TRY AND STOP ME

BENNETT CERF

George Burns recalls a pair of acrobats who got a chance to play a top vaudeville house after years in dinky one-ring circuses. "If you make good in this house," their agent promised, "I'll get you a 50-week contract playing the whole circuit. But keep your eyes on an owl the manager keeps on the balcony railing. The manager takes great stock in that owl. If he keeps his eyes open during the act, you're in like Churchill. But if it blinks—good night, Charlie!"

The opening night arrived and the acrobats advanced to the footlights, their wives watching nervously from the wings. Suddenly one acrobat whispered to the other, "Do you see what I see, Joe? That ventriloquist has your wife in his arms and is kissing her madly."

"Never mind my wife," hissed the other. "Keep your eyes on that owl!"



I-J REPORTER'S NOTEBOOK

By RANDALL GOULD

It's The Female Spider Who Spins Those Long Webs, Sticky Or Not

The female of the spider species is not only more deadly than the male, but a better bridge-builder. So I am informed by a human female named Camilla, who writes of my recent column about Mill Valley spider prowess:

"Your conclusions are admirable, you entymology erroneous.

"You are going to have to transfer your admiration to an improvident FEMALE genius spider. (I had rashly assumed that a wonderful feat of distance-spanning at our house was the work of a boy spider.)

"**THE FEMALES** spin the webs and eat the males. They have tubes in their behinds that secrete two kinds of goop, one sticky, one not sticky.

"They shoot a sticky strand out to achor to the bastion (or cypress hedge, then they shoot non-sticky threads for themselves to run on, reserving sticky threads for the prey to land on, and always themselves using the unsticky walkways.

"Being female, this spider is of course probably no genius at all, but merely president of the Federated Female Spiders Club of America, and her beautiful bridge is merely a form of showing-off."

THIS IN ITSELF floors me, but Camilla isn't through. She grimly presses on to suggest that our Hillside Avenue spider genius "perhaps also has consumed more males than any other spider in a given period of time. (I had forgotten this nasty habit of spider, hypocritical praying mantis, etc.) thereby ranking not only as more competent, but also as better nourished.

"And her shining masterpiece could also serve as both a warning and an added lure to the remaining males, if any, or to the new crop of baby ones.

"Conclusion: Not all worlds are the male's world, chum."

ONE THING ABOUT this male Gould, he knows when he's licked.

Next came a tipster to suggest that I wasn't hep, in recent supervisorial reporting. When J. Walter Blair claimed unbroken precedent for granting such "automatic" raises as that recently given Administrator Alan Bruce, said he, this was a mere dodge to protect Blair against accusation that he was persecuting Bruce.

My informant "knew for certain" that Blair was misrepresenting, for a six-months raise had recently been turned down in the case of a probation officer.

Investigation gives Blair & Co. a clean bill of health on the technicalities.

Arnold Katz, group counsellor at juvenile hall, had been promoted to probation officer of the juvenile department. When Katz came up for advance in pay six months later it was denied by the board on the ground that no essential difference in duties had been made despite the change of job title.

But Bruce clearly met the board stipulation that a raise is given six months after a county employee takes a new job with new duties.

MAYBE I SHALL never become a world authority on either spiders or the Marin County Board of Supervisors, but as time goes on I think I am getting to be the second greatest authority on the Strawberry properties and intentions of Samuel R. Neider, though I've never met the man.

First authority, of course, is attorney Bryan McCarthy, who has it on me in several ways including a profitable capacity for boiling in a good natured way at 83 degrees Fahrenheit.

Bryan will take some beating. In fact, he gets quite a lot and often cries all the way to the bank.

ROSCOE DRUMMOND

Is Soviet Embassy Now Reporting Correction Of Ambassador's Report?

WASHINGTON — It would be intriguing, indeed, to know what the Soviet Embassy is now reporting to Moscow in the wake of President Kennedy's address to the nation on defending West Berlin—and the instant response of the country and the Congress.

Now that Mikhail A. Menshikov is no longer in our midst (he is enroute to the U.S.S.R.), will the ambassador's aides correct his dangerously misinformed "assurances" that the American people will not stand by their commitments?

It is to be hoped that they will repair his mistakes because there is a dangerous parallel between Menshikov's false information to his Premier from Washington and another diplomat's false information to his Fuehrer from London.

SAID JOACHIM von Ribbentrop, Adolf Hitler's ambassador to Great Britain: "The British will not fight for Poland."

Said Menshikov, Nikita Khrushchev's ambassador to the United States: "When the chips are down, the American people will not fight for Berlin."

And now, it is to be hoped that the Soviet Embassy is transmitting a different story to Moscow and that Khrushchev is pondering these words of President Kennedy's: "We cannot and will not permit the Communists to drive us out of Berlin, either gradually or by force."

IT WAS OBVIOUSLY Menshikov's judgment that, even if the President wishes to be firm, the country would be divided and hesitant.

So divided and so hesitant: That President Kennedy's total firmness was unqualifiedly supported by all of the leaders of both parties.

That American public opinion and editorial opinion almost unanimously said, yes, fight if necessary.

That before the ink is dry on the Soviet Embassy's new reports to Moscow, Congress will have voted all the President's increases in U. S. military strength—higher draft quotas, more reservists called to duty, a 1,000,000-man army, more airlift, $3,247,000,000 in the defense budet.

And why? Because if the Soviets are permitted to take over West Berlin by bluster and blackmail, where next and what next? At stake is not just Berlin. At stake is the whole structure of the NATO alliance and Western security. In the President's words.

"If we do not meet our commitments to Berlin, where will we later stand? If we are not true to our word there, all that we have achieved will mean nothing. And if there is one path, above all others, to war, it is the path of weakness and disunity."

It was only two weeks ago that he pronounced this monumental misconceptions of any Ambassador of a great power.

FORTUNATELY, unlike Ribbentrop's false reports to Hitler, Menshikov's false reports to Khrushchev are being proved false while there is still time to avert war.

In view of the galvanic response to President Kennedy's stand, there is now no reason for Premier Khrushchev to miscalculate American intentions.

When the chips are down, the American government and the American people will defend West Berlin by force if necessary.

We hope that the Kremlin will not unwisely make it necessary.

Strawberry Cream

(Makes 6 servings)

- 2 packages strawberry-flavored gelatin
- 1½ cups hot water
- 1 cup cold water
- 1 cup undiluted Carnation Evaporated Milk
- ¼ cup lemon juice
- 1 package (10 ounces) frozen strawberries
- ½ cup diced marshmallows
- ¼ cup chopped nuts

Dissolve gelatin in hot water. Add cold water, Carnation and lemon juice. Chill until mixture mounds when dropped from spoon. Defrost strawberries while gelatin is setting. Fold strawberries, marshmallows and nuts into gelatin mixture. Pour into 4½ to 5-cup mold. Chill about 2 hours before serving.

ALMANAC

Today is Wednesday, Aug. 2, the 214th day of the year with 151 to follow.

The moon is approaching its last quarter.

The morning stars are Venus and Jupiter.

The evening stars are Mars, Saturn and Jupiter.

On this day in history:

In 1824, the city fathers of New York opened a new street, destined to rank among the world's most celebrated thoroughfares — 5th Avenue.

In 1923, President Warren Harding died in a San Francisco hotel on his return from a trip to Alaska.

In 1939, President Franklin D. Roosevelt signed the Hatch Act into law. It limited expenditures in national political campaigns and restricted the roles of civil servants in political conventions, campaigns and elections.

A thought for today: Franklin D. Roosevelt said: "The test of our progress is not whether we add more to the abundance of those who have much; it is whether we provide enough for those who have too little."

TIME AND TIDE

Department of Commerce United States Coast and Geodetic Survey, Western District headquarters. Times and heights of tides at San Francisco (Golden) Gate):

The column of heights gives the elevation in feet of each tide above or below the plane of Coast Survey chart soundings. The depths are always additive to the chart depths unless preceded by a minus sign (-), when the numbers are subtracted from the depth given in the chart. Lightface eype indicates a.m. times; **bold-face type** indicates p.m. times.

HOW TO PLAY

WINNING BRIDGE

By ALFRED SHEINWOLD

Learn To Force Your Opponents To Make That Fatal First Play

In some situations the side that tackles a suit first loses a trick in the process. Learn to recognize these cases so that you can force the opponents to make the fatal first move.

South dealer
Both sides vulnerable
NORTH
♠ Q 9 8 4
♡ A Q 3 2
◇ K 10 6
♣ K 8
WEST
♠ 5
♡ J 9 8 7
◇ Q 5 4 2
♣ J 9 7 6
EAST
♠ 6 2
♡ K 10 5
◇ J 8 3
♣ A Q 4 3 2
SOUTH
♠ A K J 10 7 3
♡ 6 4
◇ A 9 7
♣ 10 5

South	West	North	East
1 ♠	Pass	3 ♠	Pass
4 ♠	All Pass		

Opening lead — ♡ 7

If South leads diamonds, he can get only the ace and king. If he forces an opponent to lead dimonds, South can get all three tricks in the suit. Hence South must plan the play from the very beginning to force a diamond lead by an opponent.

Declarer begins by finessing with dummy's queen of hearts. East wins with the king and returns the ten of hearts to dummy's ace.

South ruffs a heart with a high trump, draws trumps with the ace and dummy's nine and ruffs dummy's last heart. This process eliminates the missing trumps and hearts.

LEADS CLUB: Declarer's next step is to lead a club toward dummy's king. If West has the ace of clubs, the contract will be safe at once.

As it happens, East takes two club tricks. Now, however, East must lead diamonds since a club continuation would allow declarer to ruff in one hand and discard a diamond from the other.

No matter which card East leads, South plays for the diamond honors to be split. If East leads a low diamond, for example, South plays low to allow dummy to capture West's honor. Then a low diamond is returned from dummy for a finesse through East.

East might return the jack of diamonds to make matters harder for South; or West might be allowed to win the second club in order to return the queen of diamonds. This is difficult for South to read, but it is more difficult for the defenders to play in such a way as to deceive an alert declarer.

DAILY QUESTION: Partner opens with one diamond, and the next player passes. You hold:

♠ Q 9 8 4
♥ A Q 3 2
♦ K 10 6
♣ K 8

What do you say?

Answer: Bid one heart. If partner shows spades you can raise. If partner, instead, raises hearts you can jump to three notrump to show a game-going hand that can stand either hearts or notrump.

Date Set For Sausalito Art Festival

The seventh annual Sausalito Art Festival will be held Sept. 2, 3 and 4 on the grounds of Central School, secretary Edwin Long of the Sausalito Chamber of Commerce announced yesterday.

The event is open only to Marin County artists, said Long.

Already the Spinnaker restaurant has donated a $100 prize for the best marine painting, and the Glad Hand a $50 prize for the best ceramic ware, he said.

Artists may obtain entry blanks by writing the Sausalito Art Festival, Box 542, Sausalito. Only art work acceptable for showing in conventional art exhibits is to be exhibited, Long said.

"No handpainted sea shells, gilded starfish or driftwood," he explained. Categories are painting, sculpture, photography, mosaics, ceramics, hand made jewelry and weaving.

Car-Wash Planned

The Pilgrim Fellowship, a youth group of the Fairfax Community Church, will have a car-wash Saturday in front of the church on Sir Francis Drake Boulevard. The car wash will run from 10:30 a.m. to 4 p.m.

Flying Club Incorporated

Two Marin County men have been named as directors of the Alt-Air Flying Club of Napa County, it was announced today by Secretary of State Frank M. Jordan.

They are Chester Silverson, 990 Redwood Highway, Mill Valley and John Ellsworth, 750 Las Colindas, Terra Linda. A third director is R. Dean Starr of Napa.

The club has filed articles to form a non-profit corporation, Jordan said.

DAILY CRYPTOQUOTE — Here's how to work it:

A X Y D L B A A X R
is L O N G F E L L O W

One letter simply stands for another. In this sample A is used for the three L's, X for the two O's, etc. Single letters, apostrophies, the length and formation of the words are all hints. Each day the code letters are different.

A Cryptogram Quotation

T BEZZDFA LHEFO ATHSOBL
FE XELL—LUBVL.

Yesterday's Cryptoquote: NOTHING DIES SO HARD, OR RALLIES SO OFTEN AS INTOLERANCE—BEECHER.

(© 1961, King Features Syndicate, Inc.)

English, Math Teacher Program Planned Again

The second annual summer workshops for teachers of English and mathematics in Tamalpais High School district started Monday at Redwood High School with 24 teachers attending.

An integrated literature program is the subject for the English workshop, with Prof. Larzer Ziff of University of California as teacher.

Teaching the new algebra textbook is the object of the mathematics workshop with Dr. Jens Lund of U.C. as instructor.

Both sessions will continue daily through Aug. 25.

Volkswagen Club Rally Aug. 20

The Volkswagen Club of California will hold a time and distance map rally Aug. 20 with possibly 75 cars throttling from the start at the observation point at the north end of the Golden Gate Bridge.

Starting time is scheduled for 8 a. m. with both navigational and non-navigational classes in the running. Club members estimate five hours of driving will be needed to complete the run which will take the drivers through Marin and two other northern counties.

Trophies will be given for the first three finishers in both the classes in the rally which will wind up in northern Marin. Participation plaques will be given to all the finishers.

Housing Director Writes Letter On Needs Of Elderly

Bert Klahn, executive director of the Marin Housing Authority, in a letter to the Marin County Real Estate Board, asked the board members to review their lists of Marin County senior citizens who have indicated an urgent need for adequate housing at rents they can afford."

The letter pointed out the real estate board opposing the housing referendum which was recently defeated at the polls. The referendum would have authorzied the housing authority to develop new low rent dwellings for the Marin low-income elderly.

"Recent surveys of the housing needs of Marin's elderly reveal that hundreds of local senior citizens with very limited incomes are now in need of better housing, which has not yet been provided by private interests," said the latter.

Circus Set For College On Saturday

The James Brothers Circus, billed as a "family show," will give two performances Saturday on the College of Marin football field.

The ring will be filled with Lulu Belle, the bear with almost human intelligence; balancing act and trapeze acts, trained hogs and an audience participation show.

Performances are scheduled for 2 p. m. and 8 p. m. under the sponsorship of the San Rafael Junior Chamber of Commerce.

There will be no "snarling wild animals," under the James Brothers policy of aiming the show at a family audience without scaring the youngsters.

Instead, Lulu Belle will demonstrate her intelligence. There'll be hogs showing off their tricks and baby elephants, horses and trained dog acts.

Spectators will be able to ride a circus horse during the audience participation section of the two-hour show.

The Volcanic Volantes, a unicycle act, and will roll around the ring. Nine-year-old Heidi Wendany will join the hand-balancing act with her parents.

NOTICE TO PAY ASSESSMENTS SANITARY SEWERAGE PROJECT NO. 1961-1

NOTICE IS HEREBY GIVEN that all owners of real property liable to be assessed to pay the costs and expenses of the acquisitions and improvements described in Resolution of Intention No. 61-18 adopted by the Sanitary Board of Sanitary District No. 5 of Marin County on April 11, 1961, are hereby notified that on July 25, 1961, the assessment and diagram to pay the costs and expenses of said acquisitions and improvements was recorded in my office and in the office of the County Surveyor of Marin County.

Said assessments are due and payable immediately at the Crocker-Anglo National Bank, Belvedere-Tiburon Branch Office, Tiburon, California, and must be paid within the period expiring August 28, 1961.

In the event of the failure to pay before the expiration of said period, serial bonds to represent the unpaid assessments and bearing interest at the rate of not to exceed six per cent (6%) per annum will be issued pursuant to the Improvement Bond Act of 1915, the last installment of which bonds shall mature not to exceed fourteen (14) years from the second day of July next succeeding ten months from their date.

/s/ RICHARD R. KENNEDY
District Engineer of Sanitary District No. 5 of Marin County.

HIS FIGURES SPEAK FOR THEMSELVES

$700
525
$175
Profit

Except for his age, Jack Miller, the young fellow who delivers your newspaper, is pretty much like the other independent, responsible businessmen with whom you deal. Jack buys at a certain price, sells at a certain price, and makes a profit on the service which he performs.

To serve you well, Jack learns to be punctual, alert, and pleasant. He learns bookkeeping, accounting, and banking. He learns how to get along with people and knows the inner satisfaction that can come only from doing a good job. He learns quickly the difference between success and failure—for the figures in his bank account speak for themselves.

He appreciates your patronage, and hopes that his actions tell you so. Could you want *more* from any businessman?

AN INDEPENDENT-JOURNAL NEWSPAPER ROUTE IS THE BEST PART TIME JOB FOR A MARIN COUNTY BOY

with a **NEWSPAPER BUSINESS** *of his own*
and his parents behind him
a **GREAT FUTURE** *lies ahead*

RESOLUTION TO GIVE NOTICE OF HEARING ON PETITION FOR ANNEXATION OF THE "TARRANT ADDITION" TO THE MARIN MUNICIPAL WATER DISTRICT AND FIXING TERMS AND CONDITIONS THEREFOR

WHEREAS, the owners of not less than one fourth of the land hereinafter referred to as the "Tarrant Addition" (by area and by assessed value), have filed a petition for annexation with the Board of Directors of Marin Municipal Water District; and

WHEREAS, the boundaries of the territory proposed to be annexed (now designated as the "Tarrant Addition") are described as follows:

All that certain real property situated in the City of San Rafael, County of Marin, State of California, described as follows:

BEGINNING on the northerly terminus of the westerly right-of-way line of Duran Drive as shown on that certain map entitled "Map of Terra Linda Valley No. 4", recorded June 23, 1960, in Book 10 of Maps at Page 64, Records of Marin County, California; thence from said point of beginning along the northerly boundary of said Terra Linda Valley No. 4 North 50° 00' West 108.00 feet; thence leaving said northerly boundary North 29° 45' East 77.00 feet; thence North 39° 25' East 95.00 feet; thence North 5° 40' West 87.00 feet; thence North 84° 20' East 287.00 feet; thence South 13° 00' East 157.40 feet; thence South 70° 41' East 702.92 feet to the common line between the lands of Nunes and Pimentel, said line also being the city limit line of the City of San Rafael; thence along said common line South 12° 00' West 176.44 feet to a point; thence leaving said common line North 70° 41' West 100.19 feet; thence South 19° 19' West 115.00 feet to a point on the northerly boundary of the Lands of the Dixie School District; thence along said northerly line North 70° 41' West 651.04 feet; thence North 56° 39' West 77.00 feet to the northwesterly corner of said Lands of the Dixie School District; thence along the westerly boundary of said lands last mentioned South 20° 04' West 27.50 feet to a point on the northerly boundary of said Terra Linda Valley No. 4; thence along said northerly boundary North 60° 00' West 154.74 feet, more or less, to the point of beginning;

and

WHEREAS, the terms of said annexation have been discussed with petitioners at a regular meeting of the Board of Directors of said Water District held July 26, 1961;

NOW, THEREFORE, the Board of Directors of Marin Municipal Water District does **RESOLVE** as follows:

1. That said petition be and it is hereby set for hearing before said Board at the hour of 7:30 o'clock P.M. on Wednesday, August 23, 1961, at the offices of said Board at 874 Fourth Street, San Rafael, California.

2. The proposed terms and conditions of annexation are as follows: (1) That the property so annexed shall be subject to the standard service rights and obligations and subject to taxation to the same extent as the present property within the District for the purpose of the payment of bonds and other obligations of the District authorized or outstanding at the date of this annexation; and (2) that petitioners shall pay an annexation charge of $300 per acre to said Water District as a condition to said annexation and in consideration thereof.

3. That any owner of property within such territory proposed to be annexed may file with the Secretary of the District, at any time prior to the hour set for the hearing thereof, written protest to the annexation of such territory or to the annexation of such territory upon the aforementioned terms and conditions.

4. That the time and place of the meeting of the Board at which the Board will hear protests is the time and place hereinabove stated.

5. That notice of said hearing and of the adoption of this resolution shall be given by publishing the full text of this resolution in the Independent-Journal, a newspaper of general circulation printed, published and circulated in the District and in the territory proposed to be annexed, at least once each week during the week of July 31st to August 5th and the week of August 7th to August 12th.

PASSED and ADOPTED at a regular meeting of the Board of Directors of Marin Municipal Water District held upon the 26th day of July, 1961, by the following vote of the Board:

Ayes: Directors—Anderson, Marcus, Herup and Thierbach
Noes: Directors—None
Absent: Directors—Stanley
Approved:
Robert G. Anderson,
President, Board of Directors
Attest:
B. J. Brusatori, Secretary,

No. 14052

Notice is hereby given by the undersigned CLIFFORD O. COX, Executor of the Last Will and Testament of MAXIMILLIAN TASCHEK, also known as MAX TASCHEK, deceased, to the creditors of and all persons having claims against the said decedent, to file them, with the necessary vouchers, within six months, after the first publication of this notice, in the office of the clerk of the Superior Court of the State of California in and for the County of Marin, or to present them, with the necessary vouchers, within six months after the first publication of this notice to the said CLIFFORD O. COX at the office of DAVID J. COSTAMAGNA, Attorney-at-Law, 19 Cheda Building, San Rafael, California, the same being his place of business in all matters connected with the estate of MAXIMILLIAN TASCHEK, also known as MAX TASCHEK, deceased.

Dated July 11, 1961.

/s/ CLIFFORD O. COX
Executor of the Last Will and Testament of MAXIMILLIAN TASCHEK, also known as MAX TASCHEK, deceased.

DAVID J. COSTAMAGNA,
19 Cheda Building,
San Rafael, Cal.,
Attorney for Executor.
GEO. S. JONES, County Clerk.
No. 871—July 12, 19, 26, Aug. 2, 1961.

NOTICE OF PUBLIC HEARING ALMONTE SANITARY DISTRICT

NOTICE IS HEREBY GIVEN that pursuant to Sections 5473 et seq of the Health and Safety Code of the State of California, the Sanitary Board of the Almonte Sanitary District has by Ordinance elected to have the sewer service charges for the fiscal year 1961-1962, together with all prior delinquencies as of July 1, 1961, collected on the tax roll of the County of Marin; and has caused to be filed with its Secretary, a written report specifying the amount of the charge for each parcel of property, together with the code reference number referring to maps prepared in accordance with Section 327 of the Revenue and Taxation Code and on file in the office of the County Assessor, Court House, San Rafael, California.

NOTICE IS FURTHER GIVEN that on the 4th day of August, 1961, at the hour of 8:00 o'clock p.m., at the regular meeting place of said District, 226 Almonte Boulevard, Mill Valley, California, said Board will hear and consider all protests and objections to said report.

By Order of the Sanitary Board of the Almonte Sanitary District.

DATED: This 25th day of July, 1961.

/s/ PATRICK H. PRICE
Secretary, Almonte
Sanitary District
No. 928 July 26, Aug. 2, 1961

ADVERTISEMENT FOR BIDS

Bid No. 124—Coleman Addition "D" (New Teachers' Toilet Rooms and Lunch Room)

Notice is hereby given that the City Board of Education, Governing Body of the San Rafael School District, Marin County, California, will receive bids for furnishing all labor, materials, transportation and services for construction of New Teachers' Toilet Rooms and Lunch Room to the Coleman Elementary School located on Rafael Drive, San Rafael, California for the San Rafael School District, Marin County, each bid to be in accordance with the plans, specifications and other Contract Documents, now on file with the Superintendent of Schools, Business Office, Administration Building, San Rafael City Schools, 215 Mission Avenue, San Rafael, California. Said plans and specifications may be examined and copies obtained at the offices of the Architects located at 1539 Fourth Street, San Rafael, California.

Bidders are hereby notified that pursuant to the statutes of the State of California or local laws thereto applicable, the City Board of Education, Governing Body of the San Rafael School District, has ascertained the general prevailing rate of wages and rates for legal holiday and overtime work in the locality in which this work is to be performed, for each craft or type of workman or mechanic needed to execute the contract which will be awarded to the successful bidder.

A schedule of the prevailing rates so determined has been approved by the City Board of Education of the San Rafael High School District and filed with the Secretary of the said Board in the offices of the San Rafael School District, and said schedule is as follows:

It shall be mandatory upon the Contractor to whom the contract is awarded and upon any subcontractor under him to pay not less than the said specified rates to all laborers, workmen and mechanics employed by them in the execution of the contract.

Notice is hereby given that all bidders may submit with their bids a sworn statement of their financial responsibility, technical ability and experience. Such sworn statement may be required to be furnished before award is made to any particular bidder.

Bids shall be made out on forms to be obtained at the offices of the Architects, 1539 Fourth Street, San Rafael, California, and shall be accompanied by a certified or cashier's check or bid bond for ten percent (10%) of the amount of the bid, made payable to the San Rafael School District, and shall be sealed and clearly marked "Additions 'D' to Coleman Elementary School", and filed with the Secretary of the City Board of Education at the offices of the San Rafael School District, San Rafael, California, on or before 5:15 o'clock P.M., on Wednesday, August 9, 1961, and will be opened and publicly read aloud at 5:15 o'clock P. M. on that date in the offices of the City Board of Education, San Rafael School District, Administration Building, 215 Mission Avenue, San Rafael, California.

The above mentioned check or bond shall be given as a guarantee that the bidder shall enter into the contract if awarded to him and will be declared forfeited if the successful bidder refuses to enter into said contract after being requested to do so by the San Rafael School District.

The San Rafael School District reserves the right to reject any and all bids or waive any informality in the Bid.

No bidder may withdraw his bid for a period of thirty (30) days after the date set for the opening thereof.

San Rafael, California.
July 25, 1961.
/s/ R. J. SIMPSON
Acting Secretary
City Board of Education
Governing Body of the
San Rafael School District

GREENBRAE
TOP VALUES

FAMILY PARADISE
$31,750

Sons and daughters can learn to live gracefully in the comfort of this immaculate well-planned home in a most desirable location. Spacious front lawns and shrubbery add beauty to this 3-bedroom, 2 tiled bath home. Large living room and family-sized dining ell opening to patio. Off the 2-car garage is an electrically heated cozy family room with built-in bookshelves and writing desk. For full particulars, call us now!

BAY VIEW
$28,250

Unusually fine modern adaptation of the split-level design of home. Attractive exterior of grey stucco and brown board-and-batten, with 6-ft. wide brown sundeck in the rear, from which may be seen a view of the Bay extending to the East Bay cities. Spacious living room and dining ell, electric kitchen, fully equipped. Elevated bedroom suite with 3 bedrooms and 2 baths, each with basin vanities. Provision has been made for future room downstairs of desired.

James R. Orendorff, Realtor

THE MILL CREEK
"THE MOST MAGNIFICENT ADDRESS IN MARIN"
My family is raised. We wish to sell our home with its upkeep and loss of interest and move into an apt. But it must be very large and gorgeous. A 1-bedroom (900 sq. ft.) or 2 bedrm., 2 bath (1200 sq. ft.) We want Country-Park-like setting with tall beautiful redwood trees, a live creek meandering through the property. Must be level, and walking distance to the quaint downtown shopping of Mill Valley . . . OH DEAR! We have just wished ourselves into the MILL CREEK. You will too if you see this unbelievable setting. From $145. Adults.
191 Throckmorton, Mill Valley
JAMES STRAGNOLA

Mount Tam Park Addition Approved

The California Public Works Board Monday approved purchase of .53 of an acre of land to be added to Mount Tamalpais State Park.

The land was purchased for $1,500 following negotiation with its five owners, H. C. Vincent Jr., administrative secretary to the board, reported today from Sacramento.

It is located south of the intersection of Sequoia Valley Road and Redwood Drive and fills out a tiny "jog" in the park to more regular boundaries, he explained.

CORTE MADERA SHOPPING CENTER

Shop Mon., Wed., Fri. Nights 'til 9 p.m.

Some Facts About Shopping Center

Anyone curious about statistics on the Corte Madera Shopping Center on the Redwood Highway in that Marin County city should read this:

COST TO DATE: Over 12 million dollars.

SIZE: It is built on 32 acres of what was tidelands used only by sea gulls. There is about 300,000 square feet of retail space, and this is increasing as new stores are built. The parking area will hold about 2,100 automobiles.

OWNER: Madera Gardens Development Co., whose president is Mr. Frank Rusalem.

LEASING AGENTS: Milton Meyer & Co. of San Francisco.

ARCHITECT: John S. Bolles, San Francisco.

TENANTS: There are 32.

LANDSCAPING: Olive trees are planted along Madera Boulevard, where cars enter the big center. Clumps of Ironbark, Pistache, Liquidamber, Draecens, Palms, Pines and Southern Magnolia trees are at each end of the parking lane. In the East parking area are redbox eucalyptus trees. There are several attractive planters along the T-shaped shopping mall.

Big Party

NEWPORT NEWS, Va. (AP) — The Newport News Shipbuilding and Dry Dock Company invited its employees and their friends for an open-house on its 75th anniversary — and 64,000 accepted.

DOLLAR STRETCH

With the use of a false rubber dollar bill, Jan Oldis, 309 Chapman Drive, Corte Madera, shows how the shoppers' money will go a long way during this week-end's Dollar Days. Irving Rosenberg, owner of the Harmony Music Center, shows the size of a normal dollar bill.

Cool Comfort In Store For Shoppers

During Dollar Days, tomorrow and Saturday, shoppers at the Corte Madera Center will be able to make their bargain purchases in cool comfort.

Many of the stores in Marin's largest shopping center are air-conditioned. Some have had special units installed this summer in preparation for what some weather observers have predicted will be the hottest in many years.

"Shoppers may actually find pleasant relief in the cool and music-filled stores at our fine Center," said John Gray, manager of the J. C. Penney Co. He added, "Marin County can look for a big weekend at this attractive center during this special sales event."

SEE, THERE'S PLENTY OF MATERIAL!

In preparation for the Corte Madera Center Dollar Days, Marie Jensen of San Quentin, is shown that the W. T. Grant Co. sale of yard goods remnants are ample enough for a dress. With her are Margaret Himes, 131 Ross, San Rafael, and the store manager, Les Beardsley, 17 Pixley Avenue, Corte Madera.

College Students Ask For More Work

NASHVILLE, Tenn. (AP)—Students at Vanderbilt want more work—or so their leaders say.

A committee of top students named to study all phases of campus life numbered among its recommendations that (1) students be required to write more papers and take more tests and (2) some courses be made "more demanding."

Collection Of Scotts

FREWSBURG, N.Y. (AP)—Melvin Heedan, a high school art teacher. has a collection of more than 1,000 lead-cast toy soldiers representing every Scottish regiment in the British army of 1890. He says they are detailed, true-life miniatures collected during the last 15 years in the United States, France, England and Hong Kong.

PLEASANT SHOPPING ARCADE

This is the safe-for-children mall of the Corte Madera Center, which will be thronged with shoppers during Corte Madera Center Dollar Days tomorrow and Saturday. Stores in the center will remain open until 9 o'clock tomorrow night.

Market To Conduct 'Days Of Hawaii'

During most of August the Littleman's Super Market will conduct a special "Hawaiian Days" promotion, which will get its big kick-off this weekend during the big Dollar Days, tomorrow and Saturday.

Through Aug. 19 shoppers will receive free registration tickets at the store, and several lucky numbers will be drawn at 4:30 p.m. on the last day of the long event.

First prize will be a trip for two for a week to Hawaii. It will include the round trip jet fare, accommodations and some cash plus a special luau and harbor tour. Arrangements for the Littleman's Hawaii celebration are being made by Budd's Travel & Tours of San Rafael.

Second and third prizes will be trips for one to Harrah's at Lake Tahoe. Other lucky shoppers will win tickets to see the San Francisco Giants play, plus several merchandise awards.

Seasonal Clearances Scheduled

Special mid-summer seasonal clearances will be offered by the many stores at the Corte Madera Center during their Dollar Days tomorrow and Saturday.

According to Robert Batty, president of the Corte Madera Center Merchants Council, "This event follows our policy of trying to offer the most for the least—and at the one big place in the county where shopping via automobile is both convenient and pleasant.

"We are doing our best to help make 'Mrs. Marin's' dollars stretch a little longer," Batty added.

Stores participating in the Dollar Days event are:

Littleman's Super Market, W. T. Grant Co., Kramar's Shoes, Peerless Laundry and Dry Cleaning, Harmony Music Center, Kirby's Shoes, Louis and George Men's Clothes, Toy World, GallenKamp's Shoes, J. C. Penney Co., Montgomery Ward Co. and Woolworth's.

Several other Center stores with fine values include: Zim's, Herbert's Sherbet Shoppe, Thrifty Cut Rate Drug Store, Lady Baltimore Bakery, Mam'selle Beauty Salon, Frank's Shoe Repair, Jay Vee, Junior Junction, Luana's, Swiss Watchmaker and the Kerns & Walker Cleaners.

Additional members of the council supporting this event are: Marina Barbershop, Friend's Union Service Station, Jerry's Chevron Service Station, Edgewater Inn, Dr. Shuso Kumata, Optometrist, Household Finance Corp. and the Crocker-Anglo National Bank.

OPEN SUNDAY

Open Mon., Wed. & Fri. Nights 'til 9 p.m.

WHERE SHOPPING IS ALWAYS PLEASANT

This is view of the Corte Madera Shopping Center as seen from the parking lot facing Redwood Highway. Plantings add to attractiveness of the ever-growing center, which will stage a "bigger and better" Dollar Days event tomorrow and Saturday.

Merchandise Manager At Wards Is Promoted

Burton Rowe, merchandise manager of the Montgomery Ward store in the Corte Madera Center, has been promoted to general manager of the Ward's Palo Alto store.

He was born in San Diego and was graduated from the University of San Francisco, having accented his studies in accounting and merchandising. He has been with the famous national retail firm for 10 years. Rowe has been at the Corte Madera store since its opening there in March, 1960.

During World War II, he served with the Air Force, mostly in the European Theatre.

Rowe now lives with his wife, Darlene, and three children at 1836 Fifth Avenue, San Rafael. The family will be moving to Palo Alto soon, prior to the beginning of the new school year.

First Role

HOLLYWOOD (UPI)—Carolyn Komant, Warner Bros. contract player who formerly was Miss Maine, gets her first movie role playing an inmate in "House of Women."

Parking Space Is Big Thing For Shoppers

Marin County's marvelous Corte Madera Shopping Center, with the largest single off street parking space in the county, makes it possible to achieve one-stop shopping, so long needed in this fine residential community.

"The Corte Madera Center Merchants' Council," says Louis Malvino, council secretary, "is moving ahead with plans for more improvements with the parking layout and traffic pattern.

"We will be meeting soon with Frank Rusalem, center developer, to work out the new scheme of things. Since the Center opened about three years ago, we have learned new things about what our thousands of customers want and need. Besides," added Malvino, "car lengths became longer and then shorter. These factors will be included in our studies."

About 2,100 automobile parking spaces are in the center now. When the new Smith's Store opens within the next several weeks, the additional traffic generated will necessitate new space markings.

City Drops Service

RICHMOND, Va. (AP) — The city of Richmond has decided to drop its emergency ambulance service and let private operators do the job. City Manager Horace Edwards expects a saving of $75,000 a year.

'Good Guy' Prisoners Will Get Rewarded

MURET, France (UPI) — A "good guy" and a "bad guy" prisoners—with the good guys living like gentlemen farmers with a swimming pool at their disposal—will go up soon in this little French town.

Construction will begin this year on the ultra modern prison which will combine reformatory measures with rewards for "good" prisoners. The prison will be built on a 24-acre site and will cost $3 million.

The decision was taken to build the jail after French technicians and architects went all over Europe and the United States studying the most modern prisons.

The main ideas of the new prison will be to ally security and reform measures with a modern and decent life for long-term prisoners.

The jail will be open only to those who have received a sentence of at least 10 years.

The outside appearance will be somber, with an 18-foot-high concrete wall, on top of which small walks will enable guards to patrol day and night.

Inside it will be like a dream house, at least for those prisoners who have good conduct privileges. The inside will be divided into two main quarters, the first reserved for "good" prisoners where they will live like gentlemen farmers, and the second where the "toughs" will have a harder life.

The main novelty for a French jail will be the prisoners' cells. They will look more like studios, each of them equipped with running hot and cold water and central heating.

A chapel also will be built in the prison. A modern stadium with sports instructors and a swimming pool will be at the disposal of prisoners.

A modern farm will be installed in the prison and the prisoners will produce a large part of their food. They also will test new ways of farming.

A small hotel will be available to visitors. The small town of Muret, which has only 5,204 inhabitants, has been famous so far only because former President of the Republic Vincent Auriol was born there.

The jail is expected to be finished in three years, replacing a prison in the Loire Valley built in 1804 in a former cenvent dating from 1099 which the government wants to restore as a historic monument.

Giant Facilities For Airports Predicted

LOS ANGELES (UPI)—Brazilian architect Sergio W. Bernardes predicts airports of the future will be giant, highly efficient facilities with everything but the planees underground.

Bernardes, in Los Angeles recently to address students and faculty members of the University of Southern California's School of Architecture, said that in the future $40 million supersonic planes may—because of economics—be permitted to make only one stop per continent.

His airport design, on which work already is underway in Brazil's new capital city of Brasilia, is based somewhat on the principle of the aircraft carrier with one runway for takeoff and another for landing and with all services underneath the airport apron in a two-story substructure.

Bernardes proposed that the runway for landings be inclined to cut the speed of the aircraft when it has its wheels on the ground. By the same token, takeoffs would be made on a downgrade to increase the momentum of the aircraft in approaching flying speed.

The underground facilities would include—if the pattern of the Brasilia airport is followed—such refinements as a lake, an aquarium, trees and plants, as well as elevators to move passengers to and from planes and from one level to another depending on whether they are domestic or inter-continental travelers.

Another feature of the Brasilia terminal will be a 17-floor sound-proofed, air conditioned cylindrical building including a hotel and airport administration offices.

Bernardes said the multi-million-dollar supersonic aircraft of the future—because of their tremendous cost—probably will be owned jointly by several companies.

Clean Town, Dusty Jail

MIDDLEPORT, N.Y. (AP) — Apparently there's nothing wrong with the jail here that a little business wouldn't cure.

Police have received a report on an inspection the State Commission of Correction made during the spring. It says: "The cells and cell room were clean but somewhat dusty from disuse on the date of inspection."

There were no detentions in 1960 or up to the date of inspection, village officials explained.

King-Sized Cooler For New Building

CHICAGO (AP)—A giant-sized air conditioning system is being installed in McCormick Place, the new lakeside exposition center here.

The system is big enough to cool all the homes in a city the size of Schenectady, N.Y., or Burbank, Calif. It uses some 20 miles of piping and 4,000 fittings.
